PRESS RELEASE

To: Business Editor

Francis P.T. Leung Announced Investors in PCCW

(12 November 2006 [HONG KONG]) As previously announced, Mr Francis P.T Leung ([Mr Leung]) through his wholly owned company, Fiorlatte Limited ([Fiorlatte]), entered into an agreement ([Fiorlatte-PCRD Agreement]) on 9 July 2006 with Pacific Century Regional Developments Ltd. ([PCRD]), pursuant to which Fiorlatte agreed to acquire PCRD's entire stake in PCCW Limited ([PCCW]), which amounts to approximately 22.65% of the existing issued share capital of PCCW. The purchase price was HK\$6.00 per share.

Mr Leung would like to announce that Fiorlatte has now reached binding agreements with Telefónica Internacional S.A.U ([Telefónica]) and separately with each of Li Ka Shing Foundation Limited ([HK Foundation]) and Li Ka Shing (Canada) Foundation ([Canadian Foundation]) so that:

- Telefónica will acquire and hold PCCW shares representing 8% of PCCW's issued share capital;
- HK Foundation will acquire and hold PCCW shares representing 10% of PCCW's issued share capital; and
- Canadian Foundation will acquire and hold PCCW shares representing 2% of PCCW's issued share capital (collectively the [Transactions]).

Mr Leung will acquire and will continue to hold the remaining 2.65% interest. Mr Leung expects to finance this acquisition through a combination of his own resources, bank financing and a loan from Mr Li Ka Shing. Mr Leung currently holds PCCW Shares amounting to approximately 0.7% of PCCW's issued share capital, directly and through wholly owned companies, including Fiorlatte. Upon completion of the Fiorlatte-PCRD Agreement and the Transactions, he will hold an aggregate interest of 3.35% in PCCW's issued share capital.

The agreements were entered into on 12 November 2006. The PCCW shares are being acquired at HK\$6.00 per share. In the case of the transaction with Telefónica, however, the price per share is subject to a downward adjustment of HK\$0.60 depending on the performance of PCCW's share price for a certain period within 10 months after payment has been made by Telefónica.

Completion of each of the Transactions between Fiorlatte and each of Telefónica, HK Foundation and Canadian Foundation is conditional upon certain conditions, including the approval by the shareholders of PCRD of the transaction with Fiorlatte, the lapse or withdrawal of a scheme of arrangement currently proposed by PCRD to its shareholders, and the obtaining of all necessary regulatory consents or waivers, including from the Broadcasting Authority of Hong Kong.

[4]

The Takeovers Executive (["Executive"]) of the Securities and Futures Commission of Hong Kong has ruled that Mr Leung, Mr Li Ka Shing, HK Foundation and Canadian Foundation are presumed to be acting in concert under The Codes on Takeovers and Mergers and Share Repurchases (["Code"]) in respect of PCCW. The Executive has also ruled that there is not sufficient evidence to conclude that Mr Leung, Mr Li Ka Shing, HK Foundation and Canadian Foundation (on the one hand) and Telefónica and China Network Communications Group Corporation (["CNC"]) (on the other hand) are acting in concert in respect of PCCW within the meaning of the Code. Accordingly, there is not sufficient evidence that the Transactions give rise to any one or more of Mr Leung, Mr Li Ka Shing, HK Foundation, Canadian Foundation, Telefónica and CNC having to make a mandatory offer for any part or all of the issued share capital of PCCW.

In reaching this view the Executive has carefully considered the representations made to the Executive and in particular:

the various confirmations therein to the effect that there is no agreement or understanding, whether formal or informal, between Mr Leung (and companies controlled by him) and/or Fiorlatte and/or Mr Li Ka Shing (and companies controlled by him) whether personally or through his agents or representatives and/or the Foundations (on the one hand) with any member of the CNC group and/or any member of the Telefónica group (on the other hand) in connection with the acquisition, holding or voting of PCCW Shares and/or in relation to the representation of CNC and/or Telefónica on the board of PCCW; and

CNC's indication that it will issue an announcement that (i) it is not acting in concert with any person (apart from Telefónica) in respect of its shareholding in PCCW; (ii) CNC has not entered into any agreement or arrangement with any of Mr Leung, HK Foundation, Canada Foundation and their representatives, Mr Li Ka Shing (or any company controlled by him) whether personally or through his agents or representatives and Mr Richard Li (apart from the previously disclosed shareholders agreements dated 19 January 2005 which do not render them parties acting in concert); and (iii) CNC and persons acting in concert with it do not have control (within the meaning of the Code) over PCCW, and that CNC does not intend to control the board of PCCW and will not seek to do so in future unless CNC gains control of PCCW in accordance with the Code.

The Transactions will terminate automatically if the Fiorlatte-PCRD Agreement terminates because its conditions are not satisfied by the long-stop date under the Fiorlatte-PCRD Agreement, which is 30 November 2006 or such later date and time as may be agreed in writing between PCRD and Fiorlatte.

The long-stop date for the closing of the Transactions will be 5 January 2007.

As provided in the Fiorlatte-PCRD Agreement, Fiorlatte has the right to accelerate completion of the acquisition of the PCCW shares under that agreement to a date that is on or after 20 December 2006.

Mr Leung, in his own capacity and as the sole director of Fiorlatte Limited, accepts full responsibility for the accuracy of information contained in this press release and confirms,

☐

having made all reasonable inquiries, that to the best of his knowledge, opinions expressed in this press release have been arrived at after due and careful consideration and there are no other facts not contained in this press release, the omission of which would make any statement in this press release misleading.
