SUMMARY

We are in the business of providing telecommunications services, principally in the People's Republic of China ("PRC").

We were originally incorporated by AVL Information Systems Ltd. ("AVL") and its principal officers and directors in Nevada on March 8, 1999 under the name AVL SYS International Inc. AVL is a Canadian public company that owns and licenses certain technology and automatic vehicle location systems. AVL and its principal officers and directors incorporated us in an effort to start anew and to take advantage of what they perceived to be the benefits of a United States publicly traded company. They believed that a U.S. publicly traded company would provide a level of credibility in the automatic vehicle location system industry, access to additional funding in the U.S. markets, and the ability for us to enter into strategic alliances for the development, manufacturing and sale of automatic vehicle location systems. We changed our name to i-Track, Inc. on March 9, 2000.

Effective September 30, 2001, we entered into a Worldwide Exclusive Distribution Agreement with AVL, covering all of the products manufactured by AVL, including the Spryte System(TM) and the Chaperone Personal Tracking Unit.

Edgar Filing: CHINA WIRELESS COMMUNICATIONS INC - Form S-8

These products are automatic vehicle location systems that integrate Global Positioning System technology, cellular-wireless communications and the Internet to enable companies to efficiently manage their mobile resources with location-relevant and time-sensitive information. These products are designed to enable customers to use the Internet to track the movement of their vehicles, employees, and goods and services.

While we were able to sell AVL's products, we realized that our level of sales would not be sufficient to sustain the costs of operating a publicly traded company. Our exclusive distribution agreement with AVL was cancelled effective as of December 31, 2002 and we began to seek another business opportunity. On March 22, 2003, we acquired all of the issued and outstanding shares of Strategic Communications Partners, Inc., a Wyoming corporation ("Strategic"), pursuant to the terms of a Share Exchange Agreement. We issued a total of 19,000,000 restricted shares of our common stock to the shareholders of Strategic, so that the Strategic shareholders as a group own approximately 88.4% of our outstanding shares of common stock. In connection with our acquisition of Strategic, we changed our name to China Wireless Communications, Inc. effective March 24, 2003.

Strategic was incorporated in the State of Wyoming on August 13, 2002. It provides financial, technical, and marketing services for an investment, Goldvision Technologies Ltd. ("Goldvision") in Beijing, People's Republic of China ("PRC"). Strategic Communications Partners Limited ("SCPL") is a subsidiary of Strategic. SCPL was incorporated in Hong Kong on December 9, 2002. SCPL's operations to date consist solely of supporting the Beijing investment.

On December 18, 2002, Strategic entered into agreements with Goldvision, a company incorporated in the PRC, which is engaged in the business of providing satellite communication, broadband internet, content, wireless access and transport in Beijing. Strategic will earn an initial 18% equity interest in Goldvision by paying \$4,800,000, with the purchase price to be paid prorata over 12 months from the effective date of the agreement, which is February 18, 2003. Strategic will have an 18% equity interest in Goldvision after these payments. Strategic shall acquire an additional 6% equity interest in Goldvision by contributing \$2,400,000 over a period of 12 months after the purchase of the initial interest. Under these agreements, Strategic will receive 49% of all future net revenues from the sale of all services.

Our executive offices are located at 7365 Village Square Drive #1611, Castle Rock, Colorado 80108, and our telephone number is (720) 733-6214.

RISK FACTORS

An investment in the common stock being offered for resale by the selling shareholders is very risky. You should carefully consider the risk factors described below, together with all other information in this prospectus before making an investment decision. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also impair our business operations. If any of the following risks actually occurs, our business, financial conditions or operating results could be materially adversely affected. In such case, the trading price of our common stock could decline, and you may lose all or part of your investment.

WE HAVE A HISTORY OF LOSSES AND WE EXPECT LOSSES TO CONTINUE FOR THE FORESEEABLE FUTURE. THERE IS DOUBT ABOUT OUR ABILITY TO CONTINUE AS A GOING CONCERN. We have incurred losses since our inception, and we expect to continue

Edgar Filing: CHINA WIRELESS COMMUNICATIONS INC - Form S-8

to incur additional losses. As of December 31, 2002, Strategic had an accumulated deficit of \$1,014,999. We cannot assure you that we will achieve or sustain profitability in the future.

WE EXPECT TO ENCOUNTER RISKS FREQUENTLY FACED BY EARLY STAGE COMPANIES. We have a limited operating history and our operations are subject to all of the risks inherent in a new business enterprise engaged in the telecommunications industry. The likelihood of our success must be considered in light of the expenses, difficulties and delays frequently encountered in connection with the start-up of new businesses, those historically encountered by us, and the competitive environment in which we operate.

WE DO NOT GENERATE SUFFICIENT REVENUE TO FINANCE OUR OPERATIONS, AND WE RELY SUBSTANTIALLY UPON OUTSIDE financing. We believe we are likely to remain unprofitable for the foreseeable future. Because of our inability to generate an operating profit in the near future, it will be necessary for us to rely upon external sources of financing. If we cannot obtain financing when needed, we will not be able to purchase our equity interest in Goldvision and may be forced to cease operations and abandon our business. You could lose your entire investment.

OUR FUTURE PROFITABILITY REMAINS UNCERTAIN. We have suffered losses from operations, require additional financing, and we need to continue the implementation of our business plan. Ultimately we need to generate revenues and successfully attain profitable operations. These factors raise substantial doubt about our ability to continue as a going concern. We cannot provide any assurance that we will be able to attain profitable operations.

OUR OFFICERS, DIRECTORS AND MANAGEMENT MAY BE SUBJECT TO CONFLICTS OF INTERESTS DURING OUR OPERATIONS. Our officers, directors and members of our management team are affiliated with other companies that are engaged in the telecommunications industry, including Peter Wei, who is a major shareholder of Goldvision. Such associations may give rise to conflicts of interest from time to time. A conflict of interest poses the risk that we may enter into a transaction on terms that would place us in a worse position than if no conflict existed. While our directors are required by law to act honestly and in good faith with a view to our best interest and to disclose any interest which they many have in any project or opportunity of which we are involved, we have no specific internal policy governing conflicts of interest.

WE HAVE ENTERED INTO EMPLOYMENT AGREEMENTS WITH OUR OFFICERS THAT CONTAIN SIGNIFICANT "GOLDEN PARACHUTE" PROVISIONS. On March 25, 2003, we entered into employment agreements with Phillip Allen, our president and chief executive officer, and Brad Woods, our chief financial officer, secretary and treasurer. The agreements are identical. Each is for an initial term of ten years and requires an annual salary of \$120,000 for the first year, with a cumulative annual increase of 10% every year commencing on the first anniversary of the agreement. If employment should terminate due to death or a disability, the salary then in effect shall continue for two years from the date of termination. If termination should occur without cause, including a termination upon a change in control, within four years of the expiration of the term of the agreement, we are obligated to pay Mr. Allen or Mr. Woods, as the case may be, an amount equal to his salary in effect during the last five years of the term of the agreement, within ten business days after the termination. For the purposes of the agreement, a change of control shall be deemed to occur upon the election of directors constituting a majority of the board who have not been nominated or approved by Mr. Allen or Mr. Woods and are not related to Mr. Allen or Mr. Woods. The

Edgar Filing: CHINA WIRELESS COMMUNICATIONS INC - Form S-8

existence of these provisions could discourage an acquisition of the company on terms possibly beneficial to the shareholders.

SINCE GOLDVISION OPERATES IN BEIJING, PRC, OUR ABILITY TO ENFORCE OUR CONTRACTUAL RIGHTS MAY BE LIMITED. Goldvision has a monopoly right to provide telecommunications services, broadband access, and VSAT (satellite) Internet services in Beijing, PRC, which has been granted by the PRC. Further, our agreements with Goldvision are governed by the laws of the PRC. Such laws do not provide the same protections found in the laws of the United States, which are based upon principles of due process. Accordingly, if the government should take the monopoly right away from Goldvision, or if we should find it necessary to enforce a provision of our agreement with Goldvision, our alternatives and remedies may be limited.

GOVERNMENT REGULATIONS DETERMINE HOW GOLDVISION OPERATES, WHICH COULD INCREASE COSTS AND LIMIT OUR GROWTH AND STRATEGY PLANS. An agency of the PRC government regulates the licensing, operation, acquisition and sale of telecommunications activities in the PRC. Future changes in regulation or legislation and any allocation of additional spectrum to others could impose significant additional costs on Goldvision either in the form of direct out of pocket costs or additional compliance obligations. If Goldvision should fail to comply with applicable regulations, it could be subject to sanctions, which could have a material adverse effect on Goldvision's business. If Goldvision should incur additional costs or sanctions, it would have a material adverse effect on our business, as we intend to become an equity owner of Goldvision.

YOU MAY SUFFER DILUTION IN YOUR OWNERSHIP OF OUR SHARES FROM THE EXERCISE OR CONVERSION OF OPTIONS ISSUED TO OTHER PERSONS. There are outstanding options to acquire shares of our common stock and we may grant additional options in the future. If any of the outstanding options are exercised or converted, your percentage ownership in will be reduced. So long as these options are exercisable, the holders will have the opportunity to profit from a rise in the price of our common stock. The existence of such options may adversely affect the terms on which we can obtain additional financing. The holders of such options can be expected to exercise them at a time when we would probably be able to obtain additional capital by an offering of our common stock at a price higher than the exercise price of these outstanding options.

"PENNY STOCK" RULES COULD AFFECT THE SECONDARY MARKET FOR OUR COMMON STOCK AND MAY AFFECT YOUR ABILITY TO SELL SHARES OF OUR COMMON STOCK. Our common stock is subject to rules promulgated by the SEC that regulate broker-dealer practices in connection with transactions in "penny stocks". Generally, penny stocks are equity securities with a price of less than \$5.00 (other than securities registered on certain national securities exchanges or quoted on the NASDAQ system). The penny stock rules require a broker-dealer, prior to a transaction in a penny stock not otherwise exempt from the rules, to deliver a standardized risk disclosure document prescribed by the SEC that provides information about penny stocks and the nature and level of risks in the penny stock market. The broker-dealer also must provide the customer with current bid and offer quotations for the penny stock, the compensation of the broker-dealer and its salesperson in the transaction and monthly account statements showing the market value of each penny stock held in the customer's account. In addition, the penny stock rules require that prior to a transaction in a penny stock not otherwise exempt from those rules, the broker-dealer must make a special written determination that the penny stock is a suitable investment for the purchaser and receive the purchaser's written agreement to the transaction. These requirements may have the effect of reducing the level of trading activity in the secondary market for a stock that becomes subject to the penny stock rules. As long as our common stock is subject to the penny stock rules, the holders of common stock may find it difficult to sell their common stock.

Edgar Filing: CHINA WIRELESS COMMUNICATIONS INC - Form S-8

A LIMITED PUBLIC MARKET FOR OUR COMMON STOCK MAY IMPAIR YOUR LIQUIDITY AND/OR RETURN ON INVESTMENT. Our common stock is traded in the over-the-counter market. The price for the stock and the volume of shares traded fluctuate widely. Consequently, persons who invest in our common stock may not be able to use their shares as collateral for loans and may not be able to liquidate at a suitable price in the event of an emergency. In addition, holders may not be able to resell their shares, or may not be able to sell their shares at or above the price they paid for them.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "except," "plan," "anticipate," "believe," "estimate," "predict," "potential" or "continue," as well as the negative of such terms or other comparable terminology. These statements are only predictions. Actual events or results may differ materially. In evaluating these statements, you should specifically consider various factors, including the risks described above and in other parts of this prospectus. These factors may cause our actual results to differ materially from any forward-looking statement. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements.

PLAN OF DISTRIBUTION

The selling stockholders may, from time to time, elect to sell all or a portion of the shares offered under this prospectus in the over-the-counter market. Sales are anticipated to be made at market prices prevailing at the times of such sales. The selling stockholders may also make private sales directly or through a broker or brokers, who may act as agent or principal. Further, they may choose to dispose of the shares offered under this prospectus by gift to a third party or as a donation to a charitable or other non-profit entity. In connection with any sales, the selling stockholders and any brokers participating in such sales may be deemed to be underwriters within the meaning of the Securities Act. The amount of securities to be reoffered or resold by means of this reoffer prospectus, by each person, and any other person with whom he or she is acting in concert for the purpose of selling our securities, may not exceed, during any three month period, the amount specified in Rule 144(e) under the Securities Act.

Any broker-dealer participating in such transactions as agent may receive commissions from the selling stockholders (and, if such broker acts as agent for the purchaser of such shares, from such purchaser). Usual and customary brokerage fees will be paid by the selling stockholders. Broker-dealers may agree with him or her to sell a specified number of shares at a stipulated price per share, and, to the extent such a broker-dealer is unable to do so acting as agent for the selling stockholder, to purchase as principal any unsold shares at the price required to fulfill the broker-dealer commitment to them. Broker-dealers who acquire shares as principal may thereafter resell such shares from time to time in transactions (which may involve crosses and block transactions and which may involve sales to and through other broker-dealers, including transactions of the nature described above) in the over-the-counter market, in negotiated transactions or otherwise at market prices prevailing at the time of sale or at negotiated prices, and in connection with such resales may pay to or receive commissions from the purchasers of such shares.

Edgar Filing: CHINA WIRELESS COMMUNICATIONS INC - Form S-8

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Securities Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, we will make copies of this reoffer prospectus available to the selling stockholders and have informed them of the possible need for delivery of copies of this reoffer prospectus to purchasers on or prior to sales of the shares offered under this reoffer prospectus. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act. Any commissions paid or any discounts or concessions allowed to any such broker, and any profits received on the resale of such shares, may be deemed to be underwriting discounts and commissions under the Securities Act if any such broker-dealers purchase shares as principal.

Any securities covered by this reoffer prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under those rules rather than pursuant to this reoffer prospectus.

There can be no assurance that the selling stockholders will sell any or all of the shares of common stock offered under this reoffer prospectus.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under the Nevada General Corporation Law, we have broad powers to indemnify our directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act. Our Articles of Incorporation also provide for mandatory indemnification of our directors and executive officers, and permissive indemnification of our employees and agents, to the fullest extent permissible under Nevada law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in that act and is therefore unenforceable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under the Nevada General Corporation Law, the registrant has broad powers to indemnify its directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act of 1933, as amended (the "1933 Act"). The registrant's Articles of Incorporation also provide for mandatory indemnification of its directors and executive officers, and permissive indemnification of its employees and agents, to the fullest extent permissible under Nevada law.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED

The shares issued to Peter W. Fisher and Tyler Fisher were issued in reliance upon the exemption from registration contained in Section 4(2) of the 1933 Act. Peter W. Fisher was an officer and director of the registrant at the time of issuance. Tyler Fisher was an employee of the registrant at the time of issuance. Accordingly, both are deemed to be sophisticated with regard to an investment in the registrant. No underwriters were used.

ITEM 9. UNDERTAKINGS

The undersigned registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement: (i) to include any prospectus required by section 10(a)(3) of the 1933 Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference into this registration statement; (2) that, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the 1934 Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the

offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liability arising under the 1933 Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been

settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
