COMPENSATION OF DIRECTORS

Each of our directors is generally paid \$1,000 for each Board and \$500 for each committee meeting which such director attends (except if a committee meeting is held on the same day as a Board meeting) and is reimbursed for associated out-of-pocket expenses. Dr. Schiff is paid \$24,000 per annum for his service as Chairman of the Audit Committee and Compensation Committee, plus additional amounts in the event of special committee assignments, and was paid a total of \$28,000 in 2001 in connection with his service on the Board of Directors and Board committees. Dr. Kuhn was paid an additional \$50,000 in 2001 in connection with his service as Vice Chairman of the Company. Dr. Malley was paid a total of \$17,500 in 2001 in connection with her service on the Board of Directors and Board committees. Mr. Eisenberger, who resigned from the Board in November 2001, was paid a total of \$7,500 in 2001 in connection with his service on the Board of Directors.

In addition to the directors' fees described above, at the last Annual Meeting of Stockholders each member of the Board of Directors who was not one of our employees (Mr. Krause, Ambassador Rabb, Dr. Malley and Dr. Schiff) was granted options to purchase 7,500 shares of our common stock at an exercise price of \$6.89 per share (the fair market value of our common stock on such date). On July 31, 2001, Mr. Gutzmer was granted an option to purchase 7,500 shares at an exercise price of \$5.95 (the fair market value of our common stock on such date) in connection with his appointment a director earlier that month. These options were granted pursuant to our 1994 Stock Option Plan for Outside Directors described below.

Our 1994 Stock Option Plan for Outside Directors provides for awards of non-qualified options to our directors who are not one of our employees or employees of any of our affiliates and who meet certain other eligibility criteria. Pursuant to the plan, (i) upon first election or appointment to the Board of Directors, each newly elected eligible director is granted an option to purchase 7,500 shares of common stock and (ii) immediately following each Annual Meeting of Stockholders, each eligible director will generally be granted an option to purchase 7,500 shares of common stock. Options granted under the plan have an exercise price per share equal to the fair market value of our common stock on the date of issuance and are exercisable beginning on the first anniversary of the date of the grant until the earliest of (i) ten years from the date of grant and (ii) one year from the date on which an optionee ceases to be a director. The maximum number of shares of common stock in respect of which awards may be granted under the plan is 400,000, of which 227,500 non-expired options have been granted to date.

In addition to serving as a director until his resignation in November 2001, Mr. Eisenberger also serves as an employee of our Converge subsidiary and was paid \$110,294 during 2001 in connection with such employment.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form 10-K/A

The mandate of the Compensation Committee of our Board of Directors encompasses all matters related to compensation, including determination of stock option and other stock-based compensation and review and approval of employment terms and compensation of executive officers. Certain matters related to the compensation of the Chief Executive Officer are also considered by the full Board of Directors.

The following persons served both as members of the Board of Directors and as one of our officers or employees in 2001: George Morgenstern (Chairman of the Board, President and Chief Executive Officer), Dr. Kuhn (Vice Chairman of the Board), Mr. Krause (Secretary) and Mr. Eisenberger, who is employed by the Company's Converge subsidiary and resigned from the Board in November 2001. During 2001, no member of the Board of Directors who was also one of our officers participated in any deliberations of the Board of Directors or any committee thereof relating to his own compensation or to the compensation of any person to whom he is related. Except as described above, each member of the Board of Directors participated in 2001 in deliberations of the Board of Directors concerning executive officer compensation. During 2001, Dr. Malley and Mr. Krause engaged in transactions with us in which they were deemed to have an interest. For further information, see "Certain Relationships and Related Transactions" below.

### EMPLOYMENT ARRANGEMENTS

George Morgenstern serves as our Chairman of the Board, President and Chief Executive Officer pursuant to an employment agreement that commenced on January 1, 1997 and was amended in March 2002 to extend through December 31, 2003 (the "Employment Agreement"). The Employment Agreement provides for a base salary of \$420,000 per annum (currently \$446,500 due to cost of living adjustments), subject to annual review by the Board and an annual cost of living adjustment, plus contributions to a nonqualified retirement fund equal to 25% of his base salary. Mr. Morgenstern's compensation pursuant to the Employment Agreement also includes the use of two company automobiles, premium payments on a life insurance policy owned by Mr. Morgenstern and other fringe benefits.

Pursuant to the Employment Agreement, Mr. Morgenstern may at any time prior to December 31, 2003, elect to terminate his employment with us and thereafter to continue to serve us as a consultant for a period (the "Consulting Period") ending on December 31 of the seventh year following the year in which he first commences to serve as a consultant. During the Consulting Period, Mr. Morgenstern would be entitled to receive an annual consulting fee plus contributions to a nonqualified retirement fund and fringe benefits on the same basis as during the term of his employment as described above. Mr. Morgenstern's annual consulting fee during the Consulting Period would be equal to 50% of his annual salary in effect immediately prior to the Consulting Period through the end of the fourth full calendar year of the Consulting Period, and 25% of such annual salary for the remainder of the Consulting Period (subject in all cases to an annual cost of living adjustment). However, if Mr. Morgenstern elects to become a consultant following a breach by us of our obligations under the Employment Agreement or following a change in control of the Company (as defined in the Employment Agreement), Mr. Morgenstern would be entitled to receive his full annual salary until December 31, 2002, and thereafter to receive an annual consulting fee as described above for the balance of the Consulting Period. We are obligated under the Employment Agreement to fund at the beginning of the Consulting Period all amounts to become payable to Mr. Morgenstern for consulting services and to fund upon his death all amounts payable to his estate. During the term of the Employment Agreement (including any

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form 10-K/A

Consulting Period), Mr. Morgenstern may not engage in a business that is in substantial and direct competition with our business or the business of any of our subsidiaries.

In addition to the compensation provided for Employment Agreement, in January 2000, the Board approved, among other things, a bonus of \$150,000 if Mr. Morgenstern remained employed full-time as our President and Chief Executive Officer through December 31, 2001.

Yacov Kaufman serves as our Vice President and Chief Financial Officer and also holds such positions for DSIT pursuant to an employment agreement entered into with us on January 1, 1999. Although the employment agreement with Mr. Kaufman expired by its terms on December 31, 2000 and has not been formally renewed, we continue to employ Mr. Kaufman, and Mr. Kaufman continues to serve as our and DSIT's Vice President and Chief Financial Officer, pursuant to the terms of such employment agreement.

In addition to the compensation provided for by Mr. Kaufman's employment agreement, in November 2001, the Board approved a \$50,000 bonus and the grant to Mr. Kaufman of options to purchase 15,000 shares of our common stock (at an exercise price equal to the fair market value on the date of grant) in connection with his efforts in the acquisition by our Israeli subsidiary, DSIT, of Endan IT Solutions Ltd. The payment of the bonus and the grant of the options were both contingent upon the closing of the Endan acquisition, which occurred on December 13, 2001.

Mr. Kaufman also has severance arrangements under his employment agreement under certain circumstances. If Mr. Kaufman's employment agreement is terminated by us or by him for reasons other than for cause, we must pay him (i) an amount equal to 150% of his last month's salary multiplied by the number of years (including partial years) that Mr. Kaufman worked for us, plus (ii) an amount equal to five times his last month's salary or two times such salary if Mr. Kaufman terminates his employment agreement other than after a change in control or a breach by us of his employment agreement. Our severance obligation would be reduced by the amount contributed by us to certain Israeli pension and severance funds pursuant to Mr. Kaufman's employment agreement. As of December 31, 2001, the unfunded portion of such severance obligation was \$64,000.

Robert Chiste serves as Vice Chairman of the Board and Chief Executive Officer of Comverge pursuant to an employment agreement that commenced on September 1, 2001. Mr. Chiste's employment agreement provides for a base salary of \$250,000 per annum, plus an annual bonus up to 75% of his base salary upon Mr. Chiste's achieving performance objectives established each year by the Board of Directors of Comverge. Under his employment agreement, Mr. Chiste is also entitled to a one-time bonus of \$250,000 if Comverge completes an initial public offering with gross proceeds of at least \$10 million or there is a change of control in which Comverge receives either \$20 million in cash or \$25 million in publicly traded securities. Mr. Chiste's employment agreement also provides for the reimbursement, until September 1, 2002, of up to \$3,500 per month for Mr. Chiste's auto, living and personal travel expenses.

In connection with the signing of his employment agreement, Mr. Chiste received an option to purchase 6% of the outstanding shares of Comverge common stock (on a fully diluted basis) at an exercise price of \$1.20 per share. The exercise price was determined based upon a valuation of Comverge as of July 31, 2001, performed by an independent appraiser. Mr. Chiste's Comverge option will be adjusted for issuances of common stock until Comverge's paid in capital is at least \$15 million. Mr. Chiste also received a stock option under our 1994 Stock Incentive Plan to purchase 75,000 shares of our common stock at an exercise price of \$5.95.

In addition to the options, pursuant to his employment agreement, Mr.

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form 10-K/A

Chiste purchased 50,000 shares of our common stock at a price of \$5.95 per share. Mr. Chiste paid for the common stock by assigning and endorsing to us a 6% subordinated note, due April 15, 2010, in the principal amount of \$297,500 of Philip Services Corp. (NasdaqNM: PSCD). The subordinated note is due April 15, 2010; is assignable; pays interest

8

semi-annually; and is subject to a sinking fund for the mandatory redemption of the subordinated note by no more than four annual payments, beginning in April 15, 2006.

Mr. Chiste will receive retirement payments from Converge if, after his 60th birthday, his employment agreement is terminated without cause or because of Mr. Chiste's death or disability. Mr. Chiste will not receive any retirement payment if his employment is terminated prior to his 60th birthday. Mr. Chiste's retirement payments will be made over seven years commencing on the date of termination. During the first four years, Mr. Chiste's retirement payments will be equal to 50% of his base salary in effect at the time of his termination, and during the last three years the retirement payments will be equal to 25% of the base salary.

Mr. Chiste may in certain circumstances receive severance payments from Converge. Under his employment agreement, if Mr. Chiste's employment is terminated without cause, Converge would have to pay Mr. Chiste one year of base salary, or if there has been an IPO for Converge, three years of base salary plus up to 15% of any excess parachute payment, plus, if such termination is before December 31, 2002, his base salary through December 31. Mr. Chiste will not be entitled to any severance payments under his employment agreement if he voluntarily terminates his employment.

The stock option agreements with the Company's executive officers generally provide for accelerated vesting in the event we have a change in control.

Such fees related to services rendered by Mr. Krause and other members and employees of his firm, as well as certain special and local counsel retained and supervised by his firm who performed services on our behalf. Mr. Krause is the son-in-law of George Morgenstern, our Chairman, President and Chief Executive Officer.
