The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Basic Financial Statement

Benefits under the plan are provided by insurance contracts and a trust fund. Plan expenses were \$31,520. These expenses included \$7,662 in administrative expenses and \$23,408 in benefits paid to participants and beneficiaries, and \$450 in other expenses. A total of 38 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, was \$5,544,630 as of the end of the plan year, compared to \$5,033,738 as of the beginning of the plan year. During the plan year the plan experienced a change in its net assets of \$510,892. This change includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of \$542,412, including employer contributions of \$68,097, employee contributions of \$162,095, other contributions/other income of \$102,524 and earnings from investments of \$209,696.

Information Regarding Plan Assets

The U.S. Department of Labor's regulations require that an independent qualified public accountant audit the plan's financial statements unless certain conditions are met for the audit requirement to be waived. This plan met the audit waiver conditions for the plan year beginning January 1, 2015 and therefore has not had an audit performed. Instead, the following information is provided to assist you in verifying that the assets reported on the Form 5500 were actually held by the plan.

At the end of the plan year, the plan had qualifying plan assets at the following institution(s):

Reliance Trust Company	\$3,946,839
------------------------	-------------

The plan receives year-end statements from these regulated financial institutions that confirm the above information.

The remainder of the plan's assets were held in individual participant accounts with investments directed by participants and beneficiaries and with account statements from regulated financial institutions furnished to the participant or beneficiary at least annually, qualifying employer securities and loans to participants and other qualifying assets.

Plan participants and beneficiaries have a right, on request and free of charge, to get copies of the financial institution year-end statements. If you want to examine or get copies of the financial institution year-end statements, please contact Ms. Shirley Kelley, who is a representative of the plan administrator, at 638 Main Street, Melrose, MA 02176 and phone number, 866-665-2500.

If you are unable to obtain or examine copies of the regulated financial institution statements, you may contact the regional office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) for assistance by calling toll-free 866-444-EBSA (3272).
