Item 1.01 Entry into a Material Definitive Agreement.

On September 29, 2009, ADVENTRX Pharmaceuticals, Inc. (the Company) entered into an engagement letter agreement with Rodman & Renshaw, LLC (the Placement Agent), pursuant to which the Placement Agent agreed to serve as exclusive placement agent for the Company on a best efforts basis in connection with a proposed offering by the Company of its securities.

On October 6, 2009, the Company entered into a securities purchase agreement with investors, pursuant to which the Company agreed to sell an aggregate of 11,283 shares of its 4.25660% Series D Convertible Preferred Stock (convertible preferred stock) and warrants to purchase up to an aggregate of 19,800,000 shares of its common stock (warrants). The convertible preferred stock and the warrants were offered in units, with each unit consisting of one share of convertible preferred stock and a warrant to purchase approximately 1,754.85 shares of common stock. The purchase price per unit is \$1,000. An aggregate of 79,800,000 shares of the Company's common stock are issuable upon conversion of the convertible preferred stock and exercise of the warrants.

Subject to certain ownership limitations, the convertible preferred stock will be convertible at the option of the holder at any time into shares of our common stock at a conversion price of \$0.18805 per share, and will accrue a 4.25660% dividend until October 9, 2020. In the event the convertible preferred stock is converted at any time prior to October 9, 2020, the Company will pay the holder of the converted convertible preferred stock an amount equal to the total dividend that would accrue on such convertible preferred stock, \$468.23 per \$1,000 principal amount of convertible preferred stock converted less dividends paid with respect to such converted convertible preferred stock before the relevant conversion date. The conversion price of the convertible preferred stock will be subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions. The convertible preferred stock will be subject to automatic conversion into shares of common stock upon the occurrence of a change in control of our company and we may become obligated to redeem the convertible preferred stock upon the occurrence of certain triggering events, including the material breach by us of certain contractual obligations to the holders of the convertible preferred stock, the occurrence of a change in control of our company, the occurrence of certain insolvency events relating to our company or the failure of our common stock to continue to be listed or quoted for trading on one or more specified United States securities exchanges.

Subject to certain ownership limitations, the warrants will be exercisable at any time after October 9, 2009 and on or before the fifth anniversary of their initial exercise date at an exercise price of \$0.1468 per share of common stock, which was the closing price of the Company's common stock on the NYSE Amex on October 5, 2009. The exercise price of the warrants and, in some cases, the number of shares issuable upon exercise are subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions.

The securities purchase agreement and the certificate of designation authorizing the convertible preferred stock include certain agreements and covenants for the benefit of the holders of the convertible preferred stock, including restrictions on the Company's ability to amend its certificate of incorporation and bylaws, pay cash dividends or distributions with respect to its common stock or other junior securities, repurchase shares of its common stock or other junior securities and a requirement to use its reasonable best efforts to maintain the listing of its common stock on one or more specified United States securities exchanges.

The convertible preferred stock, the warrants and the shares of common stock underlying the convertible preferred stock and warrants are being offered and will be issued and sold pursuant to the Company's effective registration statement on Form S-1, as amended (File No. 333-160778) and the related prospectus supplement, filed with the Securities and Exchange Commission on October 6, 2009 pursuant to Rule 424(b) under the Securities Act of 1933, as amended, and the related registration statement on Form S-1 (file No. 333-162361). The net proceeds to the Company from the offering, after deducting placement agent fees and its estimated offering expenses, are expected to be approximately \$10.4 million. The transaction is expected to close on October 9, 2009, subject to satisfaction of customary closing conditions. At the closing, 46.8%, or approximately \$5,283,000, of the gross proceeds will be placed in an escrow account with a third party, which amount will be released to make dividend payments and any make-whole payments payable to the holders of the convertible preferred stock.

Pursuant to the terms of the engagement letter agreement with the Placement Agent, assuming the sale of all of the shares of convertible preferred stock in the offering, the Company will pay the Placement Agent a fee equal to

approximately \$676,980 (6.0% of the gross proceeds from the sale of the securities). In addition, the Company will

issue to the Placement Agent warrants to purchase up to that number of shares of common stock equal to 6.0% of the number of shares of common stock underlying the convertible preferred stock sold in the offering. Assuming the sale of all of the shares of convertible preferred stock in the offering, the compensation warrants to the placement agent will be exercisable for up to 3,600,000 shares of the Company's common stock at an exercise price of \$0.1835 per share. Subject to certain ownership limitations, the warrants will be exercisable at any time after the six-month anniversary of their date of issuance and on or before the fifth anniversary of their initial exercise date. The exercise price of the warrants and, in some cases, the number of shares issuable upon exercise are subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions. The Placement Agent's warrants will include certain restrictions on transfer in accordance with FINRA regulations.

The description of the certificate of designation, the convertible preferred stock, the warrants and the engagement letter above are incorporated herein by reference and are subject to, and qualified in their entirety by, the exhibits filed with the Company's amendment to Registration Statement on Form S-1 on October 5, 2009 and incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

A copy of the Certificate of Amendment is filed as Exhibit 3.1 hereto and incorporated herein by reference.
