performance criteria. The Committee will determine the performance period for measuring actual performance under the Plan and will designate the targeted goals for selected performance measures during the performance period and the applicable bonus formula for each participant, which may vary between individual participants or group of participants. Performance measures and targeted goals for the Company's 2008 fiscal year performance period were established by the Committee in December 2007, subject to stockholder approval of the Plan, and the Committee designated the Chief Executive Officer and Chief Operating Officer to be eligible to participate in the Plan for fiscal year 2008. The Committee determined that the sum of the following three components shall represent the maximum bonus that may be achieved under the Plan for fiscal year 2008 by each of the Chief Executive Officer and Chief Operating Officer (the "2008 Maximum Bonus Amount"):

- (a) an amount equal to 5% of the earnings before income taxes on a GAAP basis of the Company;
- (b) (i) for an increase in earnings before income taxes on a GAAP basis of up to 100% over the prior fiscal year, 20% of the amount of such increase; or (ii) for an increase in earnings before income taxes on a GAAP basis above 100% over the prior fiscal year, 20% of the first 100% of such increase as calculated above, and 10% of the remaining amount of such increase; and
- (c) for an increase in the Company's market capitalization of up to 10% (determined by comparing the closing price of the Company's common stock on December 3, 2007 and December 2, 2008), 10% of the amount of such increase.

The 2008 Maximum Bonus Amount for each participant shall in no case exceed 150% of such participant's base salary, and, a decrease in earnings before income taxes or market capitalization will not decrease the amounts of each of the other respective components of the 2008 Maximum Bonus Amount. Additionally, the Committee, in its sole discretion, reserves the right to eliminate or reduce the 2008 Maximum Bonus Amount payable to the Chief Executive Officer and/or to the Chief Operating Officer pursuant to the bonus formula described above.

The Plan became effective upon such stockholder approval for the fiscal year ending September 30, 2008.

The description of the Plan is qualified in its entirety by reference to the actual Plan, which is filed as Exhibit 10.1 to this Form 8-K and is hereby incorporated by reference.
