PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS to be Held May 16, 2005

This Proxy Statement is furnished to shareholders of Community Bankshares, Inc., a South Carolina corporation (herein, unless the context otherwise requires, together with its subsidiaries, the "Company"), in connection with the solicitation of proxies by the Company's Board of Directors for use at the Annual Meeting of Shareholders to be held at Orangeburg National Bank, 791 Broughton Street, Orangeburg, South Carolina at 3:00 p.m. on Monday, May 16, 2005, or any adjournment thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of proxies may be made in person or by mail, telephone or other electronic means by directors, officers and regular employees of the Company. The Company may also ask banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock of the Company held of record by such persons, and the Company will reimburse the reasonable forwarding expenses. The cost of solicitation of proxies will be paid by the Company. This Proxy Statement was first mailed to shareholders on or about April 15, 2005.

The Company's principal executive offices are located at 791 Broughton Street, Orangeburg, South Carolina 29115. The Company's telephone number is (803) 535-1060 or (888) 329-1060.

ANNUAL REPORT

The Annual Report on Form 10-K covering the Company's fiscal year ended December 31, 2004, including financial statements, constitutes the Company's Annual Report to Shareholders and is included (without exhibits) with this Proxy Statement. Such Annual Report does not form any part of the material for solicitation of proxies.

REVOCATION OF PROXY

Any record shareholder who returns the accompanying proxy may revoke such proxy at any time prior to its exercise (a) by giving written notice to the Company of such revocation, (b) by voting in person at the meeting, or (c) by executing and delivering to the Company a later dated proxy. Attendance at the Annual Meeting will not in itself constitute revocation of a proxy. Any written notice or proxy revoking a proxy should be sent to Community Bankshares, Inc., PO Box 2086, Orangeburg, South Carolina 29116-2086, Attention: William W. Traynham, President. Written notice of revocation or delivery of a later dated proxy will be effective upon receipt thereof by the Company.

QUORUM AND VOTING

The Company's only voting security is its no par value Common Stock ("Common Stock"), each share of which entitles the holder thereof to one vote on each matter to come before the Annual Meeting. At the close of business on March

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

25, 2005, (the "Record Date"), the Company had issued and outstanding 4,403,016 shares of Common Stock, which were held of record by approximately 2,183 persons. Only shareholders of record at the close of business on the Record Date are entitled to notice of and to vote on matters that come before the Annual Meeting. Shares of the Common Stock may be transferred subsequent to the Record Date. However, all votes must be cast in the names of holders of record on the Record Date.

The presence in person or by proxy of the holders of one-third of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. If a share is represented for any purpose at the Annual Meeting by the presence of the registered owner or a person holding a valid proxy for the registered owner, it is deemed to be present for the purposes of establishing a quorum. Therefore, valid proxies which are marked "Abstain" or "Withhold" or as to which no vote is marked, including proxies submitted by brokers that are the record owners of shares (so-called "broker non-votes"), will be included in determining the number of votes present or represented at the Annual Meeting. If a quorum is not present or represented at the meeting, the shareholders entitled to vote, present in person or represented by proxy, have the power to adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present or represented. Directors, officers and regular employees of the Company may solicit proxies for the reconvened meeting in person or by mail, telephone or other electronic means. At any such reconvened meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally noticed.

If a quorum is present at the meeting, directors will be elected by a plurality of the votes cast by shares present and entitled to vote at the meeting. "Plurality" means that if there are more nominees than positions to be filled, the individuals who receive the largest number of votes cast for the positions to be filled will be elected as directors. Votes that are withheld or shares that are not voted in the election of directors will have no effect on the outcome of election of directors. Cumulative voting will not be permitted.

If a quorum is present, all other matters which may be considered and acted upon by the holders of Common Stock at the Annual Meeting will be approved if the votes cast in favor of the proposal at the Annual Meeting exceed the votes cast against the proposal.

ACTIONS TO BE TAKEN BY THE PROXIES

If the shareholder appropriately specifies how the proxy is to be voted, it will be voted in accordance with the shareholder's specifications. If the shareholder does not specify how the proxy is to be voted, the proxy will be voted "FOR" the election of the persons named in this Proxy Statement as the Board of Directors' nominees for election to the Board of Directors. As to any other matter of business which may be brought before the Annual Meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the best judgment of the persons voting the same, but the Board of Directors does not know of any such other business.

SHAREHOLDER PROPOSALS

Any shareholder of the Company who wishes to present a proposal for action at the 2006 Annual Meeting of Shareholders must deliver the proposal to the executive offices of the Company, P.O. Box 2086, Orangeburg, South Carolina 29116, Attention: William W. Traynham, President. Any shareholder who wishes for the Company to include any such proposal in its proxy statement and form of proxy for the 2006 Annual Meeting of Shareholders must deliver the proposal to

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

the executive offices of the Company to Mr. Traynham's attention no later than December 16, 2005. If any shareholder proposal is not received by Mr. Traynham by March 1, 2006, proxies solicited by the Board of Directors of the Company will be voted on the proposal in the discretion of the designated proxy agents. Only proper proposals that are timely received will be included in the Company's proxy statement and proxy.

The following table sets forth, as of March 15, 2005, the number and percentage of outstanding shares beneficially owned by (i) each director, director nominee and ex officio director of the Company, (ii) each person named in the Summary Compensation Table, and (iii) all executive officers and directors of the Company as a group. ELECTION OF DIRECTORS

The Bylaws of the Company provide for a Board of Directors consisting of not less than nine nor more than twenty-four directors divided into three classes each serving three-year staggered terms. The number of directors is currently fixed by the Board at thirteen. Four directors have been nominated for re-election by the shareholders at the 2005 Annual Meeting to serve for three-year terms, one new nominee has been nominated for election by the shareholders to serve a three-year term, and one director has been nominated to serve for a two year term. All directors serve until their successors are elected and qualified to serve. All of the nominees, except Charles Fienning, are presently directors of the Company and have served continuously since first becoming directors. Mr. Fienning is Chairman of the Board of Sumter National Bank, and was recommended to the Nominating Committee as a nominee by a non-management director.

Should any of the nominees become unable or unwilling to serve upon election, the proxy agents intend to vote for the election, in his or her stead, of such other person or persons as the Board of Directors of the Company may recommend. The Board of Directors has no reason to believe that any of the proposed directors will be unable or unwilling to serve if elected.

Mr. Erwin is an ex officio, non-voting member of each bank subsidiary board and is a board member of Community Resource Mortgage. Executive Officers

Information about Mr. Erwin, the Chief Executive Officer of the Company is set forth above under "--Directors." Mr. Erwin and Mr. Traynham are the only executive officers of the Company. Mr. Traynham (49) has served as President and Chief Financial Officer of the Company since 1992.

Attendance at Meetings of the Board of Directors and Shareholder Meetings

The Board of Directors of the Company held 10 meetings during 2004. Each director, except Wm. Reynolds Williams, attended at least 75% of the total number of meetings of the Board of Directors and committees on which he or she served during the period in 2004 for which he or she served as director.

The Company encourages, but does not require, its directors to attend annual meetings of shareholders. Last year, 14 of the Company's 18 directors attended the annual meeting of shareholders.

Board Member Independence

The American Stock Exchange's Listing Standards require that a majority of the members of the Board of Directors be independent as defined by Section 121A of the Exchange's Listing Standards. The Company has determined that the following directors are independent under the listing standards: Alvis J. Bynum,

6

Martha Rose C. Carson, Anna O. Dantzler, Thomas B. Edmunds, J. M. Guthrie, Richard L. Havekost, Phil P. Leventis, J. V. Nicholson, Jr., Samuel F. Reid, Jr., J. Otto Warren, and Wm. Reynolds Williams.

As part of a restructuring of its corporate governance, the Board of Directors decided in 2004 to reduce the number of members of the Board who are employed by the Company or any of its subsidiaries. Accordingly, effective January 31, 2005, William W. Traynham, William A. Harwell, Robert B. Smith, Michael A. Wolfe, A. Wade Douroux, and Keith W. Buckhouse resigned as members of the Board of Directors of the Company. Mr. Traynham continues to serve as president of the Company, and each of Messrs. Harwell, Smith, Wolfe, Douroux and Buckhouse continues to serve as president of one of the Company's subsidiaries. The Board has also appointed each of these persons to serve as a non-voting ex officio director of the Company. The Board believes that these changes in its governance structure provide the Company with the benefit of having a Board comprised almost entirely of non-employee directors (Samuel L. Erwin, the Chief Executive Officer, is the only remaining employee director), while at the same time retaining access to the collective experience, knowledge and advice of the Company's president and the presidents of its subsidiaries.

Committees of the Board of Directors

Audit Committee

The Company has an Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee is comprised of Alvis J. Bynum, Thomas B. Edmunds (chairman), Anna O. Dantzler, Richard L. Havekost, and J. V. Nicholson, Jr., all of whom are non-employee directors. Each member of the Audit Committee is independent as defined in Section 121A of the American Stock Exchange's listing standards, as modified or supplemented, and also meets the independence standards of the Securities and Exchange Commission's Rule 10A-3(b). The Audit Committee is responsible for

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

appointment of the independent auditors and oversees the internal and external audit function. The Audit Committee met eight times in 2004. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which was attached to the 2004 Proxy Statement.

Compensation Committee

The Company has a Compensation Committee comprised of Wm. Reynolds Williams, J. M. Guthrie, Samuel F. Reid, J. V. Nicholson and Alvis J. Bynum (chairman). Each member of the Compensation Committee is independent as defined in Section 121A of the American Stock Exchange's listing standards, as modified or supplemented. The Compensation Committee makes recommendations to the Board of Directors concerning the compensation for the senior officers of the Company. The Compensation Committee met five times during 2004.

Governance and Nominating Committee

The Board of Directors formed a separate Governance and Nominating committee in December 2004, which did not meet during 2004. The committee operates pursuant to a charter approved by the Board of Directors, a copy of which is available on the Company's website at www.communitybanksharesinc.com. The Committee is comprised of Alvis J. Bynum, Martha Rose Carson, Thomas B. Edmunds, Richard L. Havekost, and Samuel F. Reid (chairman). Each member of the Governance and Nominating Committee is independent as defined in Section 121A of the American Stock Exchange's listing standards, as modified or supplemented.

In recommending director candidates, the Committee takes into consideration such factors as it deems appropriate based on the Company's current needs. These factors generally include diversity, age, skills such as understanding of banking and general finance, decision-making ability, inter-personal skills, experience with businesses and other organizations of comparable size, community activities and relationships, commitment to a significant financial investment in the Company, and the interrelationship between the candidate's experience and business background and other Board members' experience and business background, as well as the candidate's ability to devote the required time and effort to serve on the Board.

The Committee will consider for nomination by the Board director candidates recommended by shareholders if the shareholders comply with the

7

following requirements. If a shareholder wishes to recommend a candidate to the Committee for consideration as a Board of Directors' nominee, such shareholder must submit in writing to the Committee the recommended candidate's name, a brief resume setting forth the recommended candidate's business and educational background and qualifications for service, and a notarized consent signed by the recommended candidate stating the recommended candidate's willingness to be nominated and to serve. This information must be delivered to the Chairman of the Committee at the Company's address and must be received no later than January 15 in any year for a potential candidate to be considered as a potential Board of Directors' nominee. The Committee may request further information if it determines a potential candidate may be an appropriate nominee. Director candidates recommended by shareholders that comply with these requirements will receive the same consideration that the Committee's candidates receive.

Director candidates recommended by shareholders will not be considered for recommendation by the Committee as potential Board of Directors' nominees if the shareholder recommendations are received later than January 15 in any year. However, shareholders may nominate director candidates for election at the

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

annual meeting, but no person who is not already a director may be elected at an annual meeting of shareholders unless that person is nominated in writing at least 30 days prior to the meeting. Such nominations, other than those made by or on behalf of the existing management of the Company, must be made in writing and must be delivered or mailed to the President of the Company, not less than 30 days prior to any meeting of Shareholders called for the election of Directors. Nominations not made in accordance with this requirement may be disregarded by the presiding officer of the meeting, and upon his instructions, the vote tellers shall disregard all votes cast for each such nominee.

Shareholder Communications with the Board of Directors

Any shareholder who wishes to send communications to the Board of Directors should mail them addressed to the intended recipient by name or position in care of: Corporate Secretary, Community Bankshares, Inc., PO Box 2086, Orangeburg, South Carolina 29116. Upon receipt of any such communications, the Corporate Secretary will determine the identity of the intended recipient and whether the communication is an appropriate shareholder communication. The Corporate Secretary will send all appropriate shareholder communications to the intended recipient. An "appropriate shareholder communication" is a communication from a person claiming to be a shareholder in the communication the subject of which relates solely to the sender's interest as a shareholder and not to any other personal or business interest.

In the case of communications addressed to the Board of Directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Board. In the case of communications addressed to the independent or outside directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Audit Committee. In the case of communications addressed to committees of the Board, the Corporate Secretary will send appropriate shareholder communications to the Chairman of such committee.

Board Report on Executive Officer Compensation

The Compensation Committee is required to report to the shareholders the basis for the Compensation Committee's action in establishing compensation for Community Bankshares' and its subsidiaries' executive officers.

The Community Bankshares compensation program is designed to retain and reward executive officers that are capable of leading Community Bankshares in achieving its business objectives in an industry characterized by complexity, competitiveness and change. The compensation of Community Bankshares' and its subsidiaries' executive officers is reviewed and approved annually by the Compensation Committee.

11

Annual compensation for Community Bankshares' Chief Executive Officer and other senior executive officers consists of three elements.

- o A base salary that is determined by individual contribution and performance, and which is designed to provide a base level of compensation comparable to that provided key executives of other financial institutions of similar size and performance.

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

- o A short-term cash incentive program that is directly linked to individual performance and to Community Bankshares' performance. One-half of the officer's incentive is determined by the applicable subsidiary and one-half by Community Bankshares. Incentive payments for the President and the Chief Executive Officer of Community Bankshares are determined by the Board of Directors of Community Bankshares.
- o A long-term incentive program that provides from time to time stock options to executive officers. Stock option grants provide an incentive that focuses the executive's attention on managing Community Bankshares from the perspective of a stockholder with an equity stake in the business. The economic value of any stock option granted is directly tied to the future performance of Community Bankshares' stock and will provide value to the recipient only when the price of Community Bankshares' stock increases over the option grant price.

For Community Bankshares' key executives, base salary is targeted to approximate average salaries for individuals in similar positions with similar levels of responsibilities who are employed by other banking organizations of similar size and financial performance. During 2004, Community Bankshares set the base salary for Mr. Ayers, who was then the Chief Executive Officer, at \$86,000. During 2004 the Committee set the base salary for each of Mr. Wolfe, President of Orangeburg National Bank, Mr. Smith, President of Sumter National Bank, Mr. Harwell, President of the Bank of Ridgeway, Mr. Buckhouse, President of Florence National Bank, and Mr. Traynham, President of Community Bankshares at \$139,000.

The Compensation Committee annually reviews national, regional, statewide, and local peer group salary data (to the extent available) to assist it in setting appropriate levels of the Chief Executive Officer's and other executive officers' base salaries. A second factor considered by the Compensation Committee in setting and adjusting base salary was Community Bankshares' 2004 financial performance. For purposes of computing the size of the bonus pool, the Committee annually sets a base level of consolidated income before taxes, which was \$5.9 million for 2004. Income earned above that level is multiplied by a factor of 4.5% to determine the amount available for incentive payments to senior officers. This performance indicator is updated annually based on current economic conditions and expectations.

For Community Bankshares' key executives, the Compensation Committee considered cash incentive bonuses based on 2004 results payable in 2005 that ranged to over 36% of base salary. The plan is designed so that over time incentive payments may be as much as 40% of base pay. For purposes of determining the cash incentive bonus payable during 2005 for 2004, Community Bankshares considered actual operating results and individual performances of the involved officers. After deliberation, the committee decided that the loan losses incurred during 2004 were primarily associated with the actions of one former loan officer and they elected to alter the computation by adding back \$2 million to the formula (the effect of which would be to add \$90,000 to the bonus pool) for purposes of computing individual officer bonus amounts. They further decided to recognize individual performance on the part of Messrs. Wolfe and Traynham by authorizing payments beyond the parameters of the revised formula. The Committee completed its recommendations and the Boards of Directors approved them in January 2005.

During 2005, Mr. Smith was paid a bonus for 2004 performance of \$12,000 - \$8,542 was associated with his tenure as President of the Sumter bank, the balance was associated with his service as the bank's senior credit officer; Mr.

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

Buckhouse was paid a bonus of \$14,236; Mr. Harwell was paid a bonus of \$17,083; Mr. Wolfe was paid a bonus of \$50,000; Mr. Traynham was paid a bonus of \$50,000; and Mr. Ayers was paid a bonus of \$10,569. Mr. Buckhouse assumed his office in March 2004. Mr. Smith assumed his office in June 2004.

12

Further, during 2004 the Board of Community Bankshares approved the grant of 10,000 stock options each to Messrs. Buckhouse and Smith, in conjunction with their assumption of their banks' presidencies.

This report is provided as a summary of current Board practice with regard to annual compensation review and authorization of executive officer compensation and with respect to specific action taken for the Chief Executive Officer.

Shareholder Return Performance Graph

The Company is required to provide its shareholders with a line graph comparing the Company's cumulative total shareholder return with a performance indicator of the overall stock market and either a published industry index or a Company-determined peer comparison. Shareholder return (measured through increases in stock price and payment of dividends) is often a benchmark used in assessing corporate performance and the reasonableness of compensation paid executive officers.

The performance graph below compares the Company's cumulative total return over the most recent five year period with the Russell 2000 Index (reflecting overall stock market performance for small cap stocks) and the SNL Southeast Bank Index (reflecting changes in banking industry stocks in the southeastern U. S.), and a peer group index consisting of all the publicly traded banks and thrifts in South Carolina. Returns are shown on a total return basis, assuming the reinvestment of dividends and a beginning stock index price of \$100 per share. The total five year return was calculated for each of the banks in the peer group taking into consideration changes in stock price, cash dividends, stock dividends and stock splits since December 31, 1999. The individual results were then weighted by the market capitalization of each bank relative to the entire peer group. Values presented for the Company are based on transactions as reported through the American Stock Exchange

Buckhouse, A. Wade Douroux, William A. Harwell, Robert B. Smith, and Michael A. Wolfe. Each agreement was for an initial term of three years (except Mr. Harwell's, which was for an initial term of five years), and, at the end of the initial term, each agreement automatically renews for an additional year unless notice that it will not renew is given as provided in the agreement. Each agreement provides for a base salary; eligibility for bonuses and participation in incentive compensation plans as determined by the Board; benefits such as club dues, 401(k) plan participation and contribution matching, health and dental insurance, reimbursement of employment related expenses, vacation, and participation in other benefits generally provided to Company employees. executives upon termination under various circumstances, including upon a change of control of the Company, and terms dealing with noncompetition and confidentiality of Company information.

15

The foregoing descriptions of the Employment Agreements are merely summaries of such agreements and are qualified in their entirety by reference to the agreements, which are included in the Company's filings with the Securities and Exchange Commission.

Florence National Bank paid directors' fees of \$500 per month during 2004. The Bank of Ridgeway paid directors' fees of \$500 per month during 2004. 1997 Stock Option Plan

The 1997 Stock Option Plan, as amended, reserves a total of 785,600 shares for issuance under the Plan. Options may be granted pursuant to the plan to persons who are employees of the Company or any subsidiary (including officers and directors who are employees) at the time of grant. At December 31, 2004, the Company and its subsidiaries had 182 employees. Non-employee directors are also permitted to participate in the Plan. Such non-employee directors are only eligible to be granted non-qualified stock options.

All incentive stock options must have an exercise price not less than the fair market value of the Common Stock at the date of grant, as determined by the Board of Directors. Non-qualified options will have such exercise prices as may be determined by the Board of Directors at the time of grant, and such exercise prices may be less than fair market value. The Board of Directors may set other terms for the exercise of the options but may not grant to any one holder more than \$100,000 of incentive stock options (based on the fair market value of the optioned shares on the date of the grant of the option) which first become exercisable in any calendar year. The Board of Directors also selects the employees to receive grants under the plan and determines the number of shares covered by options granted under the plan. No options may be exercised after ten years from the date of grant, options may not be transferred except by will or the laws of descent and distribution, and options may be exercised only while the optionee is an employee of the Company, within three months after the date of termination of employment, or within twelve months of death or disability. The number of shares reserved for issuance under the Plan, the number of shares covered by outstanding options, the exercise price and the exercise date of options will be adjusted in the event of changes in the number of outstanding shares of common stock effected without receipt of consideration by the Company. The Board of Directors may amend, suspend or terminate the Plan, but may not increase (except as discussed above) the maximum number of shares reserved for issuance under the Plan, or materially modify the eligibility requirements under the Plan without shareholder approval or ratification. The plan will terminate on March 16, 2007, and no options will be granted thereunder after that date.

As of March 16, 2005, there were outstanding incentive options to purchase 320,735 shares and nonqualified options to purchase 149,850 shares. The market value of the Common Stock on March 16, 2005 was \$18.05 per share.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The banks have loan and deposit relationships with some of the directors of the Company and some of the directors of the subsidiaries of the Company and with companies with which the directors are associated as well as members of the immediate families of the directors ("Affiliated Persons"). (The term "members of the immediate families" for purposes of this paragraph includes each person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, and brothers and sisters-in-law.) The total loans outstanding to these parties at December 31, 2004, were \$6,795,000. Loans to Affiliated Persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not, at the time they were made involve more than the normal risk of collectibility or present other unfavorable features.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

As required by Section 16(a) of the Securities Exchange Act of 1934, the Company's directors, its executive officers and certain individuals are required to report periodically their ownership of the Company's Common Stock and any changes in ownership to the Securities and Exchange Commission. Based on a review of Forms 3, 4 and 5 and written representations made to the Company, it appears that all such reports for these persons were filed in a timely fashion during 2004, except Messrs. Traynham, Wolfe, Leventis and Williams were each late in filing a Form 5 with respect to one transaction. It is the Company's practice to assist directors with filing of Section 16(a) reports.
