per share (the "Common Stock"), of the Company, in connection with certain proposals to be voted on by the stockholders at an Annual Meeting to be held on May 23, 2002 at 9:30 a.m., local time, at the Best Western Concordville Inn, Route 1 (Baltimore Pike) and Route 322 (Conchester Highway), Concordville, Pennsylvania 19331.

PURPOSE OF MEETING

The Annual Meeting is being held for the following purposes:

(1) To elect eight nominees for election as directors, representing all of the members of the Board of Directors of the Company, to serve until the next Annual Meeting of Stockholders or until their successors are duly elected and qualified;

(2) To ratify the appointment of Deloitte & Touche LLP as independent auditors for the Company's fiscal year ending December 31, 2002; and

(3) To act upon such other matters as may properly come before the meeting or any adjournments or postponements thereof.

The foregoing items of business are more fully described in this Information Statement.

The record date for determining those stockholders who will be entitled to notice of and to vote at the Annual Meeting and at any adjournment thereof is April 19, 2002 (the "Record Date"). The stock transfer books will not be closed between the Record Date and the date of the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting will be available for inspection at the offices of the Company, 100 Painters Drive, Chadds Ford, Pennsylvania 19317.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

OUTSTANDING VOTING SECURITIES AND VOTE REQUIRED

Each share of Common Stock entitles the holder thereof to one vote. As of the Record Date, 102,064,450 shares of Common Stock were issued and outstanding. Thus, stockholders representing no less than 51,032,226 shares of Common Stock are required to vote for the aforementioned proposals to effect the matters set forth therein. It is anticipated that at the Annual Meeting, Endo Pharma LLC, which beneficially owns 69,978,816 shares of Common Stock, representing 68.6% of the total number of outstanding shares of Common Stock on the Record Date, will vote in favor of the aforementioned proposals, thereby ensuring the election of the nominees for directors of the Company and the ratification of the appointment of Deloitte & Touche LLP as independent auditors. Since the proposals will have been approved by the holders of the required majority of the issued and outstanding Common Stock, and since the Company has no other outstanding class of stock, no proxies are being solicited in connection with this Information Statement and the accompanying Notice of Annual Meeting of the Stockholders of the Company.

In accordance with Rule 14c-2 under the Exchange Act, the proposals will not be adopted until a date at least twenty (20) days after the date on which this Information Statement has been mailed to the stockholders of the Company. As this Information Statement is being sent to the beneficial owners of Common Stock on April 30, 2002, which is more than twenty (20) days before the date of the Annual Meeting, the Company anticipates that the actions contemplated by this Information Statement will be effected on or about the close of business on the date of the Annual Meeting.

Edgar Filing: ENDO PHARMACEUTICALS HOLDINGS INC - Form DEF 14C

The Company has asked brokers and other custodians, nominees and fiduciaries to forward this Information Statement to the beneficial owners of Common Stock held of record by such persons as of the Record Date and will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.

ELECTION OF DIRECTORS

GENERAL

The Amended and Restated Certificate of Incorporation of the Company provides that the number of directors of the Company shall be not less than seven nor more than eleven as shall be fixed by the by-laws of the Company. The Company's Amended and Restated By-laws currently provide for a nine-member board.

Directors need not be stockholders of the Company or residents of the State of Delaware. Directors are elected for a one-year term and generally hold office until the next directors have been duly elected and qualified. Directors may receive compensation for their services as determined by the Board of Directors. See "--- Compensation of Directors." A vacancy on the Board, or a newly created directorship resulting from any increase in the authorized number of directors, may be filled by a majority of the directors then in office, even though less than a quorum remains. A director appointed to fill a vacancy remains a director until his or her successor is elected by the stockholders at the next annual meeting or until his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal.

Currently the Board of Directors consists of eight members. Currently serving as directors are Ms. Ammon and Messrs. Goldberg, Hyatt, Kimmel, Loverro, Mitchell, O'Donnell and Wahrhaftig. Mr. John Lyle resigned as chairman and a director on February 20, 2002 in order to be able to more actively pursue other interests.

As of the date of this Information Statement, there are no material proceedings to which any director or executive officer of the Company, or any associate thereof, is a party which are adverse to the Company or any of its subsidiaries.

Between January 1, 2001 and December 31, 2001, the Board of Directors as a whole met eight times and acted by written consent on five occasions. The disinterested members of the Board of Directors met once. All members of the Board of Directors attended more than 75% of the aggregate of all meetings of the Board of Directors and of the Committees of the Board of Directors on which they served in 2001.

The following table sets forth certain information with respect to persons nominated by the Board of Directors of the Company for the election as directors of the Company:

NAME ----	AGE ---	POSITION CURRENTLY HELD WITH THE COMPANY -----
Carol A. Ammon.....	51	Chairman, President, Chief Executive Officer and Director

Frank J. Loverro.....	33	Director

The proposed nominees for election as directors are willing to be reelected as directors of the Company. If, as a result of circumstances not now known or foreseen, a nominee shall be unavailable or unwilling to serve as a director, an alternate nominee shall be designated by the present Board of Directors to fill the vacancy.

If elected, all nominees are expected to serve until the 2003 Annual Meeting of Stockholders of the Company or until their successors are duly elected and qualified.

COMMITTEES OF THE BOARD OF DIRECTORS AND RELATED REPORTS

The Board of Directors has a standing Audit Committee and Compensation Committee, the respective members and functions of which are described below. The Board of Directors does not have a Nominating Committee because the Board of Directors as a whole functions in such capacity.

Audit Committee

The Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing and accounting matters, including the selection of the Company's independent auditors, the scope of the annual audits, fees to be paid to the independent auditors, the performance of the Company's independent auditors and the accounting practices of the Company. The Board of Directors has adopted and approved a charter for the Audit Committee. This charter is attached as Appendix A to this Information Statement. The charter describes the nature and scope of responsibilities of the Audit Committee.

Messrs. Hyatt, O'Donnell and Wahrhaftig currently serve as members of the Audit Committee. Between January 1, 2001 and December 31, 2001, the Audit Committee met four times. The Board of Directors has determined that Messrs. Hyatt and O'Donnell are "independent," as that term is defined in Rule 4200(a)(14) of the Nasdaq Marketplace Rules. Mr. Wahrhaftig is not "independent" by virtue of the status of Kelso Investment Associates V, L.P., or KIA V, and Kelso Equity Partners V, L.P., or KEP V, as members of Endo Pharma LLC, the stockholder owning 68.6% of the issued and outstanding shares of Common Stock. Mr. Wahrhaftig is a general partner of the general partner of KIA V and a general partner of KEP V. Mr. Wahrhaftig also serves on the Board of Managers of

Edgar Filing: ENDO PHARMACEUTICALS HOLDINGS INC - Form DEF 14C

Endo Pharma LLC. In July 2000, the Board of Directors determined that Mr. Wahrhaftig's membership on the Audit Committee is in the best interests of the Company and its stockholders. The Board believes that Mr. Wahrhaftig is a necessary member of the Audit Committee given his history with the Company as an involved participant in the 1997 acquisition of the Company from the then DuPont Merck Pharmaceutical Company. In addition, prior to the merger with Algos Pharmaceutical Corporation, Mr. Wahrhaftig served as the audit committee of the Board of Directors of the Company and regularly reviewed the accounting matters and practices of the Company and conferred with the Company's independent auditors regarding the same. Prior to joining Kelso, Mr. Wahrhaftig spent the previous five years with Arthur Young & Company where he was an Associate Director of Mergers and Acquisitions and a Management Consultant.

Audit Committee Report

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements for the year ended December 31, 2001 with the management of the Company. Further, the Audit Committee has discussed with Deloitte & Touche LLP, the Company's independent auditors, the matters required to be discussed by the Statement of Auditing Standards No. 61 (SAS 61 -- Communication with Audit Committees) relating to the auditors' judgment about the quality of the Company's accounting principles, judgments and estimates, as applied in its financial reporting.

The Audit Committee also has received the written disclosures and the letter from Deloitte & Touche LLP required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees) that relate to Deloitte & Touche LLP's independence from the Company, and has discussed with Deloitte & Touche LLP their independence from the Company. The Audit Committee has also discussed with management of the Company and Deloitte & Touche LLP such other matters and received such assurances from them as it has deemed appropriate.

5

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the year ended December 31, 2001 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission.

Audit Committee:

Michael Hyatt
Joseph T. O'Donnell, Jr.
David I. Wahrhaftig

Compensation Committee

The Compensation Committee of the Board of Directors determines the salaries and incentive compensation of the officers of the Company and provides recommendations for the salaries and incentive compensation of the other employees and consultants of the Company. The Compensation Committee also reviews and acts on any recommendations of the Company's management for awards granted under the Endo Pharmaceuticals Holdings Inc. 2000 Stock Incentive Plan. The members of the Compensation Committee are Messrs. Hyatt, Loverro and Wahrhaftig. Between January 1, 2001 and December 31, 2001, the Compensation Committee met six times and acted on one occasion by written consent. A report of the Compensation Committee appears in this Information Statement under "EXECUTIVE COMPENSATION -- Compensation Committee Report on Executive Compensation."

Edgar Filing: ENDO PHARMACEUTICALS HOLDINGS INC - Form DEF 14C

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has selected Deloitte & Touche LLP to audit the books and financial records of the Company for the year ending December 31, 2002. The Company is asking the stockholders to ratify the appointment of Deloitte & Touche LLP as the Company's independent auditors for fiscal 2002. It is anticipated that Endo Pharma LLC, the holder of a majority of the shares of Common Stock outstanding, will vote in favor of this proposal, which will be sufficient for such ratification.

It is not expected that a representative from Deloitte & Touche LLP will be present at the Annual Meeting.

6

FEES PAID TO THE INDEPENDENT AUDITORS

Deloitte & Touche LLP served as the Company's independent auditors for the fiscal year ended December 31, 2001.

AUDIT FEES

The aggregate fees billed by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, "Deloitte & Touche LLP") for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2001 and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for that fiscal year were \$139,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

No professional services described in Paragraph (c)(4)(ii) of Rule 20-01 of Regulation S-X were rendered by Deloitte & Touche LLP for fiscal 2001 and, accordingly, the Company was billed no fees for such services.

ALL OTHER FEES

The aggregate fees billed by Deloitte & Touche LLP for services rendered to the Company, other than services described above under "Audit Fees", for the fiscal year ended December 31, 2001 were \$171,000 for fees incurred in connection with the Company's follow-on offering of an aggregate of 12,925,000 additional shares of common stock in October 2001 and related Registration Statement on Form S-3 and \$136,000 for fees incurred in connection with tax consulting services. Such other professional services did not include services relating to the operation or management of the Company's information system or local area network, the design or implementation of hardware or software systems that aggregate data underlying the Company's financial statements or that otherwise generate information significant to the Company's financial statements. The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of Deloitte & Touche LLP from the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's executive officers, directors and greater-than-ten-percent stockholders (collectively, "Reporting Persons") to file an initial report of ownership (Form 3) and reports of changes of ownership (Forms 4 and 5) with the SEC and the Nasdaq. These persons are also required to furnish the Company with copies of all Section 16(a) reports that they file. Based solely upon a review of Section 16(a) reports furnished to the Company for the fiscal year ended December 31, 2001 and written representations from certain Reporting Persons that no other reports were required, the Company believes that, all the Reporting Persons complied with all applicable filing requirements for the fiscal year ended December 31, 2001, with the exception of Endo Pharma LLC, which reported on a Form 4 a transaction that should have been reported on an earlier Form 4.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Board of Directors of the Company traditionally performed the functions of a compensation committee, including the review and approval of compensation and terms of employment for all officers of the Company and its subsidiaries. In August 2000, a Compensation Committee, consisting of Messrs. Hyatt, Loverro and Wahrhaftig, was formed to perform these functions. The disinterested members of the Board of Managers of Endo Pharma LLC, namely Messrs. Goldberg and Wahrhaftig, review and act on any recommendations of the Company's management for awards granted under the Endo Pharma LLC stock option plans.

10

The Company's executive compensation is intended to attract high-caliber executives and to reward, retain and motivate management based on corporate and individual annual and long-term business performance. The primary component of compensation is base salary; however, all of the employees of the Company are covered by the Company's incentive compensation program, which provides cash bonuses in the event that (i) the Company achieves one or more targets based on the Company's Consolidated EBITDA (earnings before interest, taxes, depreciation and amortization) as defined by the Company's credit facility and (ii) the individual achieves specified goals. The Company also awards stock options to its officers and other employees pursuant to the Company's 2000 Stock Incentive Plan (the "2000 Option Plan"). Such awards are designed to provide incentives to participating employees that are linked directly to increases in stockholder value and that will therefore inure to the benefit of all stockholders of the Company. The Compensation Committee believes that the Company's executive compensation arrangements are reasonable in light of the Company's needs, competitive compensation levels, the Company's retention goals and management motivation. In determining salary and other compensation levels for executive officers, primary consideration is given to each executive's level of responsibility and individual performance.

Prior to the beginning of each fiscal year, the Compensation Committee reviews the Company's near- and long-term strategies and objectives with the Company's President and Chief Executive Officer. Such review forms the basis for adopting or modifying the corporate annual financial goals recommended by the

Edgar Filing: ENDO PHARMACEUTICALS HOLDINGS INC - Form DEF 14C

Company's President and Chief Executive Officer. Based on this review, the Company's total compensation structure for fiscal year 2001, including the elements and level of compensation opportunities and the variable portion of "at risk" pay for performance and equity participation was established. Consideration was given to, among other matters, marketplace pay levels and practices, as well as the Company's need to continue to attract, retain and motivate employees. The Company's President and Chief Executive Officer reviewed such compensation structure with the Compensation Committee and asked it to ratify base salary amounts and bonuses for the Company's executive officers.

At fiscal 2001 year-end, the Compensation Committee, in consultation with the President and Chief Executive Officer, assessed results achieved and strategic progress relative to previously approved goals, taking into consideration the Company's Consolidated EBITDA (earnings before interest, taxes, depreciation and amortization) as defined by the Company's credit facility, prevailing economic and business conditions and opportunities, performance by comparable organizations' President and Chief Executive Officers, and stockholder value. No particular weightings were assigned to any such factors.

Ms. Ammon, President and Chief Executive Officer of the Company, received a base salary of \$366,667 in fiscal 2001 and was awarded a cash bonus of \$303,750. Ms. Ammon's base salary was increased to \$450,000 based upon the amended and restated employment agreement entered into between Ms. Ammon and the Company dated September 1, 2001. Determination of Ms. Ammon's overall compensation in fiscal 2001 was based upon the performance criteria established by the Board of Directors of the Company at the beginning of fiscal 2001. The Compensation Committee believes that Ms. Ammon's overall compensation is competitive with that of Chief Executive Officers of comparable companies and deems such compensation to be fair and appropriate.

Compensation Committee:

Michael Hyatt
Frank J. Loverro
David I. Wahrhaftig

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In August 2000, the Board of Directors appointed Messrs. Hyatt, Loverro and Wahrhaftig to constitute the Compensation Committee, none of whom is an officer or employee or former officer or employee of the Company or any of its subsidiaries. Prior to that time, the Board of Directors performed the functions of the Compensation Committee. With the exception of Ms. Ammon, who serves on the Company's Board of

11

Directors, no executive officer of the Company serves or served during the last fiscal year, as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee. There are no family relationships between any directors or executive officers of the Company.

STOCK OPTION/SAR GRANTS IN LAST FISCAL YEAR

The following table sets forth individual grants of stock options made to the Named Executive Officers during the fiscal year ended December 31, 2001. No SARs were granted by the Company in fiscal 2001.

(1) Based upon the exercise price and the market price of the Common Stock on the date of grant of \$9.40, annual appreciation at the assumed rates stated on such price through the expiration date of the options. Amounts shown represent hypothetical gains that could be achieved for the options if exercised at the end of the term. These amounts have been determined on the basis of assumed rates of appreciation mandated by the Securities and Exchange Commission and do not represent the Company's estimate or projection of the future stock price. Actual gains, if any, are contingent upon the continued employment of the Named Executive Officer through the expiration date, achievement of the defined vesting thresholds as well as being dependent upon the general performance of the Common Stock. The potential realizable values have not taken into account amounts required to be paid for federal income taxes.

AGGREGATED OPTION EXERCISES IN LAST FISCAL YEAR AND FISCAL YEAR END OPTION VALUES

The following table sets forth the December 31, 2001 aggregate value of unexercised options held by each of the Named Executive Officers as well as the fiscal year-end option values.

Jeffrey R. Black.....	--	--	89,160	2,531,250	\$ 824,730

(1) Based upon the closing price on December 31, 2001 of \$11.67. Includes all options for which the exercise price is equal to or less than \$11.67 per share including options for which performance conditions related to vesting, as described below, have not been achieved.

Options exercised pursuant to the Endo Pharma LLC 1997 Stock Option Plan do not result in the issuance of additional shares in the Company. Class C1A, C1B, C2, C3 and C4 options granted pursuant to the Endo Pharma LLC 1997 Stock Option Plan vest in four discrete tranches contingent upon (i) the Common Stock of the Company exceeding a defined closing price threshold for ninety consecutive trading days, (ii) the closing price of the Common Stock of the Company on the last trading day of such ninety consecutive trading day period being greater than or equal to 85% of the defined closing price and (iii) the holder being a director, officer or employee of the Company or any of its subsidiaries on such date. The defined closing price thresholds are as follows:

Edgar Filing: ENDO PHARMACEUTICALS HOLDINGS INC - Form DEF 14C

OPTION CLASS	MORPHIDEX(R) IS APPROVED ON OR PRIOR TO DECEMBER 31, 2002	MORPHIDEX(R) IS NOT APPROVED ON OR PRIOR TO DECEMBER 31, 2002
	COMMON STOCK CLOSING PRICE THRESHOLD	COMMON STOCK CLOSING PRICE THRESHOLD
C1A and C1B	\$ 6.06	\$ 4.28
C2	\$ 9.38	\$ 6.62
C3	\$14.99	\$10.58
C4	\$24.50	\$17.29

If these share price targets are achieved resulting in the vesting of each tranche of options, the Company will record up to four non-cash compensation charges related to the vesting of certain of the options. Under performance-based options, the measurement of expense is calculated and recorded as a non-cash charge at the time performance is achieved as the difference between the market price of the stock and the exercise price of the options. If these charges are recorded by the Company in connection with options granted under the Endo Pharma LLC 1997 Stock Option Plan, they will be significant. They will, however, not result in the issuance of additional shares of Company Common Stock. Since the aforementioned conditions have been achieved, the Class C1A, Class C1B and Class C2 options have vested. Accordingly, the Company has recorded non-cash compensation charges for the vesting of these options.

Class C1A, C1B, C2, C3 and C4 options are generally exercisable, solely to the extent vested, upon the earlier of (i) the occurrence of a sale, disposition or transfer ("Transfer") of common stock, after which neither Endo Pharma LLC nor Kelso owns any shares of Common Stock or (ii) January 1, 2006 and the right to exercise such options will terminate at 12:00 p.m., New York City time, on the earlier to occur of such dates.

Notwithstanding the foregoing, a Named Executive Officer's Class C1A, C1B, C2, C3 and C4 options will become immediately exercisable in full, solely to the extent then vested, in the event the Named Executive Officer's employment or service with the Company or any of its subsidiaries is terminated for any reason and such options will thereafter expire on the 90th day after such termination if unexercised.

Stock options granted under the Endo Pharma LLC 1997 Stock Option Plan expire no later than December 31, 2012 unless an initial public offering of shares of Company Common stock held by Endo Pharma LLC occurs, in which case the stock options granted will expire on August 26, 2007. The shares of Common Stock that are received upon exercise of stock options pursuant to the Endo Pharma LLC 1997 Stock Option Plan are currently subject to significant restrictions that are set forth in the stockholders agreements including restrictions on sale, assignment, mortgage, transfer, pledge or other disposals or transfers.

EMPLOYMENT AGREEMENTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

Employment Agreements with Named Executive Officers

On September 1, 2001, Endo entered into amended and restated employment agreements with each of Ms. Ammon, Ms. MacDonald, Mr. Black, Mr. Lankau and Dr. Lee. Each of these employment agreements expires on August 31, 2002. Each of

Edgar Filing: ENDO PHARMACEUTICALS HOLDINGS INC - Form DEF 14C

these agreements is renewable by the parties for additional one-year periods.

Each of the employment agreements provides that the executive will be entitled to basic compensation as well as additional incentive compensation. For each fiscal year or part thereof during the employment period,

15

the Company will pay an executive incentive compensation in cash in an amount equal to a percentage of this executive's salary if Endo meets the performance targets set by the board of directors for a particular fiscal year. Ms. Ammon's additional incentive compensation is equal to 50% of her base salary. Each of Ms. MacDonald's and Mr. Lankau's additional incentive compensation is equal to 45% of her or his respective base salary. Dr. Lee's additional compensation is equal to 40% of his base salary. Mr. Black's additional compensation is equal to 35% of his base salary. Under these employment agreements, the Company may terminate each executive (1) for "cause," (2) for "good reason," or (3) upon the executive's disability, incapacity or death. If the Company terminates an executive for "cause," he or she will be entitled to receive his or her salary and incentive compensation prorated through the effective date of termination.

In addition, if an executive elects to renew his or her employment agreement but Endo does not and Endo's election not to renew is not "for cause," then the executive will be entitled to receive his or her salary for the remainder of the calendar month in which this termination is effective and for eighteen consecutive calendar months thereafter and continue to provide the executive with benefits for eighteen consecutive calendar months after such termination. If an executive terminates his or her employment agreement for "good reason," the Company will:

- pay:
 - monthly to the executive his or her salary for the remainder of the employment period or eighteen months (whichever is longer) and
 - the executive's incentive compensation for the fiscal year during which the termination is effective, prorated through the effective date of termination, if this incentive compensation is payable and
- continue to provide the executive with benefits for the remainder of the employment period or eighteen months (whichever is longer).

Under the terms of each of these employment agreements, "good reason" means any of the following:

- Endo Pharmaceuticals' material breach of the provisions in the employment agreements relating to the director's and officer's liability coverage and compensation or Endo Pharmaceuticals' obligations under the stockholders agreement for the benefit of the executive, or
- the assignment of the executive, without the executive's consent, to a position, responsibilities, or duties of a materially lesser status or degree of responsibility.

Under the terms of Ms. Ammon's employment agreement, "good reason" also includes the sale of all or substantially all of the assets of Endo, the sale of all or substantially all of the stock of Endo, the merger of Endo with one or more other related or unrelated entities, or other similar transaction vesting control of Endo with a third party or parties.

NO DISSENTERS' RIGHTS

The corporate action described in this Information Statement will not afford stockholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Prior to the acquisition of Algos Pharmaceutical Corporation in July 2000, Endo had a pre-existing agreement with Kelso & Company to:

- pay Kelso an annual fee of \$347,000 for financial advisory services,
- indemnify Kelso in providing its services, and
- reimburse Kelso for out-of-pocket expenses incurred.

16

In connection with the completion of the Algos acquisition, Endo terminated this agreement to pay an annual fee to Kelso by making a one-time payment to Kelso of \$1.5 million in July 2000. However, the arrangements for indemnification and reimbursement of specific expenses did survive the termination of this annual fee arrangement. Messrs. Goldberg and Wahrhaftig, directors of the Company, are Managing Directors of Kelso. Mr. Loverro, another director of the Company, is a Vice President of Kelso.

In connection with the Algos acquisition, affiliates and designees of Kelso & Company contributed approximately 86% of the Endo Common Stock originally contributed to Endo Pharma LLC, and they continue to have an approximately 86% interest in Endo Pharma LLC. Endo Pharma LLC now owns approximately 69% of all of the issued and outstanding Endo Common Stock. Currently, Messrs. Goldberg and Wahrhaftig and Ms. Ammon serve as members of the Board of Managers of Endo Pharma LLC.

On July 14, 2000, Endo Pharma LLC was formed to ensure that the stock options granted pursuant to the 1997 Employee Stock Option Plan and the 1997 Executive Stock Option Plan (collectively, as amended and restated, the "Endo Pharma LLC 1997 Stock Option Plans") diluted only those holders of Endo Common Stock at the time of Endo's 2000 acquisition of Algos Pharmaceutical Corporation. Accordingly, subsequent to that acquisition, only currently outstanding shares of Common Stock of the Company held by Endo Pharma LLC will be issued upon the exercise of these stock options. Because Endo Pharma LLC, and not the Company, will provide the shares issued upon the exercise of these options, the Company has entered into a tax sharing agreement with Endo Pharma LLC under which the Company will pay to Endo Pharma LLC the amount of the tax benefits it receives as a result of the exercise of these stock options into shares of Common Stock held by Endo Pharma LLC for the years in which these tax benefits arise. No payments have been made or accrued for the years ended December 31, 2001 and 2000.

The Class A Transferable Warrants and Class B Non-Transferable Warrants are exercisable at an exercise price of \$.01 per share into a specified number of shares of Common Stock depending on the timing of the FDA's approval of Morphidex(R) for one or more pain indications. As of December 31, 2001, there were outstanding 17,810,526 of these warrants. These warrants become exercisable into a specified number of shares of Common Stock on the fifth business day following the date on which we receive approval from the FDA with respect to Morphidex(R) for the treatment of one or more pain indications. These warrants will remain exercisable for a period of six months after the exercisability date, at which time they will expire. If the FDA does not approve Morphidex(R) by March 31, 2003, each of these warrants expires without any payment therefor.

On December 5, 2001, we commenced a tender offer to purchase up to

Edgar Filing: ENDO PHARMACEUTICALS HOLDINGS INC - Form DEF 14C

13,500,000 of our outstanding Class A Transferable Warrants (Nasdaq: ENDPW) and any and all of our outstanding Class B Non-Transferable Warrants. This tender offer expired at midnight on January 25, 2002. We accepted an aggregate of 8,576,762 Class A Warrants and 8,500 Class B Warrants for payment at a purchase price of \$0.75 per warrant, or approximately \$6.4 million in the aggregate. We used cash on hand to finance the purchase of tendered warrants. Current directors Messrs. Hyatt and Kimmel as well as Mr. Lyle (an Endo director until February 21, 2002), each of whom are former Algos stockholders, or the persons controlling the Class A Warrants that they may be deemed to beneficially own, tendered an aggregate of approximately 1.1 million of these Class A Warrants in the tender offer. Specifically, these Class A Warrants that were tendered were: (1) approximately 200,000 Class A Warrants held in trusts for the benefit of Mr. Kimmel; (2) approximately 110,000 Class A Warrants over which Mr. Kimmel, in his capacity as trustee of a trust for the benefit of Mr. Hyatt's children, exercises dispositive and voting power and with respect to which he and his family members disclaim beneficial ownership, (3) approximately 100,000 Class A Warrants over which Mr. Hyatt, in his capacity as trustee of a trust for the benefit of Mr. Kimmel's children, exercises dispositive and voting power and with respect to which he and his family members disclaim beneficial ownership, and (4) approximately 650,000 Class A Warrants owned by Karen Lyle, wife of Mr. Lyle, as to which Mr. Lyle disclaims beneficial ownership.

In connection with the 2000 acquisition of Algos Pharmaceutical Corporation, warrants were issued to Endo Pharma LLC as well as other holders of Endo stock who held such stock prior to the Algos acquisition. These warrants are exercisable at an exercise price of \$.01 per share into a specified number of shares of Endo

17

Common Stock if the FDA does not approve Morphidex(R) for any pain indication prior to December 31, 2002. As of December 31, 2001, there were outstanding 71,328,424 of these warrants. If the FDA does not approve Morphidex(R) before December 31, 2002, then these warrants become exercisable and upon exercise, each warrant will be exercisable into 0.416667 shares of Endo common stock for a total of 29,720,177 shares of Common Stock. Messrs. Goldberg and Wahrhaftig, directors of the Company, may be deemed to share beneficial ownership of shares of Common Stock owned of record by Endo Pharma LLC by virtue of the status of Kelso Investment Associates V, L.P., or KIA V, and Kelso Equity Partners V, L.P., or KEP V, as members of Endo Pharma LLC. Messrs. Goldberg and Wahrhaftig may be deemed to share beneficial ownership of securities owned of record by KIA V and KEP V, by virtue of the status of each of them as a general partner of the general partner of KIA V and as a general partner of KEP V. In addition, Mr. Loverro, a director of the Company, may be deemed to share beneficial ownership of shares of Common Stock owned of record by Endo Pharma LLC by virtue of the status of KIA V and KEP V, as members of Endo Pharma LLC. Mr. Loverro may be deemed to share beneficial ownership of shares of Common Stock owned of record by KIA V and KEP V by virtue of his status as a limited partner of the general partner of KIA V and as a limited partner of KEP V. Further, Ms. Ammon, Chairman, a director and Chief Executive Officer of the Company, Ms. MacDonald, Dr. Lee and Mr. Black, each a Named Executive Officer of the Company, may be deemed to share beneficial ownership of shares of Common Stock owned of record by Endo Pharma LLC by virtue of the status of each of them as a member of Endo Pharma LLC.

Mr. Kimmel, a director of the Company, had been, until January 1, 2001, a partner at the law firm Latham & Watkins LLP, which had performed legal services for Algos Pharmaceutical Corporation from time to time.

Although Mr. Mitchell, a director of the Company, performs legal services for the Company from time to time, he did not do so in fiscal year 2001. Mr.

Edgar Filing: ENDO PHARMACEUTICALS HOLDINGS INC - Form DEF 14C

Mitchell also invests in Kelso transactions from time to time.

OTHER MATTERS

The Board of Directors of the Company knows of no other matters to be presented for stockholder action at the Annual Meeting. However, other matters may properly come before the Annual Meeting or any adjournment or postponement thereof.

CHARTER
OF THE
AUDIT COMMITTEE
OF THE
BOARD OF DIRECTORS OF
ENDO PHARMACEUTICALS HOLDINGS INC.
AS ADOPTED BY THE BOARD
ON JULY 13, 2000

I. AUTHORITY

The Audit Committee (the "Committee") of the Board of Directors (the "Board") of Endo Pharmaceuticals Holdings Inc. (the "Corporation") is established pursuant to Section 8 of the Corporation's Amended and Restated Bylaws and Section 141(c) of the Delaware General Corporation Law. The Committee shall be comprised of three or more directors as determined from time to time by resolution of the Board. Consistent with the appointment of other Board committees, the members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or at such other time as may be determined by the Board. The Chairman of the Committee shall be designated by the Board; provided that if the Board does not so designate a Chairman, the members of the Committee, by majority vote, may designate a Chairman. The presence in person or by telephone of a majority of the Committee's members shall constitute a quorum for any meeting of the Committee. All actions of the Committee will require the vote of a majority of its members present at a meeting of the Committee at which a quorum is present.

II. PURPOSE OF THE COMMITTEE

The Committee's purpose is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the Corporation and its subsidiaries.

The Committee shall oversee the audit efforts of the Corporation's independent accountants and internal auditors and, in that regard, shall take such actions as it may deem necessary to satisfy itself that the Corporation's auditors are independent of management. It is the objective of the Committee to maintain free and open means of communications among the Board, the independent accountants, the internal auditors and the financial and senior management of the Corporation.

III. COMPOSITION OF THE COMMITTEE

(a) Each member of the Committee shall be an "independent" director within the meaning of the Nasdaq rules and, as such, shall be free from any relationship that may interfere with the exercise of his or her independent judgment as a member of the Committee. Notwithstanding the foregoing, as permitted by the rules of the Nasdaq, under exceptional and limited circumstances, one director who does not meet certain of the criteria for "independence" may be appointed to the Committee if the Board determines in its business judgment that membership on the Committee by such person is required by the best interests of the Corporation and its stockholders and the Corporation discloses in the annual proxy statement the nature of such person's relationship and the reasons for the Board's determination. All members of the Committee shall be financially literate at the time of their election to the Committee or shall become financially literate within a reasonable period of time after their appointment to the Committee. "Financial literacy" shall be determined by the Board in the exercise of its business judgment, and shall include a working

familiarity with basic finance and accounting practices and an ability to read and understand fundamental financial statements. At least one member of the Committee shall have accounting or related financial management expertise, as such qualification may be determined in the business judgment of the Board. Committee members, if they or the Board deem it appropriate, may enhance their understanding of finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant or firm.

A-1

(b) Upon any changes in the composition of the Committee and otherwise approximately once each year, the Committee shall ensure that the Corporation provides the Nasdaq with written confirmation regarding:

- (i) Any determination that the Board has made regarding the independence of the Committee members;
- (ii) The financial literacy of the Committee members;
- (iii) The determination that at least one of the Committee members has accounting or related financial management expertise; and
- (iv) The annual review and reassessment of the adequacy of the Committee's charter.

IV. MEETINGS OF THE COMMITTEE

The Committee shall meet with such frequency and at such intervals as it shall determine is necessary to carry out its duties and responsibilities. As part of its purpose to foster open communications, the Committee shall meet at least annually with management, the head of the internal auditing department and the Corporation's independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups or persons believe should be discussed privately. In addition, the Committee (or the Chairman) should meet or confer with the independent accountants and management quarterly to review the Corporation's periodic financial statements prior to their filing with the Securities and Exchange Commission ("SEC"). The Chairman should work with the Chief Financial Officer and management to establish the agendas for Committee meetings. The Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary. The Committee shall maintain minutes of its meetings and records relating to those meetings and the Committee's activities and provide copies of such minutes to the Board.

V. DUTIES AND RESPONSIBILITIES OF THE COMMITTEE

In carrying out its duties and responsibilities, the Committee's policies and procedures should remain flexible, so that it may be in a position to best react or respond to changing circumstances or conditions. The Committee should review and reassess annually the adequacy of the Committee's charter. The charter must specify: (1) the scope of the Committee's responsibilities and how it carries out those responsibilities, (2) the ultimate accountability of the Corporation's independent auditors to the Board and the Committee, (3) the responsibility of the Committee and the Board for the selection, evaluation and replacement of the Corporation's independent auditors, and (4) that the Committee is responsible for ensuring that the Corporation's independent auditors submit on a periodic basis to the Committee a formal written statement delineating all relationships between the independent auditors and the Corporation and that the Committee is responsible for actively engaging in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of
