Item 7.01 Regulation FD Disclosure.

On December 19, 2014, Stanley Black & Decker, Inc. (“Stanley Black & Decker” or the “Company”) posted supplementary financial information on its website to reflect quarterly and year-to-date operating results and business segment information for the first three quarters of 2014 and full year 2013 excluding the results of the Security segment’s Spain and Italy operations (“Security Spain and Italy”), which management intends to sell. Security Spain and Italy have been excluded from the continuing operations of Stanley Black & Decker as reflected in the supplemental financial information herein. The exclusion of Security Spain and Italy results in a \$0.07 and \$0.05 increase to diluted GAAP and normalized EPS from continuing operations, respectively, for the year-to-date third quarter 2014. For full year 2013, the exclusion results in a \$0.02 increase to diluted GAAP EPS from continuing operations and no impact to diluted normalized EPS from continuing operations. The net operating results of Security Spain and Italy, as well any gain or loss on a future sale, will be reported as a discontinued operation. The supplementary financial information includes the normalized operating results and business segment information adjusted for Security Spain and Italy, as reconciled to GAAP adjusted for Security Spain and Italy, which is considered relevant to aid analysis of the Company’s operating performance aside from the material impact of the merger & acquisition-related charges in the periods presented as well as charges associated with the loss on extinguishment of debt that occurred in the fourth quarter of 2013. A copy of the supplementary financial information is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated in this report as if fully set forth herein.

The information furnished pursuant to this Item 7.01 shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.
