PROPOSAL: ELECTION OF TRUSTEES/DIRECTORS

In accordance with RCS Articles of Incorporation, as amended (the Articles), and with each of the other Funds Amended and Restated Agreement and Declaration of Trust (each a Declaration), the Trustees/Directors have been divided into the following three classes (each a Class): Class I, Class II and Class III. In December 2009, the Boards of all the Funds appointed James A. Jacobson to each Fund's Board to fill a vacancy resulting from the resignation of Diana L. Taylor as a Class I Director of RCS and a Class II Trustee of the other Funds. In December 2009, Mr. Jacobson was appointed by the Board to serve as a Preferred Shares Trustee of NCV and NCZ to fill a vacancy that resulted from the resignation of Ms. Taylor, who served as a Trustee elected by the Preferred Shareholders, voting as a separate class, of each of those Funds. In April 2010, the Boards of all the Funds appointed Alan Rappaport to the boards and to serve as a Preferred Shares Trustee of NCV and NCZ to fill a vacancy that resulted from the death of Robert E. Connor, to take effect June 22, 2010. Accordingly, the Nominating Committee has recommended Messrs. Jacobson and Rappaport for election by the Preferred Shareholders of NCV and NCZ, voting as a separate class, as Preferred Shares Trustees of those Funds, and has recommended Messrs. Jacobson and Rappaport for election by the Shareholders of NFJ, NIE, NAI, PGP and RCS as a Trustee or Director, as applicable, of those Funds. The Nominating Committee has recommended the other nominees listed herein for re-election by the Shareholders as Trustees/Directors to the Funds, as applicable.

NFJ. With respect to NFJ, the term of office of the Class II Trustees will expire at the Meeting; the term of office of the Class III Trustees will expire at the 2011 annual meeting of shareholders; and the term of office of the Class I Trustees will expire at the 2012 annual meeting of shareholders. Due to an administrative error in 2009, both the Class I and Class II Trustees of NFJ are being nominated for re-election (or for election with respect to Messrs. Jacobson and Rappaport) at the Meeting.

Currently, R. Peter Sullivan III is the Class II Trustee on the Board. The Nominating Committee has recommended to the Board that Mr. Sullivan be nominated for re-election and Messrs. Jacobson and Rappaport be nominated for election by Shareholders as a Class II and Class III Trustee, respectively, at the Meeting. Consistent with the Fund's

Declaration, if elected, the nominees shall hold office for term coinciding with the Class of Trustees to which they have been designated. Therefore, if elected at the Meeting, Messrs. Jacobson and Sullivan will serve a term consistent with the Class II Trustees, which will expire at the Fund's 2013 annual meeting. If elected at the Meeting, Mr. Rappaport will serve a term consistent with the Class III Trustees, which will expire at the Fund's 2011 annual meeting. If elected at the Meeting, Messrs. Belica,

Alan Rappaport	Class III	2011 Annual Meeting
RCS		
James A. Jacobson	Class I	2013 Annual Meeting
William B. Ogden, IV	Class I	2013 Annual Meeting
Alan Rappaport	Class III	2012 Annual Meeting

* A Trustee of NFJ, NCV, NCZ, NIE, NAI and PGP elected at an annual meeting shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office. A Director of RCS elected at an annual meeting shall hold office until his or her successor is elected and qualified.

Under this classified Board structure, generally only those Trustees/Directors in a single Class may be replaced in any one year, and it would require a minimum of two years to change a majority of the Board under normal circumstances. This structure, which may be regarded as an anti-takeover provision, may make it more difficult for a Fund's Shareholders to change the majority of Trustees/Directors of the Fund and, thus, promotes the continuity of management.

Unless authority is withheld, it is the intention of the persons named in the enclosed proxy for a Fund to vote each proxy for the persons listed above for that Fund. Each of the nominees has indicated he or she will serve if elected, but if he or she should be unable to serve for a Fund, the proxy holders may vote in favor of such substitute nominee as the Board may designate (or, alternatively, the Board may determine to leave a vacancy).

Trustees/Directors and Officers

The business of each Fund is managed under the direction of the Fund's Board of Trustees/Directors. Subject to the provisions of the Fund's Declaration/Articles, its By-Laws and applicable state law, the Trustees/Directors have all

powers necessary and convenient to carry out this responsibility, including the election and removal of the Fund's officers.

Table of Contents

Board Leadership Structure If the nominees are elected as proposed, the Board of Trustees/Directors of each Fund will consist of seven Trustees/Directors, six of whom are not interested persons (within the meaning of Section 2(a)(19) of the 1940 Act) of the Fund or of the Manager (the Independent Trustees/Directors). An Independent Trustee/Director serves as Chairman and is selected by vote of the majority of the Independent Trustees/Directors. The Chairman presides at meetings of the Board and acts as a liaison with service providers, officers, attorneys and other Trustees/Directors generally between meetings, and performs such other functions as may be requested by the Board from time to time.

The Board of Trustees/Directors meets regularly four times each year to discuss and consider matters concerning the Funds, and also holds special meetings to address matters arising between regular meetings. The Independent Trustees/Directors regularly meet outside the presence of management and are advised by independent legal counsel. Regular meetings generally take place in-person; other meetings may take place in-person or by telephone.

The Board of Trustees/Directors has established four standing Committees to facilitate oversight of the management of the Funds: the Audit Oversight Committee, the Nominating Committee, the Valuation Committee and the Compensation Committee. The functions and role of each Committee are described below under Committees of the Board of Trustees/Directors. The membership of each Committee consists of all of the Independent Trustees/Directors, which the Board believes allows them to participate in the full range of the Board's oversight duties.

The Board reviews its leadership structure periodically and has determined that this leadership structure, including an Independent Chairman, a supermajority of Independent Trustees/Directors and Committee membership limited to Independent Trustees/Directors, is appropriate in light of the characteristics and circumstances of each Fund. In reaching this conclusion, the Board considered, among other things, the predominant role of the Manager and Sub-Advisers in the day-to-day management of Fund affairs, the extent to which the work of the Board is conducted through the Committees, the number of portfolios that comprise the Fund Complex (defined below), the variety of asset classes those portfolios include, the net assets of each Fund, and the Fund Complex and the management and other service arrangements of each Fund and the Fund Complex. The Board also believes that its structure, including the presence of one Trustee/Director who is an executive with various Manager-affiliated entities, facilitates an efficient flow of information concerning the management of each Fund to the Independent Trustees/Directors.

Risk Oversight Each of the Funds has retained the Manager and the applicable Sub-Adviser to provide investment advisory services, and, in the case of the Manager, to oversee the Fund's business affairs and administrative matters, and these service providers are principally responsible for the management of risks that may arise from Fund investments and operations. Some employees of the Manager serve as the Funds' officers, including the Trust's principal executive officer and principal financial and accounting officer. The Board oversees the performance of these functions by the Manager and Sub-Advisers, both directly and through the Committee structure it has established. The Board receives from the Manager and Sub-Advisers a wide range of reports, both on a regular and as-needed basis, relating to the Funds' activities and to the actual and potential risks of the Funds and the Trust as a whole. These include reports on investment risks, compliance with applicable laws, and the Funds' financial accounting and reporting. In addition, the Board meets periodically with the individual portfolio managers of the Funds to receive reports regarding the portfolio management of the Funds and their performance, including their investment risks.

In addition, the Board has appointed a Chief Compliance Officer (CCO). The CCO oversees the development of compliance policies and procedures that are reasonably designed to minimize the risk of violations of the federal securities laws (Compliance Policies). The CCO reports directly to the Independent Trustees/Directors, and provides presentations to the Board at its quarterly meetings and an annual report on the application of the Compliance Policies. The Board periodically discusses relevant risks affecting the Funds with the CCO at these meetings. The Board has

approved the Compliance Policies and reviews the CCO's reports. Further, the Board annually reviews the sufficiency of the Compliance Policies, as well as the appointment and compensation of the CCO.

The Funds have no employees. The Funds' officers and Mr. Maney are compensated by the Manager, the Sub-Advisers or one of their affiliates.

Trustee Qualifications The Board has determined that each Trustee/Director should continue to serve as such based on several factors (none of which alone is decisive). With the exception of Messrs. Jacobson and Rappaport, who

became or will become Board members in December 2009 and June 2010, respectively, each Trustee has served in such role for several years and is knowledgeable about the Funds' business and service provider arrangements, and has also served for several years as trustee/director to a number of other investment companies advised by the Manager and its affiliates. Among the factors the Board considered when concluding that an individual should serve on the Board were the following: (i) the individual's business and professional experience and accomplishments; (ii) the individual's ability to work effectively with other members of the Board; (iii) the individual's prior experience, if any, serving on the boards of public companies (including, where relevant, other investment companies) and other complex enterprises and organizations; and (iv) how the individual's skills, experiences and attributes would contribute to an appropriate mix of relevant skills and experience on the Board.

In respect of each current Trustee/Director, the individual's substantial professional accomplishments and prior experience, including, in some cases, in fields related to the operations of the Funds, were a significant factor in the determination that the individual should serve as a Trustee/Director of the Funds. Following is a summary of various qualifications, experiences and skills of each Trustee/Director (in addition to business experience during the past five years set forth in the table above) that contributed to the Board's conclusion that an individual should serve on the Board:

Board Committees and Meetings.

Audit Oversight Committee. The Board of each Fund has established an Audit Oversight Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Each Fund's Audit Oversight Committee currently consists of Messrs. Belica, Jacobson, Kertess, Ogden and Sullivan, each of whom is an Independent Trustee/Director. Mr. Rappaport would be added as a member of the Audit Oversight Committee effective June 22, 2010. Mr. Belica is the Chairman of each Fund's Audit Oversight Committee. Each Fund's Audit Oversight Committee provides oversight with respect to the internal and external accounting and auditing procedures of each Fund and, among other things, determines the selection of the independent registered public accounting firm for each Fund and considers the scope of the audit, approves all audit and permitted non-audit services proposed to be performed by those auditors on behalf of each Fund, and approves services to be performed by the auditors for certain affiliates, including the Manager, the Sub-Adviser and entities in a control relationship with the Manager or the

Sub-Adviser that provide services to each Fund where the engagement relates directly to the operations and financial reporting of the Fund. The Committee considers the possible effect of those services on the independence of the Funds independent registered public accounting firm.

Table of Contents

Each member of each Fund's Audit Oversight Committee is independent, as independence for audit committee members is defined in the currently applicable listing standards of the New York Stock Exchange, on which the Common Shares of each Fund are listed.

The Board of each Fund has adopted a written charter for its Audit Oversight Committee. A copy of the written charter for each Fund, as amended through April 6, 2010 is attached to this Proxy Statement as Exhibit A. A report of the Audit Oversight Committee of NFJ, NIE and RCS, dated March 22, 2010, is attached to this Proxy Statement as Exhibit B-1. A report of the Audit Oversight Committee of PGP, dated May 24, 2010, is attached to this Proxy Statement as Exhibit B-3.

Nominating Committee. The Board of each Fund has a Nominating Committee composed solely of Independent Trustees/Directors, currently consisting of Messrs. Belica, Jacobson, Kertess, Ogden and Sullivan. Mr. Rappaport would be added as a member of the Nominating Committee effective June 22, 2010. The Nominating Committee is responsible for reviewing and recommending qualified candidates to the Board in the event that a position is vacated or created or when Trustees/Directors are to be nominated for election by shareholders. The Nominating Committee of each Fund has adopted a charter, which is posted on the following website:
<http://www.allianzinvestors.com/closedendfunds/literature>.

Each member of each Fund's Nominating Committee is independent, as independence for nominating committee members is defined in the currently applicable listing standards of the New York Stock Exchange, on which the Common Shares of each Fund are listed.

Qualifications, Evaluation and Identification of Trustee/Director Nominees. The Nominating Committee of each Fund requires that Trustee/Director candidates have a college degree or equivalent business experience. When evaluating candidates, each Fund's Nominating Committee may take into account a wide variety of factors including, but not limited to: (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) relevant industry and related experience, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate's ability, judgment and expertise and (vi) overall Board composition. The process of identifying nominees involves the consideration of candidates recommended by one or more of the following sources: (i) the Fund's current Trustees/Directors, (ii) the Fund's officers, (iii) the Fund's Shareholders and (iv) any other source the Committee deems to be appropriate. The Nominating Committee of each Fund may, but is not required to, retain a third party search firm at the Fund's expense to identify potential candidates.

Consideration of Candidates Recommended by Shareholders. The Nominating Committee of each Fund will review and consider nominees recommended by Shareholders to serve as Trustees/Directors, provided that the recommending Shareholder follows the Procedures for Shareholders to Submit Nominee Candidates for the Allianz Global Investors Fund Management Sponsored Closed-End Funds, which are set forth as Appendix B to the Funds Nominating Committee Charter. Among other requirements, these procedures provide that the recommending Shareholder must submit any recommendation in writing to the Fund, to the attention of the Fund's Secretary, at the address of the principal executive offices of the Fund and that such submission must be received at such offices not less than 45 days nor more than 75 days prior to the date of the Board or shareholder meeting at which the nominee would be elected. Any recommendation must include certain biographical and other information regarding the candidate and the recommending Shareholder, and must include a written and signed consent of the candidate to be named as a nominee and to serve as a Trustee/Director if elected. The foregoing description of the requirements is only a summary. Please refer to Appendix B to the Nominating Committee Charter for each fund, which is available at <http://www.allianzinvestors.com/closedendfunds/literature>, for details.

The Nominating Committee has full discretion to reject nominees recommended by Shareholders, and there is no assurance that any such person properly recommended and considered by the Committee will be nominated for election to the Board of each Fund.

Diversity. The Nominating Committee takes diversity of a particular nominee and overall diversity of the Board into account when considering and evaluating nominees for Trustee. While the Committee has not adopted a particular definition of diversity, when considering a nominee's and the Board's diversity, the

Committee generally considers the manner in which each nominee's professional experience, education, expertise in matters that are relevant to the oversight of the Funds (*e.g.*, investment management, distribution, accounting, trading, compliance, legal), general leadership experience, and life experience are complementary and, as a whole, contribute to the ability of the Board to oversee the Funds.

Valuation Committee. The Board of each Fund has a Valuation Committee currently consisting of Messrs. Belica, Jacobson, Kertess, Ogden and Sullivan. Mr. Rappaport would be added as a member of the Valuation Committee effective June 22, 2010. The Board of each Fund has delegated to the Committee the responsibility to determine or cause to be determined the fair value of each Fund's portfolio securities and other assets when market quotations are not readily available. The Valuation Committee reviews and approves procedures for the fair valuation of each Fund's portfolio securities and periodically reviews information from the Manager and the Sub-Adviser regarding fair value and liquidity determinations made pursuant to Board-approved procedures, and makes related recommendations to the full Board and assists the full Board in resolving particular fair valuation and other valuation matters.

Compensation Committee. The Board of each Fund has a Compensation Committee currently consisting of Messrs. Belica, Jacobson, Kertess, Ogden and Sullivan. Mr. Rappaport would be added as a member of the Compensation Committee effective June 22, 2010. Shareholder Communications with the Board of Trustees/Directors. The Board of Trustees/Directors of each Fund has adopted procedures by which Fund Shareholders may send communications to the Board. Shareholders may mail written communications to the Board to the attention of the Board of Trustees/Directors, [name of Fund], c/o Thomas J. Fuccillo, Chief Legal Officer (CLO), Allianz Global Investors Fund Management LLC, 1345 Avenue of the Americas, New York, NY 10105. Shareholder communications must (i) be in writing and be signed by the Shareholder and (ii) identify the class and number of Shares held by the Shareholder. The CLO or his designee of each Fund is responsible for reviewing properly submitted shareholder communications. The CLO shall either (i) provide a copy of each properly submitted shareholder communication to the Board at its next regularly scheduled Board meeting or (ii) if the CLO determines that the communication requires more immediate attention, forward the communication to the Trustees/Directors promptly after receipt. The CLO may, in good faith, determine that a shareholder communication should not be provided to the Board because it does not reasonably relate to a Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in the Fund or is otherwise routine or ministerial in nature. These procedures do not apply to (i) any communication from an officer or Trustee/Director of a Fund, (ii) any communication from an employee or agent of a Fund, unless such communication is made solely in such employee's or agent's capacity as a shareholder, or (iii) any shareholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act or any communication made in connection with such a proposal. A Fund's Trustees/Directors are not required to attend the Fund's annual shareholder meetings or to otherwise make themselves available to shareholders for communications, other than by the aforementioned procedures.

Section 16(a) Beneficial Ownership Reporting Compliance. Each Fund's Trustees/Directors and certain officers, investment advisers, certain affiliated persons of the investment advisers and persons who own more than 10% of any class of outstanding securities of a Fund (*i.e.*, a Fund's Common Shares or Preferred Shares) are required to file forms reporting their affiliation with the Fund and reports of ownership and changes in ownership of the Fund's securities with the Securities and Exchange Commission (the SEC) and the New York Stock Exchange (the NYSE). These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file. Based solely on a review of these forms furnished to each Fund, each Fund believes that each of the Trustees/Directors and

relevant officers, investment advisers and relevant affiliated persons of the investment advisers has complied with all applicable filing requirements during each Fund's respective fiscal years.

Investment Manager and Sub-Advisers. The Manager, located at 1345 Avenue of the Americas, New York, New York 10105, serves as the investment manager of the Funds. The Manager retains its affiliates, NFJ Group and OpCap as Sub-Advisers to NFJ, NACM as Sub-Adviser to NFJ, NCV, NCZ, NIE and NAI, and PIMCO as Sub-Adviser to PGP and RCS. AGI Capital, the indirect parent company of NFJ, NACM and OpCap, is an investment adviser based in New York, Dallas and San Diego and is a wholly-owned subsidiary of Allianz Global Investors. NFJ Group is located at 2100 Ross Avenue, Suite 1840, Dallas, Texas 75201. OpCap is located at 1345 Avenue of the Americas, New York, NY 10105. NACM is located at 600 W. Broadway, 30th Floor, San Diego, California 92101. PIMCO is located at 800 Newport Center Drive, Newport Beach, CA 92660. The Manager and the Sub-Advisers are each majority-owned indirect subsidiaries of Allianz SE, a publicly traded European insurance and financial services company.

Legal Proceedings. In June and September 2004, the Manager and certain of its affiliates (including PEA Capital LLC (PEA), Allianz Global Investors Distributors LLC and Allianz Global Investors of America, L.P.) agreed to settle, without admitting or denying the allegations, claims brought by the SEC and the New Jersey Attorney General alleging violations of federal and state securities laws with respect to certain open-end funds for which the Manager serves as investment adviser. The settlements related to an alleged market timing arrangement in certain open-end funds formerly sub-advised by PEA. The Manager and its affiliates agreed to pay a total of \$68 million to settle the claims. In addition to monetary payments, the settling parties agreed to undertake certain corporate governance, compliance and disclosure reforms related to market timing, and consented to cease and desist orders and censures. Subsequent to these events, PEA deregistered as an investment adviser and dissolved. None of the settlements alleged that any inappropriate activity took place with respect to the Funds.

Since February 2004, the Manager, and certain of its affiliates and their employees have been named as defendants in a number of pending lawsuits concerning market timing, which allege the same or similar conduct underlying the regulatory settlements discussed above. The market timing lawsuits have been consolidated in a multi-district litigation proceeding in the United States District Court for the District of Maryland (the MDL Court). After a number of claims in the lawsuits were dismissed by the MDL Court, the parties entered into a stipulation of settlement, which was publicly filed with the MDL Court in April 2010, resolving all remaining claims, but the settlement remains subject to the approval of the MDL Court.

In addition, PIMCO, the Sub-Adviser to PGP and RCS, is the subject of a lawsuit in the Northern District of Illinois Eastern Division in which the complaint alleges that plaintiffs each purchased and sold a 10-year Treasury note futures contract and suffered damages from an alleged shortage when PIMCO held both physical and futures positions in 10-year Treasury notes for its client accounts. In July 2007, the court granted class certification of a class consisting of those persons who purchased futures contracts to offset short positions between May 9, 2005 and June 30, 2005. PIMCO currently believes that the complaint is without merit and intends to vigorously defend against this action.

The Manager and the Sub-Advisers believe that these matters are not likely to have a material adverse effect on the Funds or on their ability to perform their respective investment advisory activities relating to the Funds.

The foregoing speaks only as of the date of this document.

Independent Registered Public Accounting Firm. The Audit Oversight Committee of each Fund's Board unanimously selected PricewaterhouseCoopers LLP (PwC) as the independent registered public accounting firm for the fiscal years ending January 31, 2011 for NFJ, NIE and RCS, February 28, 2011 for NCV, NCZ and NAI and March 31, 2011 for PGP. PwC served as the independent registered public accounting firm of each Fund for the last fiscal year and also serves as the independent registered public accounting firm of various other investment companies for which the Manager and the Sub-Advisers serve as investment adviser or sub-advisers. PwC is located at 300 Madison Avenue, New York, New York 10017 and at 1100 Walnut Street, Suite 1300, Kansas City, MO 64106-2197

(RCS only). None of the Funds knows of any direct financial or material indirect financial interest of PwC in the Funds.

A representative of PwC, if requested by any Shareholder, will be present at the Meeting via telephone to respond to appropriate questions from Shareholders and will have an opportunity to make a statement if he or she chooses to do so.

Pre-approval Policies and Procedures. Each Fund's Audit Oversight Committee has adopted written policies relating to the pre-approval of audit and permitted non-audit services to be performed by the Fund's independent registered public accounting firm. Under the policies, on an annual basis, a Fund's Audit Oversight Committee reviews and pre-approves proposed audit and permitted non-audit services to be performed by the independent registered public accounting firm on behalf of the Fund. The President of each Fund also pre-approves any permitted non-audit services to be provided to the Fund.

In addition, each Fund's Audit Oversight Committee pre-approves annually any permitted non-audit services (including audit-related services) to be provided by the independent registered public accounting firm to the Manager, the Sub-Adviser and any entity controlling, controlled by, or under common control with the Manager that provides ongoing services to the Fund (together, the Accounting Affiliates), provided, in each case, that the engagement relates directly to the operations and financial reporting of the Fund. Although the Audit Oversight Committee does not pre-approve all services provided by the independent registered public accounting firm to Accounting Affiliates (for instance, if the engagement does not relate directly to the operations and financial reporting of the Fund), the Committee receives an annual report from the independent registered public accounting firm showing the aggregate fees paid by Accounting Affiliates for such services.

Each Fund's Audit Oversight Committee may also from time to time pre-approve individual non-audit services to be provided to the Fund or an Accounting Affiliate that were not pre-approved as part of the annual process described above. The Chairman of each Fund's Audit Oversight Committee (or any other member of the Committee to whom this responsibility has been delegated) may also pre-approve these individual non-audit services, provided that the fee for such services does not exceed certain pre-determined dollar thresholds. Any such pre-approval by the Chairman (or by a delegate) is reported to the full Audit Oversight Committee at its next regularly scheduled meeting.

The pre-approval policies provide for waivers of the requirement that the Audit Oversight Committee pre-approve permitted non-audit services provided to the Funds or their Accounting Affiliates pursuant to de minimis exceptions described in Section 10A of the Exchange Act and applicable regulations (referred to herein as the de minimis exception).

Each Fund's Audit Oversight Committee has determined that the provision by PwC of non-audit services to the Fund's Accounting Affiliates that were not pre-approved by the Committee was compatible with maintaining the independence of PwC as the Fund's principal auditors.

Other Business. As of the date of this Proxy Statement, each Fund's officers and the Manager know of no business to come before the Meeting other than as set forth in the Notice. If any other business is properly brought before the Meeting, including any adjournment thereof, the persons named as proxies will vote in their sole discretion.

Quorum, Adjournments and Methods of Tabulation. A quorum for each of NFJ, NCV, NCZ, NIE, NAI and PGP at the Meeting will consist of the presence in person or by proxy of thirty percent (30%) of the total Shares of each of Fund entitled to vote at the Meeting. For RCS, the presence at the Meeting, in person or by proxy, of the holders of a majority of Shares entitled to vote shall be necessary and sufficient to constitute a quorum. In the event that a quorum is not present at the Meeting or, even if a quorum is present, in the event that sufficient votes in favor of the Proposal set forth in the Notice are not received by the time scheduled for the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting after the date set for the original Meeting, with no other notice than announcement at the Meeting, to permit further solicitation of proxies with respect to the Proposal. In addition, if, in the judgment of the persons named as proxies, it is advisable to defer action on the Proposal, the persons named as proxies may propose one or more adjournments of the Meeting with respect to the Proposal for a reasonable time. Any adjournments with respect to the Proposal will require the affirmative vote of a plurality of the Shares of NFJ, NCV, NCZ, NIE, NAI and PGP and the affirmative vote of a majority of the Shares of RCS entitled to vote thereon present in person or represented by proxy at the session of the Meeting to be adjourned. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the Proposal. They will vote against any such adjournment those proxies required to be voted against the Proposal. The costs of any additional solicitation and of any adjourned session will be borne by the applicable Fund. Any proposals properly before the

Meeting for which sufficient favorable votes have been received by the time of the Meeting will be acted upon and such action will be final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal.

Votes cast by proxy or in person at the Meeting will be counted by persons appointed by NFJ, NCV, NCZ, NIE, NAI and PGP as tellers, and by RCS as inspectors (collectively, the Tellers/Inspectors) for the Meeting. For purposes of determining the presence of a quorum for each Fund, the Tellers/Inspectors will count the total number of votes cast for or against approval of the Proposal for that Fund, as well as

Table of Contents

Shares represented by proxies that reflect abstentions and broker non-votes (*i.e.*, shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or the persons entitled to vote and the broker or nominee does not have the discretionary voting power on a particular matter). Abstentions and broker non-votes will have no effect on the outcome of the Proposal for a Fund.

Shareholder Proposals for 2010 Annual Meeting. It is currently anticipated that each Fund's next annual meeting of Shareholders after the Meeting addressed in this Proxy Statement will be held in July 2011. Proposals of Shareholders intended to be presented at that annual meeting of the Fund must be received by the Fund no later than February 18, 2011 for inclusion in the Fund's proxy statement and proxy cards relating to that meeting. The submission by a Shareholder of a proposal for inclusion in the proxy materials does not guarantee that it will be included. Shareholder proposals are subject to certain requirements under the federal securities laws and must be submitted in accordance with the applicable Fund's Bylaws. Shareholders submitting any other proposals for the Fund intended to be presented at the 2011 annual meeting (*i.e.*, other than those to be included in the Fund's proxy materials) must ensure that such proposals are received by the Fund, in good order and complying with all applicable legal requirements and requirements set forth in the Fund's Bylaws, no earlier than April 19, 2011 and no later than May 4, 2011 for NFJ, NCV, NCZ, NIE, NAI, PGP, and RCS. If a Shareholder who wishes to present a proposal fails to notify the Fund within these dates, the proxies solicited for the meeting will have discretionary authority to vote on the Shareholder's proposal if it is properly brought before the meeting. If a Shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules. Shareholder proposals should be addressed to the attention of the Secretary of the applicable Fund, at the address of the principal executive offices of the Fund, with a copy to David C. Sullivan, Ropes & Gray LLP, One International Place, Boston, Massachusetts 02110-2624.

PLEASE EXECUTE AND RETURN THE ENCLOSED PROXY CARDS PROMPTLY TO ENSURE THAT A QUORUM IS PRESENT AT THE ANNUAL MEETING. A SELF-ADDRESSED, POSTAGE-PAID ENVELOPE IS ENCLOSED FOR YOUR CONVENIENCE.

**Allianz Global Investors Fund Management Sponsored Closed-End Funds
Audit Oversight Committee Charter**

(Adopted as of January 14, 2004,
as amended through
April 6, 2010)

The Board of Trustees (each a "Board") of each of the registered investment companies listed in Appendix A hereto (each a "Fund" and, collectively, the "Funds"), as the same may be periodically updated, has adopted this Charter to govern the activities of the Audit Oversight Committee (the "Committee") of the particular Board with respect to its oversight of the Fund. This Charter applies separately to each Fund and its particular Board and Committee, and shall be interpreted accordingly. This Charter supersedes and replaces any audit committee charter previously adopted by the Board or a committee of the Board.

Statement of Purpose and Functions

The Committee's general purpose is to oversee the Fund's accounting and financial reporting policies and practices and its internal controls, including by assisting with the Board's oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements, the qualifications and independence of the Fund's independent auditors, and the performance of the Fund's internal control systems and independent auditors. The Committee's purpose is also to prepare reports required by Item 407(d)(3)(i) of Regulation S-K or otherwise required by Securities and Exchange Commission rules to be included in the Fund's annual proxy statements, if any.

The Committee's function is oversight. While the Committee has the responsibilities set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits, to prepare or determine that the Fund's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to assure compliance with laws, regulations or any internal rules or policies of the Fund. Fund management is responsible for Fund accounting and the implementation and maintenance of the Fund's internal control systems, and the independent auditors are responsible for conducting a proper audit of the Fund's financial statements. Members of the Committee are not employees of the Funds and, in serving on this Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within management and outside the Fund from which the Committee receives information and (ii) the accuracy of financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary.

Membership

The Committee shall be comprised of as many trustees as the Board shall determine, but in any event not less than three (3) Trustees. Each member of the Committee must be a member of the Board. The Board may remove or replace any member of the Committee at any time in its sole discretion. One or more members of the Committee may be designated by the Board as the Committee's chairman or co-chairman, as the case may be.

Each member of the Committee may not be an "interested person" of the Fund, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "Investment Company Act"), and must otherwise satisfy the standards for independence of an audit committee member of an investment company issuer as set forth in

Rule 10A-3(b) (taking into account any exceptions to those requirements set for in such rule) under the Securities Exchange Act of 1934, as amended, and under applicable listing standards of the New York Stock Exchange (the NYSE). Each member of the Committee must be financially literate (or must become so within a reasonable time after his or her appointment to the Committee) and at least one

A-1

Table of Contents

member of the Committee must have accounting or related financial management expertise, in each case as the Board interprets such qualification in its business judgment under NYSE listing standards.

Responsibilities and Duties

The Committee's policies and procedures shall remain flexible to facilitate the Committee's ability to react to changing conditions and to generally discharge its functions. The following describe areas of attention in broad terms. The Committee shall:

1. Determine the selection, retention or termination of the Fund's independent auditors based on an evaluation of their independence and the nature and performance of the audit and any permitted non-audit services. Decisions by the Committee concerning the selection, retention or termination of the independent auditors shall be submitted to the Board for ratification in accordance with the requirements of Section 32(a) of the Investment Company Act. The Fund's independent auditors must report directly to the Committee, which shall be responsible for resolution of disagreements between management and the independent auditors relating to financial reporting.
2. To consider the independence of the Fund's independent auditors at least annually, and in connection therewith receive on a periodic basis formal written disclosures and letters from the independent auditors as required by the Independence Standards Board Standard (ISB) No. 1.
3. To the extent required by applicable regulations, pre-approve (i) all audit and permitted non-audit services rendered by the independent auditors to the Fund and (ii) all non-audit services rendered by the independent auditors to the Fund's investment advisers (including sub-advisers) and to certain of the investment advisers' affiliates. The Committee may implement policies and procedures by which such services are approved other than by the full Committee.
4. Review the fees charged by the independent auditors to the Fund, the investment advisers and certain affiliates of the investment advisers for audit, audit-related and permitted non-audit services.
5. If and to the extent that the Fund intends to have employees, set clear policies for the hiring by the Fund of employees or former employees of the Fund's independent auditors.
6. Obtain and review at least annually a report from the independent auditors describing (i) the accounting firm's internal quality-control procedures and (ii) any material issues raised (a) by the accounting firm's most recent internal quality-control review or peer review or (b) by any governmental or other professional inquiry or investigation performed within the preceding five years respecting one or more independent audits carried out by the firm, and any steps taken to address any such issues.
7. Review with the Fund's independent auditors arrangements for and the scope of the annual audit and any special audits, including the form of any opinion proposed to be rendered to the Board and shareholders of the Fund.
8. Meet with management and the independent auditors to review and discuss the Fund's annual audited financial statements, including a review of any specific disclosures of management's discussion of the Fund's investment performance; and, with respect to the Fund's audited financial statements, discuss with the independent auditors matters required by Statement of Accounting Standards (SAS) No. 61 and any other matters required to be reported to the Committee under applicable law; and provide a statement

whether, based on its review of the Fund's audited financial statements, the Committee recommends to the Board that the audited financial statements be included in the Fund's Annual Report.

Meet with management to review and discuss the Fund's unaudited financial statements included in the semi-annual report, including, if any, a review of any specific disclosure of management's discussion of the Fund's investment performance.

9. Discuss with management and the independent auditors the Fund's unaudited financial statements.
10. Review with the independent auditors any audit problems or difficulties encountered in the course of their audit work and management's responses thereto.
11. Review with management and, as applicable, with the independent auditors the Fund's accounting and financial reporting policies, practices and internal controls, management's guidelines and policies with respect to risk assessment and risk management, including the effect on the Fund of any recommendation of changes in accounting principles or practices by management or the independent auditors.
12. Discuss with management any press releases discussing the Fund's investment performance and other financial information about the Fund, as well as any financial information provided by management to analysts or rating agencies. The Committee may discharge this responsibility by discussing the general types of information to be disclosed by the Fund and the form of presentation (*i.e.*, a case-by-case review is not required) and need not discuss in advance each such release of information.
13. Establish procedures for (i) the receipt, retention, and treatment of complaints received by the Fund regarding accounting, internal accounting controls, or auditing matters; and (ii) the confidential, anonymous submission by employees of the Fund, the Fund's investment advisers, administrator, principal underwriter (if any) or any other provider of accounting-related services for the investment advisers of concerns regarding accounting or auditing matters.
14. Investigate or initiate the investigation of any improprieties or suspected improprieties in the Fund's accounting operations or financial reporting.
15. Review with counsel legal and regulatory matters that have a material impact on the Fund's financial and accounting reporting policies and practices or its internal controls.
16. Report to the Board on a regular basis (at least annually) on the Committee's activities.
17. Perform such other functions consistent with this Charter, the Agreement and Declaration of Trust and Bylaws applicable to the Fund, and applicable law or regulation, as the Committee or the Board deems necessary or appropriate.

The Committee may delegate any portion of its authority and responsibilities as set forth in this Charter to a subcommittee of one or more members of the Committee.

Meetings

At least annually, the Committee shall meet separately with the independent auditors and separately with the representatives of Fund management responsible for the financial and accounting operations of the Fund. The Committee shall hold other regular or special meetings as and when it deems necessary or appropriate.

Outside Resources and Assistance from Management

The appropriate officers of the Fund shall provide or arrange to provide such information, data and services as the Committee may request. The Committee shall have the authority to engage at the Fund's expense independent counsel and other experts and consultants whose expertise the Committee considers necessary to carry out its responsibilities.

The Fund shall provide for appropriate funding, as determined by the Committee, for the payment of:

(i) compensation of the Fund's independent auditors for the issuance of an audit report relating to the Fund's financial statements or the performance of other audit, review or attest

services for the Fund; (ii) compensation of independent legal counsel or other advisers retained by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in fulfilling its purposes or carrying out its responsibilities under this Charter.

Annual Evaluations

The Committee shall review and reassess the adequacy of this Charter at least annually and recommend any changes to the Board. In addition, the performance of the Committee shall be reviewed at least annually by the Board.

The Audit Oversight Committee (the Committee) oversees the Fund s financial reporting process on behalf of the Board of Trustees of the Fund (the Board) and operates under a written Charter adopted by the Board. The Committee meets with the Fund s management (Management) and independent registered public accounting firm and reports the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In connection with the Committee s and independent accountant s responsibilities, Management has advised that the Fund s financial statements for the fiscal year ended January 31, 2010 were prepared in conformity with the generally accepted accounting principles.

The Committee has reviewed and discussed with Management and PricewaterhouseCoopers LLP (PwC), the Fund s independent registered public accounting firm, the audited financial statements for the fiscal year ended January 31, 2010. The Committee has discussed with PwC the matters required to be discussed by Statements on Auditing Standard No. 61 (SAS 61). SAS 61 requires independent auditors to communicate to the Committee matters including, if applicable: 1) methods used to account for significant unusual transactions; 2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; 3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the independent registered public accounting firm s conclusions regarding the reasonableness of those estimates; and 4) disagreements with Management over the application of accounting principles and certain other matters.

With respect to each Fund, the Committee has received the written disclosure and the letter from PwC required by Rule 3526 of the Public Company Accounting Oversight Board (requiring auditors to make written disclosure to and discuss with the Committee various matters relating to the independent registered public accounting firm s independence), and has discussed with PwC their independence. The Committee has also reviewed the aggregate fees billed by PwC for professional services rendered to the Fund and for non-audit services provided to Allianz Global Investors Fund Management LLC (AGIFM), the Fund s investment manager during portions of the last fiscal year, Pacific Investment Management Company LLC (PIMCO), RCS s sub-adviser, Nicholas Applegate Capital Management LLC (NACM), NIE and NFJ s sub-advisers and NACM, Oppenheimer Capital LLC (OpCap) and NFJ Investment Group LLC (NFJ LLC), NFJ s sub-advisers and any entity controlling, controlled by or under common control with AGIFM or PIMCO or NACM or OpCap or NFJ LLC that provided services to the Fund. As part of this review, the Committee considered, in addition to other practices and requirements relating to selection of the Fund s independent registered public accounting firm, whether the provision of such non-audit services was compatible with maintaining the independence of PwC.

Based on the foregoing review and discussions, the Committee presents this Report to the Board and recommends that (1) the audited financial statements for the fiscal year ended January 31, 2010 be included in the Fund s Annual Report to shareholders for such fiscal year, (2) such Annual Report be filed with the Securities and Exchange Commission and the New York Stock Exchange, and (3) PwC be reappointed as the Fund s independent registered public accounting firm for the fiscal year ending January 31, 2011.
