ABOUT THIS PROSPECTUS

This document is called a prospectus and is part of a registration statement that we filed with the SEC using a "shelf" registration or continuous offering process. Under this shelf process, we may from time to time sell any combination of the securities described in this prospectus in one or more offerings up to a total dollar amount of \$12,415,000,000.

This prospectus provides you with a general description of the securities we may offer. Each time we sell securities we will provide a prospectus supplement containing specific information about the terms of the securities being offered. That prospectus supplement may include a discussion of any risk factors or other special considerations that apply to those securities. The prospectus supplement may also add, update or change the information in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in that prospectus supplement. You should read both this prospectus and any prospectus supplement together with additional information described under the heading "Where You Can Find More Information".

The registration statement containing this prospectus, including exhibits to the registration statement, provides additional information about us and the securities offered under this prospectus. The registration statement can be read at the SEC web site or at the SEC offices mentioned under the heading "Where You Can Find More Information".

When acquiring any securities discussed in this prospectus, you should rely only on the information provided in this prospectus and in any prospectus supplement, including the information incorporated by reference. Neither we nor any underwriters or agents have authorized anyone to provide you with different information. We are not offering the securities in any state where the offer is prohibited. You should not assume that the information in this prospectus, any prospectus supplement or any document incorporated by reference is truthful or complete at any date other than the date mentioned on the cover page of these documents.

We may sell securities to underwriters who will sell the securities to the public on terms fixed at the time of sale. In addition, the securities may be sold by us directly or through dealers or agents designated from time to time, which agents may be our affiliates. If we, directly or through agents, solicit offers to purchase the securities, we reserve the sole right to accept and, together with our agents, to reject, in whole or in part, any of those offers.

The prospectus supplement will contain the names of the underwriters, dealers or agents, if any, together with the terms of offering, the compensation of those underwriters and the net proceeds to us. Any underwriters, dealers or agents participating in the offering may be deemed "underwriters" within the meaning of the Securities Act of 1933.

Edgar Filing: WACHOVIA CORP NEW - Form S-3

One or more of our subsidiaries, including Wachovia Securities, may buy and sell any of the securities after the securities are issued as part of their business as a broker-dealer. Those subsidiaries may use this prospectus and the related prospectus supplement in those transactions. Any sale by a subsidiary will be made at the prevailing market price at the time of sale.

Unless otherwise mentioned or unless the context requires otherwise, all references in this prospectus to "Wachovia", "we", "us", "our", or similar references mean Wachovia Corporation and its subsidiaries.

These statements can be identified by the use of forward-looking language such as "will likely result", "may", "are expected to", "is anticipated", "estimate", "projected", "intends to", or other similar words. WACHOVIA CORPORATION

Wachovia was incorporated under the laws of North Carolina in 1967. We are registered as a financial holding company and a bank holding company under the Bank Holding Company Act of 1956, as amended, and are supervised and regulated by the Board of Governors of the Federal Reserve System. Our banking and securities subsidiaries are supervised and regulated by various federal and state banking and securities regulatory authorities. On September 1, 2001, the former Wachovia Corporation merged with and into First Union Corporation, and First Union Corporation changed its name to "Wachovia Corporation".

In addition to North Carolina, Wachovia's full-service banking subsidiaries operate in Connecticut, Delaware, Florida, Georgia, Maryland, New Jersey, New York, Pennsylvania, South Carolina, Virginia and Washington, D.C. These full-service banking subsidiaries provide a wide range of commercial and retail banking and trust services. Wachovia also provides various other financial services, including mortgage banking, home equity lending, leasing, investment banking, insurance and securities brokerage services through other subsidiaries.

In 1985, the Supreme Court upheld regional interstate banking legislation. Since then, Wachovia has concentrated its efforts on building a large regional banking organization in what it perceives to be some of the better banking markets in the eastern United States. Since November 1985, Wachovia has completed over 90 banking-related acquisitions.

Wachovia continually evaluates its business operations and organizational structures to ensure they are aligned closely with its goal of maximizing performance in its core business lines, Capital Management, Wealth Management, the General Bank and Corporate and Investment Banking. When consistent with our overall business strategy, we may consider the disposition of certain of our assets, branches, subsidiaries or lines of business. We continue to routinely explore acquisition opportunities, particularly in areas that would complement our core business lines, and frequently conduct due diligence activities in connection with possible acquisitions. As a result, acquisition discussions and, in some cases, negotiations frequently take place, and future acquisitions involving cash, debt or equity securities can be expected.

Edgar Filing: WACHOVIA CORP NEW - Form S-3

Wachovia is a separate and distinct legal entity from its banking and other subsidiaries. Dividends received from our subsidiaries are our principal source of funds to pay dividends on our common and preferred stock and debt service on our debt. Various federal and state statutes and regulations limit the amount of dividends that our banking and other subsidiaries may pay to us without regulatory approval.

3

USE OF PROCEEDS

Wachovia currently intends to use the net proceeds from the sale of any securities for general corporate purposes, which may include

- . reducing debt
- . investments at the holding company level
- . investing in, or extending credit to, our operating subsidiaries
- . possible acquisitions
- . stock repurchases and
- . other purposes as mentioned in any prospectus supplement.

Pending such use, we may temporarily invest the net proceeds. The precise amounts and timing of the application of proceeds will depend upon our funding requirements and the availability of other funds. Except as mentioned in any prospectus supplement, specific allocations of the proceeds to such purposes will not have been made at the date of that prospectus supplement.

Based upon our historical and anticipated future growth and our financial needs, we may engage in additional financings of a character and amount that we determine as the need arises.

CONSOLIDATED EARNINGS RATIOS

The following table provides Wachovia's consolidated ratios of earnings to fixed charges:

	Six Months Ended June 30, 2001	Years Ended December 31, -----				
		2000	1999	1998	1997	1996
Consolidated Ratios of Earnings to Fixed Charges						
Excluding interest on deposits.....	1.86x	1.13	2.29	2.13	2.50	2.58
Including interest on deposits.....	1.39x	1.06	1.62	1.51	1.57	1.56

For purposes of computing these ratios

- . earnings represent income from continuing operations before extraordinary items and cumulative effect of a change in accounting principles, plus income taxes and fixed charges (excluding capitalized

Edgar Filing: WACHOVIA CORP NEW - Form S-3

interest)

- . fixed charges, excluding interest on deposits, represent interest (including capitalized interest), one-third of rents and all amortization of debt issuance costs and
- . fixed charges, including interest on deposits, represent all interest (including capitalized interest), one-third of rents and all amortization of debt issuance costs.

One-third of rents is used because it is the proportion deemed representative of the interest factor.

4

REGULATORY CONSIDERATIONS

As a financial holding company and a bank holding company under the Bank Holding Company Act, the Federal Reserve Board regulates, supervises and examines Wachovia. For a discussion of the material elements of the regulatory framework applicable to financial holding companies, bank holding companies and their subsidiaries and specific information relevant to Wachovia, please refer to Wachovia's annual report on Form 10-K for the fiscal year ended December 31, 2000, quarterly reports on Form 10-Q, and any subsequent reports we file with the SEC, which are incorporated by reference in this prospectus. This regulatory framework is intended primarily for the protection of depositors and the federal deposit insurance funds and not for the protection of security holders. As a result of this regulatory framework, Wachovia's earnings are affected by actions of the Federal Reserve Board, the Office of Comptroller of the Currency, that regulates our banking subsidiaries, the Federal Deposit Insurance Corporation, that insures the deposits of our banking subsidiaries within certain limits, and the SEC, that regulates the activities of certain subsidiaries engaged in the securities business.

Wachovia's earnings are also affected by general economic conditions, our management policies and legislative action.

In addition, there are numerous governmental requirements and regulations that affect our business activities. A change in applicable statutes, regulations or regulatory policy may have a material effect on Wachovia's business.

Depository institutions, like Wachovia's bank subsidiaries, are also affected by various federal laws, including those relating to consumer protection and similar matters. Wachovia also has other financial services subsidiaries regulated, supervised and examined by the Federal Reserve Board, as well as other relevant state and federal regulatory agencies and self-regulatory organizations. Wachovia's non-bank subsidiaries may be subject to other laws and regulations of the federal government or the various states in which they are authorized to do business.

5

DESCRIPTION OF COMMON STOCK

The following information outlines some of the provisions in Wachovia's articles of incorporation, bylaws and the North Carolina Business Corporation Act (the "NCBC Act"). This information is qualified in all respects by

Edgar Filing: WACHOVIA CORP NEW - Form S-3

reference to the provisions of Wachovia's articles, bylaws and the NCBC Act.

Authorized Common Stock

Wachovia's authorized common stock consists of 3,000,000,000 shares of common stock, par value \$3.33 1/3 per share. On September 30, 2001, 1,360,996,314 shares of common stock were issued and outstanding. Wachovia's common stock is listed on the New York Stock Exchange under the symbol "WB".

General

Subject to the prior rights of any Wachovia preferred stockholder, Class A preferred stockholder and depositary shareholder then outstanding, common stockholders are entitled to receive such dividends as Wachovia's board of directors may declare. In the event of liquidation or dissolution, common stockholders are entitled to receive Wachovia's net assets remaining after paying all liabilities and after paying all preferred stockholders, Class A preferred stockholders, holders of Wachovia's Dividend Equalization Preferred shares and depositary shareholders the full preferential amounts to which those holders are entitled.

Under an indenture between Wachovia and Wilmington Trust Company, as trustee, Wachovia agreed not to pay any dividends on, or acquire or make a liquidation payment relating to, any of Wachovia's common stock, preferred stock and Class A preferred stock, if, at that time, there is a default under the indenture or a related Wachovia guarantee or Wachovia has deferred interest payments on the securities issued under the indenture.

Subject to the prior rights of any preferred stockholders, Class A preferred stockholders and depositary shareholders, common stockholders have all voting rights, each share being entitled to one vote on all matters requiring stockholder action and in electing directors. Common stockholders have no preemptive, subscription or conversion rights. All of the outstanding shares of common stock are, and any common stock issued and sold hereunder will be, fully paid and nonassessable.

First Union National Bank is the transfer agent, registrar and dividend disbursement agent for the common stock.

Where appropriate, the applicable prospectus supplement will describe the U.S. federal income tax considerations relevant to the common stock.

Rights Plan

Under Wachovia's Shareholder Protection Rights Agreement, each outstanding common stock share has a right attached to it. This right remains attached unless a separation time occurs. At separation time, common stockholders will receive separate certificates for these rights. Each right entitles its owner to purchase at separation time one one-hundredth of a share of a participating series of Class A preferred stock for \$105. This series of Class A preferred stock would have economic and voting terms similar to those of one common stock share. Separation time would generally occur at the earlier of the following two dates:

- . the tenth business day after any person commences a tender or exchange offer that entitles that person to 10% or more of Wachovia's outstanding common stock

or

- . the tenth business day after Wachovia publicly announces that a person has acquired beneficial ownership of 10% or more of Wachovia's

Edgar Filing: WACHOVIA CORP NEW - Form S-3

outstanding common stock.

6

These rights will not trade separately from the shares of common stock until the separation time occurs, and may be exercised on the business day immediately after the separation time. The rights will expire at the earliest of:

- . the date on which Wachovia's board of directors elects to exchange the rights for Wachovia common stock shares as described below
- . the close of business on December 28, 2010, unless extended by our board of directors or
- . the date on which the rights are terminated as described below.

Once Wachovia publicly announces that a person has acquired 10% of Wachovia's outstanding common stock, Wachovia can allow for rights holders to buy our common stock for half of its market value. For example, Wachovia would sell to each rights holder common stock shares worth \$210 for \$105 in cash. At the same time, any rights held by the 10% owner or any of his affiliates, associates or transferees will be void. In addition, if Wachovia is acquired in a merger or other business combination after a person has become a 10% owner, the rights held by stockholders would become exercisable to purchase the acquiring company's common stock for half of its market value.

In the alternative, Wachovia's board of directors may elect to exchange all of the then outstanding rights for shares of common stock at an exchange ratio of two common stock shares for one right. Upon election of this exchange, a right will no longer be exercisable and will only represent a right to receive two common stock shares.

If Wachovia is required to issue common stock shares upon the exercise of rights, or in exchange for rights, the board may substitute shares of participating Class A preferred stock. The substitution will be at a rate of two one-hundredths of a share of participating Class A preferred stock for each right exchanged.

The rights may be terminated without any payment to holders before their exercise date. The rights have no voting rights and are not entitled to dividends.

The rights will not prevent a takeover of Wachovia. The rights, however, may cause substantial dilution to a person or group that acquires 10% or more of common stock unless Wachovia's board first terminates the rights. Nevertheless, the rights should not interfere with a transaction that is in Wachovia's and its stockholders' best interests because the rights can be terminated by the board before that transaction is completed.

The complete terms of the rights are contained in the Shareholder Protection Rights Agreement. This agreement is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part, and the description above is qualified entirely by that document. A copy of this agreement can be obtained upon written request to First Union National Bank, 1525 West W.T. Harris Blvd., Charlotte, North Carolina 28288-1153.

Other Provisions

Wachovia's articles and bylaws contain various provisions which may

Edgar Filing: WACHOVIA CORP NEW - Form S-3

discourage or delay attempts to gain control of Wachovia. Wachovia's articles include provisions

- . classifying the board of directors into three classes, each class to serve for three years, with one class elected annually
- . authorizing the board of directors to fix the size of the board between nine and 30 directors
- . authorizing directors to fill vacancies on the board occurring between annual stockholder meetings, except that vacancies resulting from a director's removal by a stockholder vote may only be filled by a stockholder vote

7

- . providing that directors may be removed only for a valid reason and only by majority vote of shares entitled to vote in electing directors, voting as a single class
- . authorizing only the board of directors, Wachovia's Chairman or President to call a special meeting of stockholders, except for special meetings called under special circumstances for classes or series of stock ranking superior to common stock and
- . requiring an 80% stockholder vote by holders entitled to vote in electing directors, voting as a single class, to alter any of the above provisions.

Wachovia's bylaws include specific conditions under which business may be transacted at annual stockholders' meetings, and persons may be nominated for election as Wachovia directors at annual stockholders' meetings.

The Change in Bank Control Act prohibits a person or group of persons from acquiring "control" of a bank holding company unless

- . the Federal Reserve Board has been given 60 days' prior written notice of the proposed acquisition and
- . within that time period, the Federal Reserve Board has not issued a notice disapproving the proposed acquisition or extending for up to another 30 days the period during which such a disapproval may be issued

or unless the acquisition otherwise requires Federal Reserve Board approval. An acquisition may be made before expiration of the disapproval period if the Federal Reserve Board issues written notice that it intends not to disapprove the action. It is generally assumed that the acquisition of more than 10% of a class of voting stock of a bank holding company with publicly held securities, such as Wachovia, would constitute the acquisition of control.

In addition, any "company" would be required to obtain Federal Reserve Board approval before acquiring 25% or more of the outstanding common stock of Wachovia. If the acquiror is a bank holding company, this approval is required before acquiring 5% of the outstanding common stock. Obtaining "control" over Wachovia would also require Federal Reserve Board prior approval. "Control" generally means

- . the ownership or control of 25% or more of a bank holding company voting securities class,

Edgar Filing: WACHOVIA CORP NEW - Form S-3

- . the ability to elect a majority of the bank holding company's directors, or
- . the ability otherwise to exercise a controlling influence over the bank holding company's management and policies.

Two North Carolina shareholder protection statutes adopted in 1987, The North Carolina Shareholder Protection Act and The North Carolina Control Share Acquisition Act, allowed North Carolina corporations to elect to either be covered or not be covered by these statutes. Wachovia elected not to be covered by these statutes.

In addition, in certain instances the ability of Wachovia's board to issue authorized but unissued shares of common stock, preferred stock or Class A preferred stock may have an anti-takeover effect.

Existence of the above provisions could result in Wachovia being less attractive to a potential acquiror, or result in Wachovia stockholders receiving less for their shares of common stock than otherwise might be available if there is a takeover attempt.

8

DESCRIPTION OF PREFERRED STOCK AND CLASS A PREFERRED STOCK

The following information outlines some of the provisions of the preferred stock and the Class A preferred stock. This information may not be complete in all respects and is qualified entirely by reference to Wachovia's articles, as amended with respect to each series of preferred stock or Class A preferred stock. Our articles are, and any amendments to the articles will be, incorporated by reference in the registration statement of which this prospectus is a part for the issuance of any series of preferred stock or Class A preferred stock. This information relates to terms and conditions that apply to the preferred stock as a class and the Class A preferred stock as a class. The specific terms of any series of preferred stock or Class A preferred stock will be described in the relevant prospectus supplement. If so described in a prospectus supplement, the terms of that series may differ from the general description of the terms described below.

Authorized Preferred Stock

Wachovia's authorized preferred stock consists of 10,000,000 shares of preferred stock, no-par value, and 40,000,000 shares of Class A preferred stock, no-par value. On September 30, 2001, no shares of preferred stock and no shares of Class A preferred stock were issued and outstanding.

General

Under Wachovia's articles, the preferred stock and the Class A preferred stock may be issued from time to time in one or more series, upon board authorization and without stockholder approval. Within certain legal limits, the board is authorized to determine the

- . qualifications, limitations or restrictions, including any
 - . dividend rights
 - . conversion rights
 - . exchange rights
 - . redemption rights
 - . liquidation preferences
 - . voting rights and
- . the designation and number of shares and the terms and conditions of their issuance

of any series of preferred stock or Class A preferred stock. Thus, the board, without stockholder approval, could authorize preferred stock or Class A preferred stock to be issued with voting, conversion and other rights that could adversely affect the voting power and other rights of common stockholders or other outstanding series of preferred stock or Class A preferred stock.

Each series of preferred stock or Class A preferred stock will have the dividend, liquidation, redemption and voting rights described below unless otherwise described in a prospectus supplement pertaining to a specific series of preferred stock or Class A preferred stock. The relevant prospectus supplement will describe the following terms of the series of preferred stock or Class A preferred stock in respect of which this prospectus is being delivered

- . the designation of that series and the number of shares offered
 - . the amount of the liquidation preference per share or the method of calculating that amount
- 9
- . the initial public offering price at which shares of that series will be issued
 - . the dividend rate or the method of calculating that rate, the dates on which dividends will be paid and the dates from which dividends will begin to cumulate
 - . any redemption or sinking fund provisions
 - . any conversion or exchange rights
 - . any additional voting and other rights, preferences, privileges, qualifications, limitations and restrictions
 - . any securities exchange listing
 - . the relative ranking and preferences of that series as to dividend rights and rights upon any liquidation, dissolution or winding up of Wachovia and
 - . any other terms of that series.

Edgar Filing: WACHOVIA CORP NEW - Form S-3

Under the indenture between Wachovia and Wilmington Trust Company, as trustee, Wachovia agreed not to pay any dividends on, or acquire or make a liquidation payment relating to, any of Wachovia's common stock, preferred stock and Class A preferred stock, if, at that time, there is a default under the indenture or a related Wachovia guarantee or Wachovia has delayed interest payments on the securities issued under the indenture.

Shares of preferred stock and Class A preferred stock, when issued against full payment of their purchase price, will be fully paid and nonassessable. The liquidation preference of any series of preferred stock or Class A preferred stock does not necessarily indicate the price at which shares of that series of preferred stock or Class A preferred stock will actually trade on or after the issue date.

Where appropriate, the applicable prospectus supplement will describe the U.S. federal income tax considerations relevant to the preferred stock.

Rank

Each series of preferred stock and Class A preferred stock will, with respect to dividend rights and rights upon Wachovia's liquidation, dissolution or winding up, rank prior or superior to common stock. All shares of each series of preferred stock will be of equal rank with each other. Shares of Class A preferred stock will rank equal or junior to, but not prior or superior to, any series of preferred stock. Subject to the foregoing and the terms of any particular Class A preferred stock series, Class A preferred stock series may vary as to priority within that class.

Dividends

Holders of each series of preferred stock and Class A preferred stock will be entitled to receive, when, as and if Wachovia's board declares, cash dividends, payable at the dates and at the rates per share as described in the relevant prospectus supplement. Those rates may be fixed, variable or both.

Dividends may be cumulative or noncumulative, as described in the relevant prospectus supplement. If dividends on a series of preferred stock or Class A preferred stock are noncumulative and if Wachovia's board fails to declare a dividend for a dividend period for that series, then holders of that preferred stock or Class A preferred stock will have no right to receive a dividend for that dividend period, and Wachovia will have no obligation to pay the dividend for that period, whether or not dividends are declared for any future dividend payment dates. If dividends on a series of preferred stock or Class A preferred stock are cumulative, the dividends on those shares will accrue from and after the date mentioned in the relevant prospectus supplement.

10

No full dividends may be paid on any series of preferred stock or Class A preferred stock ranking as to dividends equal or junior to the series of preferred stock or Class A preferred stock offered by the relevant prospectus supplement for any period unless full dividends for the immediately preceding dividend period on that offered stock, including any accumulation of unpaid dividends, if dividends on such offered stock are cumulative, are paid. When dividends are not paid in full upon such offered stock and any other parity stock, dividends upon that stock will be declared on a proportional basis so that the amount of dividends declared per share will bear to each other the same ratio that accrued dividends for the current dividend period per share on the offered stock, including any accumulated unpaid dividends, if dividends on such offered stock are cumulative, and accrued dividends, including any

Edgar Filing: WACHOVIA CORP NEW - Form S-3

accumulations on such parity stock, bear to each other. No interest will be payable in respect of any dividend payment on such offered stock that may be in arrears. Unless full dividends on the offered stock have been paid for the immediately preceding dividend period, including any accumulated dividends, if dividends on such offered stock are cumulative

- . no cash dividend or distribution (other than in junior stock) may be paid on junior stock (including common stock)
- . Wachovia may not acquire any junior stock except by conversion into or exchange for junior stock and
- . Wachovia may not acquire any parity stock otherwise than pursuant to pro rata offers to purchase all, or a pro rata portion, of the offered stock and such parity stock, except by conversion into or exchange for junior stock.

Any dividend payment made on a preferred stock or Class A preferred stock series will first be credited against the earliest accrued but unpaid dividend due with respect to shares of that series that remains payable.

Redemption

The terms on which any series of preferred stock or Class A preferred stock may be redeemed will be in the relevant prospectus supplement. All shares of preferred stock or Class A preferred stock Wachovia redeems, purchases or acquires, including shares surrendered for conversion or exchange, shall be cancelled and restored to the status of authorized but unissued shares of preferred stock or Class A preferred stock, as the case may be, undesignated as to series.

Liquidation

In the event of Wachovia's voluntary or involuntary liquidation, dissolution or winding up, preferred stockholders or Class A preferred stockholders will be entitled, subject to creditors' rights, but before any distribution to common stockholders or any other junior stock, to receive a liquidating distribution in the amount of the liquidation preference per share as mentioned in the relevant prospectus supplement, plus accrued and unpaid dividends for the current dividend period. This would include any accumulation of unpaid dividends for prior dividend periods, if dividends on that series of preferred stock or Class A preferred stock are cumulative. If the amounts available for distribution upon Wachovia's liquidation, dissolution or winding up are not sufficient to satisfy the full liquidation rights of all the outstanding preferred stock or Class A preferred stock and all stock ranking equal to that preferred stock or Class A preferred stock, then the holders of each series of that stock will share ratably in any distribution of assets in proportion to the full respective preferential amount, which may include accumulated dividends, to which they are entitled. After the full amount of the liquidation preference is paid, the holders of preferred stock or Class A preferred stock will not be entitled to any further participation in any distribution of Wachovia's assets.

Voting

The voting rights of preferred stock or Class A preferred stock of any series will be described in the relevant prospectus supplement. The shares of any series of preferred stock having voting rights may not have more than

Edgar Filing: WACHOVIA CORP NEW - Form S-3

one vote per share. The shares of any series of Class A preferred stock having voting rights shall have the number of votes per share, which may be more or less than one, as are specified in the amendment to Wachovia's articles with respect to that series and in the relevant prospectus supplement.

The NCBC Act provides that, regardless of whether a class or series of shares is granted voting rights by the terms of Wachovia's articles, the shareholders of that class or series are entitled to vote as a separate voting group, or together with other similarly affected series, on certain amendments to Wachovia's articles and certain other fundamental changes to Wachovia that directly affect that class or series.

Under Federal Reserve Board regulations, if the holders of any series of preferred stock or Class A preferred stock become entitled to vote for the election of directors because dividends on that series are in arrears, that series may then be deemed a "class of voting securities," and a holder of 25% or more of that series (or a holder of 5% or more if it otherwise exercises a "controlling influence" over Wachovia) may then be subject to regulation as a bank holding company. In addition, in that event

- . any bank holding company may be required to obtain Federal Reserve Board approval, and any foreign bank, and any company that controls a foreign bank, that has certain types of U.S. banking operations may be required to obtain Federal Reserve Board approval under the International Banking Act of 1978, to acquire 5% or more of any series of preferred stock or Class A preferred stock and
- . any person other than a bank holding company may be required to obtain Federal Reserve Board approval under the Change in Bank Control Act to acquire 10% or more of that series of preferred stock or Class A preferred stock.

Conversion or Exchange

The terms on which preferred stock or Class A preferred stock of any series may be converted into or exchanged for another class or series of securities will be described in the relevant prospectus supplement.

Other Rights

The shares of a series of preferred stock or Class A preferred stock may have the preferences, voting powers or relative, participating, optional or other special rights as may be described in the relevant prospectus supplement, Wachovia's articles, or as otherwise required by law. The holders of preferred stock and Class A preferred stock will not have any preemptive rights to subscribe to any Wachovia securities.

Title

Wachovia, the transfer agent and registrar for a series of preferred stock or Class A preferred stock, and any of their agents may treat the registered owner of that preferred stock or Class A preferred stock as the absolute owner of that stock, whether or not any payment for that preferred stock or Class A preferred stock shall be overdue and despite any notice to the contrary, for any purpose. See also "Global Securities".

Transfer Agent and Registrar

The transfer agent, registrar and dividend disbursement agent for each series of preferred stock or Class A preferred stock will be named in the relevant prospectus supplement.

DESCRIPTION OF DEPOSITARY SHARES

The following information outlines some of the provisions of the deposit agreement, the depositary shares and the depositary receipts. This information may not be complete in all respects and is qualified entirely by reference to the relevant deposit agreement and depositary receipts with respect to the depositary shares relating to any particular series of preferred stock or Class A preferred stock. The specific terms of any series of depositary shares will be described in the relevant prospectus supplement. If so described in the prospectus supplement, the terms of that series of depositary shares may differ from the general description of terms presented below.

General

Wachovia may elect to offer fractional interests in shares of preferred stock or Class A preferred stock, instead of whole shares of preferred stock or Class A preferred stock. If so, Wachovia will allow a depositary to issue to the public depositary shares, each of which will represent a fractional interest as described in the relevant prospectus supplement, of a share of preferred stock or Class A preferred stock.

The shares of the preferred stock or the Class A preferred stock series underlying any depositary shares will be deposited under a separate deposit agreement between Wachovia and a bank or trust company acting as depositary with respect to that series. The depositary will have its principal office in the United States and have a combined capital and surplus of at least \$50,000,000. The relevant prospectus supplement relating to a series of depositary shares will mention the name and address of the depositary. Under the relevant deposit agreement, each owner of a depositary share will be entitled, in proportion to its fractional interest in a share of the preferred stock or the Class A preferred stock underlying that depositary share, to all the rights and preferences of that preferred stock or Class A preferred stock, including dividend, voting, redemption, conversion, exchange and liquidation rights.

Depositary shares will be evidenced by one or more depositary receipts issued under the relevant deposit agreement.

Pending the preparation of definitive engraved depositary receipts, a depositary may, upon Wachovia's order, issue temporary depositary receipts substantially identical to and entitling their holders to all the rights pertaining to the definitive depositary receipts but not in definitive form. Definitive depositary receipts will be prepared without unreasonable delay, and the temporary depositary receipts will be exchangeable for definitive depositary receipts at Wachovia's expense.

Where appropriate, the applicable prospectus supplement will describe the U.S. federal income tax considerations relevant to the depositary shares.

Dividends and Other Distributions

The depositary will distribute all cash dividends or other cash distributions in respect of the preferred stock or the Class A preferred stock to the record depositary shareholders based on the number of the depositary shares owned by that holder on the relevant record date. The depositary will distribute only that amount which can be distributed without attributing to any depositary shareholders a fraction of one cent, and any balance not so

Edgar Filing: WACHOVIA CORP NEW - Form S-3

distributed will be added to and treated as part of the next sum received by the depositary for distribution to record depositary shareholders.

If there is a distribution other than in cash, the depositary will distribute property to the entitled record depositary shareholders, unless the depositary determines that it is not feasible to make that distribution. In that case the depositary may, with Wachovia's approval, adopt the method it deems equitable and practicable for making that distribution, including any sale of property and the distribution of the net proceeds from this sale to the concerned holders.

13

Each deposit agreement will also contain provisions relating to the manner in which any subscription or similar rights Wachovia offers to preferred stockholders or the Class A preferred stockholders of the relevant series will be made available to depositary shareholders.

Withdrawal of Stock

Upon surrender of depositary receipts at the depositary's office, the holder of the relevant depositary shares will be entitled to the number of whole shares of the related preferred stock series or Class A preferred stock series and any money or other property those depositary shares represent. Depositary shareholders will be entitled to receive whole shares of the related preferred stock series or Class A preferred stock series on the basis described in the relevant prospectus supplement, but holders of those whole preferred stock shares or Class A preferred stock shares will not afterwards be entitled to receive depositary shares in exchange for their shares. If the depositary receipts the holder delivers evidence a depositary share number exceeding the whole share number of the related preferred stock series or Class A preferred stock series to be withdrawn, the depositary will deliver to that holder a new depositary receipt evidencing the excess depositary share number.

Redemption; Liquidation

The terms on which the depositary shares relating to the preferred stock or the Class A preferred stock of any series may be redeemed, and any amounts distributable upon Wachovia's liquidation, dissolution or winding up, will be described in the relevant prospectus supplement.

Voting

Upon receiving notice of any meeting at which preferred stockholders or Class A preferred stockholders of any series are entitled to vote, the depositary will mail the information contained in that notice to the record depositary shareholders relating to those series of preferred stock or Class A preferred stock. Each depositary shareholder on the record date will be entitled to instruct the depositary on how to vote the shares of preferred stock or Class A preferred stock underlying that holder's depositary shares. The depositary will vote the preferred stock shares or Class A preferred stock shares underlying those depositary shares according to those instructions, and Wachovia will take reasonably necessary actions to enable the depositary to do so. If the depositary does not receive specific instructions from the depositary shareholders relating to such preferred stock or Class A preferred stock, it will abstain from voting those preferred stock shares or Class A preferred stock shares, unless otherwise mentioned in the relevant prospectus supplement.

Amendment and Termination of Depositary Agreement

Edgar Filing: WACHOVIA CORP NEW - Form S-3

The depositary receipt form evidencing the depositary shares and the relevant deposit agreement may be amended by Wachovia and the depositary. However, any amendment that significantly affects the rights of the depositary shareholders will not be effective unless a majority of the outstanding depositary shareholders approve that amendment. Wachovia or the depositary may terminate a deposit agreement only if

- . Wachovia has redeemed or reacquired all outstanding depositary shares relating to the deposit agreement
- . all preferred stock or Class A preferred stock of the relevant series has been withdrawn or
- . there has been a final distribution in respect of the preferred stock or the Class A preferred stock of the relevant series in connection with Wachovia's liquidation, dissolution or winding up and such distribution has been made to the related depositary shareholders.

Charges of Depositary

Wachovia will pay all charges of each depositary in connection with the initial deposit and any redemption of the preferred stock or the Class A preferred stock. Depositary shareholders will be required to pay any other transfer and other taxes and governmental charges and any other charges expressly provided in the deposit agreement to be for their accounts.

14

Miscellaneous

Each depositary will forward to the relevant depositary shareholders all Wachovia reports and communications that Wachovia is required to furnish to preferred stockholders or Class A preferred stockholders of the relevant series.

Neither any depositary nor Wachovia will be liable if it is prevented or delayed by law or any circumstance beyond its control in performing its obligations under any deposit agreement. The obligations of Wachovia and each depositary under any deposit agreement will be limited to performance in good faith of their duties under that agreement, and they will not be obligated to prosecute or defend any legal proceeding in respect of any depositary shares, preferred stock or Class A preferred stock unless they are provided with satisfactory indemnity. They may rely upon written advice of counsel or accountants, or information provided by persons presenting preferred stock or Class A preferred stock for deposit, depositary shareholders or other persons believed to be competent and on documents believed to be genuine.

Title

Wachovia, each depositary and any of their agents may treat the registered owner of any depositary share as the absolute owner of that share, whether or not any payment for that depositary share is overdue and despite any notice to the contrary, for any purpose. See "Global Securities".

Resignation and Removal of Depositary

A depositary may resign at any time by delivering to Wachovia notice of its election, and Wachovia may remove a depositary, and resignation or removal will take effect upon the appointment of a successor depositary and its acceptance

Edgar Filing: WACHOVIA CORP NEW - Form S-3

of appointment. That successor depositary must

- . be appointed within 60 days after delivery of the notice of resignation or removal
- . be a bank or trust company having its principal office in the United States and
- . have combined capital and surplus of at least \$50,000,000.

DESCRIPTION OF DEBT SECURITIES

General

The following information outlines some of the provisions of the indentures and the debt securities. This information may not be complete in all respects, and is qualified entirely by reference to the indenture under which the debt securities are issued. These indentures are incorporated by reference as exhibits to the registration statement of which this prospectus is a part. This information relates to certain terms and conditions that generally apply to the debt securities. The specific terms of any series of debt securities will be described in the relevant prospectus supplement. If so described in a prospectus supplement, the terms of that series may differ from the general description of the terms presented below.

Senior debt securities will be issued under an indenture between Wachovia and The Chase Manhattan Bank, as trustee. Subordinated debt securities will be issued under an indenture between Wachovia and Bank One Trust Company, N.A., as trustee. Whenever we refer to specific provisions or defined terms in one or both of the indentures, those provisions or defined terms are incorporated in this prospectus by reference. Section references used in this discussion are references to the relevant indenture. Capitalized terms which are not otherwise defined shall have the meaning given to them in the relevant indenture.

The debt securities will be limited to an aggregate initial offering price of \$12,415,000,000, or at Wachovia's option if so specified in the relevant prospectus supplement, the equivalent of this amount in any other currency or currency unit, and will be Wachovia's direct, unsecured obligations. The debt securities will not be deposits or other bank obligations and will not be FDIC insured.

The indentures do not limit the aggregate principal amount of debt securities or of any particular series of debt securities which may be issued under the indentures and provide that these debt securities may be issued at various times in one or more series, in each case with the same or various maturities, at par or at a discount. (Section 301) The indentures provide that there may be more than one trustee under the indentures with respect to different series of debt securities. As of June 30, 2001, \$10.9 billion aggregate principal amount of senior debt securities was outstanding under the senior indenture. The senior trustee is trustee for such series. As of June 30, 2001, \$25.2 billion aggregate principal amount of subordinated debt securities was outstanding under the subordinated indenture. The subordinated trustee is trustee for such series.

The indentures do not limit the amount of other debt that Wachovia may issue and do not contain financial or similar restrictive covenants. As of June 30, 2001, Wachovia had an aggregate of \$4.4 billion of short-term senior indebtedness outstanding which consisted primarily of commercial paper.

Edgar Filing: WACHOVIA CORP NEW - Form S-3

Wachovia expects from time to time to incur additional senior indebtedness and Other Financial Obligations (as defined below). The indentures do not prohibit or limit additional senior indebtedness or Other Financial Obligations.

Because Wachovia is a holding company and a legal entity separate and distinct from its subsidiaries, Wachovia's rights to participate in any distribution of assets of any subsidiary upon its liquidation, reorganization or otherwise, and the holders of debt securities' ability to benefit indirectly from such distribution, would be subject to prior creditor's claims, except to the extent that Wachovia itself may be a creditor of that subsidiary with recognized claims. Claims on Wachovia's subsidiary banks by creditors other than Wachovia include long-term debt and substantial obligations with respect to deposit liabilities and federal funds purchased, securities sold under repurchase agreements, other short-term borrowings and various other financial obligations. The indentures do not contain any covenants designed to afford holders of debt securities protection in the event of a highly leveraged transaction involving Wachovia.

16

The following information relating to the debt securities will be described in the relevant prospectus supplement

- . the title of the debt securities
- . whether the debt securities are senior debt securities or subordinated debt securities
- . any limit upon the aggregate principal amount of the debt securities and the percentage of such principal amount at which they may be issued
- . the date on which the principal of the debt securities must be paid
- . the interest rates per annum of the debt securities, the method of determining these rates, the dates from which the interest will accrue, the interest payment dates, the regular record date for the interest payable on any interest payment date, the person to whom any payment must be made, if other than the person in whose name that debt security is registered on the regular record date for such interest, and the payment method of any interest payable on a global debt security on an interest payment date
- . if other than the location specified in this prospectus, the place where any principal, premium or interest on the debt securities must be paid
- . any redemption and any mandatory or optional sinking fund provisions
- . any repayment provision
- . if other than denominations of \$1,000 and any integral multiple of \$1,000, the denominations in which the debt securities shall be issued
- . if other than the principal amount, the portion of the debt securities' principal amount which shall be payable upon an acceleration of their maturity
- . the currency or currency unit of payment of principal, premium, if any, and interest on the debt securities, and any index used to determine the amount of payment of principal, premium, if any, and interest on these debt securities

Edgar Filing: WACHOVIA CORP NEW - Form S-3

- . whether the debt securities will be issued in permanent global form and, in such case, the initial depository and the circumstances under which such permanent global debt security may be exchanged
- . whether the subordination provisions summarized below or other subordination provisions, including a different definition of "senior indebtedness", "Entitled Persons", "Existing Subordinated Indebtedness" or "Other Financial Obligations" shall apply to the debt securities
- . the terms and conditions of any obligation or right of Wachovia or a holder to convert or exchange subordinated debt securities into other securities and
- . any other key aspects of the debt securities not specified in this prospectus. (Section 301)

Where appropriate, the applicable prospectus supplement will describe the U. S. federal income tax considerations relevant to the debt securities.

Unless otherwise described in the relevant prospectus supplement, principal, premium, and interest, if any, on the debt securities will be payable, and the debt securities will be transferable, at the Corporate Trust Office of First Union National Bank in Charlotte, North Carolina, except that interest may be paid at Wachovia's option by check mailed to the address of the holder entitled to it as it appears on the security register. (Sections 301, 305 and 1002)

17

Unless otherwise described in the relevant prospectus supplement, the debt securities will be issued only in fully registered form, without coupons, in denominations of \$1,000 and any integral multiples of \$1,000. (Section 302) The indentures provide that debt securities of any series may be issued in permanent global form (Section 301) and, unless otherwise described in the relevant prospectus supplement, debt securities will be issued in permanent global form. See "Global Securities". No service charge will be made for any registration of transfer or exchange of the debt securities, but Wachovia may require payment to cover any tax or other governmental charge payable in connection with a transfer or exchange. (Section 305)

Both senior debt securities and subordinated debt securities may be issued as original issue discount securities to be offered and sold at a substantial discount below their stated principal amount. Federal income tax consequences and other special considerations that apply to any original issue discount securities will be described in the relevant prospectus supplement. The term "original issue discount security" means any security which provides for an amount less than its principal amount to be due and payable upon the acceleration of its maturity in accordance with the related indenture. (Section 101)

We refer to the relevant prospectus supplement relating to any series of debt securities that are original issue discount securities for the particular provisions relating to acceleration of the maturity of a portion of the principal amount of such original issue discount securities upon a continuing event of default.

Subordination of the Subordinated Debt Securities

Wachovia's obligations to make any payment of the principal and interest on any subordinated debt securities will, to the extent the subordinated indenture

Edgar Filing: WACHOVIA CORP NEW - Form S-3

specifies, be subordinate and junior in right of payment to all of Wachovia's senior indebtedness. Unless otherwise specified in the prospectus supplement relating to a specific series of subordinated debt securities, Wachovia's "senior indebtedness" is defined in the subordinated indenture to mean the principal of, premium and interest, if any, on

- . all Wachovia indebtedness for money borrowed, including indebtedness Wachovia guarantees, other than the subordinated debt securities, whether outstanding on the date of execution of the indenture or incurred afterward, except
 - . any obligations on account of Existing Subordinated Indebtedness and
 - . indebtedness as is by its terms expressly stated to be not superior in payment right to the subordinated debt securities or to rank equal to the subordinated debt securities and
- . any deferrals, renewals or extensions of any such senior indebtedness. (Section 101 of the subordinated indenture)

The payment of the principal and interest on the subordinated debt securities will, to the extent described in the subordinated indenture, be subordinated in payment right to the prior payment of all senior indebtedness. Unless otherwise described in the prospectus supplement relating to the specific series of subordinated debt securities, in certain events of insolvency, the payment of the principal and interest on the subordinated debt securities, other than subordinated debt securities that are also Existing Subordinated Indebtedness, will, to the extent described in the subordinated indenture, also be effectively subordinated in payment right to the prior payment of all Other Financial Obligations. Upon any payment or distribution of assets to creditors under Wachovia's liquidation, dissolution, winding up, reorganization, assignment for the benefit of creditors, or any bankruptcy, insolvency or similar proceedings, all senior indebtedness holders will be entitled to receive payment in full of all amounts due before the subordinated debt securities holders will be entitled to receive any payment in respect of the principal or interest on their securities. If upon any such payment or asset distribution to creditors, there remains, after giving effect to those subordination provisions in favor of senior indebtedness holders, any amount of cash, property or securities available for payment or distribution in respect of

18

subordinated debt securities (defined in the subordinated indenture as "Excess Proceeds") and if, at that time, any Entitled Persons (as defined below) in respect of Other Financial Obligations have not received payment of all amounts due on such Other Financial Obligations, then such Excess Proceeds shall first be applied to pay these Other Financial Obligations before any payment may be applied to the subordinated debt securities which are not Existing Subordinated Indebtedness. In the event of the acceleration of the maturity of any subordinated debt securities, all senior indebtedness holders will be entitled to receive payment of all amounts due before the subordinated debt securities holders will be entitled to receive any payment upon the principal of or interest on their subordinated debt securities. (Sections 1403, 1404 and 1413 of the subordinated indenture)

By reason of such subordination in favor of senior indebtedness holders, in the event of insolvency, Wachovia's creditors who are not senior indebtedness holders or subordinated debt securities holders may recover less, ratably, than senior indebtedness holders and may recover more, ratably, than subordinated

Edgar Filing: WACHOVIA CORP NEW - Form S-3

debt securities holders. By reason of subordinated debt securities' holders (other than Existing Subordinated Indebtedness) to pay over any Excess Proceeds to Entitled Persons in respect to Other Financial Obligations, in the event of insolvency, Existing Subordinated Indebtedness holders may recover less, ratably, than Entitled Persons in respect of Other Financial Obligations and may recover more, ratably, than the subordinated debt securities holders (other than Existing Subordinated Indebtedness).

Unless otherwise specified in the prospectus supplement relating to the particular subordinated debt securities series offered by it, "Existing Subordinated Indebtedness" means subordinated debt securities issued under the subordinated indenture prior to November 15, 1992. (Section 101 of the subordinated indenture)

Unless otherwise specified in the prospectus supplement relating to the particular subordinated debt securities series offered by it, "Other Financial Obligations" means all obligations of Wachovia to make payment under the terms of financial instruments, such as

- . securities contracts and foreign currency exchange contracts
- . derivative instruments such as
 - . swap agreements (including interest rate and foreign exchange rate swap agreements)
 - . cap agreements
 - . floor agreements
 - . collar agreements
 - . interest rate agreements
 - . foreign exchange rate agreements
 - . options
 - . commodity futures contracts
 - . commodity option contracts and
- . similar financial instruments other than
 - . obligations on account of senior indebtedness and
 - . obligations on account of indebtedness for money borrowed ranking equal or subordinate to the subordinated debt securities. (Section 101 of the subordinated indenture)

Unless otherwise described in the prospectus supplement relating to a specific series of subordinated debt securities, "Entitled Persons" means any person who is entitled to payment under the terms of Other Financial Obligations. (Section 101 of the subordinated indenture)

Wachovia's obligations under the subordinated debt securities shall rank equal in right of payment with each other and with the Existing Subordinated Indebtedness, subject, unless otherwise described in the prospectus supplement

Edgar Filing: WACHOVIA CORP NEW - Form S-3

relating to a specific series of subordinated debt securities, to the obligations of subordinated debt securities holders (other than Existing Subordinated Indebtedness) to pay over any Excess Proceeds to Entitled Persons in respect of Other Financial Obligations as provided in the subordinated indenture. (Section 1413 of the subordinated indenture)

The relevant prospectus supplement may further describe the provisions, if any, applicable to the subordination of the subordinated debt securities of a particular series.

Conversion or Exchange

If and to the extent mentioned in the relevant prospectus supplement, any subordinated debt securities series may be convertible or exchangeable into other debt securities or common stock, preferred stock, Class A preferred stock or depositary shares. The specific terms on which any subordinated debt securities series may be so converted or exchanged will be described in the relevant prospectus supplement. These terms may include provisions for conversion or exchange, either mandatory, at the holder's option or at Wachovia's option, in which case the amount or number of securities the subordinated debt securities holders would receive would be calculated at the time and manner described in the relevant prospectus supplement.

Defaults

The Senior Indenture

The senior indenture defines an "event of default" as

- . default in any principal or premium payment on any senior debt security of that series at maturity
- . default for 30 days in interest payment of any senior debt security of that series
- . failure to deposit any sinking fund payment when due in respect of that series
- . Wachovia's failure for 60 days after notice in performing any other covenants or warranties in the senior indenture (other than a covenant or warranty solely for the benefit of other senior debt securities series)
- . failure to pay when due any Wachovia indebtedness or First Union National Bank indebtedness in excess of \$5,000,000, or maturity acceleration of any indebtedness exceeding that amount if acceleration results from a default under the instrument giving rise to that indebtedness and is not annulled within 30 days after due notice
- . Wachovia's or First Union National Bank's bankruptcy, insolvency or reorganization and
- . any other event of default provided for senior debt securities of that series. (Section 501)

The senior indenture provides that, if any event of default for senior debt securities of any series outstanding occurs and is continuing, either the senior trustee or the holders of not less than 25% in principal amount of the outstanding senior debt securities of that series may declare the principal amount (or, if the securities of that series are original issue discount securities, such principal amount portion as the terms of that series specify) of all senior debt securities of that series to be due and payable immediately.

Edgar Filing: WACHOVIA CORP NEW - Form S-3

However, no such declaration is required upon certain bankruptcy events. In addition, upon fulfillment of certain conditions, this declaration may be annulled and past defaults waived by the holders of a majority in principal amount of the outstanding senior debt securities of that series on behalf of all senior debt securities holders of that series. (Sections 502 and 513) In the event of Wachovia's bankruptcy, insolvency or reorganization, senior debt securities holders' claims would fall under the broad equity power of a federal bankruptcy court, and to that court's determination of the nature of those holders' rights.

20

The senior indenture contains a provision entitling the senior trustee, acting under the required standard of care, to be indemnified by the holders of any outstanding senior debt securities series before proceeding to exercise any right or power under the senior indenture at the holders' request. (Section 603) The holders of a majority in principal amount of outstanding senior debt securities of any series may direct the time, method and place of conducting any proceeding for any remedy available to the senior trustee, or exercising any trust or other power conferred on the senior trustee, with respect to the senior debt securities of such series. The senior trustee, however, may decline to act if that direction is contrary to law or the senior indenture or would involve the senior trustee in personal liability. (Section 512)

Wachovia will file annually with the senior trustee a compliance certificate as to all conditions and covenants in the senior indenture. (Section 1007)

The Subordinated Indenture

Subordinated debt securities principal payment may be accelerated only upon an event of default. There is no acceleration right in the case of a default in the payment of interest or principal prior to the maturity date or a default in Wachovia performing any covenants in the subordinated indenture, unless a specific series of subordinated debt securities provide otherwise, which will be described in the relevant prospectus supplement.

The subordinated indenture defines an "event of default" as certain events involving Wachovia's bankruptcy, insolvency or reorganization and any other event of default provided for the subordinated debt securities of that series. (Section 501) The subordinated indenture defines a "default" to include

- . any event of default
- . a default in any principal or premium payment of any subordinated debt security of that series at maturity
- . default in any interest payment when due and continued for 30 days
- . a default in any required designation of funds as "available funds" or
- . default in the performance, or breach, of Wachovia's covenants in the subordinated indenture or in the subordinated debt securities of that series and continued for 90 days after written notice to
 - . Wachovia by the subordinated trustee or
 - . Wachovia and the subordinated trustee by the holders of not less than 25% in aggregate principal amount of the outstanding subordinated debt securities of that series. (Section 503)

Edgar Filing: WACHOVIA CORP NEW - Form S-3

If an event of default for subordinated debt securities of any series occurs and is continuing, either the subordinated trustee or the holders of not less than 25% in aggregate principal amount of the outstanding subordinated debt securities of that series may accelerate the maturity of all outstanding subordinated debt securities of such series. The holders of a majority in aggregate principal amount of the outstanding subordinated debt securities of that series may waive an event of default resulting in acceleration of the subordinated debt securities of such series, but only if all events of default have been remedied and all payments due on the subordinated debt securities of that series (other than those due as a result of acceleration) have been made and certain other conditions have been met. (Section 502) Subject to subordinated indenture provisions relating to the subordinated trustee's duties, in case a default shall occur and be continuing, the subordinated trustee will be under no obligation to exercise any of its rights or powers under the subordinated indenture at the holders' request or direction, unless such holders shall have offered to the subordinated trustee reasonable indemnity. (Section 603) Subject to such indemnification provisions, the holders of a majority in aggregate principal amount of the outstanding subordinated debt securities of that series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the subordinated trustee or exercising any trust or power conferred on the subordinated trustee. (Section 512) The holders of a majority in aggregate principal amount of the outstanding subordinated debt securities of that series may waive any past default under the

21

subordinated indenture with respect to such series, except a default in principal or interest payment or a default of a subordinated indenture covenant which cannot be modified without the consent of each outstanding subordinated debt security holder of the series affected. (Section 513) In the event of Wachovia's bankruptcy, insolvency or reorganization, subordinated debt securities holders' claims would fall under the broad equity power of a federal bankruptcy court, and to that court's determination of the nature of those holders' rights.

Wachovia will file annually with the subordinated trustee a compliance certificate as to all conditions and covenants in the subordinated indenture. (Section 1007)

Modification and Waiver

Each indenture may be modified and amended by Wachovia and the relevant trustee. Certain modifications and amendments require the consent of the holders of at least a majority in aggregate principal amount of the outstanding debt securities of each series issued under that indenture and affected by the modification or amendment. No such modification or amendment may, without the consent of the holder of each outstanding debt security issued under such indenture and affected by it

- . change the stated maturity of the principal, or any installment of principal or interest, on any outstanding debt security
- . reduce any principal amount, premium or interest, on any outstanding debt security, including in the case of an original issue discount security the amount payable upon acceleration of the maturity of that security
- . change the place of payment where, or the coin or currency or currency unit in which, any principal, premium or interest, on any outstanding

Edgar Filing: WACHOVIA CORP NEW - Form S-3

debt security is payable

- . impair the right to institute suit for the enforcement of any payment on or after the stated maturity, or in the case of redemption, on or after the redemption date
- . reduce the above-stated percentage of outstanding debt securities necessary to modify or amend the applicable indenture or
- . modify the above requirements or reduce the percentage of aggregate principal amount of outstanding debt securities of any series required to be held by holders seeking to waive compliance with certain provisions of the relevant indenture or seeking to waive certain defaults. (Section 902)

The holders of at least a majority in aggregate principal amount of the outstanding debt securities of any series may on behalf of all outstanding debt securities holders of that series waive, insofar as that series is concerned, Wachovia's compliance with certain restrictive provisions of the relevant indenture. (Section 1008) The holders of at least a majority in aggregate principal amount of the outstanding debt securities of any series may on behalf of all outstanding debt securities holders of that series waive any past default under the relevant indenture with respect to that series, except a default in the payment of the principal, or premium, if any, or interest on any outstanding debt security of that series or in respect of an indenture covenant which cannot be modified or amended without each outstanding debt security holder consenting. (Section 513)

Certain modifications and amendments of each indenture may be made by Wachovia and the relevant trustee without the outstanding debt securities holders consenting. (Section 901)

Each indenture provides that in determining whether the holders of the requisite principal amount of the outstanding debt securities have given any request, demand, authorization, direction, notice, consent or waiver under that indenture or are present at a meeting of holders of outstanding debt securities for quorum purposes

- . the principal amount of an original issue discount security that shall be deemed to be outstanding shall be the amount of the principal that would be due and payable as of the date of such determination upon acceleration of its maturity and

22

- . the principal amount of outstanding debt securities denominated in a foreign currency or currency unit shall be the U.S. dollar equivalent, determined on the date of original issuance of that outstanding debt security, of the principal amount of that outstanding debt security or, in the case of an original issue discount security, the U.S. dollar equivalent, determined on the date of original issuance of such outstanding debt security, of the amount determined as provided in the above bullet-point. (Section 101)

Consolidation, Merger and Sale of Assets

The indentures each provide that Wachovia may not consolidate with or merge into any other corporation or transfer its properties and assets substantially as an entirety to any person unless

Edgar Filing: WACHOVIA CORP NEW - Form S-3

- . the corporation formed by the consolidation or into which Wachovia is merged, or the person to which Wachovia's properties and assets are so transferred, shall be a corporation organized and existing under the laws of the U.S., any state or Washington, D.C. and shall expressly assume by supplemental indenture the payment of any principal, premium or interest on the debt securities, and the performance of Wachovia's other covenants under the relevant indenture
- . immediately after giving effect to this transaction, no event of default or default, as applicable, and no event which, after notice or lapse of time or both, would become an event of default or default, as applicable, shall have occurred and be continuing and
- . certain other conditions are met. (Section 801)

Limitation on Disposition of First Union National Bank Stock

The indentures each contain Wachovia's covenant that, so long as any of the debt securities issued under that indenture before August 1, 1990 are outstanding, but subject to Wachovia's rights in connection with its consolidation with or merger into another corporation or a sale of Wachovia's assets, it will not sell, assign, transfer, grant a security interest in or otherwise dispose of any shares of, securities convertible into, or options, warrants or rights to subscribe for or purchase shares of, First Union National Bank voting stock, nor will it permit First Union National Bank to issue any shares of, or securities convertible into, or options, warrants or rights to subscribe for or purchase shares of, First Union National Bank voting stock, unless

- . any such sale, assignment, transfer, issuance, grant of a security interest or other disposition is made for fair market value, as determined by Wachovia's board and
- . Wachovia will own at least 80% of the issued and outstanding First Union National Bank voting stock free and clear of any security interest after giving effect to such transaction. (Section 1006)

The above covenant is not a covenant for the benefit of any series of debt securities issued on or after August 1, 1990.

Restriction on Sale or Issuance of Voting Stock of Major Subsidiary Banks

The indentures each contain Wachovia's covenant that it will not, and will not permit any subsidiary to, sell, assign, transfer, grant a security interest in, or otherwise dispose of, any shares of voting stock, or any securities convertible into shares of voting stock, of any "Major Subsidiary Bank" (as defined below) or any subsidiary owning, directly or indirectly, any shares of voting stock of any Major Subsidiary Bank and that it will not permit any Major Subsidiary Bank or any subsidiary owning, directly or indirectly, any shares of voting stock of a Major Subsidiary Bank to issue any shares of its voting stock or any securities convertible into shares of its voting stock, except for sales, assignments, transfers or other dispositions which

- . are for the purpose of qualifying a person to serve as a director
- . are for fair market value, as determined by Wachovia's board, and, after giving effect to such dispositions and to any potential dilution, Wachovia will own not less than 80% of the shares of

Edgar Filing: WACHOVIA CORP NEW - Form S-3

voting stock of such Major Subsidiary Bank or any such subsidiary owning any shares of voting stock of such Major Subsidiary Bank

- . are made
 - . in compliance with court or regulatory authority order or
 - . in compliance with a condition imposed by any such court or authority permitting Wachovia's acquisition of any other bank or entity or
 - . in compliance with an undertaking made to such authority in connection with such an acquisition; provided, in the case of the two preceding bullet-points, the assets of the bank or entity being acquired and its consolidated subsidiaries equal or exceed 75% of the assets of such Major Subsidiary Bank or such subsidiary owning, directly or indirectly, any shares of voting stock of a Major Subsidiary Bank and its respective consolidated subsidiaries on the date of acquisition or
 - . to Wachovia or any wholly-owned subsidiary.

Despite the above requirements, any Major Subsidiary Bank may be merged into or consolidated with another banking institution organized under U.S. or state law, if after giving effect to that merger or consolidation Wachovia or any wholly-owned subsidiary owns at least 80% of the voting stock of the other banking institution free and clear of any security interest and if, immediately after the merger or consolidation, no event of default, and no event which, after notice or lapse of time or both, would become an event of default, shall have happened and be continuing. (Section 1007) A "Major Subsidiary Bank" is defined in each indenture to mean any subsidiary which is a bank and has total assets equal to 25% or more of Wachovia's consolidated assets determined on the date of the most recent audited financial statements of these entities. At present, the Major Subsidiary Banks are First Union National Bank and Wachovia Bank, N.A.

The above covenant is not a covenant for the benefit of any series of debt securities issued before August 1, 1990, or, in the case of subordinated debt securities, issued after November 15, 1992.

Trustees

Either or both of the trustees may resign or be removed with respect to one or more series of debt securities and a successor trustee may be appointed to act with respect to that series. (Section 610) In the event that two or more persons are acting as trustee with respect to different series of debt securities, each such trustee shall be a trustee of a trust under the relevant indenture separate and apart from the trust administered by any other such trustee (Section 611), and any action to be taken by the "trustee" may then be taken by each such trustee with respect to, and only with respect to, the one or more series of debt securities for which it is trustee.

In the normal course of business, Wachovia and its subsidiaries conduct banking transactions with the trustees, and the trustees conduct banking transactions with Wachovia and its subsidiaries.

Title

Wachovia, the trustees and any of their agents may treat the registered owner of any debt security as the absolute owner of that security, whether or not that debt security is overdue and despite any notice to the contrary, for any purpose. See "Global Securities".

DESCRIPTION OF WARRANTS

The following information outlines some of the provisions of each warrant agreement, the warrants and the warrant certificates. This information may not be complete in all respects and is qualified entirely by reference to the relevant warrant agreement with respect to the warrants of any particular series. The specific terms of any series of warrants will be described in the relevant prospectus supplement. If so described in a prospectus supplement, the terms of that series of warrants may differ from the general description of terms presented below.

General

Wachovia may issue warrants for the purchase of its debt securities, preferred stock, Class A preferred stock, depositary shares or common stock. Warrants may be issued independently or together with debt securities, preferred stock, Class A preferred stock, depositary shares or common stock, and may be attached to or separate from those securities.

Each series of warrants will be evidenced by certificates issued under a separate warrant agreement to be entered into between Wachovia and a bank, as warrant agent, selected by Wachovia with respect to such series, having its principal office in the U.S. and having combined capital and surplus of at least \$50,000,000.

The relevant prospectus supplement relating to a series of warrants will mention the name and address of the warrant agent. The relevant prospectus supplement will describe the terms of the series of warrants in respect of which this prospectus is being delivered, including

- . the offering price
- . the currency for which such warrants may be purchased
- . the designation and terms of the securities with which the warrants are issued and the number of warrants issued with each such security or each principal amount of such security
- . the date which the warrants and the related securities will be separately transferable
- . in the case of warrants to purchase debt securities, the principal amount of debt securities that can be purchased upon exercise of one warrant, and the price and currency for purchasing those debt securities upon exercise and, in the case of warrants to purchase preferred stock, Class A preferred stock, depositary shares or common stock, the number of depositary shares or shares of preferred stock, Class A preferred stock or common stock, as the case may be, that can be purchased upon the exercise of one warrant, and the price for purchasing such shares upon this exercise
- . the dates on which the right to exercise the warrants will commence and expire
- . certain federal income tax consequences of holding or exercising those warrants

Edgar Filing: WACHOVIA CORP NEW - Form S-3

- . the terms of the securities issuable upon exercise of those warrants and
- . any other terms of the warrants.

Warrant certificates may be exchanged for new warrant certificates of different denominations, may be presented for transfer registration, and may be exercised at the warrant agent's corporate trust office or any other office indicated in the relevant prospectus supplement. If the warrants are not separately transferable from the securities with which they were issued, this exchange may take place only if the certificates representing such related securities are also exchanged. Prior to warrant exercise, warrant holders will not have any rights as holders of the securities purchasable upon such exercise, including, in the case of warrants to purchase debt securities, the right to receive principal, premium, if any, or interest payments, on the debt securities purchasable upon such exercise or to enforce covenants in the applicable indenture or, in the case of warrants to purchase preferred

25

stock, Class A preferred stock, depositary shares or common stock, the right to receive any dividends, or payments upon Wachovia's liquidation, dissolution or winding up or to exercise any voting rights.

Where appropriate, the applicable prospectus supplement will describe the U.S. federal income tax considerations relevant to the warrants.

Exercise of Warrants

Each warrant will entitle the holder to purchase the securities specified in the relevant prospectus supplement at the exercise price mentioned in, or calculated as described in, the relevant prospectus supplement. Unless otherwise specified in the relevant prospectus supplement, warrants may be exercised at any time up to 5:00 p.m., New York time, on the expiration date mentioned in that prospectus supplement. After the close of business on the expiration date, unexercised warrants will become void.

Warrants may be exercised by delivery of the warrant certificate representing the warrants to be exercised, or in the case of global securities, as described below under "Global Securities", by delivery of an exercise notice for those warrants, together with certain information, and payment to the warrant agent in immediately available funds, as provided in the relevant prospectus supplement, of the required purchase amount. The information required to be delivered will be on the reverse side of the warrant certificate and in the relevant prospectus supplement. Upon receipt of such payment and the warrant certificate or exercise notice properly executed at the warrant agent's corporate trust office or any other office indicated in the relevant prospectus supplement, Wachovia will, in the time period the relevant warrant agreement provides, issue and deliver the securities purchasable upon such exercise. If fewer than all of the warrants represented by such warrant certificate are exercised, a new warrant certificate will be issued for the remaining amount of warrants.

If mentioned in the relevant prospectus supplement, securities may be surrendered as all or part of the exercise price for warrants.

Antidilution Provisions

In the case of warrants to purchase common stock, the exercise price payable and the number of common stock shares to be purchased upon warrant exercise may be adjusted in certain events, including

Edgar Filing: WACHOVIA CORP NEW - Form S-3

- . the issuance of a stock dividend to common stockholders or a combination, subdivision or reclassification of common stock
- . the issuance of rights, warrants or options to all common stockholders entitling them to purchase common stock for an aggregate consideration per share less than the current market price per common stock share
- . any Wachovia distribution to its common stockholders of evidences of Wachovia's indebtedness or of assets, excluding cash dividends or distributions referred to above and
- . any other events mentioned in the relevant prospectus supplement.

No adjustment in the number of shares purchasable upon warrant exercise will be required until cumulative adjustments require an adjustment of at least 1% of such number. No fractional shares will be issued upon warrant exercise, but Wachovia will pay the cash value of any fractional shares otherwise issuable.

Modification

Wachovia and the relevant warrant agent may amend any warrant agreement and the terms of the related warrants by executing a supplemental warrant agreement, without any such warrant holders consent, for the purpose of

- . curing any ambiguity, any defective or inconsistent provision contained in the warrant agreement, or making any other corrections to the warrant agreement that are not inconsistent with the provisions of the warrant certificates

26

- . evidencing the succession of another corporation to Wachovia and their assumption of Wachovia's covenants contained in the warrant agreement and the warrants
- . appointing a successor depository, if the warrants are issued in the form of global securities
- . evidencing a successor warrant agent's acceptance of appointment with respect to the warrants
- . adding to Wachovia's covenants for the warrant holders' benefit or surrendering any right or power conferred upon Wachovia under the warrant agreement
- . issuing warrants in definitive form, if such warrants are initially issued in the form of global securities or
- . amending the warrant agreement and the warrants as Wachovia deems necessary or desirable and that will not adversely affect the warrant holders' interests in any material respect.

Wachovia and the warrant agent may also amend any warrant agreement and the related warrants by a supplemental agreement with the consent of the holders of a majority of the unexercised warrants such amendment affects, for the purpose of adding, modifying or eliminating any of the warrant agreement's provisions or of modifying the holders' rights. However, no such amendment that

- . changes the number or amount of securities purchasable upon warrant

Edgar Filing: WACHOVIA CORP NEW - Form S-3

exercise so as to reduce the number of securities receivable upon this exercise

- . shortens the time period during which the warrants may be exercised
- . otherwise adversely affects the exercise rights of such warrant holders in any material respect or
- . reduces the number of unexercised warrants the consent of holders of which is required for amending the warrant agreement or the related warrants,

may be made without the consent of each holder affected by that amendment.

Consolidation, Merger and Sale of Assets

Each warrant agreement will provide that Wachovia may consolidate or merge with or into any other corporation or sell, lease, transfer or convey all or substantially all of its assets to any other corporation, provided that

- . either Wachovia must be the continuing corporation, or the corporation other than Wachovia formed by or resulting from any consolidation or merger or that receives the assets must be organized and existing under U.S. or state law and must assume Wachovia's obligations for the unexercised warrants and the performance of all covenants and conditions of the relevant warrant agreement and
- . Wachovia or that successor corporation must not immediately be in default under that warrant agreement.

Enforceability of Rights by Holders of Warrants

Each warrant agent will act solely as Wachovia's agent under the relevant warrant agreement and will not assume any obligation or relationship of agency or trust for any warrant holder. A single bank or trust company may act as warrant agent for more than one issue of warrants. A warrant agent will have no duty or responsibility in case Wachovia defaults in performing its obligations under the relevant warrant agreement or warrant, including any duty or responsibility to initiate any legal proceedings or to make any demand upon Wachovia. Any warrant holder may, without the warrant agent's consent or of any other warrant holder, enforce by appropriate legal action its right to exercise, and receive the securities purchasable upon exercise of, that warrant.

27

Replacement of Warrant Certificates

Wachovia will replace any destroyed, lost, stolen or mutilated warrant certificate upon delivery to Wachovia and the relevant warrant agent of evidence satisfactory to them of the ownership of that warrant certificate and of the destruction, loss, theft or mutilation of that warrant certificate, and (in the case of mutilation) surrender of that warrant certificate to the relevant warrant agent, unless Wachovia or the warrant agent has received notice that the warrant certificate has been acquired by a bona fide purchaser. That warrant holder will also be required to provide indemnity satisfactory to the relevant warrant agent and Wachovia before a replacement warrant certificate will be issued.

Title

Edgar Filing: WACHOVIA CORP NEW - Form S-3

Wachovia, the warrant agents and any of their agents may treat the registered holder of any warrant certificate as the absolute owner of the warrants evidenced by that certificate for any purpose and as the person entitled to exercise the rights attaching to the warrants so requested, despite any notice to the contrary. See "Global Securities".

ERISA CONSIDERATIONS

This section is only relevant to you if you are an insurance company or the fiduciary of a pension plan or an employee benefit plan proposing to invest in the securities.

Wachovia and certain of its affiliates may each be considered a "party in interest" within the meaning of the U.S. Employee Retirement Income Security Act of 1974, as amended, which we call "ERISA", or a "disqualified person" within the meaning of the U.S. Internal Revenue Code of 1986, as amended, with respect to many employee benefit plans. Prohibited transactions within the meaning of ERISA or the Internal Revenue Code may arise, for example, if the debt securities or warrants are acquired by or with the assets of a pension or other employee benefit plan for which Wachovia or any of its affiliates is a service provider, unless those securities are acquired under an exemption for transactions effected on behalf of that plan by a "qualified professional asset manager" or an "in-house asset manager" or under any other available exemption. The assets of a pension or other employee benefit plan may include assets held in the general account of an insurance company that are deemed to be "plan assets" under ERISA.

If you are an insurance company or the fiduciary of a pension plan or an employee benefit plan and propose to invest in the securities described in this prospectus or the applicable prospectus supplement, you should consult your legal counsel.

GLOBAL SECURITIES

Unless otherwise mentioned in the relevant prospectus supplement, securities other than common stock will be issued in the form of one or more global certificates, or "global securities", registered in the name of a depository or its nominee. Unless otherwise mentioned in the relevant prospectus supplement, the depository will be The Depository Trust Company, commonly referred to as DTC. DTC has informed Wachovia that its nominee will be Cede & Co. Accordingly, we expect Cede & Co. to be the initial registered holder of all securities that are issued in global form. No person that acquires a beneficial interest in those securities will be entitled to receive a certificate representing that person's interest in the securities except as mentioned herein or in the relevant prospectus supplement. Unless and until definitive securities are issued under the limited circumstances described below, all references to actions by holders of securities issued in global form shall refer to actions taken by DTC upon instructions from its participants, and all references to payments and notices to holders shall refer to payments and notices to DTC or Cede & Co., as the registered holder of these securities.

28

DTC has informed Wachovia that it is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that DTC participants deposit with DTC. DTC also facilitates the settlement among DTC participants of

Edgar Filing: WACHOVIA CORP NEW - Form S-3

securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in DTC participants' accounts, thereby eliminating the need for physical movement of certificates. DTC participants include securities brokers and dealers, banks, trust companies and clearing corporations, and may include other organizations. DTC is owned by a number of its direct participants and by the New York Stock Exchange, Inc., the American Stock Exchange, LLC and the National Association of Securities Dealers, Inc. Indirect access to the DTC system also is available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly. The rules applicable to DTC and DTC participants are on file with the Commission.

Persons that are not participants or indirect participants but desire to purchase, sell or otherwise transfer ownership of, or other interests in, securities may do so only through participants and indirect participants. Under a book-entry format, holders may experience some delay in their receipt of payments, as such payments will be forwarded by Wachovia's designated agent to Cede & Co., as nominee for DTC. DTC will forward such payments to its participants, who will then forward them to indirect participants or holders. Holders will not be recognized by the relevant registrar, transfer agent, trustee, depository or warrant agent as registered holders of the securities entitled to the benefits of Wachovia's articles or the applicable indenture, deposit agreement or warrant agreement. Beneficial owners that are not participants will be permitted to exercise their rights only indirectly through and according to the procedures of participants and, if applicable, indirect participants.

Under the rules, regulations and procedures creating and affecting DTC and its operations as currently in effect, DTC will be required to make book-entry transfers of securities among participants and to receive and transmit payments to participants. DTC rules require participants and indirect participants with which beneficial securities owners have accounts to make book-entry transfers and receive and transmit payments on behalf of their respective account holders.

Because DTC can act only on behalf of

- . participants, who in turn act only on behalf of participants or indirect participants and
- . certain banks, trust companies and other persons approved by it,

the ability of a beneficial owner of securities issued in global form to pledge such securities to persons or entities that do not participate in the DTC system may be limited due to the unavailability of physical certificates for these securities.

DTC has advised Wachovia that DTC will take any action permitted to be taken by a registered holder of any securities under Wachovia's articles or the relevant indenture, deposit agreement or warrant agreement only at the direction of one or more participants to whose accounts with DTC such securities are credited.

Unless otherwise mentioned in the relevant prospectus supplement, a global security will be exchangeable for the relevant definitive securities registered in the names of persons other than DTC or its nominee only if

- . DTC notifies Wachovia that it is unwilling or unable to continue as depository for that global security or if DTC ceases to be a clearing agency registered under the Exchange Act when DTC is required to be so registered

Edgar Filing: WACHOVIA CORP NEW - Form S-3

- . Wachovia executes and delivers to the relevant registrar, transfer agent, trustee, depository and/or warrant agent an order complying with the requirements of Wachovia's articles or the relevant indenture, deposit agreement and/or warrant agreement that this global security shall be so exchangeable or

29

- . there has occurred and is continuing a default in the payment of any amount due in respect of the securities or, in the case of debt securities, an event of default or an event that, with the giving of notice or lapse of time, or both, would constitute an event of default with respect to these debt securities.

Any global security that is exchangeable under the preceding sentence will be exchangeable for securities registered in such names as DTC directs.

Upon the occurrence of any event described in the above paragraph, DTC is generally required to notify all participants of the availability of definitive securities. Upon DTC surrendering the global security representing the securities and delivery of instructions for re-registration, the registrar, transfer agent, trustee, depository or warrant agent, as the case may be, will reissue the securities as definitive securities, and then such persons will recognize the holders of such definitive securities as registered holders of securities entitled to the benefits of Wachovia's articles or the relevant indenture, deposit agreement and/or warrant agreement.

Except as described above, the global security may not be transferred except as a whole by DTC to a nominee of DTC or by a nominee of DTC to DTC or another nominee of DTC or to a successor depository Wachovia appoints. Except as described above, DTC may not sell, assign, transfer or otherwise convey any beneficial interest in a global security evidencing all or part of any securities unless the beneficial interest is in an amount equal to an authorized denomination for these securities.

None of Wachovia, the trustees, any registrar and transfer agent, any warrant agent or any depository, or any agent of any of them, will have any responsibility or liability for any aspect of DTC's or any participant's records relating to, or for payments made on account of, beneficial interests in a global security, or for maintaining, supervising or reviewing any records relating to such beneficial interests.

Secondary trading in notes and debentures of corporate issuers is generally settled in clearing-house or next-day funds. In contrast, beneficial interests in a global security, in some cases, may trade in the DTC's same-day funds settlement system, in which secondary market trading activity in those beneficial interests would be required by DTC to settle in immediately available funds. There is no assurance as to the effect, if any, that settlement in immediately available funds would have on trading activity in such beneficial interests. Also, settlement for purchases of beneficial interests in a global security upon the original issuance of this security may be required to be made in immediately available funds.

PLAN OF DISTRIBUTION

Wachovia may sell securities to or through underwriters, including Wachovia Securities, an affiliate of Wachovia, to be designated at various times, and also may sell securities directly to other purchasers or through agents. Wachovia conducts its investment banking, institutional and capital markets

Edgar Filing: WACHOVIA CORP NEW - Form S-3

business businesses through its various bank, broker-dealer and non-bank subsidiaries, including First Union Securities, Inc., under the trade name "Wachovia Securities." Unless otherwise stated, any reference to "Wachovia Securities" herein shall mean First Union Securities, Inc., and shall not include Wachovia Securities, Inc., member NASD/SIPC, a separate broker-dealer subsidiary of Wachovia, which is not participating in this distribution. The distribution of securities may be effected at various times in one or more transactions at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

The debt securities, preferred stock, Class A preferred stock, depositary shares and warrants will be new issues of securities with no established trading market. It has not presently been established whether the underwriters, if any, of these securities will make a market in these securities. If a market in these securities is made by those underwriters, this market making may be discontinued at any time without notice. No assurance can be given as to the liquidity of the trading market for these securities.

This prospectus and the related prospectus supplements may be used by First Union Securities, Inc., an indirect, wholly-owned subsidiary of Wachovia, for offers and sales related to market-making transactions in the securities. Wachovia Securities may act as principal or agent in these transactions. These sales will be made at prices related to prevailing market prices at the time of sale or otherwise.

30

In facilitating the sale of securities, underwriters may receive compensation from Wachovia or from purchasers of securities for whom they may act as agents in the form of discounts, concessions or commissions. Underwriters may sell securities to or through dealers, and these dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Underwriters, dealers and agents that participate in the distribution of securities may be considered underwriters, and any discounts or commissions received by them from Wachovia and any profit on the resale of securities by them may be considered underwriting discounts and commissions under the Securities Act. Any such underwriter or agent will be identified, and any such compensation received from Wachovia will be described, in the prospectus supplement relating to those securities.

Unless otherwise mentioned in the relevant prospectus supplement, the obligations of any underwriters to purchase the securities will be subject to certain conditions precedent, and each of the underwriters with respect to a sale of securities will be obligated to purchase all of its securities if any are purchased. Unless otherwise mentioned in the relevant prospectus supplement, any such agent involved in the offer and sale of the securities in respect of which this prospectus is being delivered will be acting on a best efforts basis for the period of its appointment.

In connection with an offering of securities, underwriters may purchase and sell these securities in the open market. These transactions may include over-allotment and stabilizing transactions and purchases to cover short positions created by underwriters with respect to the offering. Stabilizing transactions consist of certain bids or purchases for preventing or retarding a decline in the market price of the securities; and short positions created by underwriters involve the sale by underwriters of a greater number of securities than they are required to purchase from Wachovia in the offering. Underwriters also may impose a penalty bid, by which selling concessions allowed to

broker-dealers in respect of the securities sold in the offering may be reclaimed by underwriters if such securities are repurchased by underwriters in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the securities, which may be higher than the price that might otherwise prevail in the open market; and these activities, if commenced, may be discontinued at any time. These transactions may be effected on the New York Stock Exchange, in the over-the-counter market or otherwise.

Under agreements which Wachovia may enter into, underwriters, agents and their controlling persons who participate in the distribution of securities may be entitled to indemnification by Wachovia against certain liabilities, including liabilities under the Securities Act.

If so noted in the prospectus supplement relating to any securities, Wachovia will authorize dealers or other persons acting as Wachovia's agents to solicit offers by certain institutions to purchase any securities from Wachovia under contracts providing for payment and delivery on a future date. Institutions with which these contracts may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others. Wachovia must approve such institutions in all cases. The obligations of any purchaser under any of these contracts will be subject to the condition that the purchase of any securities shall not at the time of delivery be prohibited under the laws of the jurisdiction to which such purchaser is subject. The underwriters and such other agents will not have any responsibility in respect of the validity or performance of such contracts.

The participation of Wachovia Securities in the offer and sale of the securities must comply with the requirements of Rule 2720 of the National Association of Securities Dealers, Inc. regarding underwriting securities of an "affiliate". No NASD member participating in offers and sales will execute a transaction in the securities in a discretionary account without the prior specific written approval of such member's customer.

If Wachovia offers and sells securities directly to a purchaser or purchasers in respect of which this prospectus is delivered, purchasers involved in the reoffer or resale of such securities, if these purchasers may be considered underwriters as that term is defined in the Securities Act, will be named and the terms of their reoffers

or resales will be mentioned in the relevant prospectus supplement. These purchasers may then reoffer and resell such securities to the public or otherwise at varying prices to be determined by such purchasers at the time of resale or as otherwise described in the relevant prospectus supplement. Purchasers of securities directly from Wachovia may be entitled under agreements that they may enter into with Wachovia to indemnification by Wachovia against certain liabilities, including liabilities under the Securities Act, and may engage in transactions with or perform services for Wachovia in the ordinary course of their business or otherwise.

Underwriters or agents and their associates may be customers of (including borrowers from), engage in transactions with, and/or perform services for, Wachovia, the senior trustee and the subordinated trustee, in the ordinary course of business.

Item 15. Indemnification of Directors and Officers.

Sections 55-8-50 through 55-8-58 of the NCBC Act contain specific provisions relating to indemnification of directors and officers of North Carolina corporations. In general, the statute provides that (i) a corporation must indemnify a director or officer against reasonable expenses who is wholly successful in his defense of a proceeding to which he is a party because of his status as such, unless limited by the articles of incorporation, and (ii) a corporation may indemnify a director or officer if he is not wholly successful in such defense, if it is determined as provided in the statute that the director or officer meets a certain standard of conduct, provided when a director or officer is liable to the corporation or liable on the basis of receiving a personal benefit, the corporation may not indemnify him. The statute also permits a director or officer of a corporation who is a party to a proceeding to apply to the courts for indemnification, unless the articles of incorporation provide otherwise, and the court may order indemnification under certain circumstances set forth in the statute. The statute further provides that a corporation may in its articles of incorporation or bylaws or by contract or resolution provide indemnification in addition to that provided by the statute, subject to certain conditions set forth in the statute.

Wachovia's bylaws provide for the indemnification of Wachovia's directors and executive officers by Wachovia against liabilities arising out of his status as such, excluding any liability relating to activities which were at the time taken known or believed by such person to be clearly in conflict with the best interests of Wachovia. Wachovia's articles of incorporation provide for the elimination of the personal liability of each director of Wachovia to the fullest extent permitted by the provisions of the NCBC Act, as the same may from time to time be in effect.

Wachovia maintains directors and officers liability insurance. In general, the policy insures (i) Wachovia's directors and officers against loss by reason of any of their wrongful acts, and/or (ii) Wachovia against loss arising from claims against the directors and officers by reason of their wrongful acts, all subject to the terms and conditions contained in the policy.

Under agreements which may be entered into by Wachovia, certain controlling persons, directors and officers of Wachovia may be entitled to indemnification by underwriters and agents who participate in the distribution of securities covered by the registration statement against certain liabilities, including liabilities under the Securities Act of 1933.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

II-3

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment

Edgar Filing: WACHOVIA CORP NEW - Form S-3

any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Wachovia pursuant to the foregoing provisions or otherwise (other than insurance), Wachovia has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than insurance or the payment by Wachovia of expenses incurred or paid by a director, officer or controlling person of Wachovia in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Wachovia will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
