PROXY STATEMENT

The following statement is furnished in connection with the solicitation of proxies by the Board of Directors of Vital Signs, Inc. (the "Company" or "Vital Signs"), a New Jersey corporation. Such proxies are to be used at the Company's Annual Meeting of Shareholders to be held at the Company's headquarters, 20 Campus Road, Totowa, New Jersey, on Thursday, February 1, 2007, commencing at 10:00 a.m. local time. This Proxy Statement and the enclosed form of proxy are first being sent to shareholders on or about January 3, 2007.

Shareholders Entitled to Vote

Only holders of record of the Company's Common Stock (the "Common Stock") at the close of business on December 29, 2006 (the record date fixed by the Board of Directors) will be entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on the record date, there were 13,218,850 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Each such share is entitled to one vote and there is no right to cumulate votes in the election of directors.

Voting; Revocation of Proxy; Quorum and Vote Required

A form of proxy is enclosed for use at the Annual Meeting if a shareholder is unable to attend in person. Each proxy may be revoked at any time before it is exercised by giving written notice to the Secretary of the Annual Meeting or by submitting a duly executed, later-dated proxy. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the form of proxy. If the proxy is signed but no specification is given, the shares will be voted **FOR** election of the Board's nominees to the Board of Directors.

A majority of the shares outstanding on the record date will constitute a quorum for purposes of the Annual Meeting. Assuming that a quorum is present, the election of directors will be effected by a plurality vote of the votes cast at the Annual Meeting. For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those votes cast "for" or "against" are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting.

Costs of Solicitation

The entire cost of soliciting these proxies will be borne by the Company. In following up the original solicitation of the proxies by mail, the Company may make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of the Common Stock and may reimburse them for their expenses in so doing. If necessary, the Company may also use its officers and their assistants to solicit proxies from the shareholders, either personally or by telephone or special letter.

Principal Shareholders; Beneficial Ownership of Directors and Officers

The following table sets forth information regarding the beneficial ownership of the Common Stock as of November 30, 2006 by (i) each person who is known by the Company to own beneficially more than five percent of the Common Stock; (ii) each Named Executive Officer (as defined herein), director and nominee of the Company; and (iii) all directors, nominees and current executive officers of the Company as a group. Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and 10% shareholders to file with the Securities and Exchange Commission certain reports regarding such persons' ownership of the Company's securities. The Company is required to disclose any failures to file such reports on a timely basis. The Company is not aware of any such untimely filings during the fiscal year ended September 30, 2006, except that David J. PROPOSAL ONE ELECTION OF DIRECTORS

Unless a shareholder either indicates "withhold authority" on his proxy or indicates on his proxy that his shares should not be voted for the nominees, it is intended that the persons named in the proxy will vote for the election of the persons named in Table I below to serve until the expiration of their terms and thereafter until their successors shall have been duly elected and qualified. If elected, the nominees will serve for three year terms. Discretionary authority is also solicited to vote for the election of a substitute for each such nominee who, for any reason presently unknown, cannot be a candidate for election. The nominees are currently members of the Company's Board of Directors.

Table I sets forth the names and ages (as of September 30, 2006) of the nominees for election to the Board of Directors, the positions and offices presently held by each such person within Vital Signs, the period during which each such person has served on the Company's Board of Directors, the expiration of his term if elected and the principal occupations and employment of each such person during the past five years. Arrangements with Directors

The Company's 2002 Stock Incentive Plan provides that each non-employee director will automatically receive options covering 4,000 shares of Common Stock (with an exercise price equal to the fair market value on the date of grant) on an annual basis and is entitled to receive additional options at the discretion of the committee administering the 2002 Stock Incentive Plan. One half of the automatic option grants made to non-employee directors under the 2002 Stock Incentive Plan vest immediately at the time of grant. Half of the balance may be exercised commencing one year after the date of grant and the remainder may be exercised commencing two years after the date of grant.

Each of the Company's non-employee directors (Messrs. Donnelly, MacCallum, Robbins and Schapiro) waived the 2006 automatic option grants to which he was entitled and was granted a discretionary stock option to purchase 6,000 shares of Common Stock. These options were granted at an exercise price of \$49.98 per share (the fair market value on the date of grant), and vest in equal 25% increments beginning one year after the date of grant. In addition, these options will become fully and

immediately exercisable upon the death or disability of the director and in the event the director is not nominated for re-election (unless the director decides himself not to run for re-election).

Each non-employee director receives a yearly retainer of \$24,000 paid quarterly, \$1,000 for each Board meeting attended and \$500 for each committee meeting attended.

Shareholder Communication with the Board

The Company's Board of Directors has established a procedure that enables shareholders to communicate in writing with members of the Board. Any such communication should be addressed to Vital Signs' Secretary and should be sent to such individual at the Company's headquarters office, 20 Campus Road, Totowa, New Jersey 07512. Any such communication must state, in a conspicuous manner, that it is intended for distribution to the entire Board of Directors. Under the procedures established by the Board, upon the Secretary's receipt of such a communication, the Secretary will send a copy of such communication to each member of the Board, identifying it as a communication received from a shareholder. Absent unusual circumstances, at the next regularly scheduled meeting of the Board held more than two days after such communication has been distributed, the Board will consider the substance of any such communication.

Board members are encouraged, but not required by any specific Board policy, to attend the Company's annual meeting of shareholders. All of the directors attended the 2006 Annual Meeting of Shareholders.

The Board of Directors; Committees of the Board

The Board of Directors of the Company held seven meetings during the fiscal year ended September 30, 2006. The Board's Audit Committee, which is responsible for reviewing significant audit and accounting principles, policies and practices and for meeting with the Company's independent accountants, met four times during the year ended September 30, 2006. The Audit Committee presently consists of Messrs. Robbins (Chairman), Donnelly and Schapiro.

The Compensation Committee, comprised of Messrs. Donnelly (Chairman) and MacCallum, administers the Company's stock option plans and Investment Plan and is also responsible for determining the compensation of the Company's chief executive officer and other executive officers. The Compensation Committee met two times during the year ended September 30, 2006 and also acted by unanimous consent.

Each member of the Company's Board was present for 75% or more of the aggregate of the total meetings of the Board and each Board committee on which he serves.

Nominating Committee Matters

The Nominating Committee is comprised of Messrs. Donnelly, MacCallum, Robbins and Schapiro. Nominating Committee matters were discussed as part of a full Board meeting in fiscal 2006.

Nominating Committee Charter. The Board has adopted a Nominating Committee charter to govern its Nominating Committee. A copy of the Nominating Committee's charter is attached to this Proxy Statement as Appendix 1.

Independence of Nominating Committee Members. All members of the Nominating Committee of the Board of Directors have been determined to be "independent directors" pursuant to the definition contained in Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace Rules.

Procedures for Considering Nominations Made by Shareholders. The Nominating Committee's charter describes procedures for nominations to be submitted by shareholders and other third-parties, other than candidates who have previously served on the Board or who are recommended by the Board. The charter states that a nomination must be

delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice to be timely must be so delivered not earlier

than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the Proxy Statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate or candidates satisfy the criteria established pursuant to the charter for director candidates.

Qualifications. The charter describes the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

- must satisfy any legal requirements applicable to members of the Board;
- must have business or professional experience that will enable such nominee to provide useful input to the Board in its deliberations;
- must have a reputation in the Company's industry for honesty and ethical conduct;
- must have a working knowledge of the types of responsibilities expected of members of a board of directors of a public

corporation;
and

- must have experience, either as a member of the board of directors of another public or private company or in another capacity, that demonstrates the nominee's capacity to serve in a fiduciary position.

Identification and Evaluation of Candidates for the Board. Candidates to serve on the Board will be identified from all available sources, including recommendations made by shareholders. The Nominating Committee's charter provides that there will be no differences in the manner in which the Nominating Committee evaluates nominees recommended by shareholders and nominees recommended by the Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. Compensation Committee Interlocks and Insider Participation

None of the current members of the Compensation Committee, nor anyone who served on the Compensation Committee during the fiscal year ended September 30, 2006, is an officer, employee or former officer of the Company.

Report of the Compensation Committee

The following report is not to be deemed “soliciting material” or deemed to be filed with the Securities and Exchange Commission or subject to Regulation 14A of the Securities Exchange Act of 1934, except to the extent specifically requested by the Company or incorporated by reference in documents otherwise filed.

Pursuant to rules adopted by the SEC designed to enhance disclosure of corporate policies regarding executive compensation, the Company has set forth below a report of its Compensation Committee regarding compensation policies as they affect Mr. Wall and the other Named Executive Officers.

The Compensation Committee views compensation of executive officers as having three distinct parts, a current compensation program, a set of standard benefits and a long-term benefit. The current compensation element focuses upon the executive officer’s salary and is designed to provide appropriate reimbursement for services rendered. The Company’s standard benefit package consists primarily of the matching portion of the Company’s 401(k) Plan and eligibility for bonuses based upon performance of the Company. The long-term benefit element has been reflected in the grants of stock options to specific executive officers.

Traditionally, Mr. Wall's salary has been set at levels which are perceived by the Board to be below the salaries of chief executive officers of comparable companies. The Compensation Committee has determined that Mr. Wall's salary should be comparable to the salaries of chief executive officers of comparable companies, regardless of Mr. Wall's significant ownership of the Company's Common Stock. Accordingly, the Compensation Committee reviewed the salaries of chief executive officers of

medical device companies of a size and profitability comparable to Vital Signs. As a result of this review, the Compensation Committee determined to increase Mr. Wall's salary to \$350,000 for fiscal 2006 from approximately \$313,000 for fiscal 2005. The Compensation Committee believes that Mr. Wall's salary still is below the salaries of his peers at comparable companies, and intends to continue to review and adjust his salary in the future, with the objective of bringing it to a level which is comparable to the salaries of chief executive officers of comparable companies.

On March 8, 2005, the Compensation Committee adopted the 2005 Executive Bonus Plan (the "Bonus Plan"). Pursuant to the Bonus Plan, specified officers, including executive officers, of the Company are eligible to receive bonuses based upon increases in the profitability of the Company's anesthesia, respiratory and critical care businesses and based upon increases in the Company's overall profitability. Under each of the two components of the Bonus Plan, participants could be eligible for bonuses of up to 60% of annual salary. Mr. Wall received a bonus of \$57,750 under the Bonus Plan for fiscal 2005 (paid in fiscal 2006), as a result of increases in the profitability of the Company's anesthesia, respiratory and critical care businesses, as well as increases in the Company's overall profitability (including at the Company's Thomas Medical Products, Breas and Sleep Services of America subsidiaries).

Stock options granted to executive officers of the Company have historically been granted at a price equal to fair market value. Accordingly, such options will gain appreciable value if, and only if, the market value of the Common Stock increases subsequent to the date of grant. The Compensation Committee believes that the issuance of stock options at fair market value provides incentives to employees to maximize the Company's performance and to assure continued affiliation with the Company. Mr. Wall was granted an option to purchase 75,000 shares of the Company's Common Stock in fiscal 2006.

Mr. Wall makes recommendations to the Compensation Committee with respect to the compensation of the other Named Executive Officers. In reviewing such recommendations and determining the compensation for the other Named Executive Officers for fiscal 2006, the Compensation Committee considered each individual's prior experience, experience with the Company, contributions to the Company and the relationship of such individual's responsibilities to the Chief Executive Officer's responsibilities. The Compensation Committee also reviewed the compensation of executive officers of comparable companies. The other Named Executive Officers also participate in the Bonus Plan. In addition, in fiscal 2006, Mr. Chanin was granted an option to purchase 15,000 shares of the Company's Common Stock and Mr. Martino was granted an option to purchase 2,500 shares of the Company's Common Stock.

The Compensation Committee believes that an appropriate compensation program can help in promoting strong earnings performance if it reflects an appropriate balance between providing rewards to executive officers while at the same time effectively controlling cash compensation costs. It is the Committee's objective to continue monitoring the Company's compensation program to assure that this balance is maintained.

Audit Fees and Related Matters

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 (the “Act”) and the Audit Committee’s charter, all audit and audit-related work and all non-audit work performed by the Company’s independent accountants, Goldstein Golub Kessler LLP (“GGK”) and RSM McGladrey, Inc. (“RSM”), is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered that was approved through its pre-approval process.

Through September 30, 2005, GGK had a continuing relationship with American Express Tax and Business Services (“TBS”), from which it leased auditing staff who were full time, permanent employees of TBS and through which its partners provided non-audit services. Subsequent to September 30, 2005, this relationship ceased and GGK established a similar relationship with RSM. GGK has no full time employees and, therefore, none of the audit services performed were provided by permanent full-time employees of GGK. GGK manages and supervises the audit and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.

Audit Fees. Audit fees billed or expected to be billed to Vital Signs, Inc. by GGK for the audit of the financial statements included in Vital Signs’ Annual Report on Form 10-K, and reviews of the financial statements included in Vital Signs’ Quarterly Reports on Form 10-Q, for the fiscal years ended September 30, 2006 and 2005 totaled approximately \$645,000 and \$544,000, respectively.

Audit-Related Fees. The Company was billed \$150,000 and \$59,000 by GGK and TBS for the fiscal years ended September 30, 2006 and 2005, respectively, for assurance and related services that are

reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the caption *Audit Fees* above.

Tax Fees. The Company was billed an aggregate of \$73,000 and \$24,000 by RSM and TBS for the fiscal years ended September 30, 2006 and 2005, respectively, for tax services, principally advice regarding the preparation of income tax returns, tax advice and planning services related to income tax returns.

All Other Fees. The Company was billed \$29,000 and \$0 for other services provided by GGK during the fiscal years ended September 30, 2006 and 2005, respectively.

Other Matters. The Audit Committee of the Board of Directors has considered whether the provision of the Audit-Related Fees, Tax Fees and All Other Fees are compatible with maintaining the independence of the Company's principal accountant.

Applicable law and regulations provide an exemption that permits certain services to be provided by the Company's outside auditors even if they are not pre-approved. The Company did not rely on this exemption at any time since the Sarbanes-Oxley Act was enacted.

Relationship with Independent Public Accountants

GGK has been selected by the Board of Directors to audit and report on the Company's financial statements for the fiscal year ending September 30, 2007. A representative of that firm is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires. The representative is expected to be available to respond to appropriate questions from shareholders. GGK has audited the Company's financial statements for more than the past five years.

Other Matters

At the time that this Proxy Statement was mailed to shareholders, management was not aware that any matter other than the election of directors would be presented for action at the Annual Meeting. If other matters properly come before the Annual Meeting, it is intended that shares represented by proxies will be voted with respect to those matters in accordance with the best judgment of the persons voting them.

If a shareholder of the Company wishes to have a proposal included in the Company's Proxy Statement for the 2008 Annual Meeting of Shareholders, the proposal must be received at the Company's principal executive offices by September 5, 2007, and must otherwise comply with rules promulgated by the Securities and Exchange Commission in order to be eligible for inclusion in the proxy material for the 2008 Annual Meeting.

If a shareholder desires to bring business before the 2008 Annual Meeting which is not the subject of a proposal complying with the SEC proxy rule requirements for inclusion in the Proxy Statement, the shareholder must follow procedures outlined in the Company's by-laws in order to personally present the proposal at the 2008 Annual Meeting. A copy of these procedures is available upon request from the Secretary of the Company.

One of the procedural requirements in the Company's by-laws is timely notice in writing of the business that the shareholder proposes to bring before the 2008 Annual Meeting. Notice of business proposed to be brought before the 2008 Annual Meeting or notice of a proposed nomination to the Board of Directors must be received by the Secretary of the Company no earlier than 120 days prior to the first anniversary of the 2007 Annual Meeting date and no later than the later of the 90th day prior to the first anniversary of the 2007 Annual Meeting date or the tenth day after the Company publicly announces the date of the 2008 Annual Meeting.

By Order of the Board of Directors
Jay Sturm, *Secretary*

Dated: January 3, 2007

A copy of an annual report for the year ended September 30, 2006, including financial statements, accompanies this Proxy Statement. The annual report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation is to be made. Copies of the Company's Annual Report on Form 10-K are available without charge by contacting the Company by telephone at 973-790-1330 or by writing to: Investor Relations, Vital Signs, Inc., 20 Campus Road, Totowa, New Jersey 07512.

The evaluation process shall include (i) a review of the information provided to the Nominating Committee by the proponent, (ii) a review of reference letters from at least two sources determined to be reputable by the Nominating Committee and (iii) a personal interview of the candidate, together with a review of such other information as the Nominating Committee shall determine to be relevant.
