Section 7 Regulation FD

Item 7.01 Regulation FD Disclosure.

On March 14, 2006, the Los Angeles County Board of Supervisors (the Board of Supervisors) awarded 9-1-1 contracts for seven geographic zones in the County of Los Angeles, California to four 9-1-1 service providers. Currently, American Medical Response (AMR) provides services to the majority of the geographic area covered by such zones.

The Board of Supervisors awarded zones 1, 2 and 5 to AMR in the County of Los Angeles pursuant to the county s Request for Proposal process for 9-1-1 services. AMR anticipates that the contracts awarded will become effective on June 1, 2006. AMR will continue to provide non-emergency services in all zones in the County of Los Angeles. EMSC is currently reviewing the potential economic effects of the award by the Board of Supervisors. EMSC expects a revenue impact for the year ended December 31, 2006 in the range of \$17 million to \$20 million as a result of the reduction in the number of 9-1-1 zones serviced. EMSC expects to limit the earnings impact via expense mitigation. EMSC therefore reaffirms its previous guidance for the year ended December 31, 2006.

The information in this report shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities under that Section, nor shall it be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.
