How does your gold stack up?

The RBS Gold Trendpilot() ETN provides exposure to the price of gold bullion or the yield on 3-month US Treasury bills using a systematic strategy, based on price trends of gold bullion. By moving in and out of tracking gold prices according to an objective and transparent methodology, the RBS Gold Trendpilot() ETN provides exposure to gold in positive trending markets, and exposure to 3-month US Treasury bills in negative trending markets.
