Report of Independent Auditors

To the Plan Administrator of
ADVO, Inc. 401(k) Savings Plan

We have audited the accompanying statements of assets available for plan benefits of the ADV0, Inc. 401(k) Savings Plan as of December 31, 2002 and 2001, and the related statements of changes in assets available for plan benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for plan benefits of the Plan at December 31, 2002 and 2001, and the changes in its assets available for plan benefits for the years then ended, in conformity with accounting principles

Edgar Filing: ADVO INC - Form 11-K

generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2002, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

A. Description of the Plan

The following description of the ADVO, Inc. 401(k) Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees ("participants") of ADVO, Inc. (the "Company"). Participants are eligible to join the Plan on the

Edgar Filing: ADVO INC - Form 11-K

first day of the month following the date of hire. Participants are eligible for the company match on the first day of the month following six months of continuous employment.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 16 percent of their annual compensation on a pretax basis, as defined in the Plan. Participants may also contribute amounts representing rollover distributions from other defined contribution plans.

The Company contributes 100 percent of the first 6 percent of a participant's pay deferral contributions to the Plan.

All investment programs are fully participant directed. Participants direct the investment of their and the Company's contributions into various investment options offered by the Plan. The Plan currently offers nine investment options: three collective investment funds, four mutual funds, and two ADVO custom funds which include a fund with Company common stock.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions and related employer matching contributions plus actual earnings thereon.

Payment of Benefits

Upon termination of service, participants may elect to receive a lump-sum amount equal to the value of their account.

Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Expenses of the Plan

All costs and expenses of operation and administration of the Plan are paid by the Company.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will remain 100 percent vested in their accounts. After payment of expenses, distributions would be made pro rata based on the value of such accounts.

ADVO Custom Funds

Employer custom funds include the ADVO AXP New Dimensions Fund and the ADVO Stock Fund. Custom funds are unregistered custom separate accounts maintained by the Trustee and established by the Company for the benefit of the Plan and any other qualified plan of the Company. Ownership is represented by each plan's proportionate units of participation.

Although the performance of the custom fund is based on the performance of the underlying mutual fund or Company common stock, the value of a fund unit is different from the net asset value of the mutual fund or the price of one share of common stock. Changes in the unit value of the fund will be affected by price changes in the underlying mutual fund or common stock, earnings, dividends, interest and applicable fees and expenses of the fund. Additionally, the funds maintain highly liquid money market instruments which may contribute to differences in performance between the fund units and net asset value of the underlying mutual funds or common stock.

Transfer In

Effective January 1, 2002, the MailCoups Inc. 401(k) Savings Plan was merged into the Plan. MailCoups Inc.'s associates are entitled to the provisions of the ADVO Plan.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Valuation of Investments

The fair value of investments in mutual funds is based on the quoted market prices of the shares held in these funds at year-end.

The fair value of investments in the collective investment funds and the ADVO custom funds is based on the net asset value ("NAV") of participation units held by the Plan at year-end. These NAVs are calculated based on the current market

Edgar Filing: ADVO INC - Form 11-K

value of the underlying securities and the current number of units held by participants in these funds.

Participant loans are stated at their outstanding principal balances which approximate fair value.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. While management believes that the estimates and related assumptions in the preparation of these financial statements are appropriate, actual results could differ from those estimates.

C. Investments

The Plan's investments are primarily held by bank-administered trust funds. The following table presents the fair value of investments. Investments that represent 5% or more of the Plan's assets available for plan benefits are separately identified by the following "*".
