ARTICLE 2 THE OFFER

2.1 The Offer

- (a) Subject to the terms and conditions hereof, the Offeror agrees to make a take-over bid by way of a formal take-over bid circular to acquire all the issued and outstanding Shares (other than those owned directly or indirectly by the Offeror), including Shares issuable upon exercise of any Options outstanding on the date hereof, at a price per Share of \$12.00 in cash (as such offer may be extended or amended as permitted from time to time under this agreement, the **Offer**). The Offer shall only be subject to the conditions set forth in Schedule A hereto and shall be made in accordance with all applicable Laws, including Securities Laws, including, without limitation, Regulations 14D and 14E under the Exchange Act.
- (b) The Offer shall be made to the holders of Shares in accordance with applicable Laws, including Securities Laws, and shall be open for acceptance until a time or times that is not earlier than 5:00 p.m. (Vancouver time) on the 36th day after the date of the commencement of the bid, and no later than the 40th day after the date of the commencement of the bid, as determined under the *Securities Act* (British Columbia) (the time at which the Offer initially expires being referred to herein as the **Initial Expiry Time**), subject to the right of the Offeror, in its sole discretion, to extend, or further extend, the period during which Shares may be deposited under the Offer (the time at which the Offer, as it may be extended, expires being referred to herein as the **Expiry Time**). If at the Initial Expiry Time all of the conditions set forth in Schedule A hereto are satisfied except for the condition described in paragraph (b) of Schedule A, the Offeror shall extend the period during which Shares may be deposited under the Offer by an additional 15 calendar days after the Initial Expiry Time provided that the consents, approvals, decisions or other actions referred to in such paragraph can, in the reasonable opinion of the Offeror, be obtained within such additional 15 calendar day period. Any such extension shall comply with applicable Securities Laws, including, without limitation, Rule 14d-11 under the Exchange Act.

- (c) Provided that this Agreement has not otherwise been terminated, the Offeror shall mail the Offer and accompanying take-over bid circular (such circular, together with the Offer and any documents required to be sent along with or as part of the Offer, being referred to as the **Bid Circular**) prepared in the English language and French language in accordance with applicable Laws, including the Securities Laws, to each Shareholder and Optionholders as soon as reasonably practicable following the filing of the Schedule TO (as defined below) and, in any event, not later than 11:59 p.m. (Vancouver time) on October 6, 2006 (such time on such date being referred to herein as the **Latest Mailing Time**). However, if the mailing of the Bid Circular is delayed by reason of: (i) an injunction or order made by a court or regulatory authority of competent jurisdiction; (ii) the Offeror not having obtained any regulatory waiver, ruling or order which is necessary to permit the Offeror to make the Offer; (iii) the failure of the Company to provide the Offeror with a list of Shareholders and Optionholders as contemplated in Section 2.6, or (iv) any failure of a condition in Sections 2.2(b), 2.2(c) or 2.2(d) to be satisfied, written notice of such failure has been given by the Offeror, then, provided that such injunction or order is being contested or appealed, such regulatory waiver, ruling or order is being actively sought, such list of Shareholders or Optionholders is being actively sought or such failure of such condition to be rectified within five days following notice thereof, as applicable, then the Latest Mailing Time shall be extended for a period ending on the 5th Business Day following the date on which such injunction or order ceases to be in effect or such waiver, ruling or order is obtained, or such list of Shareholders and Optionholders is obtained, or such cure effected, as applicable. The Company and its advisors shall be given an opportunity to review and comment on the Bid Circular, and any supplements or amendments thereto, prior to its filing or printing, recognizing that whether or not such comments are appropriate will be determined by the Offeror, acting reasonably.
- (d) As soon as reasonably practicable on the date the Offer is commenced, the Offeror shall file with the SEC a Tender Offer Statement on Schedule TO (together with all amendments and supplements thereto, the **Schedule TO**) with respect to the Offer that will comply with the provisions of all applicable Securities Laws of the United States and will contain (including as exhibits) or incorporate by reference the Bid Circular.
- (e) The Offeror agrees to promptly correct the Bid Circular if and to the extent that it shall become false and misleading and to supplement the information contained therein to include any information that shall become necessary, in order to make the statement therein, in light of the circumstances under which they were made, not misleading, and the Offeror shall take all steps necessary to cause the Bid Circular, as so corrected or supplemented, to be filed with all applicable Securities Authorities and disseminated to the Shareholders and Optionholders, to the extent required under applicable Laws, including any Securities Laws. The Offeror agrees to amend the Schedule TO from time to time in accordance with the requirements of Regulation 14D under the Exchange Act. The Offeror shall provide the Company with copies of any written comments and telephone

notification of any oral comments that the Offeror or its counsel receive from any applicable Securities Authority with respect to the Bid Circular or Schedule TO promptly after receipt of such comments. The Offeror shall use its commercially reasonable efforts to respond to such comments promptly, shall provide the Company with a reasonable opportunity to participate in all communications with any applicable Securities Authority, including meetings and telephone conferences, relating to the Bid Circular or Schedule TO and shall provide the Company copies of any written responses and telephone notification of any verbal responses by the Offeror or its counsel in respect of such communications.

- (f) The Company acknowledges and agrees that the Offeror may, in its sole discretion, modify or waive any term or condition of the Offer, provided however, that the Offeror shall not, without the prior written consent of the Company: (i) vary or waive the Minimum Condition described in paragraph (a) of Schedule A hereto; (ii) decrease the consideration per Share; (iii) change the form of consideration payable under the Offer (other than to add additional consideration, whether in the form of cash or securities of the Parent or otherwise); (iv) decrease the number of Shares in respect of which the Offer is made; (v) impose additional conditions to the Offer; or (vi) or otherwise vary the Offer (or any terms or conditions thereof) in a manner which is adverse to Shareholders.
- (g) The Offeror agrees that, provided all of the conditions to the Offer set out in Schedule A shall have been satisfied or waived, the Offeror shall within the time periods required by applicable Laws take up and pay for all the Shares validly tendered (and not withdrawn) under the Offer and in any event not later than three Business Days following the time at which it becomes entitled to take up such Shares under the Offer pursuant to applicable Laws.

 - (e) the Offeror shall have received certificates of the Company, signed by two Senior Executives satisfactory to the Offeror, acting reasonably, dated the date of the making of the Offer, certifying the matters set out in paragraphs (b) and (c) above;
 - (f) no circumstance, fact, change, event or occurrence shall exist or have occurred, other than a circumstance, fact, change, event or occurrence caused by the Offeror, that would render it impossible or substantially unlikely for one or more of the conditions of the Offer as set out in Schedule A hereto to be satisfied;
 - (g) the Offeror shall have received from all applicable Securities Authorities or other regulatory authorities all such waivers, rulings or orders necessary for the making of the Offer;

2.4 Directors Circular

The Company shall prepare the Directors Circular and Schedule 14D-9 (in the case of the Directors Circular, in both French and English), in accordance with applicable Laws, including applicable Securities Laws. The Directors Circular and Schedule 14D-9 will set forth (among other things) the recommendation of the Board of Directors as described in section 2.3(b) and include a copy of the Fairness Opinion. The Offeror and its advisors shall be given an opportunity to review and comment on the Directors Circular and Schedule 14D-9 prior to its filing, recognizing that whether or not such comments are appropriate will be determined by the Board of Directors, acting reasonably. The Company agrees promptly to correct the Directors Circular if and to the extent that it shall become false and misleading and to supplement the information contained therein to include any information that shall become necessary, in order to make the statements therein not misleading, in light of the circumstances under which they were made and the Company shall take all steps necessary to cause the Directors Circular as so corrected or supplemented, to be filed with all applicable Securities Authorities and disseminated to the Shareholders and Optionholders, to the extent required by any applicable Law, including applicable Securities Laws. The Company agrees to amend the Schedule 14D-9 from time to time in accordance with the requirements of Rule 14d-9 under the Exchange Act. 2.5 Superior Proposals

Notwithstanding Section 2.3:

- (a) the Board of Directors may, subject to compliance with the other provisions of this Section 2.5, withdraw, modify or change any recommendation regarding the Offer or approve, recommend or enter into an agreement in respect of a Superior Proposal, if prior to the expiry of the Offer, a Superior Proposal is received by, or offered or made to, the Company or any member of the Board of Directors, Senior Executive or the Financial Advisor or any agent or representative of the Company or Shareholder, and (i) in the determination of the Board of Directors acting in good faith (after receiving the advice of its financial advisor and outside legal advisors), to refrain from taking such action would be inconsistent with the performance by the Board of Directors of its fiduciary duties under applicable Law, (ii) this Agreement is concurrently terminated pursuant to Section 8.1(f) or 8.1(g), and (iii) the Company has previously, or concurrently will have, paid the Non-Completion Fee to the Parent;
- (b) upon receipt by the Company of (i) any notice, proposal or inquiry that the Board of Directors determines in good faith, could reasonably be expected to lead to, an Alternative Transaction or any amendments thereto, or any other transaction the consummation of which would reasonably be expected to impede, interfere with, prevent or materially delay the Offer or a Subsequent Acquisition Transaction, or (ii) any request for non-public information relating to the Company or any of its Subsidiaries in connection with an Alternative Transaction, or (iv) any request for access to the properties, books or records of the Company or any of its Subsidiaries in connection with an Alternative Transaction, the Company shall advise the Offeror thereof by telephone promptly, and shall in any event no later than 24 hours thereafter give notice to the Offeror thereof (including identifying the Person proposing such transaction and the terms and conditions of such transaction and include a copy of any documents received by the Company in respect of such transaction). Prior to providing any non-public information to such Person, the Company will confirm in writing to the Offeror that it has received from such Person an executed confidentiality agreement having terms substantially similar to the Confidentiality Agreement (other than the standstill clause restricting such Person from initiating an Alternative Transaction as provided for by paragraph 5 of the Confidentiality Agreement). The Company will provide or make available to the Offeror copies of any information (if not previously provided to the Offeror) provided to any Person promptly following the provision of such information to such Person and in any event within 24

hours. The Company shall keep the Offeror informed on a timely basis of the status, including any change to the material terms or termination of discussions or negotiations, of any such Alternative Transaction, and the Company shall promptly provide the Offeror copies of any documents relating to such Alternative Transaction forthwith upon receipt thereof;

- (c) if the Board of Directors determines that the Alternative Transaction constitutes a Superior Proposal, the Company shall give the Offeror at least three Business Days advance notice of any action to be taken by the Board of Directors to withdraw, modify or change any recommendation regarding the Offer or to approve or recommend or enter into an agreement in respect of the Superior Proposal and shall negotiate in good faith with the Offeror to make such adjustments to the terms and conditions of this Agreement and the Offer as would enable the Offeror to proceed with the Offer, as amended. Any such adjustments shall be in the discretion of the Offeror at such time. The Board of Directors shall review any proposal by the Offeror to amend the terms of its Offer in order to determine, in good faith in the exercise of its fiduciary duties (after receiving the advice of its financial and outside legal advisors), whether the Offeror's proposal to amend the Offer would result in the Alternative Transaction not being a Superior Proposal;
- (d) if any Alternative Transaction is publicly announced or made by a party other than the Company and the Board of Directors determines it is not a Superior Proposal; or the Board of Directors determines that a proposed amendment to the terms of the Offer pursuant to Section 2.5(b) would result in the Alternative Transaction not being a Superior Proposal, and the Offeror has so amended the terms of the Offer, then the Board of Directors shall as soon as practicable reaffirm this Agreement and its recommendation of the Offer by press release and if required under applicable Law, an updated Directors' Circular. The Offeror and its advisors shall be given an opportunity to review and comment on the press release and updated Directors' Circular prior to its release or printing, as applicable recognizing that whether or not such comments are appropriate will be determined by the Board of Director, acting reasonably; and
- (e) the Company acknowledges and agrees that each successive material modification to any Superior Proposal shall require an additional notice by the Company under Section 2.5(c).

2.7 Outstanding Stock Options

Subject to the receipt of any necessary approvals of any applicable Securities Authorities, the Company shall make such amendments to the Stock Option Plans or option agreements thereunder, if any, as may be necessary, and take all such other steps as may be necessary or desirable, to cause the exercise, cash-out and termination as of the Expiry Time of all in-the-money Options outstanding pursuant to the Stock Option Plans and to use its reasonable efforts to cause the cancellation, without payment of any consideration therefor, of any out-of-the-money Options outstanding pursuant to the Stock Option Plans. Subject to the receipt of any necessary approvals of Securities Authorities, the Company may permit holders of Options to elect to receive, in respect of each Share under Option, a payment equal to the positive difference between the purchase price for each Share under the Offer less the exercise price pursuant to the Option, less applicable withholding or other taxes, on cancellation of such Options in lieu of exercising such options (and the termination and cancellation, without the payment of any consideration thereof of any unexercisable or unexercised options which have an exercise price which is greater than the purchase price for each Share under the Offer), and, in either case, use commercially reasonable efforts to procure from each holder of Options an option termination agreement in form and substance satisfactory to the Offeror.

2.8 Subsequent Acquisition Transaction

If, within 120 days after the date of the Offer, the Offer has been accepted by Shareholders holding not less than 90% of the outstanding Shares, excluding Shares held at the date of the Offer by or on behalf of the Offeror, or an affiliate or associate of the Offeror, the Offeror may, to the extent possible, acquire the remainder of the Shares from those Shareholders who have not accepted the Offer pursuant to the statutory right of acquisition pursuant to Section 206 of the CBCA. The Company agrees that, upon the Offeror taking up and paying for more than 66 2/3% of the outstanding Shares (on a Diluted Basis) under the Offer, it will assist the Offeror in acquiring the balance of the Shares as soon as practicable, but in any event, not later than 120 days after the Expiry Date, by such means as may be determined by the Offeror, including by way of amalgamation, statutory arrangement, capital reorganization or other transaction of the Company and the Offeror or an affiliate of the Offeror (a **Subsequent Acquisition Transaction**) for consideration per Share at least equal in value to the consideration paid by the Offeror under the Offer.

From the date hereof and until the termination of this Agreement, the Company shall promptly notify the Offeror in writing of:

- (a) the occurrence of or impending or anticipated occurrence of any Material Adverse Change;

- (c) any governmental or third party complaints, investigations or hearings which could be material and adverse to the business, operation, or financial condition of the Company (on a consolidated basis) or communications indicating that the same may be threatened or contemplated.

6.2 Non-Completion Fee

- (a) The Company shall pay to the Parent as liquidated damages for the Parent's rights under this Agreement the sum of \$19.5 million (the **Non-Completion Fee**) if:
 - (i) this Agreement is terminated in the circumstances set out in Section 8.1(d), 8.1(e), 8.1(f) or 8.1(g);

Such payments shall be made in immediately available funds to an account designated by the payee.

6.3 Non-Solicitation

- (a) The Company shall immediately cease and cause to be terminated all existing discussions and negotiations, if any, with any third parties or any agent or representative thereof, conducted on or on behalf of the Company before the date of this Agreement with respect to any Alternative Transaction, and shall as soon as practicable request the return or destruction of all confidential information previously provided to any other person in connection therewith (subject to the right of the recipient to retain a copy solely for archival or compliance purposes pursuant to the terms of any confidentiality between the Company and such party), except as contemplated by Section 2.5(b). The Company agrees not to release or permit the release of any third party from any confidentiality or standstill obligation set forth in any agreement with the Company to which such third party is a party or bound; it being understood however that such standstill obligation (i) may, in some circumstances be terminated unilaterally by the third party in accordance with the terms of the applicable confidentiality agreement and (ii) may be terminated by the Company in order to permit the implementation of a Superior Proposal where the Board of Directors determines that such third party has made or is reasonably likely to make a Superior Proposal.
- (b) The Company and its Subsidiaries shall not, and shall instruct and direct and use reasonable efforts to cause their respective Employees, financial advisors, counsel or other representatives or agents, directly or indirectly, not to:
- (i) solicit, initiate or encourage any Alternative Transaction;

 - (iii) permit access to the Company's electronic data room or provide any confidential information relating to the Company or its Subsidiaries to any Person in connection with any Alternative Transaction; or

provided, however, that the Company shall not be bound by the foregoing restrictions in paragraphs (ii), (iii) and (iv) of this Section 6.3(b) in respect of any proposal that could reasonably be expected to lead to (in the determination of the Board of Directors) a Superior Proposal received by the Company from another Person, provided it was not solicited by the Company, any Subsidiary of the Company, or any of their respective Employees, financial advisors, counsel or other representatives or agents after the date hereof provided the Company complies with the requirements of Section 2.5.

6.4 Board of Directors of the Company

Immediately following the acquisition pursuant to the Offer by the Offeror of at least such number of Shares as represents a majority of the then outstanding Shares, and from time to time thereafter, the Company shall co-operate with the Offeror and upon request, use reasonable efforts subject to the provisions of the CBCA, to (i) secure the resignations of such number of Company directors as may be required to enable the Offeror's designees to be elected or appointed to the Board of Directors, such representation to be effective at such time as may be required by the Offeror, to cause the election or appointment of the Offeror's nominees to fill the vacancies so created in order to effect the foregoing without the necessity of a shareholder meeting, and (ii) expand the size of the Board of Directors.

6.5 Pre-Acquisition Reorganization

Upon request by the Offeror, the Company shall (i) effect such reorganizations of its business, operations and assets or such other transactions as the Offeror may request, acting reasonably (each a **Pre-Acquisition Reorganization**) and (ii) co-operate with the Offeror and its advisors in order to determine the nature of the Pre-Acquisition Reorganizations that might be undertaken and the manner in which they might most effectively be undertaken; provided that the Pre-Acquisition Reorganizations are not prejudicial to the Company in any material respect, do not result in any breach by the Company of any of its covenants, representations or warranties under this Agreement (unless the Offeror has waived such breach in respect of such request) and is not materially prejudicial to the Shareholders. The Offeror shall provide written notice to the Company of any proposed Pre-Acquisition Reorganization at least ten Business Days prior to the Expiry Time. Upon receipt of such notice, the Offeror and the Company shall work co-operatively and use commercially reasonable efforts to prepare prior to the Expiry Time all documentation necessary and do all such other acts and things as are necessary to give effect to such Pre-Acquisition Reorganization. The completion of any such Pre-Acquisition Reorganization shall be effected immediately prior to any take-up by the Offeror of Shares tendered to the Offer.

6.6 Accuracy of Representations

The Offeror covenants and agrees that the Offeror shall not take any action, or fail to take any action, within its control which would result in any representation and warranty set out in Article 3 being untrue in any material respect at any time while the Offer is outstanding.

6.7 Directors and Officers Insurance

From and after the Effective Time, the Offeror agrees that for the period from the Expiry Time until six years after the Expiry Time, the Offeror will cause the Company or any successor to the Company to use commercially reasonable efforts to maintain (subject to the limitation below) the Company's current directors' and officers' insurance policy or a policy reasonably equivalent subject in either case to terms and conditions no less advantageous to the directors and officers of the Company than those contained in the policy in effect on the date hereof, for all present and former directors and officers of the Company and its Subsidiaries, covering claims made prior to or within six years after the Expiry Time or, alternatively, the Parent shall cause the Company to,

or the Company may, purchase as an extension to the Company's current insurance policies, pre-paid non-cancellable run-off directors and officers liability insurance providing such coverage for such Persons on terms comparable to those contained in the Company's current insurance policies, in either case, provided that the aggregate cost of such run-off policy shall not be greater than 300% of the annual premium under the Company's current insurance policy. From and after the Effective Time, the Offeror shall, and shall cause the Company (or its successor), to, indemnify the current and former directors and officers of the Company and its Subsidiaries to the fullest extent to which the Company is permitted to indemnify such officers and directors under its charter, by-laws, existing contracts of indemnity and under applicable Law.

6.8 Employment Agreements

Parent and Acquisition Company covenant and agree that, after the Effective Time, Parent and Acquisition Company will cause the Company, and any successor to the Company (including any surviving entity), to agree to honour, perform or cause to be performed all existing employment, retention and change of control agreements of the Company as are previously disclosed to the Offeror and all arrangements for the benefit of the officers or employees of the Company party thereto, provided for therein or contemplated thereby and will make available to the Company or any successor to the Company (including any surviving entity) any financing required in order to make payment of amounts payable under any employment and retention agreements and incentive plans or arrangements as are previously disclosed.

an amendment or supplement to the Bid Circular, the Directors Circular, such application, registration, consent, circular, approval or filing, and the Offeror and the Company shall co-operate in the preparation of any amendment or supplement to the Bid Circular, the Directors Circular, application, registration, consent, circular, approval or filing, as required.

7.3 Access to Information

Subject to the Confidentiality Agreement, the Company shall afford the Offeror's officers, employees, counsel, accountants and other authorized representatives and advisers reasonable access, during normal business hours and at such other time or times as the Offeror may reasonably request from the date hereof and until the expiration of this Agreement, to its properties, books, contracts and records as well as to its management personnel, and, during such period, the Company shall furnish promptly to the Offeror in writing all information concerning its business, properties and personnel as the Offeror or its representatives may reasonably request. The Company agrees to provide its reasonable cooperation to the Parent in connection with the preparation of, and provide reasonable access to its books and records in connection with, (i) any disclosure document relating to any financing undertaken or proposed to be undertaken by the Parent, or (ii) any filing made by the Parent with any applicable Securities Authorities. The Company further agrees to assist the Offeror in all reasonable ways in any investigations which it may wish to conduct. Any investigation by the Offeror and its representatives after the date of this Agreement shall not mitigate, diminish or affect the representations and warranties of the Company contained in this Agreement or any document or certificate given pursuant hereto.

ARTICLE 8

TERMINATION, AMENDMENT AND WAIVER

8.1 Termination

This Agreement may be terminated by written notice given to the other party, at any time prior to completion of the transactions contemplated hereby:

- (a) by mutual written consent of the Company and the Parent;
- (b) by the Company, if the Take-up Date has not occurred within 80 days of the Latest Mailing Time (the **Offer Deadline**); provided, however, that if the Offeror's take-up and payment for Shares deposited under the Offer is delayed by an injunction or order made by a court or regulatory authority of competent jurisdiction, or the Offeror not having obtained any regulatory waiver, consent or approval which is necessary to permit the Offeror to take up and pay for Shares deposited under the Offer, then, provided that such injunction or order is being contested or appealed or such regulatory waiver, consent or approval is being actively sought, as applicable, this Agreement shall not be terminated by the Company pursuant to this Section 8.1 until the earlier of (A) 110 days after the Offer is commenced and (B) the tenth Business Day following the date on which such injunction or order ceases to be in effect or such waiver, consent or approval is obtained, as applicable;
- (c) by the Offeror, if any condition of the Offer set forth in Schedule A is not satisfied or waived by the Expiry Date;
- (d) by the Offeror if: (i) the Board of Directors of the Company or any committee thereof withdraws, modifies or changes its recommendation in favour of the Offer; or (ii) the Board of Directors or any committee thereof approves or recommends acceptance of an Alternative Transaction;

- (e) by the Offeror, if the Board of Directors or any committee thereof fails to publicly affirm its approval or recommendation of the Offer within two Business Days of any written request to do so from the Offeror;
- (f) by the Company, if the Company, having complied with the requirements of Section 2.5 and provided that the Company has not breached any of its covenants, agreements or obligations in this Agreement, proposes to enter into a definitive agreement with respect to a Superior Proposal, provided that the Company has previously or concurrently will have paid the Parent the Non-Completion Fee;
- (g) by either the Offeror or the Company, if the Offeror has been notified in writing by the Company of an Alternative Transaction in accordance with Section 2.5 and: (i) the Offeror does not amend the Offer within the time contemplated for providing the notice under Section 2.5(c); or (ii) the Board of Directors determines, acting in good faith and in the proper discharge of its fiduciary duties, that after the lapse of such period the Alternative Transaction continues to be a Superior Proposal in comparison to the amended Offer of the Offeror;
- (h) by the Offeror, if there has been a breach or non-performance by the Company of a material obligation or covenant contained in this Agreement or if any representation or warranty of the Company contained in this Agreement is or has become untrue or incorrect after the date hereof such that the condition contained in paragraph (e) or (f) of Schedule A would not be satisfied and such breach, non-performance or untruth or incorrectness is not curable or, if curable, is not cured by the earlier of such date which is 30 days from the date of notice of such breach from the Offeror, and the Expiry Time (or any extension of the Expiry Time made within such 30 day period);
- (i) by the Company, if there has been a breach or non-performance by the Offeror of a material obligation or covenant contained in this Agreement or if any representation or warranty of the Offeror contained in this Agreement is or has become untrue or incorrect in any material respect after the date hereof and such breach, non-performance or untruth or incorrectness is not curable or, if curable, is not cured by the earlier of such date which is 30 days from the date of notice of such breach from the Company, and the Expiry Time (or any extension of the Expiry Time made within such 30 day period);
- (j) by the Offeror, any time on or prior to the Latest Mailing Time, if any condition to making the Offer is not satisfied or waived by such date other than as a result of the Offeror's default hereunder; or
- (k) by the Company, if the Offeror does not mail the Offer within the time prescribed by Section 2.1 or if the Offer does not comply with the provisions hereof in any material respect.

8.2 Effect of Termination

In the event of the termination of this Agreement as provided in Section 8.1, this Agreement shall forthwith have no further force or effect, and there shall be no obligation on the part of the Offeror or the Company hereunder except as set forth in Article 1, Section 6.2, Section 9.7 and this Section 8.2, which provisions shall survive the termination of this Agreement. In the case of termination, nothing herein shall relieve any party from liability for any breach of any covenant, agreement, representation or warranty under this Agreement. For greater certainty, the compensation or damages to be paid to the Parent pursuant to Section 6.2 is the Parent's sole remedy in compensation or damages for a breach of the Agreement relating to the matters described in Sections 2.5, 6.2 and 6.3; provided, however, that nothing contained in this Section 8.2, and no payment of an amount under Section 6.2, shall relieve or have the effect of relieving any party in any way from liability for damages incurred or suffered by a party as a result of an intentional or wilful breach of this Agreement. Nothing herein shall preclude a party from seeking injunctive relief to restrain any breach or threatened breach of the covenants or agreements set forth in this Agreement or otherwise to obtain specific performance of any such covenants or agreements, without the necessity of posting bond or security in connection therewith.

8.3 Amendment

This Agreement may be amended by mutual agreement in writing between the parties.

8.4 Waiver

Each of the Offeror, on the one hand, and the Company, on the other hand, may:

- (a) extend the time for the performance of any of the obligations or other acts of the other;

- (c) waive inaccuracies in any of the other's representations or warranties contained herein or in any document delivered by the other party;

provided, however, that any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

ARTICLE 9 GENERAL PROVISIONS

Except as expressly permitted by the terms hereof, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties without the prior express written consent of the other parties. NEWS RELEASE

**ANORMED AGREES TO SUPPORT A PLANNED TENDER OFFER OF US\$12 PER SHARE FROM
MILLENNIUM PHARMACEUTICALS**

For Immediate Release:

September 26, 2006

Vancouver, British Columbia AnorMED Inc. (NASDAQ:ANOR; TSX: AOM) today announced its Board of Directors has entered into a support agreement with respect to a planned tender offer by a wholly-owned subsidiary of Millennium Pharmaceuticals, Inc. (NASDAQ:MLNM) under which Millennium would acquire all of the outstanding common shares of AnorMED, including all common shares issuable on the exercise of outstanding stock options, for US\$12.00 per share in cash.

AnorMED said its Board of Directors, with the assistance of its legal and financial advisors: i) determined that the planned Millennium offer is fair to all shareholders, ii) approved the support agreement with Millennium and iii) agreed to recommend that shareholders accept the Millennium offer on the terms contemplated by the support agreement when the offer is formally commenced.

The planned tender offer by Millennium represents a 21% premium to the closing price of AnorMED's common shares on September 25, 2006, and a 40% premium to the unsolicited tender offer commenced by Genzyme Corp. (NASDAQ:GENZ) on September 1, 2006.

The support agreement also provides the AnorMED Board with the ability to withdraw, modify or change its support regarding a Millennium tender offer if the Board receives a superior competing proposal prior to the expiry of a Millennium tender offer. Millennium has the right to match any such superior proposal made by another bidder. If AnorMED's Board accepts a superior proposal after Millennium decides not to match such proposal, Millennium will be entitled to a payment of US\$19.5 million from AnorMED.

Goldman, Sachs & Co. acted as exclusive financial advisor to AnorMED.

Kenneth Galbraith, Chairman of the Board and Interim Chief Executive Officer of AnorMED, said, "In the three weeks since the launch of the unsolicited tender offer by Genzyme, we have conducted an open, timely, competitive process to consider strategic alternatives that would provide greater value for shareholders than the unsolicited tender offer by Genzyme at US\$8.55 per common share.

"We believe that the planned tender offer by Millennium will provide our shareholders with an immediate and certain value for their investment in AnorMED," added Galbraith.

Both AnorMED's largest shareholder and its Chairman, who collectively hold approximately 21.5% of the outstanding common shares of AnorMED, on a fully diluted basis, have entered into agreements with Millennium to tender their shares to Millennium's bid when it is

commenced, subject to their ability to withdraw such support in the event of a superior competing proposal prior to the expiry of a Millennium tender offer.

Completion of the tender offer is subject to certain customary conditions, including shareholders tendering at least 66 2/3 percent of the outstanding common shares, on a fully-diluted basis and the receipt of certain regulatory approvals. When the formal offer is commenced by Millennium, AnorMED will file with the U.S. Securities and Exchange Commission (the SEC) and applicable securities commissions in Canada, a Directors Circular and Tender Offer Solicitation/Recommendation Statement on Schedule 14D-9 that will contain important information for shareholders to read, including the Board's recommendation regarding the offer. The Directors Circular will be available free of charge on the SEC's website at www.sec.gov, at www.sedar.com or from AnorMED's Secretary at Suite 200 -20353 64th Avenue, Langley, British Columbia, Canada V2Y 1N5; telephone (604) 530-1057. Other reports filed by or furnished to the SEC and applicable securities commission in Canada by AnorMED may be obtained free of charge at www.sec.gov, www.sedar.com or from AnorMED's Secretary.

Update on the Genzyme Offer

The Board of Directors of AnorMED maintains its unanimous recommendation for shareholders to reject the Genzyme Offer of US\$ 8.55 per common share in cash and not to tender their common shares to Genzyme. If shareholders have already tendered their common shares to the Genzyme Offer, the Board of Directors recommends that shareholders withdraw them immediately. For assistance in withdrawing their common shares, shareholders are urged to contact their broker or Kingsdale Shareholder Services Inc. at toll free 1-866-639-3460.

On September 5, 2006, AnorMED filed with the United States and Canadian securities regulatory authorities a Directors Circular and Tender Offer Solicitation/Recommendation Statement on Schedule 14D-9 in which AnorMED's Board of Directors recommended that shareholders reject the September 1, 2006 unsolicited offer from Dematal Corp., a wholly-owned subsidiary of Genzyme Corporation. The Directors Circular describes the reasons for the Board's recommendation that shareholders reject the Genzyme Offer. Investors and shareholders are strongly advised to read the Directors Circular and Tender Offer Solicitation/Recommendation Statement on Schedule 14D-9, as well as any amendments and supplements to those documents, because they contain important information. Investors and shareholders may obtain a copy of the Directors Circular at www.sedar.com and the Tender Offer Solicitation/Recommendation Statement on Schedule 14D-9 from the SEC website at www.sec.gov. Free copies of these documents can also be obtained by directing a request to AnorMED's Secretary at Suite 200 -20353 64th Avenue, Langley, British Columbia, Canada V2Y 1N5; telephone (604) 530-1057. **ARTICLE 10 MILLENNIUM AGREES TO ACQUIRE ANORMED, ADDING PHASE III ONCOLOGY
PRODUCT WITH PLANNED NEAR TERM LAUNCH DATE**

*Phase III MOZOBIL complements Millennium's market-leading VELCADE and enhances patient eligibility for
potentially life-saving stem cell transplants*

Cambridge, Mass., September 26, 2006 Millennium Pharmaceuticals, Inc. (Nasdaq: MLNM) today announced it has entered into an agreement to acquire AnorMED, Inc. (Nasdaq: ANOR; TSX: AOM), a Canadian-based biopharmaceutical company with a late-stage Phase III hematology-oncology product, MOZOBIL. Under the terms of the agreement approved by the boards of directors of both companies and the largest shareholder of AnorMED, Millennium will commence within ten days a cash tender offer to acquire the shares of AnorMED stock at a price of U.S. \$12.00 per outstanding share, for a total purchase price of approximately \$515 million. This represents approximately a 21 percent premium over the closing price of AnorMED's shares on September 25, 2006. MOZOBIL, currently in late-stage Phase III clinical development, is anticipated to be launched in the U.S. in 2008 subject to successful completion of clinical trials and regulatory approval. MOZOBIL, a small molecule CXCR4 chemokine antagonist, works by releasing stem cells from the bone marrow into circulation, improving the ability to collect the stem cells for transplant. Stem-cell transplants offer a potential cure for patients with certain hematological malignancies. Currently, a majority of the 50,000 to 60,000 transplant-eligible patients worldwide are unable to optimize the benefit of transplant due to sub-optimal stem-cell collection. Assuming the acquisition is completed and MOZOBIL is approved, the product would be sold by Millennium's oncology sales force, which currently details VELCADE® (bortezomib) for Injection, the market leader in relapsed multiple myeloma.

D-7

MOZOBIL is an excellent strategic fit with Millennium's focus in hematology-oncology, where our product VELCADE leads the market in treating patients with relapsed multiple myeloma, said Deborah Dunsire, M.D., President and Chief Executive Officer, Millennium. This proposed acquisition is aligned with our goal to bring in products that accelerate revenue growth, leverage our oncology sales infrastructure and benefit from our development, regulatory and commercial expertise. We are extremely excited to carry forward the innovative work of the AnorMED team and to improve outcomes for transplant-eligible patients by bringing MOZOBIL to market.

Strong Clinical Progress for MOZOBIL

In the September 2005 issue of *Blood*, Neal Flomenberg, M.D., et al., reported that in a Phase II clinical trial, 60 percent of patients who received MOZOBIL in combination with the current standard of care for stem-cell mobilization, granulocyte-colony stimulating factor (G-CSF), collected the optimal target number of cells for transplant in two apheresis days, compared to only 16 percent of patients who received G-CSF alone. The cell yield in patients on MOZOBIL in combination with G-CSF was on average 290 percent higher compared to the cell yield in patients on G-CSF alone.

The two ongoing randomized, double-blinded Phase III trials, designed under the special protocol assessment process with the Food and Drug Administration (FDA), are exploring MOZOBIL with G-CSF compared to placebo with G-CSF in multiple myeloma and non-Hodgkin's lymphoma (NHL) patients. Patient enrollment was completed in the Phase III multiple myeloma trial in July 2006 and, as of September 15, 2006, 92 percent of patients in the Phase III NHL trial had been enrolled with total enrollment expected to be completed by the end of 2006. Data from these registration-enabling trials are expected in 2007.

Based on preclinical data, MOZOBIL may also render patients with certain hematological diseases more responsive to chemotherapy, including patients with acute myelogenous leukemia (AML) and chronic lymphocytic leukemia (CLL).

Post-Acquisition Integration

If this transaction is completed, Millennium believes AnorMED would strengthen Millennium's foundation in building a leading biopharmaceutical company in oncology and inflammation. The assets of the combined companies would consist of:

VELCADE A first-in-class, market-leading product which provides an unmatched survival advantage to relapsed multiple myeloma patients. Millennium was recently granted priority review with a PDUFA date of December 9, 2006 by the FDA for its supplementary new drug application covering VELCADE for relapsed mantle cell lymphoma. Phase III trials are ongoing in newly diagnosed multiple myeloma patients and relapsed follicular and marginal zone lymphoma patients. Over 300 trials are ongoing or planned to explore the potential of VELCADE in other cancers.

MOZOBIL A first-in-class, late-stage Phase III molecule for stem-cell transplant in multiple myeloma and NHL with a planned U.S. launch in 2008. MOZOBIL has additional potential in chemosensitization for hematological diseases including AML and CLL.

Novel development pipeline A pipeline of nine oncology and inflammation molecules in clinical development and late-stage preclinical development, in addition to VELCADE and MOZOBIL.

Innovative discovery organization An oncology-focused discovery organization with expertise in protein homeostasis, signal transduction and cell-surface targets. In the past three years, six Millennium discovered molecules have progressed to the development pipeline.

Collaborations Millennium is engaged in several strategic alliances which provide significant revenues to Millennium through royalties on product sales, milestone payments and reimbursements. Alliances include an ex-U.S. commercialization and global development agreement with Johnson & Johnson Pharmaceutical Research & Development, L.L.C. (J&JPRD) for VELCADE, a development and commercialization agreement with sanofi-aventis for anti-inflammatory small molecules and a royalty-based agreement with Schering-Plough Corporation for the marketed-product INTEGRILIN® (eptifibatide) Injection.

Post-acquisition integration plans are underway and will be announced at the closing of the transaction. The focus of the integration is to accelerate filing and launch of MOZOBIL. The transaction is expected to be modestly accretive to Millennium in 2008 and significantly accretive in 2009 and beyond assuming successful commercial launch of MOZOBIL in 2008.

Transaction Summary

Millennium's acquisition of AnorMED would take the form of an all cash tender offer to acquire all of AnorMED's outstanding shares at the price of U.S. \$12.00 per share for a total amount of approximately U.S. \$515 million. Millennium's tender offer will commence within 10 days and is expected to be open for at least 35 days. The boards of directors of both companies have approved the transaction. Several investment partnerships managed by Baker Brothers Advisors, L.L.C. and its affiliates have also entered into an agreement to tender their shares under the bid. Previously, AnorMED rejected an unsolicited offer by Genzyme Corporation, announced September 1, 2006, at U.S. \$8.55 per share. In the event that the transaction between Millennium and AnorMED does not close successfully, Millennium would under certain circumstances be entitled to a termination fee of \$19.5 million. J.P. Morgan Securities Inc. acted as Millennium's financial advisor and provided a fairness opinion to Millennium's board of directors. Morgan Stanley also provided advisory services to Millennium on this transaction.
