OPKO Health, Inc. (the Company) is unable to file its Annual Report on Form 10-K for the year ended December 31, 2009 (the Form

10-K) prior to the filing deadline because the Company needs additional time to complete the analysis of all financial and non-financial information required to be included in the Form 10-K relating to the operations of Pharma Genexx, S.A. (Pharma Genexx), the Company's wholly-owned subsidiary in Chile. As a result of the earthquake in Chile on February 27, 2010, and its impact on the Chilean operations and personnel, the Company was unable to complete the analysis of all financial and non-financial information needed to be included in the Form 10-K in order to timely file.

The delay could not be cured without unreasonable effort or expense. The Company expects to file the Form 10-K no later than the fifteenth calendar day following the prescribed due date.
