- (3) Operating expenses include cost of services, general and administrative expenses, and bad debt expenses.
- (4) Includes stock compensation expense related to the repurchase of outstanding stock options in the Predecessor Period from January 1 through February 24, 2005, compensation expense related to restricted stock, stock options and long term incentive compensation in the Successor Periods from February 25 through December 31, 2005, and for the years ended December 31, 2006, 2007 and 2008 and for the six months ended June 30, 2008 and 2009.
- (5) The loss in the Predecessor Period of January 1 through February 24, 2005 consists of the tender premium cost of \$34.8 million and the remaining write-off of unamortized deferred financing costs of \$7.9 million related to the tender offers for all of Select's 9 1/2% senior subordinated notes due 2009 and all of Select's 7 1/2% senior subordinated notes due 2013 completed in connection with the Merger. In the year ended December 31, 2008, we paid approximately \$1.0 million to repurchase and retire a portion of Select's 7 5/8% senior subordinated notes. These notes had a carrying value of \$2.0 million. The gain on early retirement of debt recognized was net of the write-off of unamortized deferred financing costs related to the debt. - (6) As a result of the Merger, Select incurred costs in the Predecessor Period of January 1 through February 24, 2005 directly related to the Merger. This included the cost of the investment advisor hired by the special committee of Select's board of directors to evaluate the Merger, legal and accounting fees, costs associated with the Hart-Scott-Rodino filing relating to the Merger, the cost associated with purchasing a six year extended reporting period under our directors and officers liability insurance policy and other associated expenses.
- (7) Interest expense, net equals interest expense minus interest income.
- (8) Reflects interests held by other parties in subsidiaries, limited liability companies and limited partnerships owned and controlled by us.

**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Section 145 of the Delaware General Corporation Law (the "DGCL") provides that a corporation may indemnify any person who is or was a director, officer, employee or agent of a corporation against expenses (including attorneys fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee of or agent to the corporation. The statute provides that it is not exclusive of other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise.

As permitted by the DGCL, our restated certificate of incorporation includes a provision that eliminates the personal liability of our directors for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to us or our stockholders; (2) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of the law; (3) under Section 174 of the DGCL regarding unlawful dividends and stock purchases; or (4) arising as a result of any transaction from which the director derived an improper personal benefit.

As permitted by the DGCL, our amended and restated bylaws provide that (i) we are required to indemnify our directors and officers to the fullest extent permitted by applicable law; (ii) we are permitted to indemnify our other employees to the extent permitted by applicable statutory law; (iii) we are required to advance expenses to our directors and officers in connection with any legal proceeding, subject to the provisions of applicable statutory law; and (iv) the rights conferred in our bylaws are not exclusive.

Section 145 of the DGCL also authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation against any liability asserted against and incurred by such person in any such capacity, or arising out of such person's status as such. The Registrant has purchased liability insurance covering our directors and officers for claims asserted against them or incurred by them in such capacity.

Reference is made to Item 9 for our undertakings with respect to indemnification for liabilities arising under the Securities Act of 1933, as amended.

**Item 9. Undertakings.**

(a) The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - i. to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
  - ii. to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
  - iii. to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement
2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
