PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS

To be Held on Tuesday, June 12, 2018

GENERAL ANNUAL MEETING INFORMATION

This proxy statement contains information related to the annual meeting (the "Annual Meeting") of stockholders of GSE Systems, Inc. (the "Company" or "GSE Systems") to be held on Tuesday, June 12, 2018 at 9:00 a.m. local time at our office located at 6940 Columbia Gateway Drive, Suite 470, Columbia, Maryland 21046. Proxies are hereby being solicited by the Board of Directors. The notice of the Annual Meeting will be mailed to stockholders on or about April 30, 2018, which will be the date electronic materials are first made available to the stockholders.

Electronic Document Delivery

Why didn't I receive paper copies of the proxy materials in the mail?

As permitted by the rules of the Securities and Exchange Commission ("SEC"), we are now primarily furnishing proxy materials and annual reports to our stockholders on the Internet, rather than mailing paper copies of the Proxy Statement and the Annual Report to each stockholder. If you received only an Important Notice Regarding the Availability of Proxy Materials (the "Notice") by mail, you will not receive a paper copy of these proxy materials unless you request one. Instead, the Notice will instruct you on how you may vote your shares. The Notice will also instruct you as to how you may access your proxy card to vote over the Internet. If you received a Notice by mail or electronic mail and would like to receive a paper copy of our proxy materials, free of charge, please follow the instructions included in the Notice.

Annual Meeting Business

What proposals will be addressed at the Annual Meeting?

Stockholders will be asked to vote on the following proposals at the Annual Meeting:

1. Election of two Class II directors to serve until the 2021 annual meeting of stockholders and until their successors are elected and qualified;
2. A non-binding resolution to approve the compensation of the Company's named executive officers;
3. An amendment to the Company's Certificate of Incorporation to increase the total number of authorized shares of capital stock from 32,000,000 to 62,000,000;
4. To ratify the appointment by the Audit Committee of the Board of Directors of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018; and
5. Any other matters properly brought before the meeting or any adjournment thereof.

Our Board unanimously recommends that the stockholders vote FOR the nominees for Class II directors, Suresh Sundaram and J. Barnie Beasley, and FOR proposals 2, 3 and 4.

1

Conduct of business at the Annual Meeting requires the presence of a quorum of stockholders. A quorum is achieved if stockholders holding at least a majority of our outstanding common stock as of the close of business on April 13, 2018 (the "Record Date") are present at the Annual Meeting, in person or by proxy. Abstentions and broker non-votes will be counted as present for purposes of determining whether we have a quorum for the conduct of business.

Proposal 1: Election of Directors. To be elected to the Board of Directors, a nominee for Director must receive the affirmative vote of a majority of the sum of (a) the total votes cast for and (b) the total votes affirmatively withheld as to such nominee. There are two Class II directors to be elected at the Annual Meeting and two individuals have been properly nominated. Abstentions and broker non-votes have no impact on the outcome of the election of directors. The nominees for Class II directors are Suresh Sundaram and J. Barnie Beasley.

Proposal 2: A Non-binding Resolution to Approve the Company's Named Executive Officer Compensation. The approval of Proposal 2 requires the affirmative vote of a majority of the votes cast on this proposal. Abstentions and broker non-votes are not votes cast and, therefore, will not affect the outcome of the voting for this proposal. This proposal is non-binding on the Board of Directors. Although non-binding, the Board of Directors and the Compensation Committee will carefully review and consider the voting results.

Proposal 3: Amendment to the Company's Certificate of Incorporation. The approval of Proposal 3 requires the affirmative vote of a majority of the combined voting power of all the shares of all classes of capital stock of the Company then entitled to vote generally in the election of directors. Abstentions and broker non-votes will be treated as votes against this proposal.

Proposal 4: Ratification of Appointment of Independent Registered Public Accounting Firm. The approval of Proposal 4 requires the affirmative vote of a majority of the votes cast. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will not affect the outcome of the voting for this proposal.

The Company will continue its long-standing practice of holding the votes of all stockholders in confidence from directors, officers and employees except: (a) as necessary to meet applicable legal requirements and to assert and defend claims for or against the Company; (b) in case of a contested proxy solicitation; or (c) if a stockholder makes a written comment on the proxy card or otherwise communicates his/her vote to management.

Voting and Proxies

Who may vote at the Annual Meeting?

All stockholders of record of the Company's common stock, par value \$0.01 per share ("Common Stock"), on the Record Date will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the Company had 19,593,742 shares of Common Stock outstanding and entitled to vote.

How many votes do I have?

You are entitled to cast one vote for each share of Common Stock owned by you on the Record Date on all matters properly brought before the Annual Meeting.

How do I vote?

If you are a holder of record (that is, if your shares are registered in your name with Continental Stock Transfer & Trust Company, our transfer agent (the "Transfer Agent")), there are four ways to vote:

Telephone Voting: You may vote by telephone by calling the toll-free telephone number indicated in the Notice or, if you received a proxy card, by following the instructions on the proxy card. Please follow the voice prompts that allow you to vote your shares and confirm that your instructions have been properly recorded.

2

Internet Voting: You may vote electronically over the Internet by logging on to the website indicated in the Notice or, if you received a proxy card, by following the instructions on the proxy card. Please follow the website prompts that allow you to vote your shares and confirm that your instructions have been properly recorded.

Return Your Proxy Card By Mail: If you received your proxy materials by mail, you may vote by completing, signing and returning the proxy card in the postage-paid envelope provided with this proxy statement. The proxy holders will vote your shares according to your directions. If you sign and return your proxy card without specifying choices, your shares will be voted by the persons named in the proxy in accordance with the recommendations of the Board of Directors as set forth in this proxy statement.

Vote at the Meeting: You may cast your vote in person at the Annual Meeting. Written ballots will be passed out to anyone who wants to vote in person at the meeting.

Telephone and Internet voting for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. local time on June 11, 2018. Telephone and Internet voting is convenient, provides postage and mailing cost savings and is recorded immediately, minimizing the risk that postal delays may cause votes to arrive late and, therefore, not be counted.

Even if you plan to attend the Annual Meeting, you are encouraged to vote your shares by proxy. You may still vote your shares in person at the Annual Meeting even if you have previously voted by proxy. If you are present at the Annual Meeting and desire to vote in person, your vote by proxy will not be counted.

How do I vote if I hold my shares in "street name?"

If you hold shares in "street name," you should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by telephone or the Internet to your broker or nominee. If you provide specific voting instructions by mail, telephone or the Internet, your broker or nominee will vote your shares as you have directed.

Will my shares be voted if I do not provide my proxy?

If you are the stockholder of record and you do not vote or provide a proxy, your shares will not be voted.

If your shares are held in street name, your broker can only cast a vote on your behalf on "routine" matters under applicable New York Stock Exchange rules governing brokers. Your broker may not vote your shares on non-routine matters unless they have received voting instructions from you. Shares for which a broker submits a proxy card without vote are referred to as a "broker non-vote".

The election of Directors, the non-binding resolution to approve the Company's executive compensation, and the amendment to the Certificate of Incorporation of the Company are not considered to be "routine" matters, and your broker may not vote your shares with respect to these proposals without receiving voting instructions from you. The proposal to ratify the appointment of BDO USA, LLP, as our independent registered public accounting firm for fiscal year 2018 is considered a "routine" matter, and your broker may vote your shares even if you do not provide them with voting instructions on that proposal.

Can I change my mind after I vote?

Yes. If you are a stockholder of record, you may change your vote or revoke your proxy at any time before it is voted at the Annual Meeting by:

submitting a new proxy by telephone or via the Internet after the date of the earlier voted proxy and prior to the deadline for submitting a vote by telephone or Internet;

3

- signing another proxy card with a later date and returning it to us prior to the Annual Meeting; or
- attending the Annual Meeting and voting in person after giving notice to the Secretary of the Annual Meeting.

If you hold your shares in street name, you may submit new voting instructions by contacting your broker, bank or other nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy from your broker, bank or other nominee.

Other Meeting Information

Could the Annual Meeting be postponed?

If a quorum is not present or represented at the Annual Meeting, the chair of the meeting or the stockholders entitled to vote at the meeting have the power to postpone the meeting. The presence, in person or by proxy, of at least a majority of the shares of Common Stock outstanding as of the Record Date will constitute a quorum and is required to transact business at the Annual Meeting.

Who bears the cost of soliciting proxies?

The Company will bear the cost of preparing, assembling and mailing the Notice and requested proxy materials and of reimbursing brokers, nominees, fiduciaries and other custodians for out-of-pocket and clerical expenses of transmitting the Notice and requested copies of the proxy materials to the beneficial owners of our shares. In addition to use of the mail, proxies may be solicited by directors, officers and other employees of the Company, without additional compensation, in person or by telephone. The Company does not plan to employ a professional solicitation firm with respect to items to be presented at the Annual Meeting.

Where are the Company's principal executive offices?

The principal executive offices of the Company are located at 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784, and our telephone number is (410) 970-7800. The Annual Meeting will be held at the Company's office located at 6940 Columbia Gateway Drive, Suite 470, Columbia, Maryland 21046. The same telephone number applies to this location.

How can I obtain additional information about the Company?

The Company will, upon written request of any stockholder, furnish without charge a copy of its Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the "2017 Form 10-K"), as filed with the SEC, including financial statements and financial statement schedules required to be filed with the SEC pursuant to Rule 13a-1 under the Act, but without exhibits. A list describing the exhibits not contained in the 2017 Form 10-K will be furnished with the 2017 Form 10-K. Please address all written requests to GSE Systems, Inc., 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784, Attention: Corporate Secretary. Exhibits to the Form 10-K will be provided upon written request and payment of an appropriate processing fee which is limited to the Company's reasonable expenses incurred in furnishing the requested exhibits. In addition, the 2017 Form 10-K can be found on the Company's website, www.gses.com, under Investors/Financial Information, and you may also view proxy materials or request paper copies online at www.proxyvote.com using the information and instructions provided in the notice that was mailed to you.

Do any of the officers or directors have a material interest in the matters to be acted upon?

To the best of our knowledge, no directors, officers, or any of their associates have a material interest, direct or indirect, in any matters to be acted upon at the Annual Meeting, other than with respect to the executive compensation

proposal.

Background of Directors and Executive Officers and Qualifications of Directors

Biographical information with respect to the directors and executive officers of GSE Systems is set forth below. There are no family relationships between any directors or executive officers. Mr. Lewis and Ms. Quinn advised the Board of Directors at its meeting on March 20, 2018, that they will not stand for reelection at the Annual Meeting in light of their desire to retire as directors at the end of their terms in June 2018.

Independent Directors

J. Bernie Beasley – Mr. Beasley is a candidate for election as an independent director of GSE Systems. The Nominating Committee recommended Mr. Beasley to the Board of Directors, and the Board of Directors approved his nomination. He currently serves on the Board of Directors of American Electric Power (NYSE:AEP), one of the largest electric utilities in the United States, delivering electricity to nearly 5.4 million customers in 11 states. His AEP director responsibilities include membership on the Audit Committee and Policy Committee, and on the Nuclear Oversight Committee, of which he is Chairman. He also currently serves as an independent advisor to Energy Solutions, an international nuclear services company. In this advisory role he serves as Chairman of the Nuclear Safety Review Board for the nuclear power stations being decommissioned by Energy Solutions.

Mr. Beasley retired in 2008 as Chairman, President, and Chief Executive Officer of Southern Nuclear Operating Company, the subsidiary of the Southern Company that operates and maintains Southern Company's nuclear power plants. Mr. Beasley's career with Southern Nuclear Operating Company began in 1997, where he served as Vice President and later as Executive Vice President and Chief Nuclear Officer before becoming Chairman, President, and CEO. Prior to Southern Nuclear, Mr. Beasley spent 27 years in various roles with Georgia Power Company including Plant General Manager of the Vogtle Nuclear Generating Station.

Mr. Beasley served for five years on the Board of Directors of Energy Solutions (NYSE:ES), a public international nuclear services company with operations throughout the United States, Canada, the United Kingdom, and other countries. As a director on the Energy Services board, he served on the Audit Committee and the Compensation Committee, and was involved in the company's successful sale in 2013 to a private equity group. He also served for three years as an independent nuclear safety and operations expert advising the Tennessee Valley Authority (TVA) Board of Directors. Mr. Beasley's prior board service also includes the National Nuclear Accrediting Board, the Board of Directors and Executive Committee of the Nuclear Energy Institute (NEI), the Board of Directors of the Foundation for Nuclear Studies, and the Board of Directors of the Southeastern Electric Exchange.

Mr. Beasley graduated from the University of Georgia with a B.S. degree in Engineering. He has held a Senior Reactor Operator's license from the U.S. Nuclear Regulatory Commission, and he currently holds a Professional Engineering License in the State of Georgia. He is a member of the College of Engineering Advisory Board at the University of Georgia, and he has previously served as its Chairman. He is a member of both the Georgia Society and the National Society of Professional Engineers.

Mr. Beasley's extensive experience working in the nuclear power industry would enable him to make valuable contributions of business and strategic insight to GSE's executive leadership team and the Company's Board of Directors.

John D. ("Jack") Fuller – Mr. Fuller has served as an independent director of GSE Systems since June 2017. Mr. Fuller retired as Chairman of the Board of GE Hitachi Nuclear Energy ("GEH"), a global alliance that is headquartered in Wilmington, North Carolina, in July 2011. CORPORATE GOVERNANCE

The Board of Directors

The Board oversees the business affairs of the Company, monitors the performance of management and elects the executive officers of the Company. The Board has the responsibility for establishing broad corporate policies and for the overall performance of the Company, although it is not involved in day-to-day operations. Members of the Board are kept informed of the Company's business by various reports and documents sent to them as well as by operating and financial reports made at Board and Committee meetings.

The Company's Certificate of Incorporation provides that the Board is divided into three classes, as nearly equal in number as possible, that serve staggered three-year terms. The stockholders elect at least one class of directors annually. Stockholders will elect Class II directors at the 2018 Annual Meeting.

One of the current Class II directors (Suresh Sundaram) is standing for re-election for a three-year term at the Annual Meeting, and one new Class II director will be elected to a three-year term at the Annual Meeting. Two existing Class II directors, Jane Bryant Quinn and Joseph Lewis, have advised the Board that they plan to retire at the end of their term in June 2018. Class III directors (Kyle J. Loudermilk and Christopher D. Sorrells) serve until the 2019 Annual Meeting and their successors are duly elected and qualified. Class I directors (James H. Stanker and John D. Fuller) serve until the 2020 Annual Meeting and their successors are duly elected and qualified.

Independence

The Board reviews the independence of its members on an annual basis. No directors will be deemed to be independent unless the Board affirmatively determines that the director in question has no material relationship with the Company, directly or as an officer, stockholder, member or partner of an organization that has a material relationship with the Company. As a result of its annual review of independence of Board members in March 2018, the Board determined that Joseph W. Lewis, Jane Bryant Quinn, James H. Stanker, Suresh Sundaram, and John D. Fuller all meet the NYSE American independence standards and that all of the members of the Audit Committee (Messrs. Stanker, Lewis, and Fuller) meet the applicable NYSE American heightened standards for audit committee independence. The Board also determined that Mr. J. Barnie Beasley, candidate for election as a new director at the 2018 Annual Meeting, also meets the NYSE American independence standards. On April 19, 2018, the Company announced its intention to transfer voluntarily the listing of the Company's Common Stock from NYSE American to The Nasdaq Capital Market ("Nasdaq"), effective Monday, April 30, 2018. Joseph W. Lewis, Jane Bryant Quinn, James H. Stanker, Suresh Sundaram, and John D. Fuller all meet the Nasdaq independence standards and all of the members of the Audit Committee (Messrs. Stanker, Lewis, and Fuller) meet the applicable Nasdaq heightened standards for audit committee independence. Mr. J. Barnie Beasley, candidate for election as a new director at the 2018 Annual Meeting, also meets the Nasdaq independence standards.

Board Leadership Structure

Ms. Quinn currently serves as Chairman of the Board of Directors. Because Ms. Quinn will be retiring at the end of her term, the Board of Directors plans to elect a new Chairman at its meeting immediately following the Annual Meeting. Mr. Loudermilk currently serves as Chief Executive Officer of the Company. The Company believes it is the Chair's responsibility to lead the Board of Directors and the Chief Executive Officer's responsibility to lead the day-to-day operations of the Company. As directors continue to have more oversight responsibility than ever before, we believe it is beneficial to have a Chair whose focus and responsibility is to lead the Board, which allows the Chief Executive Officer to focus on running the Company. This separation of responsibilities ensures that there is no duplication of effort between the Chairman and the Chief Executive Officer. We believe this separation of leadership provides strong leadership for our Board, while also positioning our Chief Executive Officer as the leader of the

Company in the eyes of our customers, employees and stockholders.

In addition, the non-management directors meet in executive session at the end of every Board regular meeting. The executive sessions of non-management directors are presided over by the Chairman of the Board. Any director may request an executive session of non-management directors to discuss any matter of concern.

13

Board's Role in Oversight

While the Board oversees risk management, Company management is charged with managing risk. The Board and the Audit Committee monitor and evaluate the effectiveness of the Company's internal controls at least annually. Management communicates with the Board, Board Committees, and individual directors on the significant risks identified and how they are being managed. Directors are free to, and indeed often do, communicate directly with senior management. The Board implements its risk oversight function both as a whole and through Committees. The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, and accounting matters. The Audit Committee oversees the audit function and the Company's ethics programs. The Audit Committee members meet separately with representatives of the Company's independent registered public accounting firm. The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs. The Nominating Committee selects and recommends to the full Board nominees for election as directors. The Nominating Committee also bears responsibility for overseeing corporate governance matters.

Meetings of the Board of Directors

The Board held five meetings during the fiscal year ended December 31, 2017. During the 2017 fiscal year, no director attended less than seventy-five percent (75%) of the aggregate of (1) the total number of meetings of the Board (held during the period for which he or she was a director) and (2) the total number of meetings held by all committee(s) of the Board on which she or he served (during the periods that he or she served on those committees).

Board Member Attendance at Annual Meetings

The Company encourages, but does not require, all of its directors to attend the Annual Meeting of Stockholders, and all seven directors attended the Annual Meeting in 2017.

Committees of the Board of Directors

The Board has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating Committee. As a Nasdaq Capital Market listed company, we are subject to the Nasdaq listing standards. The Company is required under the Nasdaq listing standards to have a majority of independent directors and all of the members of the audit committee are required to comply with additional, heightened independence standards applicable to service on such committee.

Audit Committee – The Audit Committee consists of Messrs. Fuller, Lewis, and Stanker (Chair), each of whom meets the general as well as the heightened independence standards set by applicable SEC rules and the Nasdaq listing standards. In addition, the Board has determined that Mr. Stanker and Mr. Lewis are "audit committee financial experts" as defined by applicable SEC and NYSE American rules. Mr. Stanker and Mr. Lewis are also "audit committee financial experts" as defined by applicable Nasdaq rules. The Audit Committee operates under a written charter adopted by the Board. Management is responsible for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board and issuing a report thereon and the Committee is responsible for overseeing the conduct of these activities. The Audit Committee makes recommendations to the full Board concerning the engagement of the independent registered public accounting firm, reviews with the independent registered public accounting firm the plans and results of the audit engagement, approves professional services provided by the independent registered public accounting firm, reviews the independence of the independent registered public accounting firm and reviews the adequacy of the Company's internal accounting controls. The Audit Committee met five times during fiscal year 2017. See "Audit Committee Report" below. The Audit Committee Charter is available on our website at www.gses.com.

Compensation Committee – The Compensation Committee consists of Mr. Lewis (Chair), Ms. Quinn, and Mr. Stanker. Mr. Lewis, Ms. Quinn, and Mr. Stanker are "independent" directors as that term is defined by applicable Nasdaq listing standards. The Compensation Committee is responsible for recommending to the full Board the compensation for the Company's executive officers, including the granting of awards under the Company's 1995 Long-Term Incentive Plan, as amended (the "Long-Term Incentive Plan"). The Compensation Committee met six times during fiscal year 2017, and members of the Compensation Committee provided further advice and recommendations to the Board as a whole on Compensation Committee matters at Board meetings. The Compensation Committee operates pursuant to a written Charter which is available on our website at www.gses.com.

Nominating Committee – The Nominating Committee consists of Mr. Fuller, Ms. Quinn, and Dr. Sundaram (Chair). All three members are "independent" directors as that term is defined by applicable Nasdaq listing standards. The Nominating Committee selects and recommends to the full Board nominees for election as directors. The Nominating Committee met five times during fiscal year 2017, and members of the Nominating Committee provided further advice and recommendations to the Board as a whole on Nominating Committee matters at Board meetings. The Nominating Committee operates pursuant to a written Charter which is available on our website at www.gses.com.

Communications with the Board of Directors

The Board desires to foster open communications with its security holders regarding issues of a legitimate business purpose affecting the Company. The Board has adopted policies and procedures to facilitate written communications by stockholders to the Board. Persons wishing to write to our Board, a specific director, a committee of the Board, the presiding director for executive sessions of the non-management directors, or the non-management directors as a group, should send correspondence to the Corporate Secretary at 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784.

The Corporate Secretary will forward to the directors all communications that, in his judgment, are appropriate for consideration by the directors. Examples of communications that would not be appropriate for consideration by the directors include commercial solicitations and matters not relevant to the stockholders, to the functioning of the Board, or to the affairs of the Company. Any correspondence received that is addressed generically to the Board will be forwarded to the Chairman of the Board, with a copy to the Chair of the Audit Committee.

Stockholder Proposals

To be considered for inclusion in the Company's proxy materials for next year's annual meeting in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), a stockholder proposal must be submitted in writing by December 31, 2018, to the Company's principal executive offices c/o Corporate Secretary at 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784, and must otherwise comply with the requirements of Rule 14a-8 of the Exchange Act.

In addition, the Company's Third Amended and Restated Bylaws (the "Bylaws") establish an advance notice procedure for stockholders who wish to present certain matters before an annual meeting of stockholders without including those matters in the Company's proxy statement. Such proposals, including the information required by the bylaws, must be received at the Company's principal executive offices c/o Corporate Secretary, 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784, no earlier than February 12, 2019, and no later than March 14, 2019. If the date of the 2019 annual meeting of stockholders is moved more than 30 days before or 60 days after the anniversary of the 2018 Annual Meeting, stockholders must give notice on or before the close of business on the 10th day following the day on which the Company's notice of the date of the meeting was mailed or other public disclosure of the annual meeting date is first made. A stockholder's notice to the Company must set forth, as to each matter the stockholder proposes to bring before an annual meeting, the information required by the Bylaws, which have been publicly filed with the SEC.

If a stockholder fails to give notice of a stockholder proposal as required by the Bylaws or other applicable requirements (including those attendant to the Exchange Act), then the proposal will not be included in the proxy statement for our 2019 annual meeting of stockholders and the proposal will not be presented to the stockholders for a vote at the 2019 annual meeting of stockholders.

Copies of the Company's Bylaws are available to stockholders without charge upon request to the Corporate Secretary at the Company's address set forth above.

Stockholder Nominations of Directors

The Nominating Committee will consider nominees for director who are submitted by stockholders. All nominations must be made in accordance with the Bylaws. Written notice of all stockholder director nominees proposed for election at the 2019 Annual Meeting must be received at the Company's principal executive offices c/o Corporate Secretary, 1332 Londontown Blvd., Suite 200, Sykesville, MD 21784, no earlier than February 12, 2019, and no later than March 14, 2019. If the date of the 2019 annual meeting of stockholders is moved more than 30 days before or 60 days after the anniversary of the 2018 Annual Meeting, stockholders must give notice of all stockholder director nominees on or before the close of business on the 10th day following the day on which the Company's notice of the date of the meeting was mailed or other public disclosure of the annual meeting date is first made. A stockholder's nomination of a director must set forth the information required by the Bylaws, which have been publicly filed with the SEC, including:

the name and address of the nominating stockholder as they appear on the Company's books and of the beneficial owner, if any, on whose behalf the nomination is being made,

the class and number of shares of the Company that are owned by the nominating stockholder (beneficially and of record) and owned by the beneficial owner, if any, on whose behalf the nomination is being made, as of the date of the nominating stockholder's notice, and a representation that the nominating stockholder will notify the Company in writing of the class and number of such shares owned of record and beneficially as of the record date for the meeting promptly following the later of the record date or the date notice of the record date is first publicly disclosed,

a description of any agreement, arrangement or understanding with respect to such nomination between or among the nominating stockholder and any of its affiliates or associates, and any others (including their names) acting in concert with any of the foregoing, and a representation that the nominating stockholder will notify the Company in writing of any such agreement, arrangement or understanding in effect as of the record date for the meeting promptly following the later of the record date or the date notice of the record date is first publicly disclosed,

a representation whether the nominating stockholder intends to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding capital stock required to approve the nomination and/or otherwise to solicit proxies from stockholders in support of the nomination.

The Company may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such nominee. The foregoing is qualified in its entirety by reference to Section 2.7 of the Bylaws, which have been publicly filed with the SEC.

The Nominating Committee will apply the same criteria when considering stockholder nominees as it does to Company nominated candidates.

Each director nominee will be evaluated considering the relevance to the Company of the director nominee's skills and experience, which must be complimentary to the skills and experience of the other members of the Board. Although the Nominating Committee does not have a formal policy regarding diversity, in considering director candidates, the Nominating Committee considers such factors as it deems appropriate to assist in developing a board and committees that are diverse in nature and comprised of members who have various types of experience (industry, professional, public service). Each director nominee is evaluated in the context of the Board's qualifications, as a whole, with the objective of establishing a Board that can best perpetuate our success and represent stockholder interests through the exercise of sound business judgment.

It is the Company's policy that any transactions with related parties are to be reviewed and approved by the Company's Audit Committee, with the exception of officer compensation which is approved by the Compensation Committee.

- The amounts in this column reflect the aggregate grant date fair value of RSU awards, as computed in accordance with generally accepted accounting principles, assuming no forfeitures, for awards granted pursuant to the
- (1) Long-Term Incentive Plan. Assumptions used in the calculation of these amounts are included in footnote 14 to the Company's audited financial statements for the fiscal year ended December 31, 2017, included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 16, 2018. Reflects amounts earned under an executive bonus plan approved by the Compensation Committee of the Board of Directors. Each of the Named Executive Officers was eligible to receive a cash bonus with a target amount equal to a certain percentage of the Named Executive Officer's salary (75% for Messrs. Loudermilk and Sorrells, and 60% for Mr. Pepe). The actual amount of 2017 bonus earned was determined as follows: 50% of the target amount was earned if the Company's 2017 Adjusted EBITDA was at least \$1.8 million, and 85% of the target bonus amount was earned if the Company achieved at least \$3.8 million of 2017 Adjusted EBITDA. An additional
- (2) 15% of the target amount was based on specific corporate and individual performance goals determined by the Compensation Committee. The Company achieved Adjusted EBITDA of \$5.76 million in 2017, and each of the Named Executive Officers earned 100% of the target amount awarded to him. Pursuant to the payment schedule set forth in the executive bonus plan, the Compensation Committee determined that (i) 30% of the total 2017 bonus amount had been earned, and was paid, in August 2017, (ii) 15% of the total 2017 bonus amount had been earned, and was paid, in October 2017, and (iii) the remaining 55% of the total 2017 bonus amount had been earned, and was paid, in March 2018.
- (3) Consists of \$8,100 for Company retirement plan matching, \$575 for executive group term life insurance premiums, and \$8,281 for personal vehicle expenditures.

Employment Agreements – All of the Named Executive Officers have entered into employment agreements. The terms of all of such agreements are summarized below.

Loudermilk Employment Agreement – Mr. Loudermilk entered into an employment agreement with the Company, dated July 1, 2015, as amended July 1, 2016, and June 12, 2017 (the "Loudermilk Employment Agreement"), which provides that he will serve as the Chief Executive Officer and President of the Company for a term ending on December 31, 2018. The term will automatically extend for an additional one year period unless either Mr. Loudermilk or the Company decides not to extend the term. Under the Loudermilk Employment Agreement, Mr. Loudermilk is entitled to a base salary of at least \$350,000, which may be increased (but not decreased) by the Compensation Committee. In addition, Mr. Loudermilk is entitled to a bonus of a certain percentage of his base salary (75% for 2017), subject to achievement of annual performance goals. Mr. Loudermilk is entitled to participate in all employee benefits available to senior executives or employees of the Company. Benefits include a 401(k) savings plan, which is a tax-qualified retirement savings plan pursuant to which all U.S. employees (excluding Hyperspring, LLC), including the Named Executive Officers, are able to contribute up to the limit prescribed by the Internal Revenue Code (a) on a before-tax basis for traditional 401(k) participants, and (b) on a post-tax basis for Roth 401(k) participants. The Company matches 50% of contributions up to 6% of eligible compensation to all 401(k) plan participants, subject to IRS compensation limits.

In 2017, Mr. Loudermilk was granted 80,493 time-restricted stock units ("TRSUs"), the terms of which are described in a Restricted Share Unit Agreement that provides for vesting in equal installments of 10,061 TRSUs on a quarterly basis beginning March 31, 2017, through September 30, 2018, and a final vesting installment of 10,066 TRSUs on December 31, 2018. The TRSUs are payable in shares of the Common Stock. Any unvested TRSUs will be forfeited upon the termination of Mr. Loudermilk's employment for any reason, unless he continues to serve on the Company's Board of Directors. In the event of a Change of Control (as defined below), the TRSUs will become 100% vested as of the effective date of the Change of Control.

The Loudermilk Employment Agreement will terminate prior to the end of its term if certain events occur. If the Loudermilk Employment Agreement terminates due to Mr. Loudermilk's death, disability or for "Cause", the Company will pay him through the date of termination. Termination for "Cause" includes: willful and continued failure by Mr. Loudermilk to perform his duties (other than as a result of disability) after 30 days' notice and opportunity to cure; his willful engaging in misconduct that materially adversely affects the Company's business or prospects; his felony conviction or plea of no contest to a crime of moral turpitude; abuse of alcohol or drugs affecting his performance; or material breach of a material term of the Loudermilk Employment Agreement.

If the Company terminates the Loudermilk Employment Agreement for any reason other than death, disability or Cause, or if Mr. Loudermilk terminates the Loudermilk Employment Agreement for "Good Reason", the Company will pay Mr. Loudermilk 12 months' salary, payable as and when salaries are generally paid to executive officers, and he will continue to be eligible to participate in all medical, dental, life insurance and 401(k) plan benefits for that 12 month period. He will also receive a prorated bonus to the extent he otherwise would have earned one had he remained employed through the end of the year of termination, payable within the first quarter of the following year. Mr. Loudermilk's unvested restricted stock units are forfeited upon termination of his employment, except that a certain percentage of the PRSUs previously granted to him may vest if his employment is terminated by the Company without Cause or by him for Good Reason. Mr. Loudermilk may terminate the Loudermilk Employment Agreement for "Good Reason" if: his duties, responsibilities or authority are materially reduced without his consent; his base salary and bonus opportunity are reduced; his benefits are discontinued or materially reduced, in the aggregate; his primary office is moved more than fifty (50) miles from his current office; or material breach of the Loudermilk Employment Agreement by the Company.

The Loudermilk Employment Agreement provides Mr. Loudermilk with benefits in the event of a Change of Control that are different from those described above. Those benefits are triggered if he terminates his employment for Good Reason (defined above) within one year following the effective date of a Change of Control (defined below). Those benefits are payable in lieu of any other termination benefits and consist of the following: Mr. Loudermilk will receive his base salary and benefits for a period of twelve (12) months from the date of termination of his employment, payable as and when salaries are generally paid to executive officers of the Company, and he will also receive, on the date of termination, a lump sum equal to the average of the bonus amounts paid to him for the two years prior to the year in which the Change of Control takes place. In addition, upon a Change of Control, a certain percentage of Mr. Loudermilk's PRSUs may vest based on the date of the Change of Control and the VWAP of the Common Stock at that time.

A "Change of Control" occurs if either of the following events occur: (1) Any person not in control of the Company as of the date of the Loudermilk Employment Agreement (other than an employee benefit plan of the Company, or a company owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of voting securities of the Company) becomes the beneficial owner of a majority of the combined voting power of the Company; or (2) the stockholders of the Company approve: (x) a plan of complete liquidation of the Company; (y) an agreement for the sale or disposition of all or substantially all the Company's assets; or (z) a merger, consolidation, or reorganization of the Company with or involving any other corporation, other than a merger, consolidation, or reorganization that would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least a majority of the combined voting power of the voting securities of the Company (or such

surviving entity) outstanding immediately after such merger, consolidation, or reorganization.

Mr. Loudermilk agreed during the term of the Loudermilk Employment Agreement, and for a one year period following termination of the Loudermilk Employment Agreement, not to compete with Company or solicit employees or customers of the Company.

Sorrells Employment Agreement – Mr. Sorrells entered into an employment agreement with the Company, dated August 15, 2016, as amended June 12, 2017 (the "Sorrells Employment Agreement"), which provides that he will serve as the Chief Operating Officer of the Company for a term ending on December 31, 2018. The term will automatically extend for an additional one year period unless either Mr. Sorrells or the Company decides not to extend the term. Under the Sorrells Employment Agreement, Mr. Sorrells is entitled to a base salary of at least \$290,000, which may be increased (but not decreased) by the Compensation Committee. In addition, Mr. Sorrells is eligible for a bonus of up to a certain percentage of his base salary (75% in 2017), subject to the achievement of certain performance goals. Mr. Sorrells is entitled to participate in all employee benefits available to senior executives or employees of the Company, as described above with respect to Mr. Loudermilk.

The TRSUs are payable in shares of Common Stock. Any unvested TRSUs will be forfeited upon the termination of Mr. Sorrells's employment for any reason, unless he continues to serve on the Company's Board of Directors. In the event of a Change of Control (as defined above for Mr. Loudermilk), the TRSUs will become 100% vested as of the effective date of the Change of Control.

The Sorrells Employment Agreement will terminate prior to the end of its term if certain events occur. If the Sorrells Employment Agreement terminates due to Mr. Sorrells's death, disability or for Cause (as defined above for Mr. Loudermilk), the Company will pay him through the date of termination.

If the Company terminates the Sorrells Employment Agreement for any reason other than death, disability or Cause, or if Mr. Sorrells terminates the Sorrells Employment Agreement for Good Reason (as defined above for Mr. Loudermilk), the Company will pay Mr. Sorrells six months' salary, payable as and when salaries are generally paid to executive officers, and he will continue to be eligible to participate in all medical, dental, life insurance and 401(k) plan benefits for that six month period. He will also receive a prorated bonus to the extent he otherwise would have earned one had he remained employed through the end of the year of termination, payable within the first quarter of the following year. Mr. Sorrells's unvested restricted stock units are forfeited upon his termination of employment, except that a certain percentage of PRSUs may vest if his employment is terminated by the Company without Cause or by him for Good Reason.

The Sorrells Employment Agreement provides Mr. Sorrells with benefits in the event of a Change in Control that are different from those described above. Those benefits are triggered if he terminates his employment for Good Reason (defined above) within one year following the effective date of a Change of Control. Those benefits are payable in lieu of any other termination benefits and consist of the following: Mr. Sorrells will receive his base salary and benefits for a period of twelve (12) months from the date of termination of his employment, payable as and when salaries are generally paid to executive officers of the Company, and he will also receive, on the date of termination, a lump sum equal to the average of the bonus amounts paid to him for the two years prior to the year in which the Change of Control takes place. In addition, upon a Change of Control, a certain percentage of Mr. Sorrells's PRSUs may vest based on the date of the Change of Control and the VWAP of the Common Stock at that time.

Mr. Sorrells agreed during the term of the Sorrells Employment Agreement, and for a one year period following termination of the Sorrells Employment Agreement, not to compete with Company or solicit employees or customers of the Company.

Pepe Employment Agreement – Mr. Pepe entered into an employment agreement with the Company, dated July 1, 2016, as amended June 12, 2017 (the "Pepe Employment Agreement"), which provides that he will serve as the Chief Financial Officer of the Company for a term ending on December 31, 2018. The term will automatically extend for an additional one year period unless either Mr. Pepe or the Company decides not to extend the term. Under the Pepe Employment Agreement, Mr. Pepe is entitled to a base salary of at least \$250,000, which may be increased (but not decreased) by the Board of Directors. The TRSUs are payable in shares of Common Stock. Any unvested TRSUs will be forfeited upon the termination of Mr. Pepe's employment for any reason. In the event of a Change of Control (as defined above for Mr. Loudermilk), the TRSUs will become 100% vested as of the effective date of the Change of Control.

The Pepe Employment Agreement will terminate prior to the end of its term if certain events occur. If the Pepe Employment Agreement terminates due to Mr. Pepe's death, disability or for Cause (as defined above for Mr. Loudermilk), the Company will pay him through the date of termination.

If the Company terminates the Pepe Employment Agreement for any reason other than death, disability or Cause, or if Mr. Pepe terminates the Pepe Employment Agreement for Good Reason (as defined above for Mr. Loudermilk), the Company will pay Mr. Pepe six months' salary, payable as and when salaries are generally paid to executive officers, and he will continue to be eligible to participate in all medical, dental, life insurance and 401(k) plan benefits for that six month period. He will also receive a prorated bonus to the extent he otherwise would have earned one had he remained employed through the end of the year of termination, payable within the first quarter of the following year. Mr. Pepe's unvested restricted stock units are forfeited upon his termination of employment, except that a certain percentage of PRSUs may vest if his employment is terminated by the Company without Cause or by him for Good Reason.

The Pepe Employment Agreement provides Mr. Pepe with benefits in the event of a Change in Control that are different from those described above. COMPENSATION OF DIRECTORS

As more fully described below, during 2017 the Company (a) paid cash compensation, (b) awarded shares of stock, and (c) granted time-restricted stock units (TRSUs) to directors who were classified as "independent directors" based upon the SEC and NYSE American criteria for director independence.

Annual Cash Compensation: Each independent director is paid annual cash compensation of \$20,000. The Chairman of the Board of Directors, the Chair of the Compensation Committee, and the Chair of the Audit Committee are each paid additional annual cash compensation of \$5,000, and the Chair of the Nominating Committee is paid additional annual cash compensation of \$2,500. Independent Directors who serve on Board committees are paid additional annual cash compensation of \$2,500 per committee. In all cases, cash compensation is paid quarterly in arrears based on each independent director's Board membership and committee role or roles during that quarter.

Stock Awards: Historically, the Company made annual stock option awards to independent directors in March of each calendar year. In connection with the realignment of Board equity compensation grants with the annual meeting of stockholders in June and the transition from awards of stock options to awards of TRSUs, there was a gap of one calendar quarter during the second quarter of 2017 that the Board elected to address by way of a one-time grant of Common Stock in an amount equal to 25% of the annual equity grant. Based on the then-current share price, this grant consisted of 1,923 shares of Common Stock for each independent director serving during the calendar quarter.

TRSUs Granted: Pursuant to the recently updated Board equity compensation policy and the Long-Term Incentive Plan, the Board granted to each independent director continuing in service for the period from June 12, 2017, through the annual meeting of stockholders in 2018 a number of TRSUs determined by dividing \$25,000 by the closing price per share of the Common Stock on the last trading day prior to the grant. Based on the then current share price, this grant consisted of 7,352 TRSUs, each vesting on the earlier to occur of June 12, 2018, or the date of the Company's 2018 annual meeting of stockholders.

The table below summarizes the compensation paid by the Company to independent directors.

| | Fees Earned or Paid in Cash | Stock Awards(1) | Total | |
|---------------------|--------------------------------|--------------------|----------|-----|
| John D. Fuller | \$ 18,750 | \$ 24,629 | \$43,379 | (2) |
| Roger L. Hagenruber | \$ 15,000 | \$ 6,442 | \$21,442 | (3) |
| Joseph W. Lewis | \$ 26,875 | \$ 31,071 | \$57,946 | (4) |
| Jane Bryant Quinn | \$ 29,375 | \$ 31,071 | \$60,446 | (5) |
| James H. Stanker | \$ 27,500 | \$ 31,071 | \$58,571 | (6) |

Assumptions used in the calculation of the TRSU values are included in footnote 14 to the Company's audited financial statements for the fiscal year ended December 31, 2017, included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 16, 2018.

Currently there are seven directors serving on the Board and there is one vacant seat. The Board is divided into three classes that serve staggered three-year terms and are as nearly equal in number as possible. Each class generally serves for a period of three years, although a director may be elected for a shorter term in order to keep the number of directors in each class approximately equal. To be elected to the Board of Directors, a nominee for director must receive the affirmative vote of a majority of the sum of (a) the total votes cast for and (b) the total votes affirmatively withheld as to such nominee.

The terms of the Company's Class II directors – Mr. Joseph Lewis, Ms. Jane Bryant Quinn, and Mr. Suresh Sundaram – will expire at the 2018 Annual Meeting. Mr. Lewis and Ms. Quinn have announced their retirement from the Board and, therefore, informed the Board that they would not stand for reelection. Mr. Sundaram has been nominated to stand for reelection, and Mr. Beasley has been nominated for election at the Annual Meeting. If elected, each of Mr. Sundaram and Mr. Beasley would hold office until the 2021 Annual Meeting and until their successors are duly elected and qualified. Biographical information, including professional background and business-related experience, for each of the nominees and incumbent directors is contained in the section captioned "Information About Directors and Executive Officers."

The proxies solicited hereby, unless directed to the contrary, will be voted FOR election of the nominees. All of the nominees have consented to being named in this Proxy Statement and to serve if elected. The Board has no reason to believe that any of the nominees will not be a candidate or will be unable to serve, but if either occurs proxies may be voted for such substituted nominee or nominees as the Board, in its discretion, may designate.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
THE ELECTION OF SURESH SUNDARAM AND J. BARNIE BEASLEY

Proposal 2: Non-Binding Resolution to Approve Executive Compensation

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Securities Exchange Act of 1934, as amended, we are providing stockholders the chance to approve, in a non-binding vote, the Company's executive compensation as reported in this Proxy Statement. We are providing stockholders with this opportunity on an annual basis pursuant to the recommendation of stockholders at the 2017 Annual Meeting that the Company hold a "say on pay" vote every year.

Our executive compensation programs are designed to support the Company's long-term success. The Compensation Committee has structured our executive compensation program to achieve the following key objectives:

- to attract, retain, and reward talented and productive executive officers and other employees who can contribute (both short and long-term) to the success of the Company;
- provide incentives for executive officers for superior performance; and
- to align compensation and interests of the executive officers with those of the Company and reward executive officers according to their contribution to the Company's success.

We urge stockholders to read the "Executive Compensation" disclosure set forth in this Proxy Statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation philosophy and objectives, as well as the Summary Compensation Table and related compensation tables and narrative below which provide detailed information on the compensation of our Named Executive Officers. The Compensation Committee and the Board of Directors believe that the policies and procedures articulated in that disclosure are effective in achieving our goals and that the compensation of our Named Executive Officers reported in

this Proxy Statement has supported and contributed to the Company's success.

We are asking stockholders to approve the following non-binding resolution at the Annual Meeting:

RESOLVED, that the stockholders of GSE Systems, Inc. (the "Company") approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in accordance with compensation disclosure rules of the Securities and Exchange Commission, including as set forth in the Summary Compensation Table and the related compensation tables and narrative in the Proxy Statement relating to the Company's Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will carefully review and consider the voting results when evaluating our executive compensation program.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ADVISORY RESOLUTION APPROVING THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS SET FORTH IN THE SUMMARY COMPENSATION TABLE AND THE RELATED COMPENSATION TABLES AND NARRATIVE IN THE PROXY STATEMENT, AND IT IS INTENDED THAT PROXIES NOT MARKED TO THE CONTRARY WILL BE SO VOTED.

Proposal 3: Amendment to the Company's Certificate of Incorporation

Article IV of the Restated Certificate of Incorporation of GSE Systems, Inc. (the "Certificate of Incorporation") currently authorizes the issuance of up to 32,000,000 shares of capital stock, divided into 2,000,000 shares of Preferred Stock and 30,000,000 shares of voting Common Stock. The par value of each class of stock is \$0.01 per share. No shares of Preferred Stock are issued or outstanding, but as of the record date, 21,192,653 shares of Common Stock have been issued, of which 1,598,911 are held in treasury and 19,593,742 are outstanding. At December 31, 2017, the Company had reserved an additional 4,301,854 shares of Common Stock for issuance pursuant to the Long-Term Incentive Plan. Thus, approximately 85% of the Company's authorized Common Stock is either issued or reserved for issuance. The Company believes that this fact likely would make it more difficult for the Company to raise funds by issuing equity in the future, or to use Common Stock as consideration in connection with potential acquisitions of companies. Increasing the number of shares of authorized Common Stock would enable the Company to consider a broader and potentially more attractive range of strategic alternatives as it seeks to achieve its growth objectives. At this time, the Company does not have any plans, commitments, arrangements, understandings, or agreements regarding the issuance of Common Stock following the increase of its authorized shares. In management's view, however, it is prudent for the Company to have additional shares of Common Stock available for issuance, which will afford the Company flexibility in executing future financing transactions to strengthen its financial position and to use Common Stock as consideration in potential acquisitions.

Upon consideration and consultation with outside advisors, the Board of Directors has concluded that it would be in the best interests of the Company to increase the number of shares of Company capital stock, and in particular, the number of shares of voting Common Stock, authorized for issuance pursuant to the Certificate of Incorporation. The Company therefore proposes to increase the total number of authorized shares of capital stock from 32,000,000 to 62,000,000; and to increase the total number of authorized shares of voting Common Stock from 30,000,000 to 60,000,000. The additional Common Stock to be authorized by adoption of the amendment would have rights identical to the currently outstanding Common Stock of the Company. The amendment would not affect the rights of the holders of currently outstanding Common Stock, except to the extent additional shares are actually issued, which may have certain effects incidental to increasing the number of shares of the Company's Common Stock outstanding, such as dilution of the earnings per share of current holders of Common Stock. If the amendment is adopted, it will become effective upon filing of a Certificate of Amendment of the Company's Certificate of Incorporation with the Secretary of State of the State of Delaware in the proposed form attached hereto as Appendix A. The number of authorized shares of Preferred Stock would remain unchanged at 2,000,000.

Article XI of the Certificate of Incorporation provides that amendment to the Certificate of Incorporation requires the affirmative vote of both (a) a majority of the members of the Board of Directors then in office, and (b) a majority of the combined voting power of all the shares of all classes of capital stock of the Company then entitled to vote generally in the election of directors. The Board has unanimously approved a resolution authorizing the Company to amend its Certificate of Incorporation as described herein, and directing that the proposed amendment be submitted to the Company's stockholders for consideration and approval at the Annual Meeting. We are asking stockholders to approve an amendment to the Certificate of Incorporation of the Company at the Annual Meeting, the form of which is set forth in Appendix A.

The proxies solicited hereby, unless directed to the contrary, will be voted FOR the proposed amendment to the Company's Certificate of Incorporation as specified.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSED AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF CAPITAL STOCK FROM 32,000,000 TO 62,000,000.

Proposal 4: Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board has appointed the firm of BDO USA, LLP ("BDO") as the independent registered public accounting firm of the Company for fiscal year 2018. BDO was also the Company's independent registered public accounting firm for fiscal years 2015, 2016, and 2017. Representatives of BDO are expected to attend the Annual Meeting and will have the opportunity to make a statement at the meeting if they desire to do so and will be available to respond to appropriate questions. For a description of the Audit Committee's pre-approval policies and procedures pursuant to 17 CFR 210.2-01(c)(7)(i), see the section captioned "Audit Committee Pre-Approval of Audit and Non-Audit Services."

Ratification of the appointment of the independent registered public accounting firm requires the affirmative vote of a majority of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. The stockholders' ratification of the appointment of BDO will not impact the Audit Committee's responsibility pursuant to its charter to appoint, replace, and discharge the independent registered public accounting firm. If the stockholders do not ratify the appointment of BDO, the Audit Committee may reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP, AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2018

Other Business

If other matters properly come before the meeting, proxies submitted on the enclosed form will be voted by the persons named in the enclosed form of proxy in accordance with their best judgment. In addition, if (i) any of the persons named to serve as directors are unable to serve or for good cause will not serve and the Board of Directors designates a substitute nominee or (ii) any stockholder proposal, which is not in this proxy statement or on the proxy card or voting instructions form pursuant to Rule 14a-8 or 14a-9 of the Securities Exchange Act of 1934, is presented for action at the meeting, or (iii) if any matters concerning the conduct of the meeting are presented for action, then stockholders present at the meeting may vote on such items.
