NARRATIVE

State below in reasonable detail why the Form 10-K, 20-F, 11-K, 10-Q, 10D, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

The registrant has not completed its financial statements for the 2005 fiscal year, and the registrant's independent registered public accounting firm has not yet completed its year-end financial statement audit. Accordingly, the registrant's annual report on Form 10-K for the fiscal year ended December 31, 2005 could not be filed within the prescribed time period without unreasonable effort or expense.

PART IV  
OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification

(Name) (Area Code) (Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Net income for 2005 is expected to decrease somewhat from net income during 2004. During 2005, the registrant's portfolio grew by approximately 50%, resulting in substantial increases across revenues and operating expenses. Interest expense grew by a substantially greater percentage than interest income and other items of income and expenses, as a result of the approximately 200 basis point increase in short term interest rates in 2005 and its effect on the registrant's cost of term debt, significantly contributing to the anticipated change in net income.

The registrant has not completed its financial statements for the 2005 year and the registrant's independent registered public accounting firm has not yet completed its year-end financial statement audit. Accordingly, the registrant is not in a position at this time to provide a reasonable estimate of any anticipated significant changes in the results of operations for the fiscal year ended December 31, 2005 compared to the fiscal year ended December 31, 2004. In addition, there can be no assurance that the financial information publicly announced at a later date will not differ from the above disclosure.
