Update Regarding Litigation Related to the Proposed Merger

On March 22, 2017, a purported shareholder class action lawsuit, captioned Brian Zimmer v. Metaldyne Performance Group Inc., et al., Case No. 2:17-cv-10911-MAG-DRG, was filed in the United States District Court for the Eastern District of Michigan (the “District Court”), against Metaldyne Performance Group Inc. (“MPG”) and the members of MPG’s Board of Directors. The complaint asserts claims under Sections 14(a) and 20(a) of the Securities Exchange Act of 1934, and alleges, among other things, that the joint proxy statement/prospectus that forms a part of the Registration Statement on Form S-4 (Registration No. 333-215161) filed by American Axle & Manufacturing Holdings, Inc. (“AAM”) with the U.S. Securities and Exchange Commission (the “SEC”) on March 6, 2017 (the “Registration Statement”) in connection with the solicitation of proxies for the special meeting of AAM’s stockholders scheduled to be held on April 5, 2017 (the “Special Meeting”) contains materially incomplete and misleading statements and/or omits material information. The complaint seeks, among other things, injunctive relief and an award of attorneys’ fees and expenses. On March 23, 2017, the plaintiff in the Zimmer action filed a motion for preliminary injunction and a request for an expedited hearing before the Special Meeting. On March 24, 2017, the District Court scheduled a hearing on such matter for April 3, 2017. On March 28, 2017, AAM filed this Current Report on Form 8-K with the SEC making supplemental disclosures to the Registration Statement. Also on March 28, 2017, the plaintiff in the Zimmer action filed a notice with the District Court voluntarily withdrawing his motion for preliminary injunction as moot.

Supplemental Registration Statement Disclosure

On March 6, 2017, AAM filed the Registration Statement. At the Special Meeting, AAM’s stockholders will vote, among other things, on a proposal to approve the issuance of shares of AAM common stock as part of the consideration to be paid to stockholders of MPG pursuant to the Agreement and Plan of Merger, dated as of November 3, 2016 (as it may be amended from time to time, the “Merger Agreement”), by and among AAM, Alpha SPV I, Inc. (“Merger Sub”) and MPG, pursuant to which Merger Sub will merge with and into MPG (the “Merger”), with MPG surviving the Merger as a wholly-owned subsidiary of AAM. AAM is electing to make the supplemental disclosures to the Registration Statement set forth below.

SUPPLEMENT TO REGISTRATION STATEMENT

This supplemental information should be read in conjunction with the Registration Statement, which should be read in its entirety. Page references in the below disclosures are to pages in the Registration Statement, and defined terms used but not defined herein have the meanings set forth in the Registration Statement. As of the date hereof, it is not expected that any of MPG’s executive officers will be employed by MPG or AAM following the effective time of the merger.

Forward Looking Statements

This report may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including, without limitation, statements with respect to the proposed acquisition of MPG and the anticipated consequences and benefits of such proposed acquisition and other information relating to matters that are not historical facts. These forward-looking statements involve certain risks and uncertainties that could cause actual results to differ materially from those expressed or implied by these statements. These risks and uncertainties include the receipt and timing of necessary regulatory approvals, the ability to finance the acquisition, the ability to successfully operate and integrate MPG operations and realize estimated synergies, and the other factors detailed in the Registration Statement and from time to time in the reports we file with the SEC, including those described under “Risk Factors” in our Annual Report on Form 10-K and our Quarterly Reports on Form 10-Q. These forward-looking statements speak only as of the date of this communication. We expressly disclaim any obligation or undertaking to disseminate any updates or revisions to any forward-looking statement contained herein to reflect any change in our expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.

Important Information and Where to Find It

This Current Report is provided for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell shares of AAM or MPG. In connection with the proposed acquisition of MPG, AAM filed with the SEC the Registration Statement, which contained the form of joint proxy statement of AAM and MPG and also constituted a preliminary prospectus of AAM. The definitive joint proxy statement/prospectus has been mailed to stockholders of AAM and MPG. Stockholders of each company and other investors are urged to read the Registration Statement, definitive joint proxy statement/prospectus and any other relevant documents filed with the SEC (including any amendments or supplements thereto) regarding the proposed acquisition as these documents contain (or will contain) important information. Those documents, as well as AAM’s other public filings with the SEC, may be obtained without charge at the SEC’s website at <http://www.sec.gov> and at AAM’s website at <http://www.aam.com>. Investors may also obtain a free copy of the Registration Statement and joint proxy statement/prospectus and the filings with the SEC that are incorporated by reference in the Registration Statement and joint proxy statement/prospectus from AAM by directing a request to American Axle & Manufacturing, Inc., One Dauch Drive, Detroit, Michigan 48211, USA, Attention: Investor Relations, Telephone: +1 313-758-2404.

Participants in the Solicitation

AAM and its directors, executive officers and other members of its management and employees may be deemed to be participants in a solicitation of proxies from its stockholders in connection with the proposed transaction. Information regarding AAM's directors and executive officers is available in AAM's proxy statement for its 2017 annual meeting of stockholders, which was filed with the SEC on March 23, 2017. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the Registration Statement and the joint proxy statement/prospectus (or will be contained in any amendments or supplements thereto) and other relevant materials to be filed with the SEC when they become available. These documents can be obtained free of charge from the sources indicated above.
