Item 8.01 Other Events.

As previously disclosed in Great Wolf Resorts, Inc.'s (the "Company") Quarterly Report on Form 10-Q for the quarter ended March 31, 2009 (the "Form 10-Q"), the Company adopted the provisions of Statement of Financial Accounting Standards (SFAS) No. 160, "Noncontrolling Interests in Consolidated Financial Statements" and an Amendment of ARB No. 51, effective as of January 1, 2009. SFAS 160 requires the Company to reclassify retrospectively for all periods presented, noncontrolling ownership interests (formerly called minority interests) from the mezzanine section of the balance sheet between liabilities and equity to the equity section of the balance sheet. In addition, SFAS 160 changes the Company's presentation of net income (loss) in the condensed consolidated statements of Operations and Comprehensive Loss.

The Company had no noncontrolling interests as of December 31, 2008 or December 31, 2007. As a result, the adoption of SFAS 160 has no effect on the Company's prior years' consolidated balance sheets.

Prior to the adoption of SFAS 160, net income (loss) excluded net income (loss) attributable to non-controlling interests. SFAS 160 now requires that net income(loss) include net income (loss) attributable to non-controlling interests. SFAS 160 also requires a new separate caption for net income (loss) attributable to the Company be presented in the consolidated statement of operations and comprehensive loss which is equal to net income (loss) as previously reported prior to the adoption of SFAS 160. Thus, the retrospective application of SFAS 160 increases net loss, due to the inclusion of the amount of net loss attributable to non-controlling interests, by \$0.5 million in each of the fiscal years 2007 and 2006, and net loss attributable to the Company will be equal to net loss as previously reported prior to the adoption of SFAS 160. As the Company had no noncontrolling interests in 2008, the adoption of SFAS 160 has no effect on the Company's statement of operations and comprehensive loss for 2008.

The Consolidated Statements of Operations and Comprehensive Loss for the years ended December 31, 2008, 2007 and 2006 originally filed as part of Item 8 "Financial Statements and Supplementary Data" of the Company's Annual Report on Form 10-K for the year ended December 31, 2008 (the "Form 10-K"), has been updated to reflect the above described effects of the retrospective application of SFAS 160 and is included in Exhibit 99.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

Other than the changes made to reflect the retrospective application of SFAS 160 in the consolidated statements of operations and comprehensive loss for the years ended December 31, 2008, 2007 and 2006 included in Exhibit 99.1 to this Current Report on Form 8-K, the Form 10-K is not being updated by this filing. Information in the Form 10-K is generally stated as of December 31, 2008 and this filing does not reflect any subsequent information or events other than changes for the retrospective application of SFAS 160. More current information is contained in the Forms 10-Q for the quarters ended March 31, 2009, and June 30, 2009 and other filings with the Securities and Exchange Commission. This Current Report on Form 8-K should be read in conjunction with the Form 10-K and the Forms 10-Q and other filings.
