**EXPLANATORY NOTE**

This Registration Statement on Form S-8 registers shares of common stock, par value \$1.00 per share (the Common Stock ), of Altisource Portfolio Solutions S.A., a Luxembourg société anonyme ( Registrant, Altisource or the Company ), as well as an indeterminate amount of interests, which may be offered or sold pursuant to certain equity plans adopted by the Registrant. The Registrant filed a Registration Statement on Form 10 with the U.S. Securities and Exchange Commission (the Commission ) on May 13, 2009, as amended (the Form 10 Registration Statement ), and has applied to list its Common Stock on The NASDAQ Stock Market LLC under the symbol ASPS.

In November 2008, the Board of Directors of Ocwen Financial Corporation ( Ocwen ) authorized the pursuit of a plan to separate, through a tax free spin-off, the majority of the operations of the knowledge process outsourcing business currently known as the Ocwen Solutions business, into a separate public company (the Separation ). The Separation is subject to certain conditions including but not limited to confirmation of the tax-free treatment of the spin-off, necessary regulatory approvals, any required lender counterparty consents and final approval by the Ocwen Board of Directors. Given the need to consolidate the businesses that perform Altisource s operations and the selection of Altisource Portfolio Solutions S.A., Ocwen will incur taxes to the extent that the fair market value of a transferred asset exceeds Ocwen s basis in such assets in accordance with the Internal Revenue Code. In connection with the Separation, Ocwen will distribute all of the Altisource Common Stock to Ocwen s shareholders. Ocwen s shareholders will receive one share of Altisource Common Stock for every three shares of Ocwen common stock held as of the Record Date of the Separation (on an as if converted basis). Assuming final approvals are obtained, Ocwen currently is targeting the Separation to occur on August 10, 2009.

(a) The Company's Form 10 Registration Statement;

(b) All other reports filed by the Company pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), since the initial filing of the Form 10 Registration Statement referred to in paragraph (a) above; and

In addition, all documents that are subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date of the filing of the Form 10 Registration Statement referred to in paragraph (a) above (and that are filed prior to the filing of a post-effective amendment that indicates that all securities offered have been sold or that deregisters all securities remaining unsold) shall also be deemed to be incorporated by reference into this Registration Statement and to be a part hereof commencing on the respective dates on which such documents are filed; except that any document or portion thereof that is furnished to, rather than filed with, the Commission is not incorporated by reference in this Registration Statement.

Any statement contained in a document incorporated or deemed to be incorporated by reference in this Registration Statement shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained in this Registration Statement or in any other contemporaneously or subsequently filed document which also is or is deemed to be incorporated by reference in this Registration Statement modifies or supersedes such statement. **Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

The following summary of material terms is qualified in its entirety by reference to the complete text of the statutes referred to below and the Company's Articles of Incorporation.

Altisource is incorporated under the laws of the Grand Duchy of Luxembourg, in the City of Luxembourg.

Altisource shall indemnify its directors and officers against expenses and costs reasonably incurred by him in connection with any action, suit or proceeding to which he may be made a party by reason of his being or having been a director or officer of the Company unless the liability results from their gross negligence or willful misconduct. The Company's Articles of Incorporation make indemnification of directors and officers and advancement of expenses (except in cases where Altisource is proceeding against an officer or director) to defend claims against directors and officers mandatory on the part of Altisource to the fullest extent allowed by law. Under Altisource's Articles of Incorporation, a director or officer may not be indemnified if such person is found, in a final judgment or decree not subject to appeal, to have

committed willful misconduct or a grossly negligent breach of his or her statutory duties as a director or officer. Luxembourg law permits the Company, or each director or officer individually, to purchase and maintain insurance on behalf of such directors and officers. Altisource may obtain such insurance from one or more insurers.

Altisource also may enter into indemnification agreements with each of its directors and officers to provide for indemnification and expense advancement (except in cases where Altisource is proceeding against an officer or director) and include related provisions meant to facilitate the indemnitee's receipt of such benefits. We expect any such agreement to provide that Altisource will indemnify each director and officer against claims arising out of such director or officer's service to Altisource except (i) for any claim as to which the director or officer is adjudged in a final and non-appealable judgment to have committed willful misconduct or a grossly negligent breach of his duties or (ii) in the case of fraud or dishonesty by the director or officer. We also expect any such agreement to provide that expense advancement is provided subject to an undertaking by the indemnitee to repay amounts advanced if it is ultimately determined that he is not entitled to indemnification.

The Board of Directors of Altisource (if a majority of the Board is disinterested in the claim under which the officer or director is seeking indemnification) or an independent counsel will determine whether an indemnification payment or expense advance should be made in any particular instance and the officer or director seeking indemnification may challenge such determination. Indemnification and advancement of expenses generally will not be made in connection with proceedings brought by the indemnitee against Altisource.

**Table of Contents**

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
  - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the Registration Statement;
- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) *Filings incorporating subsequent Exchange Act documents by reference.*

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) *Filing of Registration Statement on Form S-8.*

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the

**Table of Contents**

opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
