**Item 1.01 Entry into a Material Definitive Agreement.**

Advanced Energy Industries, Inc ( we , us , our , or the Company ) entered into a Credit Line Account Agreement (the

Credit Line Agreement ) with UBS Bank USA ( UBS Bank ) dated as of April 30, 2009 that became effective on June 2, 2009 upon the receipt of signature pages from UBS Bank. The Credit Line Agreement provides us with an uncommitted, demand revolving line of credit (an intended no net cost loan ) of \$21.0 million, as determined by UBS Bank in its sole discretion, that is secured by our auction rate securities that we have pledged as collateral.

UBS Bank may, upon our request, make one or more advances to us. The interest expense that we pay on the no net cost loan is not expected to exceed the interest income that we receive on the auction rate securities that we have pledged to UBS Bank as security for the no net cost loan and which reside in our collateral account. If the payments on our auction rate securities are not sufficient to pay the accrued interest on such advances before a due date, UBS Bank may, in its sole discretion (1) capitalize unpaid interest as an additional advance or (2) require us to make payment of all accrued and unpaid interest. UBS Bank may demand full or partial payment of the no net cost loan, at its sole option and without cause, at any time. UBS Bank may, at any time, in its discretion, terminate and cancel the no net cost loan. If at any time UBS Bank exercises its right of demand under certain sections of the Credit Line Agreement, then UBS Financial Services Inc. or one of its affiliates shall provide, as soon as reasonably possible, alternative financing on substantially the same terms and conditions as those under the Credit Line Agreement and UBS Bank agrees that the Credit Line Agreement shall remain in full force and effect until such time as such alternative financing has been established.

The above mentioned summary of the Credit Line Agreement is described in its entirety by the copies of the Credit Line Agreement, the Addendum to Credit Line Account Application and Agreement, the Addendum to Credit Line Agreement, and the Important Notice on Interest Rates and Payments attached hereto respectively as Exhibits 10.1, 10.2, 10.3 and 10.4, each of which is incorporated herein by reference.
