PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 7, 2014

Solicitation of Proxies

This proxy statement is being furnished to stockholders of Great Southern Bancorp, Inc. (“Bancorp,” the “Company,” “we,” “us,” “our”) in connection with the solicitation by our Board of Directors of proxies to vote our common stock, \$.01 par value per share (“Common Stock”), at our Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the Great Southern Operations Center, 218 S. Glenstone, Springfield, Missouri, on May 7, 2014, at 10:00 a.m., local time, and at any and all adjournments or postponements thereof. The Notice of the Annual Meeting, a proxy card and our Annual Report to Stockholders for the fiscal year ended December 31, 2013 accompany this proxy statement. Certain of the information in this proxy statement relates to Great Southern Bank (“Great Southern” or the “Bank”), a wholly owned subsidiary of Bancorp.

At the Annual Meeting, stockholders are being asked to consider and vote upon (i) the election of two directors of Bancorp and (ii) the ratification of the appointment of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 (the “Independent Auditor Proposal”).

Regardless of the number of shares of Common Stock owned, it is important that stockholders be represented by proxy or present in person at the Annual Meeting. Stockholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage paid envelope. If your shares are held through a bank or broker, check your proxy card to see if you can also vote by telephone or via the internet.

A proxy may be revoked by a stockholder at any time prior to its exercise by filing written notice of revocation with the Secretary of Bancorp at the above address, by delivering to Bancorp, at any time before the Annual Meeting, a duly executed proxy card bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself have the effect of revoking a properly executed proxy. If your shares are held in “street name” through a bank, broker or other nominee, you must follow the instructions on the form you receive from your bank, broker or other nominee with respect to revoking your proxy.

The cost of solicitation of proxies and of the Annual Meeting will be borne by Bancorp. In addition to the solicitation of proxies by mail, proxies may also be solicited personally or by telephone by directors, officers and other employees of Bancorp or Great Southern not specifically engaged or compensated for that purpose. Bancorp will also, upon request, reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxy materials to beneficial owners of the Common Stock.

The approximate date on which this proxy statement and the accompanying proxy card are first being sent to stockholders is April 4, 2014.

Voting

Bancorp's Board of Directors has fixed February 21, 2014 as the record date (the "Record Date") for the determination of stockholders entitled to notice of and to vote at the Annual Meeting, and any and all adjournments or postponements thereof. Only stockholders of record as of the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The total number of shares of Common Stock outstanding on the Record Date was 13,686,134. These are the only securities of Bancorp entitled to vote at the Annual Meeting.

Each holder of the Common Stock is entitled to cast one vote for each share of Common Stock held on the Record Date on all matters, except that, pursuant to Section D of Article V of Bancorp's charter, any stockholder that beneficially owns in excess of 10% of the then outstanding shares of Common Stock (the "Limit") is not entitled to vote shares in excess of the Limit.

In order for any proposals considered at the Annual Meeting to be approved by stockholders, a quorum must be present. The holders of a majority of the shares of the Common Stock entitled to vote, present in person or represented by proxy at the meeting, will constitute a quorum. Abstentions and broker non-votes will be counted for purposes of determining a quorum. Shares in excess of the Limit, however, will not be considered present for purposes of determining a quorum. Directors will be elected by a plurality of the votes cast. The approval of the Independent Auditor Proposal requires the affirmative vote of a majority of the votes cast on the matter.

With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld and broker non-votes will be excluded entirely from the vote and will have no effect on the election of directors. With regard to the Independent Auditor Proposal, stockholders may vote for or against the proposal or abstain from voting on the proposal. In determining the percentage of shares that have been affirmatively voted on the Independent Auditor Proposal, the affirmative votes will be measured against the aggregate votes for and against the proposal. Thus, abstentions and broker non-votes will have no effect on the Independent Auditor Proposal.

All shares of Common Stock represented at the Annual Meeting by proxies solicited hereunder will be voted in accordance with the specifications made by the stockholders executing the proxies. If a properly executed and unrevoked proxy solicited hereunder does not specify how the shares represented thereby are to be voted, the shares will be voted FOR the election as directors of the persons named in this proxy statement and FOR the Independent Auditor Proposal, and in accordance with the discretion of the persons appointed proxy for the shares upon any other matters as may properly come before the Annual Meeting.

PROPOSAL I. ELECTION OF DIRECTORS

The number of directors constituting Bancorp's Board of Directors is currently eight. Bancorp's Board is divided into three classes. The term of office of one class of directors expires each year in rotation so that the class up for election at each annual meeting of stockholders serves for a three-year term. The terms of two of the present directors are expiring at the Annual Meeting.

The directors elected at the Annual Meeting will hold office for a three-year term expiring in 2017 or until their successors are elected and qualified. We expect that the other directors will continue in office for the remainder of their terms. The nominees for director have indicated that they are willing and able to serve as director if elected and have consented to being named as nominees in this proxy statement. If the nominees should for any reason become unavailable for election, it is intended that the proxies will be voted for the substitute nominees as shall be designated by the present Board of Directors, upon the recommendation of the Nominating Committee, unless the proxies direct otherwise.

The principal occupation and business experience for the last five years and certain other information with respect to each nominee is set forth below. The information concerning the nominees has been furnished by them to us.

Nominees to Serve a Three-Year Term Expiring at the 2017 Annual Meeting

William E. Barclay, age 84, was first elected a Director of Great Southern in 1975 and of Bancorp in 1989. Mr. Barclay is the founder and served as President and/or Chairman of Auto-Magic Full Service Car Washes in Springfield, Missouri from 1962 until his retirement in 2004, as noted below. Mr. Barclay also founded Barclay Love

Oil Company in Springfield, Missouri in 1964, founded a chain of Ye Ole Buggy Bath Self-Service Car Washes in Springfield, Missouri in 1978 and opened a Jiffy Lube franchise in Springfield, Missouri in 1987. In 2004, Mr. Barclay sold the Auto-Magic and Jiffy Lube businesses and is now retired. None of these entities are affiliated with Bancorp. Mr. Barclay's background as an owner and operator of multiple businesses in the Springfield area provides a long history of entrepreneurship and managerial knowledge that are particularly valuable to the Board.

Larry D. Frazier, age 76, was first elected a Director of Great Southern and of Bancorp in May 1992. Mr. Frazier was elected a Director of Great Southern Financial Corporation (a subsidiary of Great Southern) in 1976, where he

Turner currently serves as a board member and second vice chairman of the board at CoxHealth. Mr. J. Grant Q. Haden, age 60, was first appointed a Director of Bancorp and Great Southern in September 2010. Mr. Haden is an attorney and managing partner of Haden, Cowherd and Bullock, LLC. He was a founding shareholder and past vice chairman of the board of directors of Douglas County National Bank and Douglas County Banc Shares until the entities sold in 1991. Mr. Haden is a graduate of Drury University and obtained his law degree from the University of Missouri-Kansas City. He currently serves as a board member and first vice chairman of the board at CoxHealth and board member and past president and chairman of Ozarks Trails Council, Boy Scouts of America. Mr. Haden's expertise in the banking industry and demonstrated leadership provide unique perspectives that are particularly valuable to the Board.

William V. Turner, age 81, has served as the Chairman of the Board of Great Southern since 1974, Chief Executive Officer of Great Southern from 1974 to 2000, and President of Great Southern from 1974 to 1997. Mr. W. Turner has served in similar capacities with Bancorp since its formation in 1989. Mr. W. Turner has also served as Chairman of the Board and President of Great Southern Financial Corporation since its incorporation in 1974. Mr. W. Turner is the father of Joseph W. Turner, who is a Director and the Chief Executive Officer and President of Bancorp and Great Southern. Mr. W. Turner is also the father of Julie Turner Brown, who is a Director of Bancorp and Great Southern. Mr. W. Turner's service as Chairman of Great Southern for more than 37 years, including 26 years as Chief

Executive Officer, has given him a thorough understanding of the Company's business and the banking industry and invaluable institutional knowledge.

Julie Turner Brown, age 52, was first appointed a Director of Great Southern and Bancorp in 2002. Ms. Brown is an attorney and shareholder with the Springfield, Missouri law firm of Carnahan, Evans, Cantwell and Brown, P.C., having joined the firm in February 1996. Ms. Brown is active in local civic affairs, having served on the Boards of the Ozarks Technical College Foundation, Boys and Girls Club and the Foundation for Springfield Public Schools, among others. Turner, who is a Director and the Chief Executive Officer and President of Bancorp and Great Southern. Ms. Brown's legal background and experience make her a particularly valuable resource to the Board. Ms. Brown also has strong ties to the local community through her involvement in civic affairs.

Earl A. Steinert, Jr., age 77, was first appointed a Director of Great Southern and Bancorp in 2004. Mr. Steinert was a practicing certified public accountant from 1962 until his retirement in 2006. He is the owner of EAS Investment Enterprises Inc., which owns and operates hotels in Springfield, Missouri. He is also managing general partner/owner of Mid American Real Estate Partners, which owns and operates apartments. Mr. Steinert is a member of the American Institute of Certified Public Accountants and Missouri Society of CPAs. None of these entities are affiliated with Bancorp. Mr. Steinert brings to the Board more than 40 years of experience in public accounting, as well as knowledge and experience in commercial real estate matters.

Director Independence

The Board of Directors of Bancorp has determined that Directors Barclay, Carlson, Frazier, Haden and Steinert are "independent directors," as that term is defined in Rule 5605 of the Listing Rules of the NASDAQ Stock Market. These directors constitute a majority of the Board. In making its determination that Mr. Haden is an independent director, the Board considered the fact that the law firm of Haden, Cowherd and Bullock, LLC, of which Mr. Haden is a member, represents both Great Southern and Bancorp in corporate matters and that the fees paid to this firm during 2013 for such services totaled \$67,875.

Board Leadership Structure and Board's Role in Risk Oversight

Leadership Structure. The positions of Chairman of the Board and Chief Executive Officer of the Company are currently held by two persons, with Mr. W. Turner serving as Chairman and Mr. J. Turner serving as Chief Executive Officer. This structure has been in place since 2000, when, as part of a leadership transition, Mr. J. Turner was promoted to Chief Executive Officer and Mr. W. Turner, who had served as Chairman and Chief Executive Officer since 1974, continued as Chairman in an executive capacity. Although Mr. J. Turner has subsequently assumed increased responsibilities from Mr. W. Turner, the Board believes that the separation of the Chairman and Chief Executive Officer positions remains appropriate, as this allows Mr. J. Turner to better focus on his primary responsibilities of overseeing the implementation of our strategic plans and daily consolidated operations, while allowing Mr. W. Turner to lead the Board in its fundamental role of oversight of management.

Role in Risk Oversight. Risk is inherent with the operation of every financial institution, and how well an institution manages risk can ultimately determine its success. We face a number of risks, including but not limited to credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks we face, while the Board has ultimate responsibility for the oversight of risk management. The Board believes that risk management, including setting appropriate risk limits and monitoring mechanisms, is an integral component and cannot be separated from strategic planning, annual operating planning, and daily management of the Company. Consistent with this approach as well as based on the belief that certain risks

require an oversight focus that a Board committee can better provide, the Board integrated the oversight of certain risk areas (internal control, financial reporting and compliance; and compensation and incentive programs) with the Audit Committee and Compensation Committee, respectively. These committees regularly provide reports of their activities and recommendations to the full Board. The Board directly oversees all other material risks, including interest rate risk, credit risk, liquidity and capital adequacy. In support of those activities, members of senior management regularly attend meetings of the Board to report to the Board on the primary areas of risk facing the Company and to respond to any questions or concerns raised by the directors.

DIRECTORS MEETINGS AND COMMITTEES OF
THE BOARD OF DIRECTORS

Meetings of the Board and Committees of the Board

The Board of Directors of Bancorp meets monthly and may have additional special meetings upon the request of one third of the directors then in office (rounded up to the nearest whole number) or upon the request of the President. The Board of Directors of Bancorp is authorized to appoint various committees and has formed the Audit Committee, the Compensation Committee, the Stock Option Committee and the Nominating Committee. The Board of Directors of Bancorp has not formed any other committees. The Board of Directors of Bancorp held 21 meetings during fiscal 2013. During fiscal 2013, each of the directors attended 75% or more of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board on which the director served, in each case during the period in which he or she served.

The Audit Committee of Bancorp's Board of Directors is currently comprised of Directors Frazier (Chairman), Barclay, Carlson and Steinert, each of whom is "independent" as independence for audit committee members is defined in the NASDAQ Marketplace Rules. The Board of Directors of Bancorp has determined that Director Steinert is an "audit committee financial expert," as defined in the rules of the Securities and Exchange Commission (the "SEC"). The Audit Committee held eight meetings during fiscal 2013.

The Audit Committee operates under a written charter adopted by Bancorp's Board of Directors, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance." The Audit Committee is appointed by Bancorp's Board of Directors to provide assistance to the Board in fulfilling its oversight responsibility relating to the integrity of our consolidated financial statements and the financial reporting processes, the systems of internal accounting and financial controls, compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, the performance of our internal audit function and independent registered public accounting firm and any other areas of potential financial risks as may be specified by the Board. The Audit Committee also is responsible for hiring, retaining and terminating Bancorp's independent registered public accounting firm.

Audit Committee Report. The Audit Committee Report included herein shall not be incorporated by reference into any filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, both as amended, notwithstanding the incorporation by reference of this proxy statement into any such filings. The Audit Committee of the Board of Directors of Bancorp has issued the following report with respect to the audited financial statements of Bancorp for the fiscal year ended December 31, 2013:

- The Audit Committee has reviewed and discussed with management Bancorp's fiscal 2013 audited financial statements;
- The Audit Committee has discussed with Bancorp's independent registered public accounting firm (BKD, LLP) the matters required to be discussed by Statement on Auditing Standards No 61;
- The Audit Committee has received the written disclosures and letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the firm's communications with the Audit Committee concerning independence and has discussed with the independent registered public accounting firm their independence; and

-

Based on the review and discussions referred to in the items above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Bancorp's Annual Report on Form 10-K for the fiscal year ended December 31, 2013.

Submitted by the Audit Committee of the Board of Directors of Bancorp:

Larry D. Frazier
William E. Barclay
Thomas J. Carlson
Earl A. Steinert, Jr.

The Compensation Committee, which consists solely of independent directors, is currently comprised of Directors Barclay (Chairman), Frazier, Carlson and Steinert. The Compensation Committee is responsible for reviewing and evaluating executive compensation and administering our compensation and benefit programs. The Compensation Committee also is responsible for:

- reviewing from time to time our compensation plans and, if the Committee believes it to be appropriate, recommending that the Board amend these plans or adopt new plans;
- annually reviewing and approving corporate goals and objectives relevant to our Chief Executive Officer's compensation, evaluating the Chief Executive Officer's performance in light of these goals and objectives and recommending to the Board the Chief Executive Officer's compensation level based on this evaluation;
- overseeing the evaluation of our management, and recommending to the Board the compensation for our executive officers and other key members of management;
- recommending to the Board the appropriate level of compensation and the appropriate mix of cash and equity compensation for directors;
- administering any benefit plan which the Board has determined should be administered by the Committee; and
- reviewing, monitoring and reporting to the Board, at least annually, on management development efforts to ensure a pool of candidates for adequate and orderly management succession.

The Compensation Committee operates under a formal written charter, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance." The members of the Compensation Committee are "independent directors," as that term is defined in the NASDAQ Marketplace Rules. During 2013, the Compensation Committee met two times.

The charter of the Compensation Committee does not specifically provide for delegation of any of the authorities or responsibilities of the committee. In setting the compensation of executive officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer.

The Stock Option Committee is currently comprised of Directors Carlson (Chairman), Barclay, Frazier and Steinert. The Stock Option Committee generally meets at least once per year (usually late in the third quarter or early in the fourth quarter) to consider stock option grants to officers and at other times during the year as necessary to consider proposals for the granting of stock options to employees. The Stock Option Committee met three times during 2013.

The Nominating Committee, which consists solely of independent directors, is currently comprised of Directors Barclay (Chairman), Frazier, Carlson, Haden and Steinert. The Nominating Committee met once during 2013. The Nominating Committee is responsible for identifying and recommending director candidates to serve on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendation of the Nominating Committee. The Nominating Committee also is responsible for:

- recommending to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;

- recommending candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in Bancorp's charter and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable organizations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to Bancorp's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole. Although we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Board seeks candidates who further its objective of having a Board that encompasses a broad range of talents and expertise and that reflects a diversity of background, experience and viewpoints;
- reviewing nominations submitted by stockholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of Bancorp's charter and bylaws. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations;
- annually recommending to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and
 - performing any other duties or responsibilities expressly delegated to the Committee by the Board.

Pursuant to Bancorp's bylaws, nominations for directors by stockholders must be made in writing and delivered to the Secretary of Bancorp no earlier than 120 days prior to the meeting date and no later than 90 days prior to the meeting date. If, however, less than 100 days' notice of the date of the meeting is given or made to stockholders by public notice or mail, nominations must be received by Bancorp not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed or public announcement of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in Bancorp's bylaws.

The Nominating Committee operates under a formal written charter, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Relations" and then "Corporate Governance."

Stockholder Communications with Directors

Stockholders may communicate with Bancorp's Board of Directors by writing to: William V. Turner, Chairman of the Board, Great Southern Bancorp, Inc., 1451 E. Battlefield, Springfield, Missouri 65804.

Board Member Attendance at Annual Stockholder Meetings

Although we do not have a formal policy regarding director attendance at annual stockholder meetings, directors are expected to attend these meetings absent extenuating circumstances. Every current director of Bancorp (who was also a director as of last year's annual meeting) attended last year's annual meeting of stockholders.

Directors' Compensation

Directors of Bancorp receive a monthly fee of \$1,000, which is the only compensation paid to directors by Bancorp, except for stock options which may be granted in the discretion of the Board of Directors. Directors of Great Southern receive a monthly fee of \$2,000. The directors of Bancorp and the directors of Great Southern are the same individuals. Beginning in 2013, Ms. Brown, who serves on Great Southern's Compliance Committee, began receiving a fee of \$300 for each meeting of that committee that she attends. The directors of Bancorp and its subsidiaries

serving on the Audit Committee are paid a fee of \$300 per meeting attended, except for the Chairman of the Audit Committee who is paid a fee of \$350 per meeting attended. The directors of Bancorp and its subsidiaries are not reimbursed for their costs incurred in attending Board and committee meetings.

The following table sets forth certain information regarding the compensation earned by or awarded to each director, who is not also a named executive officer, who served on Bancorp's Board of Directors in 2013. Compensation paid to Messrs. W. and J. Turner for their service as directors is reflected in the Summary Compensation Table under the "Salary" Column.

Name	Fees Earned or Paid in			Total (\$)
	Cash (\$)	Option Awards \$(1)	All Other Compensation (\$)	
William E. Barclay	\$37,800	\$---	---	\$37,800

Grant Q. Haden	36,600	---	---	36,600
Earl A. Steinert	38,400	---	---	38,400

(1) No option awards were made to the non-employee directors during 2013. As of December 31, 2013, total shares underlying stock options held by the directors were as follows: Mr. Haden – 5,000 shares and Mr. Steinert - 5,000 shares.

Indebtedness of Management and Transactions with Certain Related Persons

The charter of the Audit Committee of Bancorp's Board of Directors provides that the Audit Committee is to review and approve all related party transactions (defined as transactions requiring disclosure under Item 404 of SEC Regulation S-K) on a regular basis.

Great Southern, like many financial institutions, has from time to time extended loans to its officers, directors and employees, generally for the financing of their personal residences, at favorable interest rates. Generally, residential first mortgage loans and home equity lines of credit have been granted at interest rates equal to Great Southern's cost of funds. Residential first mortgage loans are subject to annual adjustments while home equity lines of credit are subject to monthly adjustments. Other than the interest rate, these loans have been made in the ordinary course of business, on substantially the same terms and collateral as those of comparable transactions prevailing at the time, and, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features. All loans by Great Southern to its directors and executive officers are subject to regulations restricting loans and other transactions with affiliated persons of Great Southern. Great Southern may also grant loans to officers, directors and employees, their related interests and their immediate family members in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons which, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features.

No directors, executive officers or their affiliates had aggregate indebtedness to Great Southern on below market rate loans exceeding \$120,000, or a combination of outstanding indebtedness to and credit availability from Great Southern exceeding \$120,000 at below market rates, at any time since January 1, 2013 except as noted below.

Interest rate reset dates were factored into the index rates used. The estimated difference in interest from actual rate amounts to average market rate amounts shown in the table above represent the difference in interest actually paid during 2013 and interest that would have been paid if the estimated market rates of interest for 2013 were charged.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In this section, we provide an overview and analysis of our compensation programs, the material compensation policy decisions we have made under those programs, and the material factors that we considered in making those decisions. Following this section, you will find a series of tables containing specific information about compensation paid or payable to the following individuals, whom we refer to as our “named executive officers”:

- William V. Turner, Chairman of the Board of Directors of Bancorp and Great Southern;
- Joseph W. Turner, President and Chief Executive Officer of Bancorp and Great Southern;
- Rex A. Copeland, Treasurer of Bancorp and Senior Vice President and Chief Financial Officer of Great Southern;
- Steven G. Mitchem, Senior Vice President and Chief Lending Officer of Great Southern; and
- Linton J. Thomason, Vice President – Information Systems of Great Southern

The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program.

Compensation Philosophy and Objectives

The Compensation Committee (the “Committee”) of Bancorp’s Board of Directors, which consists solely of independent directors, administers our compensation and benefit programs and determines the compensation of our senior management. The Committee is responsible for setting and administering the policies which govern executive compensation. The Committee has focused its evaluation of executive compensation on operating performance and the creation of stockholder value, with the intent of meeting the following objectives:

- maintain the financial strength, safety and soundness of Bancorp and Great Southern;
- reward and retain key personnel by compensating them at the middle to upper levels of compensation for comparable financial institutions;
 - focus management on long term goals through long-term incentives;
 - provide fair, reasonable and competitive base salaries;
- provide the opportunity to earn additional compensation if Bancorp’s stockholders experience long-term increases in the value of Bancorp stock;
 - emphasize long-term stock ownership of Bancorp stock by executive officers; and
 - properly align risk-taking and compensation.

While the primary components of our compensation program have been base salary, annual incentive bonus and long-term incentives in the form of stock options, the Committee also takes into account the full compensation package provided to the individual, including pension benefits, termination agreements, insurance, perquisites and

other benefits. In structuring Mr. J. Turner's base salary for 2014, the Committee reviewed several surveys of base salaries paid to the chief executive officers of groups of financial institutions comparable to us in size and performance on a nationwide basis and based in the Midwest region. Specifically, the Committee considered the following information:

10

- (i) surveys prepared by SNL Financial of the average base salary paid to chief executive officers at banks and thrifts with total assets of between \$1.0 billion and \$5.0 billion (A) on a nationwide basis (\$439,088), (B) for the Midwest region (\$410,774) and (C) on a nationwide basis limited to institutions with a return on average equity of 7.50% to 9.99% (\$446,772), with the average of the amounts in (A)-(C) being \$432,211;
- (ii) a survey prepared by McLagan Fact-Based Advice of the average base salary paid to chief executive officers at regional and community banks with total assets of between \$3.0 billion and \$8.0 billion, the average of which was \$555,000;
- (iii) surveys prepared by Compdata Surveys of the average base salary paid to chief executive officers at banks and other financial services organizations nationwide with (A) total assets of between \$1.0 billion and \$9.9 billion (\$467,400), (B) with a total number of full-time equivalent employees of between 1,000 and 4,999 (\$702,500), (C) Midwest Region (\$406,700) and (D) commercial banks (\$395,200), with the average of (A) – (D) being \$492,950;
- (iv) surveys prepared by Crowe Horwath of the average base salary paid to chief executive officers at banks and other financial services organizations (A) on a nationwide basis (\$266,006), (B) with total assets of between \$2.5 billion and \$5.0 billion (\$544,875) and (C) with headquarters located in a population greater than 100,000 (\$320,105), with the average of (A) – (C) being \$376,995; and
- (v) surveys prepared by the Missouri Bankers Association of the average base salary paid to chief executive officers at banks (A) with total assets over \$450 million (\$313,282) and (B) total number of full-time equivalent employees over 100 (\$293,705), with the average of (A) – (B) being \$303,494.

Mr. J. Turner's base salary for 2012 of \$288,915 and his base salary for 2013 of \$294,693 were below the average chief executive officer base salary in each of the surveys noted above.

Compensation Restrictions under TARP Capital Purchase Program

Prior to our repayment in full to the U.S. Treasury on August 18, 2011 of the funds we received pursuant to the TARP Capital Purchase Program, we were subject to a number of requirements and restrictions on compensation and corporate governance matters applicable to TARP recipients. These included: certain reviews of our compensation programs by the Compensation Committee; general prohibitions on bonuses and other incentive compensation to our five most highly compensated employees and on any payments to our senior executive officers and five most highly compensated employees who are not also senior executive officers in connection with a change in control or for departure from the Company; subjecting bonus, incentive and retention payments to our senior executive officers and 20 most highly compensated employees who are not senior executive officers to recovery (clawback) if based on statements of earnings, revenues, gains or other criteria that are later found to be materially inaccurate; and a requirement that the Company have and enforce a policy on luxury expenses. In addition, all compensation, including performance-based compensation, paid to each of our senior executive officers was limited to tax deductibility of \$500,000. Upon our repayment of TARP funds on August 18, 2011, we ceased to be subject to these requirements and restrictions.

Base Salaries

We provide the opportunity for our named executive officers and other executives to earn a competitive annual base salary. We do so in order to attract and retain an appropriate caliber of talent for the position, and to provide a base wage that is not subject to our performance risk. Our base salary levels reflect a combination of factors, including competitive pay levels, the executive's experience and tenure, our overall annual strategic plan for salary increases, the

executive's individual performance, and changes in responsibility. We review salary levels annually to recognize these factors. We do not target base salary at any particular percentage of total compensation.

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp. These agreements provide that the annual base salaries payable to Messrs. W. and J. Turner may be reduced only as part of an overall program,

implemented prior to a change in control, applied uniformly and equitably to all members of our senior management. Since 2005, in recognition of the increased responsibilities assumed by Mr. J. Turner and at Mr. W. Turner's suggestion, Mr. W. Turner's base annual salary has remained at \$200,000 and he has waived his right to receive the annual cash bonus provided for under his employment agreement (discussed below under "-Bonuses"). Mr. J. Turner was paid salary of \$294,693 for 2013 and his base salary was increased to \$300,587 for 2014. During 2013, Messrs. Copeland, Mitchem and Thomason were paid salary of \$257,187, \$241,685 and \$128,720, respectively. For 2014, the base salary amounts for Messrs. Copeland, Mitchem and Thomason increased to \$262,331, \$246,519 and \$131,295, respectively. In setting the base salaries of the executive officers other than Mr. W. Turner, the Committee takes into account the responsibilities of the position and the experience level of the individual executive, as well as our financial performance and the size and complexity of our operations.

Bonuses

Under their employment agreements, Messrs. W. and J. Turner are each entitled to receive annual cash bonuses equal to one-half of one percent of Bancorp's pre-tax earnings. We believe that this provides an appropriate short-term incentive to increase our earnings, when coupled with the incentives Messrs. W. and J. Turner have through their substantial stock holdings to increase our earnings over the long term. Since 2005, Mr. W. Turner has waived his right to this bonus, with the understanding that Mr. J. Turner's bonus, if any, may be increased by one-fourth of one percent of our pre-tax earnings. The Compensation Committee approved this arrangement in recognition of the additional responsibilities that Mr. J. Turner had assumed from Mr. W. Turner, and the fact that it would at the same time reduce by 25% the total cost to the Company for bonuses, if any, under the employment agreements. For 2011, however, because of the compensation restrictions of the TARP Capital Purchase Program, Mr. J. Turner's bonus was limited to the contractual amount of one-half of one percent of our pre-tax earnings. For 2012 and 2013, Mr. J. Turner's bonus was not limited to the contractual amount of one-half of one percent of pre-tax earnings. The amount of this bonus (\$459,068 for 2012 and \$274,142 for 2013) is included in the Summary Compensation Table below under the "Non-Equity Incentive Plan Compensation" column.

Under our 2013 Annual Incentive Bonus Plan, each of the named executive officers other than Messrs. W. and J. Turner (Messrs. Copeland, Mitchem and Thomason) could earn a cash bonus of up to 15.75% of base annual salary, with up to one-half of this bonus based on the achievement of targeted earnings per share and up to one-half of this bonus based on individual performance. Bonuses paid to the participating named executive officers under our 2013 Annual Incentive Bonus Plan are included in the Summary Compensation Table below under the "Non-Equity Incentive Plan Compensation" column. Because, as noted above, their bonus arrangements are set forth in previously negotiated employment agreements, Messrs. W. Turner and J. Turner do not participate in our Annual Incentive Bonus Plan and therefore are not subject to a cap on their bonus as a percentage of base salary.

Stock Options

Stock options have been an integral part of our executive compensation program. They are intended to encourage ownership and retention of Bancorp's stock by key employees as well as non-employee members of the Board of Directors. Through stock options, the objective of aligning key employees' long-term interests with those of stockholders may be met by providing key employees with the opportunity to build, through the achievement of corporate goals, a meaningful stake in Bancorp. In fiscal 2013, Bancorp's stockholders approved the 2013 Equity Incentive Plan. Upon approval of the 2013 plan by stockholders, Bancorp's Board of Directors froze the 2003 Stock Option and Incentive Plan, which means that no new grants of awards will be made under that plan, but outstanding awards under the plan were not affected. The Stock Option Committee, consisting of Directors Barclay, Carlson, Frazier and Steinert, considers additional options each year as needed to attract and retain employees. These grants typically have been made late in the third quarter or early in the fourth quarter of each year, though the Stock Option Committee retains discretion to grant options at any time during the year. Our senior management group provides

recommendations to the Committee for option grants for rank and file employees. Mr. J. Turner provides recommendations to the Committee for grants to members of the senior management group other than himself. All options granted by the Committee are subject to ratification by the Board of Directors, which typically occurs on the same day as the Committee approval. We do not coordinate the timing of stock option grants with the release of material non-public information. Option grants made during 2013 to the named executive officers are included in the Grants of Plan-Based Awards table.

As required by plan, stock options have an exercise price that is equal to no less than the market value of Bancorp's common stock on the date of grant, which is the date on which the Board of Directors ratifies the approval of the grant by the Stock Option Committee. To provide an incentive for a sustained increase in the value of our common stock, stock options granted to employees typically do not begin vesting until the second anniversary of the grant date, with 25% of the option vesting on that second anniversary date and 25% vesting on each anniversary date thereafter through the fifth anniversary date.

The 2013 Stock Option and Incentive Plan authorizes the granting of restricted stock in addition to stock options. Although no shares of restricted stock have been granted to date under the 2013 plan, the Committee and the Board may consider the utilization of restricted stock awards in the future.

Retirement and Other Benefits

We participate in a multi-employer defined benefit pension plan covering all employees who have met minimum service requirements. Effective July 1, 2006, this plan was closed to new participants. Employees already in the plan will continue to accrue benefits. For information regarding benefits payable under this plan to the named executive officers, see "Pension Benefits."

We have a defined contribution retirement plan covering substantially all of our employees. During 2013, we matched 100% of the employee's contribution on the first 3% of the employee's compensation, and also matched 50% of the employee's contribution on the next 2% of the employee's compensation. Our matching contributions for 2013 under this plan to the named executive officers are reflected in the Summary Compensation Table under the "All Other Compensation" column.

In addition to the term life insurance coverage maintained for nearly all employees (providing a maximum death benefit of \$60,000), Great Southern maintains supplemental life insurance coverage for all personnel with an "officer" designation, which provides a death benefit ranging from \$75,000 to \$150,000, depending on the officer's salary. Each named executive officer has the maximum coverage (\$150,000) under the supplemental life insurance benefit, and each named executive officer other than Mr. W. Turner (who does not have a term life insurance benefit) has the maximum coverage (\$60,000) under the term life insurance benefit. Premiums paid on behalf of the named executive officers are reflected in the Summary Compensation Table under the "All Other Compensation" column. As part of its health insurance coverage, Great Southern also provides long-term disability coverage to all employees generally. Each of the named executive officers other than Mr. W. Turner (who does not participate in Great Southern's health insurance plan) is entitled to the maximum long-term disability benefit of \$5,000 per month.

Perquisites and Other Personal Benefits

We provide the named executive officers with perquisites and other personal benefits that we and the Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

Payments Upon Termination or Change in Control

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp that provides for certain payments and benefits if their employment is terminated under certain scenarios, including, but not limited to, within the 12 months preceding, at the time of or within 24 months after a change in control. See "Employment Agreements." These employment agreements thus require a "double trigger" in order for any payments or benefits under the agreements to be provided to Messrs. W. or J. Turner in connection with or following a change in control - in other words, both a

change in control and an involuntary termination of employment (which includes a voluntary termination by the executive following a material reduction in his duties, responsibilities or benefits) must occur. The purpose of providing the change in control payments and benefits is to attract and retain top level executives of the highest caliber and mitigate the risk to these executives that their employment will be involuntarily terminated in the event we are acquired. At the same time, the mere sale of our company will not automatically trigger a payout, as our intention is to induce the executive to remain employed following a change in control so long as the acquiring company so desires without a material reduction in the executive's duties, responsibilities or benefits. Each of the employment agreements with Messrs. W. and J. Turner contains a tax gross up provision which provides generally

that if the executive receives payments or benefits in connection with a change in control, then to the extent such payments or benefits constitute “excess parachute payments” under Section 280G of the Internal Revenue Code, he generally will be paid an additional amount (referred to as a “gross up payment”) that will offset, on an after tax basis, the effect of any excise tax consequently imposed on him under Section 4999 of the Internal Revenue Code. The effects of Section 4999 generally are unpredictable and can have widely divergent and unexpected effects based on an executive’s personal compensation history. Therefore, to provide an equal level of benefit without regard to the effects of the excise tax, we determined that Section 4999 gross up payments are appropriate for Messrs. W. and J. Turner.

We do not have employment or severance agreements with any of our other named executive officers. To mitigate the risk of loss of benefits to these officers if a change in control occurs, their unvested stock options (like the unvested stock options of all other employees) will vest in full upon a change in control.

Other Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code generally eliminates the deductibility of compensation over \$1 million paid to certain highly compensated executive officers of publicly held corporations, excluding certain qualified performance-based compensation. The Committee has reviewed and will continue to review on an ongoing basis our executive compensation programs, and propose appropriate modifications to these programs, if the Committee deems them necessary, with a view toward implementing our compensation programs in a manner that avoids or minimizes any disallowance of tax deductions under Section 162(m). The Committee will balance these considerations against the need to be able to compensate executives in a manner commensurate with performance and the competitive environment for executive talent. Stock options, which are the only form of equity-based award currently provided to executive officers, automatically constitute qualified performance-based compensation, provided that certain plan content and grant procedure requirements are met. In addition, the employment agreements with Messrs. W. and J. Turner provide for mandatory deferral of compensation if necessary to ensure the tax deductibility by us. See “Employment Agreements.”

With our adoption, effective January 1, 2006, of FASB ASC Topic 718 (formerly FAS 123R), which requires the recognition of compensation expense for stock options, we do not expect the accounting treatment of differing forms of equity awards to vary significantly. Accordingly, accounting treatment is not expected to have a material effect on the selection of forms of equity compensation in the foreseeable future.

Role of Executive Officers in Determining Compensation

Our Chief Executive Officer, Mr. J. Turner, makes recommendations to the Committee regarding compensation for executive officers other than himself. These recommendations are taken under advisement by the Committee, which may decide to provide compensation in amounts greater or lesser than the amounts recommended by Mr. J. Turner. For 2013, the compensation paid to the executive officers other than Mr. J. Turner was generally consistent with Mr. J. Turner’s recommendations. Mr. J. Turner is not involved with any aspect of determining his own compensation; nor is his sister, Ms. Turner Brown. Mr. W. Turner is not involved with any aspect of the determining the compensation of Mr. J. Turner, other than waiving Mr. W. Turner’s right to receive a bonus under Mr. W. Turner’s employment agreement with the understanding that Mr. J. Turner’s bonus, if any, may be increased by ¼ of one percent of our pre-tax earnings. See “—Bonuses.”

Director compensation is determined by the Company’s Board of Directors. Other than Mr. W. Turner and Mr. J. Turner acting in their capacity as Board members, none of the Company’s executive officers has any role in determining the amount of director compensation.

 - (2) Amounts for Messrs. Copeland and Mitchem for 2012 reflect discretionary bonuses. The remaining bonus amounts for 2012 and for the other years for Messrs. Copeland and Mitchem and the bonus amounts for all years for the other named executive officers (2013 only, in the case of Mr. Thomason) are reported under the "Non-Equity Incentive Plan Compensation" column.
 - (3) Represents the grant date fair value of the award determined in accordance with Accounting Standards Codification Topic 718, Compensation-Stock Compensation ("ASC Topic 718") using the Black-Scholes option-pricing model. The assumptions used in the Black-Scholes option-pricing model to calculate the grant date fair value of these awards are included in Note 21 of the Notes to Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2013 filed with the SEC.
 - (4) Represents incentive bonus awards earned for the years shown in the table.

- (5) Represents the changes during the years shown in the table in the actuarial present value of the named executive officer's accumulated benefit under Great Southern's multi-employer defined benefit pension plan. The assumptions used for this calculation were the same as those used for the calculation of the present value of accumulated benefit in the table under "Pension Benefits." For 2013, the actual change in pension value was \$(88,000), \$(23,000), \$(10,000) and \$(16,000) for Messrs. J. Turner, Copeland, Mitchem and Thomason, respectively. These negative amounts are reflected as zero in the table per SEC rules.
- (6) For Messrs. J. Turner, Copeland and Thomason, the 2013 amounts in the table include the aggregate incremental cost to Bancorp of certain perquisites and other personal benefits provided to them, comprised of the following: for Mr. J. Turner, the payment of club dues, payments of the costs of executive physicals, personal use of company aircraft and use of tickets to various local sporting events; for Mr. Copeland, the payment of club dues, fitness center benefit and use of tickets to various local sporting events; and for Mr. Thomason, the payment of club dues and use of tickets to various local sporting events. For each of Messrs. W. Turner and Mitchem, the aggregate incremental cost to Bancorp of the perquisites and other personal benefits provided to them during 2013 was less than \$10,000; in accordance with the rules of the SEC, the amounts of these perquisites and other personal benefits are not included in the table. For Messrs. J. Turner, Copeland and Thomason, the amounts in the table for 2013 also include, and for Messrs. W. Turner and Mitchem, the amounts in the table for 2013 are comprised of, the following: (a) company matching contributions under our 401(k) plan (Mr. W. Turner - \$10,200, Mr. J. Turner - \$10,200, Mr. Copeland - \$10,200, Mr. Mitchem - \$10,200 and Mr. Thomason - \$5,984); (b) life insurance premiums paid by Great Southern for the benefit of each named executive officer of \$198; and (c) annual benefit payments under our pension plan to Mr. W. Turner - \$119,000.
- (7) No compensation information is provided for Mr. Thomason for 2012 and 2011 because he was not a named executive officer for those years.

- (1) Under their employment agreements, each of Messrs. W. and J. Turner are entitled to receive annual cash bonuses equal to one-half of one percent of Bancorp's pre-tax earnings. Since 2005, Mr. W. Turner has waived his right to this bonus, with the understanding that Mr. J. Turner's bonus, if any, may be increased by ¼ of one percent of our pre-tax earnings. For 2011, however, Mr. J. Turner's bonus was limited to the contractual amount of one-half of one-percent of our pre-tax earnings. Under our 2013 Annual Incentive Bonus Plan, participating officers could earn a cash bonus of up to 15.75% of base annual salary, with a bonus of up to 8.25% of base annual salary based on the achievement of targeted earnings per share and a bonus of up to 7.50% of base annual salary based on individual performance. See "Compensation Discussion and Analysis-Bonuses." The actual bonus amounts awarded to the named executive officers for 2013 are set forth in the Summary Compensation Table under the "Non-Equity Incentive Plan Compensation" column.
- (2) Represents a stock option grant under Bancorp's 2013 Stock Option and Incentive Plan that is scheduled to vest in 25% increments beginning December 18, 2015.
- (3) Represents the grant date fair value of the award determined in accordance with ASC Topic 718 using the Black-Scholes option-pricing model. The assumptions used in the Black-Scholes option-pricing model to calculate the grant date fair value of these awards are included in Note 21 of the Notes to Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2013 filed with the SEC.

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp. For descriptions of these agreements, see "Employment Agreements."

Option Exercises and Stock Vested

The following table sets forth information about stock options exercised during the year ended December 31, 2013 by each named executive officer:

Name	Option Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$)(1)
William V. Turner	16,000	\$148,960

Pension Benefits

Great Southern participates in the Pentegra Financial Institutions Retirement Fund, a multi-employer comprehensive defined benefit pension plan. Effective July 1, 2006, this plan was closed to new participants. Employees already in the plan as of that date generally will continue to accrue benefits. Mr. W. Turner is no longer accruing additional benefits under the plan. A participant becomes fully vested after five years of service. The annual benefit for normal retirement (after attaining age 65) is calculated as follows:

$$(1\% \times ((\# \text{ yrs. svc. prior to } 07/01/06 \times \text{“high-five average salary” prior to } 07/01/06) + (\text{total } \# \text{ yrs. svc.} \times \text{“high-five average salary” after } 07/01/06))) = \text{annual benefit}$$

The “high-five average salary” refers to the participant’s average annual salary for the five consecutive years of highest salary. A participant retiring with 28 years of service and a high-five average salary of \$140,000 prior to July 1, 2006 and six years of service and a high-five average salary of \$150,000 after July 1, 2006 would receive an annual benefit of \$90,200 ($1\% \times ((28 \times \$140,000) + (34 \times \$150,000))$).

A participant becomes eligible for early retirement at age 45, in which case the benefit, otherwise payable beginning at age 65, is reduced by applying an early retirement factor based on his or her age when payments begin. The factor is determined by subtracting the following from 100%: 6% for each year between age 60 and 65, 4% for each year between age 55 and 60 and 3% for each year between age 45 and 55. If payments were to begin at age 55, the early retirement factor would be 50%. A participant taking early retirement at age 55 with 18 years of service and a high-five average salary of \$90,000 prior to July 1, 2006 and six years of service and a high-five average salary of \$100,000 after July 1, 2006 would receive an annual benefit of \$20,100 ($1\% \times ((18 \times \$90,000) + (24 \times \$100,000)) \times 50\%$). Each of Messrs. J. Turner, Copeland, Mitchem and Thomason are currently eligible for early retirement under the pension plan.

The regular form of retirement benefit (whether normal or early) is guaranteed for the life of the participant, but not less than 120 monthly installments. If a retired participant dies before receiving 120 monthly installments, his or her beneficiary would be entitled to the present value of the unpaid installments in a lump sum (or in installments, at the election of the participant or his or her beneficiary). If a participant dies in active service after having become vested, his or her beneficiary is entitled to a lump sum death benefit equal to the present value of 120 monthly retirement benefit installments which would have been payable had the participant's retirement benefits commenced on the first day of the month after the month in which he or she died.

The benefit under the pension plan is subject to Internal Revenue Service annual compensation limits (generally \$255,000 for 2013 and \$260,000 for 2014).

The following table sets forth information regarding benefits payable to the named executive officers under the pension plan.

Name	Plan Name	Number of Years Credited Service (#)	Present Value of Accumulated Benefit (\$)	Payments During Last Fiscal Year (\$)
William V. Turner	Pentegra Retirement Fund	24	\$1,177,000	\$119,000
Joseph W. Turner	Pentegra Retirement Fund	21	480,000	---
Rex A. Copeland	Pentegra Retirement Fund	13	220,000	---
Steven G. Mitchem	Pentegra Retirement Fund	23	791,000	---
Linton J. Thomason	Pentegra Retirement Fund	15	224,000	---

The information contained in the table above was provided to us by Pentegra Retirement Services. The amounts shown for the present value of accumulated benefit were calculated by Pentegra Retirement Services assuming an age 65 retirement date, a discount rate of 4.95% and the 2000 RP Mortality (generational) table projected five years for post-retirement mortality.

Employment Agreements

Effective October 1, 2002, Messrs. W. and J. Turner (the “Employees”) entered into new employment agreements with Bancorp (the “Employment Agreements”). Each Employment Agreement is for a five-year term and provides for an extension of one year, in addition to the then-remaining term under the agreement, on each October 1st, as long as (1) Bancorp has not notified the Employee at least 90 days in advance that the term will not be extended further and (2) the Employee has not received an unsatisfactory performance review by the Board of Directors of Bancorp or Great Southern. Pursuant to the most recent extensions, the term of each Employment Agreement ends September 30, 2018. The Employment Agreements provide for annual base salaries as determined from time to time by the Compensation Committee of the Board of Directors, subject to reduction only as part of an overall program, implemented prior to a change in control (as defined in the Employment Agreements), applied uniformly and equitably to all members of senior management. The Employment Agreements also provide for participation in benefit plans and the receipt of fringe benefits to the same extent as the other executive officers of Bancorp and Great Southern and equitable participation in any performance-based and discretionary bonuses awarded to the executive officers of Bancorp and Great Southern. In addition, each Employee is entitled to an annual bonus equal to one-half of one percent of Bancorp’s pre-tax earnings for the year; for every year since 2005, Mr. W. Turner has waived his right to receive this bonus.

Each Employment Agreement provides that if the Employee’s employment is involuntarily terminated, then during the remaining term of the agreement he will be entitled to receive (1) on a monthly basis, 1/12th of his annual salary and 1/12th of the average annual amount of cash bonus and cash incentive compensation for the two full fiscal years preceding the date of termination, subject to reduction by the amount of the Employee’s earned income from personal services during the applicable payout period; (2) substantially the same life and disability insurance coverage and health and dental benefits as he and his dependents and beneficiaries would have received if he had remained employed, subject to reduction to the extent he receives equivalent or better benefits from another employer (the

“Post-Employment Group Health, Life and Disability Insurance Benefits”); and (3) if the involuntary termination occurs within the 12 months preceding, at the time of, or within 24 months after a change in control of Bancorp, a lump sum amount in cash equal to 299% of the Employee’s “base amount” (as defined in Section 280G of the Internal Revenue Code).

The term “involuntary termination” is defined as termination of the Employee’s employment by Bancorp or Great Southern (other than for cause, or due to death, disability or a prohibition by law from participating in the

conduct of the affairs of a depository institution) without the Employee's consent or by the Employee following a material reduction of or interference with his duties, responsibilities or benefits without his consent. Each Employment Agreement provides that to the extent the Employee receives any amounts or benefits, whether under the Employment Agreement or otherwise, that will constitute "excess parachute payments" under Section 280G of the Internal Revenue Code and subject him to excise tax under Section 4999 of the Internal Revenue Code, he will be paid an additional amount that will offset the effect of any such excise tax.

Each Employment Agreement also provides that if the Employee dies while employed under the Employment Agreement, his estate or designated beneficiary will receive (1) the salary the Employee would have earned if he had remained employed through the 180th day after the date of his death; (2) the amounts of any benefits or awards which were earned with respect to the fiscal year in which the Employee died and the amount of any bonus or incentive compensation for that fiscal year, pro-rated in accordance with the portion of the fiscal year elapsed prior to his death; and (3) any unpaid deferred amounts described in the next paragraph.

Each Employment Agreement provides that to the extent the Employee's total compensation for any taxable year exceeds the greater of \$1,000,000 or the maximum amount of compensation deductible by the Company under Section 162(m) of the Internal Revenue Code (the greater of these two amounts referred to below as the "maximum allowable amount"), the excess amount must be deferred, with interest (at an annual rate equal to the Federal short-term rate under Section 1274(d)(1) of the Internal Revenue Code, determined as of the last day of the calendar year in which the Employee's compensation is first not deductible under Section 162(m) of the Internal Revenue Code) compounded annually, to a taxable year in which the amount to be paid to the Employee in that year (including deferred amounts and interest) does not exceed the maximum allowable amount.

Potential Payments Upon Termination of Employment

Messrs. W. and J. Turner. The following tables summarize the approximate value of the termination payments and benefits that Messrs. W. and J. Turner would have received if their employment had been terminated on December 31, 2013 under the circumstances shown. The tables also exclude (i) amounts accrued through December 31, 2013 that would be paid in the normal course of continued employment, such as accrued but unpaid salary and bonus amounts, (ii) vested account balances under Great Southern's 401(k) plan and (iii) vested account balances under our defined benefit pension plan, as described under "Pension Benefits."

- (1) Represents the total salary and bonus continuation payments payable monthly to Mr. W. Turner under his employment agreement, as described under “Employment Agreements,” for the remaining term of the agreement (i.e., through September 30, 2018, assuming Mr. W. Turner’s employment were “involuntarily terminated” (as defined under “Employment Agreements”) on December 31, 2013). The monthly payment amount would be \$16,667. While the employment agreement provides for a reduction in the monthly payment amount to the extent of any income earned from providing services to another company during the payout period, the monthly payment amount in the preceding sentence and the total amount of payments shown in the table assumes no such reduction.
- (2) Although Mr. W. Turner’s employment agreement provides that if his employment is involuntarily terminated, he will continue to receive through the remaining term of the agreement (i.e., through September 30, 2018, assuming an involuntary termination on December 31, 2013), at the same premium cost to him, substantially the same life and disability insurance coverage and health and dental benefits as he would have received had he remained employed, Mr. Turner was not receiving any such benefits on December 31, 2013. Consequently, no such benefits would be provided to him following termination of his employment.
- (3) Represents the value of acceleration of unvested stock options, based on the closing price of Bancorp’s common stock on December 31, 2013 (\$30.41) and the exercise prices of the options. All unvested options vest upon a change in control, regardless of whether Mr. W. Turner’s employment is “involuntarily terminated.”
- (4) Represents the lump sum amount payable to Mr. W. Turner under his employment agreement in the event his employment is “involuntarily terminated” within the 12 months preceding, at the time of or within 24 months after a change in control of Bancorp, as described under “Employment Agreements.”
- (5) Represents tax gross up payment payable to Mr. W. Turner under his employment agreement.
- (6) Represents the amount of Mr. W. Turner’s salary that he would have earned had he remained employed by Bancorp through the 180th day after the date of death, payable to Mr. W. Turner’s estate or designated beneficiary in accordance with his employment agreement.
- (7) Represents the death benefit payable under the supplemental life insurance policy maintained for Mr. W. Turner and other officers.

result of death

- (1) Represents the total salary and bonus continuation payments payable monthly to Mr. J. Turner under his employment agreement, as described under “Employment Agreements,” for the remaining term of the agreement (i.e., through September 30, 2018, assuming Mr. J. Turner’s employment were “involuntarily terminated” (as defined under “Employment Agreements”) on December 31, 2013). The monthly payment amount would be \$50,305. While the employment agreement provides for a reduction in the monthly payment amount to the extent of any income earned from providing services to another company during the payout period, the monthly payment amount in the preceding sentence and the total amount of payments shown in the table assumes no such reduction.
- (2) Represents the approximate cost to Bancorp of providing the “Post-Employment Group Health, Life and Disability Insurance Benefits,” described under “Employment Agreements,” to which Mr. J. Turner would be entitled for the remaining term of his employment agreement (i.e., through September 30, 2018, assuming Mr. J. Turner’s employment were terminated on December 31, 2013). Amount shown represents the aggregate share of the premium payments to be made by Bancorp, based on the monthly premium rates in effect on December 31, 2013. While the employment agreement provides for a reduction in these benefits to the extent Mr. J. Turner receives such benefits, on no less favorable terms, from another employer during the benefits continuation period, the amount shown in the table assumes no such reduction in benefits.
- (3) Represents the value of acceleration of unvested stock options, based on the closing price of Bancorp’s common stock on December 31, 2013 (\$30.41) and the exercise prices of the options. All unvested options vest upon a change in control, regardless of whether Mr. J. Turner’s employment is “involuntarily terminated.”
- (4) Represents the lump sum amount payable to Mr. J. Turner under his employment agreement in the event his employment is “involuntarily terminated” within the 12 months preceding, at the time of or within 24 months after a change in control of Bancorp, as described under “Employment Agreements.”
- (5) Represents tax gross up payment payable to Mr. J. Turner under his employment agreement.

- (6) Represents the amount of Mr. J. Turner's salary that he would have earned had he remained employed by Bancorp through the 180th day after the date of death, payable to Mr. J. Turner's estate or designated beneficiary in accordance with his employment agreement.
- (7) Represents the aggregate death benefits payable under the supplemental life insurance coverage maintained for Mr. J. Turner and other officers (\$150,000) and the term life insurance coverage maintained for all employees generally (\$60,000).

Messrs. Copeland, Mitchem and Thomason. None of Messrs. Copeland, Mitchem or Thomason has an employment or severance agreement with Bancorp or any of its subsidiaries. Each of Messrs. Copeland, Mitchem and Thomason held unvested stock options as of December 31, 2013, the vesting of which accelerates upon a change in control of Bancorp. If a change in control of Bancorp had occurred on December 31, 2013, the value that would have been realized by Messrs. Copeland, Mitchem and Thomason as a result of the accelerated vesting of these options (based on the closing price of Bancorp's common stock on December 31, 2013 (\$30.41) and the exercise prices of the options) are \$60,984, \$60,984 and \$44,811, respectively. Great Southern maintains supplemental life insurance for Messrs. Copeland, Mitchem and Thomason, along with other officers. If Messrs. Copeland, Mitchem and Thomason were to have died on December 31, 2013, the death benefit payable for each officer under the supplemental life insurance coverage would have been \$150,000. This is in addition to the term life insurance benefit generally available to all employees (which would have provided a death benefit of \$60,000 for each of Messrs. Copeland, Mitchem and Thomason).
