PROXY STATEMENT

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form DEF 14A

ANNUAL MEETING OF SHAREHOLDERS

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Gyrodyne Company of America, Inc. (the "Company") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held November 11, 2004 at 11:00 a.m., Eastern Time at Flowerfield Celebrations, Mills Pond Road, Saint James, New York 11780 and at any and all adjournments thereof.

VOTING SECURITIES AND PROXIES

The Board has fixed the close of business on September 24, 2004 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. The securities which may be voted at the Annual Meeting consist of shares of common stock, par value \$1.00 per share, of the Company (the "Common Stock"). Holders of Common Stock are entitled to one vote per share. Shareholders do not have cumulative voting rights. It is necessary for a quorum that record holders of a majority of the shares be represented by proxy or in person at the Annual Meeting. The number of shares of Common Stock, the Company's only authorized class of stock, outstanding on the Record Date was 1,168,241. This Proxy Statement and the enclosed proxy card were mailed starting on or about October 13, 2004.

Proxies solicited by the Board will be voted in accordance with the instructions given therein. Where no instructions are indicated, proxies will be voted "FOR" the election of the nominees for director. Directors shall be elected by a plurality of the votes cast. The appointment of independent accountants will be ratified by a majority of the votes cast. If you do not return your duly signed proxy card, your shares cannot be voted unless you attend the Annual Meeting and vote in person or present a duly signed proxy at the Annual Meeting. Proxies solicited hereby will be tabulated by inspectors of election designated by the Board of Directors, who will not be directors or officers of the Company. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company for safekeeping.

Management does not know of any other matters that may be presented. If any other matters properly come before the Annual Meeting or adjournments thereof, the persons named in the enclosed proxy will vote on such matters in accordance with their best judgment pursuant to the discretionary authority included in the proxy.

The cost of soliciting proxies will be paid by the Company. In addition to solicitation by mail, officers, directors, and regular employees of the Company may, without compensation other than their regular compensation, solicit proxies by telephone, by fax or in person. Brokerage houses and other custodians, nominees and fiduciaries will be requested to forward solicitation materials to their principals and the Company will reimburse the expense of so doing. In addition, Mackenzie Partners Inc., a proxy solicitation firm, will assist the Company in soliciting proxies for the Annual Meeting and will be paid a fee of \$5,000 plus out-of-pocket expenses.

Any shareholder executing the enclosed proxy has the right to revoke it at any time prior to its exercise by delivering to the Company a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to attend the Annual Meeting and to vote personally at the Annual Meeting.

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form DEF 14A

Independence

The majority of the members of the Board of Directors are independent directors as defined by the listing requirements of The NASDAQ Stock Market.

Committees

The Board of Directors of the Company has established the following committees:

The Executive Committee currently consists of two non-employee members and Mr. Maroney. Directors presently serving on the Executive Committee include Mr. Lamb (Chairman), Mr. Maroney and Mr. Palmedo. The Executive Committee exercises all the authority of the Board of Directors in the management and business affairs of the Company during the intervals between meetings of the Board except with respect to certain matters that by statute may not be delegated by the Board of Directors. The committee did not meet during FY 2004.

The Audit Committee meets with the Company's independent auditors annually to review financial results, audited financial statements, internal financial controls and procedures and audit plans and recommendations. The Audit Committee also recommends the selection, retention or termination of the Company's independent auditors, approves services to be provided by the independent public accountants and evaluates the possible effect the performance of such services will have on the accountants' independence. The Company has adopted a written charter for the Audit Committee, a copy of which is attached hereto as an exhibit. All of the members of the Audit Committee are independent directors as defined by the listing requirements of The NASDAQ Stock Market. The Board has de-

terminated that Mr. Smith qualifies as an "audit committee financial expert" as a result of relevant experience. The Audit Committee met four (4) times during Fiscal Year 2004 and its current members include Mr. Smith, Mr. Palmedo and Mr. Macklin.

The Executive Compensation Committee consists entirely of non-employee directors and oversees the Company's compensation and benefit policies and programs. It recommends to the Board annual salaries, bonuses and other benefits for elected officers. The Committee met once in Fiscal Year 2004 and its members currently include Mr. Beyer, Mr. Palmedo (Chairman) and Mr. Macklin.

The Nominating Committee consists entirely of non-employee directors and recommends guidelines to the Board regarding the size and composition of the Board and criteria for the selection of nominees. It also recommends the slate of director nominees to be included in the Proxy Statement and recommends candidates for vacancies which may occur. The Nominating Committee has a written charter, which is available on the Company's website, www.gyrodyne.com. Each member of the Nominating Committee is an independent director as defined by the listing standards of The NASDAQ Stock Market. The Nominating Committee will accept for consideration stockholders' nominations for directors if made in writing. The nominee's written consent to the nomination and sufficient

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form DEF 14A

background information on the candidate must be included to enable the Committee to make proper judgments as to his or her qualifications. Nominations must be addressed to the Secretary of the Company at the Company's headquarters and must be received no later than the deadline for submissions of stockholders proposals in order to be considered for the next annual election of directors. The Nominating Committee believes that having directors with relevant experience in business and industry, government, education and other areas is beneficial and the Committee seeks to monitor the skills and experience of the Company's directors. All identified candidates, including shareholder-proposed candidates, are evaluated by the Committee using generally the same methods and criteria, although those methods and criteria are not standardized and may vary from time-to-time. The Committee met once during FY 2004 and its members currently include Mr. Smith and Mr. Beyer.

Communication with the Board of Directors

The Board does not currently provide a process for shareholders to send communications to the Board or any of the directors. The Company believes that senior management, as opposed to individual directors, provides the public voice of the Company, and that shareholders can effectively communicate with the Company by contacting the management of the Company through either regular mail, email or in person. Shareholders also have meaningful access to the Board through the shareholder proposal process, which is described below.

Board Attendance Policy

The Company encourages, but does not require, all of its directors to attend annual shareholders meetings of the Company. Last year all of the directors were in attendance at the annual meeting of the Company's shareholders.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

The Company's executive compensation program is administered by the Executive Compensation Committee of the Board. The Committee reviews and recommends compensation for executive officers. The Committee's recommendations are considered by the Board's non-employee directors.

The goal of the Company's Executive Compensation Committee is to ensure that an appropriate relationship exists between executive compensation and the creation of shareholder value, while at the same time motivating and retaining key employees. Salary guidelines for executive officers are established by comparing responsibilities of the position to similar positions in other comparable companies. The Company has long believed in the importance of aligning the interests of executives and shareholders through stock ownership by key

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form DEF 14A

employees. The primary components of compensation, base salary and stock option awards are designed to accomplish the Committee's goals.

The Committee evaluates management based on the Company's financial and non-financial performance recognizing that land and property management constitute the major portion of the Company's business activities.

Comparisons of the Company's compensation levels with those of similar land management and property rental organizations are extremely limited and primarily based on estimates since most are privately owned and not required to make public disclosures. In light of these estimations, it is the Committee's opinion that the Company's level of overall compensation is competitive and in the low to mid range on a comparative basis.

It is the position of both the Executive Compensation and the Stock Option Committees that management's performance can best be evaluated based on its ability to formulate, oversee and administer corporate strategy, which itself is the product of Board action and direction. For the foreseeable future, that strategy is to focus primarily on continued progress in the real estate operation, principally the development of Flowerfield.

In establishing the compensation for Messrs. Maroney and Pitsiokos, the Committee observes the policy set forth above for Executive Officers. No specific weighting is applied to the various factors in determining total compensation.

Employment Contracts

Effective January 23, 2003, the Company entered into amended and restated employment agreements with Stephen V. Maroney as President, Chief Executive Officer, and Treasurer and Peter Pitsiokos as Executive Vice President, Secretary, and General Counsel. Their annual salaries are currently at \$209,500 and \$152,500, respectively. The terms of the agreements were extended from one to three years, contain evergreen provisions, and provide for severance payments equivalent to three years' salary in the event of a change in control. Both agreements were attached as Exhibit 10, Material Contracts, in the 10-QSB dated January 31, 2003.

1993 Stock Incentive Plan

In 1993, the shareholders adopted a stock incentive plan (the "Plan") under which participants may be granted Incentive Stock Options ("ISOs"), Non-Qualified Stock Options ("NQSOs") or Stock Grants. The purpose of the Plan is to promote the overall financial objectives of the Company and its shareholders by motivating those persons selected to participate in the Plan to achieve growth in shareholder value and retain the association of those individuals who are instrumental in achieving this growth. Such options or grants become exercisable at various intervals based upon vesting schedules as determined by the Stock Option Committee. The options expire between October 2004 and May 2008. There are no remaining shares or rights available for issuance under this plan. No options or SARs were issued during the last fiscal year.

Incentive Compensation Plan

The Company has an incentive compensation plan for all full-time employees and members of the Board in order to promote shareholder value. The benefits of the incentive compensation plan are realized only upon a change in control of the Company. Change in control is defined as the accumulation by any person, entity or group of 30% or more of the combined voting power of the Company's voting stock or the occurrence of certain other specified events. In the event of a change in control, the Company's plan provides for a cash payment equal to the difference between the plan's "establishment date" price of \$15.39 per share and the per share price of the Common Stock on the closing date, equivalent to 100,000 shares of Common Stock. The payment amount would be distributed to eligible participants based upon their respective weighted percentages (ranging from .5% to 18.5%).

TRANSACTIONS WITH CERTAIN RELATED PERSONS

There were two transactions in the current year and one in the prior year involving officers, directors or beneficial owners of more than 5% of the

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form DEF 14A

Company's common stock, or any relative or spouse of the foregoing persons, that had a direct or indirect interest in any transaction involving the Company or its subsidiaries which exceeded \$60,000. The Company currently has a mortgage receivable in the principal amount of \$1,800,000 due from Gerard Scollan, a former tenant and current beneficial owner of more than five percent of the Company's Common Stock. The mortgage bears interest at 5% annually and the Company received \$90,000 in interest during the current fiscal year and less than \$60,000 in the prior fiscal year. The Company believes that the terms of the mortgage are no less favorable to the Company than could have been obtained from an unaffiliated third party.

Mr. Paul L. Lamb, Chairman of the Board of Directors, is a partner in the law firm of Lamb & Barnosky, LLP, which performs legal services for the Company and is paid its usual and customary fees for those services. In Fiscal Year 2004, total fees paid to Lamb & Barnosky, LLP were \$228,962 and in Fiscal Year 2003 total fees paid amounted to \$119,201.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that the Company's directors, executive officers and any person holding more than ten percent of the Company's Common Stock file with the SEC reports of ownership changes, and that such individuals furnish the Company with copies of the reports.

Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, the Company believes that none of the executive officers or directors were late in filing any required Forms 3 or Forms 4 with the SEC for fiscal year 2004. A review of prior year filings indicates that no 10% holder of Gyrodyne Common Stock failed to file timely reports.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (Proposal 2)

The Board of Directors, upon the recommendation of the Audit Committee, comprised entirely of outside directors, has appointed Holtz Rubenstein Reminick LLP ("HR") of 125 Baylis Road, Melville, New York 11747, as independent public accountants of the Company and its subsidiaries for the current Fiscal Year, and to perform such other professional services, if any, as may be required of them. The appointment of HR has been ratified by the shareholders every year since 1990. The Board is requesting ratification of HR as independent public accountants. This firm has no financial interest in the Company or any connection with the Company other than as auditors and independent public accountants.

In the event the proposal is defeated, the adverse vote will be considered a direction to the Board to select other independent public accountants for the next fiscal year. However, because of the expense and difficulty of making any substitution of independent public accountants after the beginning of a fiscal

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form DEF 14A

period, it is contemplated that the appointment for 2005 will be permitted to stand unless the Board finds other reasons for making the change.

Audit Fees. Audit fees with out of pocket expenses billed or expected to be billed to the Company by HR for the audit of the Company's financial statements for the fiscal year ended April 30, 2004 and for reviews of the Company's financial statements included in the Company's quarterly reports on Form 10-QSB for the last fiscal year totaled \$40,000 and for Fiscal Year 2003 totaled \$38,500.

Audit-Related Fees. Audit-related fees, consisting of aggregate fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements that are not reported under "Audit Fees" totaled \$8,800 in Fiscal Year 2004 and totaled \$11,575 for Fiscal Year 2003.

Tax Fees. Aggregate fees billed for professional services rendered for tax compliance, tax planning and tax advice totaled \$13,100 in Fiscal Year 2004 and \$12,000 in Fiscal Year 2003.

All Other Fees. No other fees were billed or expected to be billed to the Company by HR for other products and services provided during the two last fiscal years.

Representatives of HR are expected to be present at the Annual Meeting, will be given an opportunity to make a statement if they desire to do so and are expected to be available at a designated time during the meeting to respond to appropriate questions.

The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent auditors. All of the fees shown above were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THIS PROPOSAL.
THIS IS IDENTIFIED AS ITEM 2 ON THE ENCLOSED PROXY CARD.

Accompanying this Proxy Statement is the Annual Report for the latest Fiscal Year ended April 30, 2004 which includes audited Balance Sheets and Statements of Income and Cash Flow for each of the two most recent fiscal years.

2005 STOCKHOLDER'S PROPOSALS

If a shareholder wishes to have a particular proposal considered by the Board for inclusion in the Company's Proxy Statement for an Annual Meeting of Shareholders, the shareholder must satisfy the requirements set by the SEC in its proxy rules. The particular proxy rule, Rule 14a-8, requires that shareholders submit their proposals in writing to the Company at least 120 days before the anniversary date of the proxy statement mailing date for the prior year's annual meeting. Thus, Shareholders who wish to submit their proposals for inclusion in the Company's proxy statement for next year's annual meeting (in 2005) must deliver such proposals to the Corporate Secretary on or before June 14, 2005. The notice must clearly identify the proposal, contain a brief supporting statement and all required information about the proposing shareholder, and otherwise satisfy the SEC's rule. Proposals should be addressed to the Secretary of the Company, Gyrodyne Company of America, Inc., 102 Flowerfield, Saint James, New York 11780.

In order for a shareholder nomination or proposal to be raised from the floor during the 2005 Annual Meeting of Shareholders, the Company By-laws require that written notice thereof must be received by the Company not less than 120 days nor more than 150 days before the anniversary date of the prior year's annual meeting (there are special rules if the current year's meeting date is changed by more than 30 days from the prior year's meeting date or the number of directors are changed). For the 2005 Annual Meeting of Stockholders, the written notice must be given not later than July 14, 2005 and no earlier than June 14, 2005. The shareholder's written notice must contain (i) all information relating to any nominees proposed by the shareholder that is required to be disclosed in solicitations of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934 and Rule 14a-11 thereunder, (ii) a brief description of any proposals sought to be presented for a vote at the Meeting, (iii) the shareholder's name and record address and (iv) the class and number of shares of Company Common Stock that is beneficially owned. Shareholders proposing nominees for election to the Board of Directors must have continuously held at least \$2,000 in market value, or 1%, of the Company's outstanding Common Stock entitled to vote for at least one year by such date of giving of notice or be entitled to cast votes with respect to at least 5% of the outstanding Common Stock. Nominations and proposals should be submitted in writing to the Secretary of the Company, Gyrodyne Company of America, Inc., 102 Flowerfield, Saint James, New York 11780, who will submit them to the Board for its consideration.

Organization

There shall be a committee of the Board of Directors to be known as the Audit Committee. The Audit Committee shall be composed of non-employee directors who are independent of the management of the corporation and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member.

Statement of Policy

The Audit Committee shall provide assistance to the corporate directors in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the corporation, and the quality and integrity of the financial reports of the corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the directors, the independent auditors, the internal auditors, and the financial management of the corporation.

Responsibilities

In carrying out its responsibilities, the Audit Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices of the corporation are in accordance with all requirements and are of the highest quality.

In carrying out these responsibilities, the Audit Committee will:

- o Review and recommend to the directors the independent auditors to be selected to audit the financial statements of the corporation and its divisions and subsidiaries.
- o Meet with the independent auditors and financial management of the corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors.
- o Review with the independent auditors and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.

- o Review quarterly and annual financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form DEF 14A

- o Provide sufficient opportunity for independent auditors to meet with the members of the Audit Committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.
- o Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each committee meeting with, the Board of Directors.
- o Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
