Meson Capital Partners LLC

July 2, 2018

Dear Fellow InfuSystem Stockholders:

Meson Capital Partners LLC (“Meson Capital Partners”) and Ryan J. Morris (together with their affiliates, “Meson” or “we”) and the other participants in this solicitation are the beneficial owners of an aggregate of 2,228,710 shares of common stock, par value \$0.0001 per share (the “Common Stock”), of InfuSystem Holdings, Inc., a Delaware corporation (“InfuSystem” or the “Company”), representing approximately 9.8% of the outstanding shares of Common Stock of the Company. For the reasons set forth in the attached Proxy Statement, we believe significant changes to the composition of the Board of Directors of the Company (the “Board”) are necessary in order to ensure that the Company is being run in a manner consistent with your best interests. We are seeking your support for the election of our five (5) nominees at the Company’s annual meeting of stockholders scheduled to be held on Thursday, July 19, 2018, commencing at 9:00 a.m. Central Time at the Company’s offices at 11130 Strang Line Rd., Lenexa, Kansas 66215 (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”).

We are seeking to reconstitute the Board because we believe stockholders can no longer stand idly by as InfuSystem’s operating and financial performance continue to fall well below both the expectations set by the Board and the Company’s true potential. Under Chairman Gregg Lehman since May 15, 2015, InfuSystem’s stock has declined from \$3.20 to \$2.40 on March 20, 2018 prior to Meson filing its 13D indicating interest in strategic alternatives for the Company. Adjusted EBITDA has also declined from \$16.4m to \$13.1m during the three years of Mr. Lehman’s tenure as Chairman. This contrasts sharply to the steady increase in EBITDA in the four years prior despite Medicare reimbursement cuts of 20% during that period as well.

We believe a series of leadership missteps have led to drastic share price underperformance compared to both industry peers and the broader market. Given the recent results under the stewardship of Chairman Greg Lehman, it was clear to us that the InfuSystem Board needs a drastic refresh, and our view was cemented when the Board rejected out of hand the offer by Meson Capital Partners and Argonne Capital Group (“Argonne”) to acquire all the shares of Common Stock Meson does not currently own for a price of \$3.75 per share. This valuation represents (i) a 56% premium over the unaffected closing price on March 20, 2018, the day immediately preceding the date Meson filed its Schedule 13D disclosing its potential interest in engaging in strategic transactions with the Company; (ii) a 29% premium over the unaffected closing price on April 25, 2018, when Meson announced that it intended to continue a dialogue with Company management and the Board about a broad range of strategic and operational matters and Mr. Morris delivered a letter to the Company nominating six highly-qualified director candidates; and (iii) a premium to the stock’s 52-week high.

The valuation offered with the \$3.75 bid represents a significant premium to the historical trading range on an Enterprise Value/EBITDA basis **at 11x EBITDA and 8.3x Adjusted EBITDA as reported by InfuSystem**. Even under optimistic assumptions of Adjusted EBITDA growth from the Trailing Twelve Month \$13.1m, \$3.75 represents a significantly higher multiple than the Company’s stock has traded at any point in the past (see “Reasons for the Solicitation” in the attached Proxy Statement for a chart which shows the Company’s historical Adjusted EBITDA multiple versus its Enterprise Value to reflect the \$3.75 per share bid price).

Meson was pleased to make the offer with Argonne, a closely-held private investment firm that has successfully deployed over \$780 million of equity since inception. Together, Meson and Argonne devoted a substantial amount of time and resources preparing the proposal, and Meson and Argonne were truly disappointed by the Board's cavalier rejection of it. Moreover, the Board's unwillingness to adequately consider and engage with Meson and Argonne, despite their offer presenting an excellent opportunity for Company stockholders to realize an attractive, all-cash premium for their shares at a favorable valuation in a very challenging operating environment, has left Meson with serious doubts about the Board's judgment and objectives.

We firmly believe that there is significant value to be realized for stockholders at InfuSystem, and the candidates we have nominated have strong, relevant backgrounds and are committed to fully exploring all opportunities to unlock stockholder value. We have gone to great lengths in selecting a group of director nominees who possess unique skill sets and perspectives directly relevant to the Company's business and current challenges including in healthcare technology and product development, finance and mergers and acquisition experience.

There are eight (8) directorships up for election at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our five (5) nominees in opposition to the Company's director nominees. The enclosed Proxy Statement is soliciting proxies to elect only our five (5) nominees. **Accordingly, the enclosed BLUE proxy card may only be voted for our nominees and does not confer voting power with respect to any of the Company's director nominees. Stockholders who return the BLUE proxy card will only be able to vote for our five (5) nominees.** You can only vote for the Company's director nominees by signing and returning a proxy card provided by the Company. Stockholders should refer to the Company's proxy statement for the names, backgrounds, qualifications and other information concerning the Company's nominees. Your vote to elect our nominees will have the legal effect of replacing five (5) incumbent directors with our nominees. If all five (5) of our nominees are elected, they will constitute a majority of the Board.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **BLUE** proxy card today. The attached Proxy Statement and the enclosed **BLUE** proxy card are first being mailed to stockholders on or about July 2, 2018.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated **BLUE** proxy card or by voting in person at the Annual Meeting.

We believe that the Board of Directors of the Company (the “Board”) must be reconstituted to ensure that the Board takes the necessary steps for the Company’s stockholders to realize the maximum value of their investment. We have nominated directors who have strong, relevant backgrounds and who are committed to fully exploring all opportunities to unlock stockholder value. We are seeking your support at the annual meeting of stockholders scheduled to be held on Thursday, July 19, 2018, commencing at 9:00 a.m. Central Time at the Company’s offices at 11130 Strang Line Rd., Lenexa, Kansas 66215 (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”), for the following:

- To elect Meson’s five (5) director nominees, Mohamed Alkady, Daniel A. Balda, Bryan Boches, Richard Linder and
1. Asha Saxena (each a “Nominee” and collectively, the “Nominees”) to serve until the 2019 annual meeting of stockholders and until their respective successors are duly elected and qualified;
2. To approve amendments to the Company’s 2014 Equity Plan, including an increase in the number of authorized shares under the plan;
3. To approve, by advisory vote, the compensation of the Company’s named executive officers;
4. To ratify the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018; and
5. To transact such other business as may properly come before the Annual Meeting.

There are eight (8) directorships up for election at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our Nominees in opposition to the Company’s director nominees. This Proxy Statement is soliciting proxies to elect only our Nominees. Stockholders who return the BLUE proxy card will only be able to vote for Meson’s five (5) Nominees. See “Voting and Proxy Procedures” below for additional information. You can only vote for the Company’s director nominees by signing and returning a proxy card provided by the Company. While we currently intend to vote all of the Meson Group Shares in favor of the election of the Nominees, we reserve the right to vote some or all of the Meson Group Shares for some or all of the Company’s director nominees, as we see fit, in order to achieve a Board composition that we believe is in the best interest of all stockholders. We would only intend to vote some or all of the Meson Group Shares for some or all of the Company’s director nominees in the event it were to become apparent to us, based on the projected voting results at such time, that by voting the Meson Group Shares we could help elect the Company nominee(s) that we believe are the most qualified to serve as directors and thus help achieve a Board composition that we believe is in the best interest of all stockholders. Stockholders should understand, however, that all shares of Common Stock represented by the enclosed BLUE proxy card will be voted at the Annual Meeting as marked.

BACKGROUND TO THE SOLICITATION

The following is a chronology of events leading up to this proxy solicitation:

On April 24, 2012, Ryan Morris, Managing Member of Meson Capital Partners, joined the Company's Board pursuant to a settlement agreement by and between the Company and an investor group that included Meson Capital Partners in which five (5) new directors, including Mr. Morris, were appointed to the Board.

On April 26, 2012, the Company issued a press release announcing that the Board had named Mr. Morris as Executive Chairman, and further stated that Mr. Morris had led a shareholder activist campaign that began in November 2011 when the Company's stock was trading at approximately \$1.20 per share and culminated in a major overhaul of the Company's governance including the resignation of former Chairman and CEO Sean McDevitt and four (4) other directors.

Between 2012 and 2017, Mr. Morris served as a Board member, including as Chairman from May 2014 to May 2015 and as Executive Chairman at different times between 2012 and 2014. The Company's stock price had increased to \$3.25 when Mr. Morris stepped down as Chairman and Gregg Lehman took over this role in May 2015. Mr. Morris left the Board in June 2017. Throughout his time on the Board, Mr. Morris performed extensive due diligence on the Company and engaged in discussions with Company management and the Board regarding the ways in which the Company could improve operational performance and enhance the effectiveness of its capital allocation.

On February 5, 2018, Mr. Morris sent an email to Richard A. DiIorio, the Company's President and CEO and a member of the Board, requesting to speak with Mr. DiIorio.

On February 12, 2018, Mr. Morris had a telephone conversation with Mr. DiIorio. On the call, Mr. Morris inquired whether the Company was interested in pursuing a going private transaction with him. Mr. DiIorio responded that it was his understanding that the Company was not currently for sale.

In March 2018, Aron English, President of 22NW Fund, LP ("22NW"), called Mr. Morris and asked Mr. Morris whether he would be interested in pursuing an offer to acquire the Company in a going private transaction. Mr. English stated during the call that he did not believe it made sense for the Company to remain a public company, further expressing that he was disappointed that the Company had not undergone a sale process in 2017. Moreover, Mr. English noted that the Company had hastily promoted Mr. DiIorio into the CEO role.

On March 21, 2018, Mr. Morris and Mr. English (and certain associated entities) jointly filed a Schedule 13D (the "Schedule 13D") with the SEC disclosing the formation of a "group" under Section 13(d) of the Securities Exchange Act of 1934 (the "Exchange Act"). The Schedule 13D reported that Mr. Morris is the Managing Member and sole shareholder of Meson Capital Partners, which is the general partner of Meson Capital. Meson Capital Partners and Meson Capital are collectively referred to herein as the "Meson Entities." The Schedule 13D reported that Mr. Morris directly beneficially owned 87,344 shares of Common Stock and beneficially owned 983,453 shares of Common Stock held by Meson Capital, representing, in total, 4.7% of the issued and outstanding shares of Common Stock. The Schedule 13D also reported that Mr. English was the shareholder of 22NW, GP and the limited partner of

22NW, collectively referred to herein as the “22NW Entities”, and beneficially owned 1,017,415 shares of Common Stock held by 22NW, representing 4.5% of the issued and outstanding shares of Common Stock. In addition, the Schedule 13D stated that Messrs. Morris and English, the Meson Entities and the 22NW Entities intended to communicate with the Company’s management and Board about a broad range of strategic and operational matters, including a sale of the Company or certain of its businesses or assets, in which Messrs. Morris and English, the Meson Entities and the 22NW Entities may participate.

4

On March 30, 2018, Mr. Morris called Mr. DiIorio and stated that he wanted to submit a non-binding proposal to offer to buy the Company's stock at \$3.00 to \$3.25 per share. Mr. Morris noted that he would provide written correspondence but wanted to conduct due diligence before committing to a specific purchase price.

On April 6, 2018, Mr. DiIorio communicated to Mr. Morris, by telephone and email, the Board's response to Mr. Morris' verbal expression of interest in the Company, including the need for any proposal to be submitted in writing and include not only price but also information on the financing of a potential transaction.

On April 10, 2018, the Meson Entities and the 22NW Entities delivered a letter to the Company containing a non-binding proposal to purchase the Company in a going private transaction for \$3.00 to \$3.25 per share. The letter indicated that the 22NW Entities could provide the financing for such transaction.

On April 12, 2018, the Company responded to Messrs. Morris' and English's April 10, 2018 letter, stating that the Board had unanimously rejected their proposal. By a separate letter dated April 12, 2018, outside legal counsel for the Meson Entities and the 22NW Entities received a letter from Stinson Leonard Street ("Stinson"), the Company's corporate counsel, stating that the Company had been notified by JPMorgan Chase, which has a Credit Agreement with the Company, that JPMorgan Chase had been contacted by an individual reporting communication with Mr. Morris.

On April 16, 2018, the Meson Entities and the 22NW Entities delivered a letter to the Company reaffirming their non-binding proposal to purchase the Company in a going private transaction for \$3.00 to \$3.25 per share. The proposal remained subject to the conditions set forth in the April 10, 2018 letter, except that the rollover of the terms provided in the Credit Agreement between the Company and JPMorgan Chase was no longer a condition to the offer. The letter stated that the Meson Entities and the 22NW Entities were prepared to increase the price offered above the stated price range, provided that their ability to do so would depend upon the results of due diligence and their ability to either rollover or replace the Credit Agreement with JPMorgan Chase on acceptable terms.

On April 17, 2018, the Meson Entities and the 22NW Entities' outside legal counsel responded to Stinson's April 12, 2018 letter by stating that Mr. Morris' contact with JPMorgan Chase Bank was appropriate due diligence in connection with the preparation of a bid letter and noted that Mr. Morris never spoke to any JPMorgan Chase employees directly involved with the Company's account.

On April 23, 2018, Mr. DiIorio informed Mr. Morris by email that the Board had rejected the proposal contained in the letter to the Board dated April 16, 2018.

On April 23, 2018, Mr. Morris delivered a letter to the Company (the "Nomination Letter") notifying the Company of his intent to nominate Messrs. Alkady, Balda, Boches, English, Linder, and Ms. Saxena to be elected to the Board at the Annual Meeting.

On April 24, 2018, Meson received a letter from Stinson which incorrectly suggested that Mr. Morris had acted as a JPMorgan banker under the alias "Matt Paul" in an effort to conceal his identity.

On April 25, 2018, Messrs. Morris and English along with the Meson Entities and 22NW Entities filed Amendment No. 1 to the Schedule 13D ("Amendment No. 1") to add the Nominees as "Reporting Persons" (in addition to Messrs. Morris and English, the Meson Entities and the 22NW Entities). Such Reporting Persons are collectively referred to as the "April 25th 13D Group." In addition, Amendment No. 1 disclosed that Meson had delivered the Nomination Letter and that the Nomination Letter was delivered in order to preserve Mr. Morris' rights as a stockholder. Amendment No. 1 also disclosed that the "Reporting Persons" were members of a "group" under Section 13(d) of the Exchange Act. Amendment No. 1 also disclosed that, as of the close of business on April 25, 2018, (i) Mr. Morris was the direct beneficial owner of 87,344 shares of Common Stock of the Company and the beneficial owner of the 1,171,865 shares of Common Stock owned by Meson Capital LP, representing 5.5%, in total, of the issued and outstanding shares of Common Stock, (ii) English was the beneficial owner of 1,017,415 shares of Common Stock as the shareholder of 22NW, GP and the limited partner of 22NW, LP, representing 4.5% of the issued and outstanding shares of Common Stock, and (iii) Mr. Boches, as of April 25, 2018, was the beneficial owner of 51,150 shares of Common Stock, representing less than 1% of the issued and outstanding shares of Common Stock.

On April 30, 2018, Mr. DiIorio and Mr. Morris discussed the Company's concerns regarding his prior contact with JPMorgan Chase and the potential candidates for election as directors as set forth in the Nomination Letter and Amendment No. 1. During a subsequent conversation, Mr. DiIorio referenced the Company's recently initiated Stock Repurchase Program and suggested that Mr. Morris should consider selling his shares to the Company.

On May 2, 2018, Mr. Morris had a telephone conversation with Mr. DiIorio and Scott Shuda, a director of the Company (collectively, the "Company Representatives"). Mr. Morris was informed by the Company Representatives that the Company had rejected Mr. Morris' proposal and they discussed the possibility of the Company and potentially other buyers, including directors and related entities or other stockholders (collectively, the "Company Purchasers"), purchasing Common Stock held by Mr. Morris and other members of the April 25th 13D Group. Mr. Morris was informed by the Company Representatives that such Company Purchasers would not be willing to pay more than market price for the shares of Common Stock. Mr. Morris said that he did not have the authority to act on behalf of the other members of the April 25th 13D Group.

On May 3, 2018 and May 4, 2018, Mr. Morris had further discussions with the Company Representatives.

On May 8, 2018, Messrs. Morris and English discussed increasing the price of the bid for the Company in order to facilitate the transaction. Mr. English said that so long as the Company remained a public company under the direction of the current Board, he believed the upper limit of the stock price is below \$3.00 per share. Mr. English stated that upon further review, even in a going-private transaction, he did not believe a valuation above \$3.25 was warranted. Accordingly, he was not willing to be a participant in an increased bid and if someone, including Mr. Morris, increased the bid, then Mr. English would be a seller at those higher prices rather than a buyer.

Also on May 8, 2018, Messrs. Morris and English and the other “Reporting Persons” filed Amendment No. 2 to the Schedule 13D (“Amendment No. 2”) in which they disclosed that Mr. English and the 22NW Entities were no longer members of a group under Section 13(d) of the Exchange Act and that Mr. English and the 22NW Entities would cease to be “Reporting Persons” immediately after the filing of Amendment No. 2.

On May 9, 2018, Messrs. Morris and English agreed that 22NW would sell 900,000 shares of Common Stock to Meson in a private transaction at a price of \$2.705 per share. Later that day, Mr. Morris had a telephone conversation with the Company Representatives in which he informed them of his purchase. Mr. Morris stated on the call that he intended to make a new proposal to buy the Company and that he would be reaching out to financing sources.

On May 11, 2018, Mr. Morris and the other “Reporting Persons” filed Amendment No. 3 to the Schedule 13D (“Amendment No. 3”) in which they disclosed that Meson Capital had acquired 900,000 shares of Common Stock, that Ethan Doyle was added as a “Reporting Person” and member of the group and that on May 10, 2018 and May 11, 2018, Mr. Doyle had acquired 18,351 shares of Common Stock.

On May 23, 2018, the Company filed a preliminary proxy statement with the SEC in connection with the Annual Meeting.

Throughout May and June 2018, Meson engaged in discussions with Argonne Capital Group (“Argonne”), a proven financial sponsor that has successfully deployed over \$780 million of equity since its inception in over 20 private equity transactions, regarding financing for a potential bid by Meson to buy the Company for up to \$3.75 per share.

On June 15, 2018, the Company filed a definitive proxy statement with the SEC in connection with the Annual Meeting.

On June 15, 2018, Meson and Argonne delivered a letter to the Company containing a non-binding proposal to acquire all the Common Stock that Meson does not currently own for a price of \$3.75 per share, a valuation that represents (i) a 56% premium over the unaffected closing price on March 20, 2018, the day immediately preceding the date Meson filed its Schedule 13D disclosing its potential interest in engaging in strategic transactions with the Company; (ii) a 29% premium over the unaffected closing price on April 25, 2018, the date Meson announced that it intended to continue a dialogue with Company management and the Board about a broad range of strategic and operational matters and Mr. Morris delivered a letter to the Company nominating six highly-qualified director candidates; and (iii) a premium to the stock’s 52-week high. In the letter, Meson and Argonne expressed their belief that it is not in the best interest of stockholders for the Company to continue as a public company. Meson and Argonne further stated that the Company would benefit greatly in the long run from private ownership, which would enable the Company to be more entrepreneurial and execute a long-term value creation strategy. The letter further stated that Meson and Argonne are prepared to move expeditiously and cooperatively to complete a transaction and urged the Board to delay the Annual Meeting so the Board may devote its full attention to considering their offer. The letter stated that the proposed transaction is subject to completion of Meson’s and Argonne’s due diligence, negotiation and execution of a merger agreement containing customary terms and conditions for a transaction of this type and size, and certain other customary conditions.

Also on June 15, 2018, Mr. Morris and the other “Reporting Persons” filed Amendment No. 4 to the Schedule 13D (“Amendment No. 4”) to disclose the delivery of the bid letter to the Company to acquire all the Common Stock that Meson does not currently own for a price of \$3.75 per share.

On June 19, 2018, Messrs. DiIorio and Lehman delivered a letter to Meson and Argonne stating that the Board rejected the \$3.75 per share bid, adding that the Company is “not currently for sale” and that the proposals “fall well short of fair value for the business, particularly given the significant strategic reforms recently implemented.”

On June 20, 2018, Mr. Morris delivered to the Company a demand letter for the books and records of the Company, including a list of holders of the Common Stock, pursuant to Section 220 of the Delaware General Corporation Law.

On June 22, 2018, Meson filed its preliminary proxy statement in connection with the Annual Meeting.

On July 2, 2018, Meson filed its definitive proxy statement in connection with the Annual Meeting.

REASONS FOR THE SOLICITATION

WE BELIEVE THAT SIGNIFICANT BOARD CHANGE IS NEEDED NOW

Meson, together with its affiliates, is the second largest stockholder of the Company, representing 9.8% of the outstanding shares of Common Stock. We have performed extensive due diligence on the Company and have engaged in discussions with the Company's management and Board regarding the ways in which we believe the Company could improve operational performance and enhance the effectiveness of its capital allocation. We have repeatedly approached the Company with good-faith proposals to acquire the remaining outstanding shares that we do not currently own in a going-private transaction and, despite our demonstrated willingness to offer more favorable terms (including an increase in our bid price), in each instance the Board has rebuffed our overtures. In light of the Board's apparent unwillingness to seriously consider a value-maximizing strategic transaction that would serve the best interests of all stockholders, we now seek to reconstitute the majority of the Board through the election of our slate of five (5) independent director nominees at the Annual Meeting.

Meson is undertaking this solicitation to hold the directors of the Board accountable for, among other things, significant operational and share price underperformance and failure to provide stockholders with the opportunity to receive the maximum value for their shares. Meson believes that replacing the existing incumbent directors with new independent directors who have the requisite strategic and operational skills will allow the Board to undertake a rigorous overhaul of the Company and explore strategic alternatives that we believe are needed to drive value to the stockholders.

We Are Concerned with the Recent Performance at the Company Caused by Strategic Misdirection and Poor Operational Management under the Current Board and Leadership

The essential responsibility of the Board is to determine the Company's strategy and to hold management accountable for its operational performance. In this regard, we believe that the current Board has failed.

The Company has performed poorly in several key metrics under the leadership of Mr. Lehman versus the leadership of Meson and Mr. Morris. Set forth below is a chart that delineates the Company's adjusted EBITDA for the past seven years.

(Source: CapitalIQ and InfuSystem Press Releases)

Under Mr. Lehman's leadership as Chairman, the stock price has declined from \$3.20 per share on May 15, 2015 when he was elected, succeeding Mr. Morris, to \$2.40 per share on March 20, 2018, which is the date prior to the date Meson filed its Schedule 13D. This decline contrasts sharply with the significant increase in stock price and financial performance under the leadership of Mr. Morris, where from November 2011 to May 15, 2015, the stock price increased from \$1.20 to \$3.20 per share despite Medicare competitive bidding reducing reimbursement prices by 20% during the same period. As shown below, the Company's performance under the guidance of Meson and Mr. Morris reflects a trajectory of growth and value creation compared to the Company's performance under the current leadership, which has been on a downward trajectory and resulted in the destruction of stockholder value.

We are calling for immediate and significant refreshment of the Board as an essential step to preserve the best interests of stockholders and to maximize value creation at the Company. In our view, stockholders cannot tolerate the continued operating and financial underperformance that is well below both the expectations set by the Board and the Company's true potential. We believe a series of operational missteps have led to drastic share price underperformance compared to both industry peers and the broader market. Given the recent results under the stewardship of Chairman Greg Lehman, it is clear to us that the Board reconstitution is necessary.

We Recently Submitted a Bid to Acquire the Company Which Would Benefit All Stockholders

On June 15, 2018, we sent the Board a bid letter, together with Argonne, offering to buy the Common Stock that Meson does not currently own for \$3.75 per share. On June 19, 2018, the Board once again rejected this opportunity for stockholders to realize an attractive, all-cash premium for their shares, stating that the Company was "not for sale." This valuation represents (i) a 56% premium over the unaffected closing price on March 20, 2018, the day immediately preceding the date Meson filed its Schedule 13D disclosing its potential interest in engaging in strategic transactions with the Company; (ii) a 29% premium over the unaffected closing price on April 25, 2018, when Meson announced that it intended to continue a dialogue with Company management and the Board about a broad range of strategic and operational matters and Mr. Morris delivered a letter to the Company nominating six highly-qualified director candidates; and (iii) a premium to the stock's 52-week high. For further information relating to InfuSystem stock prices, see the InfuSystem Stock Performance Chart above.

The valuation offered with the \$3.75 bid represents a significant premium to the historical trading range on an Enterprise Value/EBITDA basis **at 11x EBITDA and 8.3x Adjusted EBITDA as reported by InfuSystem**. Even under optimistic assumptions of Adjusted EBITDA growth from the Trailing Twelve Month \$13.1m, \$3.75 represents a significantly higher multiple than the Company's stock has traded at any point in the past. Below is a chart which shows the Company's historical Adjusted EBITDA multiple versus its Enterprise Value to reflect the \$3.75 per share bid price.

Meson was pleased to make the offer with Argonne, a closely-held private investment firm that has successfully deployed over \$780 million of equity since inception. Together, Meson and Argonne devoted a substantial amount of time and resources preparing the proposal, and Meson and Argonne were truly disappointed by the Board's cavalier rejection of it. Moreover, the Board's unwillingness to adequately consider our proposal and engage with us, despite our offer presenting an excellent opportunity for Company stockholders to realize an attractive, all-cash premium for their shares at a favorable valuation in a very challenging operating environment, has left Meson with serious doubts about the Board's judgment and credibility.

Our Interests Are Aligned With the Company's Stockholders And Its Employees to Maximize Long Term Value Creation

We believe that the Company and its employees would benefit greatly in the long run from private ownership of the Company, which would enable the Company to execute a long-term entrepreneurial value creation strategy. Alongside Meson's equity roll-over contribution and Argonne and other financial institutions providing financing for the transaction, we believe we will be able to obtain substantial capital resources for the benefit of the Company, in the form of both debt and equity to help fund future acquisitions and an aggressive organic growth strategy.

We do not believe the Board's "status quo" approach to the constantly changing healthcare environment is a tenable strategy that will lead to a positive result for stockholders as the market landscape shifts and InfuSystem is incapable of adapting. By contrast, InfuSystem was able to adapt and thrive, growing EBITDA significantly, even despite Medicare competitive bidding decreasing reimbursement pricing by 20% under Mr. Morris's leadership as Chairman between 2012 and 2015.

We firmly believe that there is significant value to be realized at InfuSystem with new leadership, and we are confident that our Nominees are the right candidates to bring fresh perspective and deliver this value for stockholders.

OUR SLATE OF FIVE HIGHLY-QUALIFIED NOMINEES POSSESS THE EXPERIENCE TO OBJECTIVELY EVALUATE STRATEGIC OPPORTUNITIES THAT MAXIMIZE LONG-TERM VALUE CREATION FOR STOCKHOLDERS

For the reasons set forth above, we lack confidence that the Board, as currently composed, has the objectivity and commitment to take the steps necessary to enhance stockholder value at the Company or to protect the best interests of InfuSystem stockholders. We believe the individuals we have selected possess unique skill sets and perspectives directly relevant to InfuSystem's business and current challenges. Our Nominees include individuals with extensive entrepreneurial experience as well as experience in healthcare technology, finance and mergers and acquisition and if elected, would consider all available strategic options to maximize value, consistent with their fiduciary duties to serve the best interests of stockholders, including a potential sale of the Company to the highest bidder.

The principal business address of Mr. Alkady is 575 Anton Boulevard, #1150, Costa Mesa, California 92626. The principal business address of Mr. Balda is 600 N Atlantis Road, Melbourne, Florida 32904. The principal business address of Mr. Boches is 85 Liberty Ship, Suite 203, Sausalito, California 94965. The principal business address of Mr. Linder is 3465 North Pines Way, Suite 104, No. 25, Wilson, Wyoming 83014. The principal business address of Ms. Saxena is 55 Cambridge Drive, Colonia, New Jersey 07067.

As of the date hereof, Messrs. Alkady, Balda and Linder and Ms. Saxena do not own beneficially or of record any securities of the Company and have not entered into any transactions in securities of the Company during the past two years.

As of the date hereof, Mr. Boches directly beneficially owns 51,150 shares of Common Stock. Mr. Boches purchased the shares of Common Stock with personal funds in the open market. For information regarding transactions in securities of the Company during the past two years by Mr. Boches, please see Schedule I.

Each of the Nominees may be deemed to be a member of a “group” for the purposes of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each of the Nominees specifically disclaims beneficial ownership of shares of Common Stock that he does not directly own. For information regarding purchases and sales during the past two years by certain members of Meson of securities of the Company, see Schedule I.

On April 23, 2018, Ryan J. Morris, Meson Capital, Meson Capital Partners and the Nominees (collectively the “Group”) entered into a Joint Filing and Solicitation Agreement pursuant to which, among other things, the Group agreed to (a) the joint filing on behalf of each of them of statements on Schedule 13D, and any amendments thereto, with respect to the securities of the Company, and (b) solicit proxies for the election of the Nominees to the Board at the Annual Meeting. On May 11, 2018, the Joint Filing and Solicitation Agreement was amended and restated to include Mr. Doyle.

Other than as stated herein, there are no arrangements or understandings between the participants or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by each Nominee to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. Other than as stated herein, none of the Nominees is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceeding.

Meson believes that each Nominee, presently is, and if elected as a director of the Company, each of the Nominees would be, an “independent director” within the meaning of (i) applicable New York Stock Exchange (“NYSE”) listing standards applicable to board composition, and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. No Nominee is a member of the Company’s compensation, nominating or audit committee that is not independent under any such committee’s applicable independence standards.

If Meson is successful in electing all five (5) of our Nominees at the Annual Meeting, then a change in control of the Board may be deemed to have occurred under certain of InfuSystem's material contracts and agreements. Based on a review of the Company's material contracts and agreements, such a change in control may trigger certain change in control provisions or payments under certain of the Company's plans and agreements, including certain of its stock incentive plans, employment agreements with its named executive officers and certain key employees, and various debt documents. However, even if it should be determined that electing all five (5) of our Nominees would result in a change in control under certain documents, we do not believe any potential effects from such a change in control would outweigh the overwhelming benefits from an improved Board.

We do not expect that the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve, or for good cause will not serve, the shares of Common Stock represented by the enclosed **BLUE** proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Company's organizational documents and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Nominee, to the extent this is not prohibited under the Company's organizational documents and applicable law. In any such case, shares of Common Stock represented by the enclosed **BLUE** proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Company's organizational documents and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Meson that any attempt to increase the size of the current Board or to classify the Board constitutes an unlawful manipulation of the Company's corporate machinery.

WE URGE YOU TO VOTE FOR THE ELECTION OF THE NOMINEES ON THE ENCLOSED BLUE PROXY CARD.

PROPOSAL NO. 2

APPROVAL OF AMENDMENTS TO THE COMPANY'S 2014 EQUITY PLAN

As discussed in further detail in the Company's proxy statement, on March 21, 2018, the Board adopted amendments to the Company's 2014 Equity Plan, subject to stockholder approval at the Annual Meeting, to increase the number of shares of our Common Stock available for issuance under the 2014 Equity Plan and to make additional amendments to the 2014 Equity Plan.

According to the Company's proxy statement, the following is a summary of the key amendments, that if approved, would make the following changes to the Company's 2014 Equity Plan:

- | | |
|---|--|
| Increase in Authorized Shares | The amendments would increase the number of shares authorized for issuance under the 2014 Equity Plan by 1,000,000 shares. |
| Place a Limitation on Awards to Non-Employee Directors | The amendments would place a limitation on awards to non-employee directors granted awards under the 2014 Equity Plan of a fair value not in excess of \$200,000 in any calendar year |
| Additional Changes | The amendments would also include several non-materials changes to the 2014 Equity Plan to facilitate the amendment described above imposing a limitation on awards to non-employee directors. |

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND TO VOTE OUR SHARES "for" THIS PROPOSAL.

PROPOSAL NO. 3

ADVISORY RESOLUTION TO APPROVE EXECUTIVE COMPENSATION

As disclosed in the Company's proxy statement, pursuant to Section 14A to the Exchange Act adopted in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Company is providing stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of the Company's named executive officers. Such a "say-on-pay" vote gives stockholders the opportunity to express their views on the Company's executive compensation policies and programs and the compensation paid to the named executive officers. Accordingly, the Company is asking stockholders to vote for the following resolution:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation paid to the named executive officers, as disclosed in the Company's proxy statement for the 2018 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and accompanying narrative disclosure."

As disclosed in the Company's proxy statement, the stockholder vote on the say-on-pay proposal is advisory and therefore not binding on the Company, the Board or the Compensation Committee; however, the Company has disclosed that the Board and the Compensation Committee will review and consider the voting results in future decisions regarding executive compensation.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL NO. 4

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee has selected BDO USA, LLP as the independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2018. The Board is submitting the appointment of BDO USA, LLP to the stockholders for ratification as a matter of good corporate practice.

The Company has disclosed that if stockholders fail to ratify the appointment of BDO USA, LLP, the Audit Committee will reconsider its selection of audit firms, but may decide not to change its selection. The Company further disclosed that even if the appointment is ratified, the Audit Committee may appoint a different independent registered public accounting firm at any time if it determines that such a change would be in the best interest of the Company's stockholders.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND TO VOTE OUR SHARES "for" THIS PROPOSAL.

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, Meson believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the shares of Common Stock.

Shares of Common Stock represented by properly executed **BLUE** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be **FOR** the election of the Nominees, **FOR** the approval of amendments to the Company's 2014 Equity Plan **FOR** the approval, by advisory vote, of the compensation of the Company's named executive officers, and **FOR** the ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate eight (8) candidates for election at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only our Nominees. Accordingly, the enclosed **BLUE** proxy card may only be voted for the Nominees and does not confer voting power with respect to the Company's nominees. Stockholders should refer to the Company's proxy statement for the names, backgrounds, qualifications and other information concerning the Company's nominees. In the event that some of the Nominees are elected, there can be no assurance that the Company nominee(s) who get the most votes and are elected to the Board will choose to serve on the Board with the Nominees who are elected.

While we currently intend to vote all of the Meson Group Shares in favor of the election of the Nominees, we reserve the right to vote some or all of the Meson Group Shares for some or all of the Company's director nominees, as we see fit, in order to achieve a Board composition that we believe is in the best interest of all stockholders. We would only intend to vote some or all of the Meson Group Shares for some or all of the Company's director nominees in the event it were to become apparent to us, based on the projected voting results at such time, that by voting the Meson Group Shares we could help elect the Company nominee(s) that we believe are the most qualified to serve as directors and thus help achieve a Board composition that we believe is in the best interest of all stockholders. Stockholders should understand, however, that all shares of Common Stock represented by the enclosed **BLUE** proxy card will be voted at the Annual Meeting as marked.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of a majority of the shares of Common Stock entitled to vote at the Annual Meeting will constitute a quorum.

Abstentions will be counted for purposes of determining whether a quorum is present at the Annual Meeting. Shares represented by "broker non-votes" also are counted as present and entitled to vote for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a "broker non-vote"). Under applicable rules, your broker will not have discretionary authority to vote your shares at the Annual Meeting on any of the proposals.

If you are a stockholder of record, you must deliver your vote by mail, attend the Annual Meeting in person and vote, vote by Internet or vote by telephone in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on the proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors The Company has adopted a majority vote standard for non-contested director elections and a plurality vote standard for contested director elections. As a result of our nomination of the Nominees, the director election at the Annual Meeting will be contested, which means that the eight nominees receiving the highest number of “for” votes will be elected. Abstentions, broker non-votes, and failures to vote will have no effect on the outcome of the election of directors.

Approval of Amendments to the Company’s 2014 Equity Plan According to the Company’s proxy statement, the proposal to approve amendments to the Company’s 2014 Equity Plan, including an increase in the number of authorized shares under the plan, will require the affirmative vote of a majority of the votes cast by the shares of the Company’s Common Stock issued and outstanding as of the Record Date that are present at the Annual Meeting, in person or by proxy, and entitled to vote in accordance with applicable NYSE American LLC listing standards. The Company has indicated that abstentions will be treated as votes “against” the proposal, but broker non-votes and failures to vote will have no effect on the outcome of the vote.

Advisory Vote on Executive Compensation According to the Company’s proxy statement, the proposal to approve, by advisory vote, the compensation paid to the Company’s named executive officers will require the affirmative vote of a majority of the shares of the Company’s Common Stock present at the Annual Meeting, in person or represented by proxy, and entitled to vote thereon. The Company has indicated that abstentions will be treated as votes “against” the proposal, but broker non-votes and failures to vote will have no effect on the outcome of the vote.

Ratification of the Appointment of Accounting Firm According to the Company’s proxy statement, the proposal to ratify the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm will require the affirmative vote of a majority of the shares of the Company’s Common Stock present at the Annual Meeting, in person or represented by proxy, and entitled to vote thereon. The Company has indicated that abstentions will be treated as votes “against” the proposal, but broker non-votes and failures to vote will have no effect on the outcome of the vote.

Under applicable Delaware law, none of the holders of Common Stock are entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your **BLUE** proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with Meson’s recommendations specified herein and in accordance with the discretion of the persons named on the **BLUE** proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Meson in care of InvestorCom at the address set forth on the back cover of this Proxy Statement or to the Company at 31700 Research Park Drive, Madison Heights, Michigan 48071 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Meson in care of InvestorCom at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, InvestorCom may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED BLUE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.
