VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Holders of record of our shares of common stock, par value \$0.01 per share, as of the close of business on January 14, 2011 are entitled to one vote for each share then held. As of January 14, 2011, there were 3,478,173 shares of common stock issued and outstanding. The presence in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present.

As to the election of directors, the Proxy Card being provided by the Board of Directors enables a stockholder to vote FOR ALL NOMINEES proposed by the Board, to WITHHOLD AUTHORITY FOR ALL NOMINEES or to vote FOR ALL EXCEPT one or more of the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which the authority to vote for the nominees being proposed is withheld.

As to the ratification of S.R. Snodgrass, A.C. as our independent registered public accounting firm, by checking the appropriate box, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on such ratification. The affirmative vote of a majority of the votes cast at the annual meeting is required for the ratification of S.R. Snodgrass, A.C. as the independent registered public accounting firm for the fiscal year ending September 30, 2011. **Shares as to which the ABSTAIN box has been selected on the proxy card will be counted as shares represented and entitled to vote and will have the same effect as a vote against the matter. Broker non-votes are not considered represented at the annual meeting and entitled to vote on the matter.**

As provided in Section D of Article 5 of our Articles of Incorporation, record holders who beneficially own in excess of 10% of the outstanding shares of our common stock are not entitled to vote any shares held in excess of the 10% limit. Subject to certain exceptions, a person is deemed to beneficially own shares owned by an affiliate of, as well as by persons acting in concert with, such person. The Board of Directors of Standard Financial Corp. is authorized to

construe and apply the provisions of Section D of Article 5 of the Articles of Incorporation, and to make all determinations it deems necessary or desirable to implement them, including determining the number of shares beneficially owned by any person, and to demand certain information from any person who is reasonably believed to beneficially own stock in excess of the 10% limit and reimbursement for all expenses incurred by Standard Financial Corp. in connection with an investigation conducted by the Board of Directors pursuant to the provisions of Article 5, Section D of the Articles of Incorporation.

If you have selected a broker, bank, or other intermediary to hold your common stock rather than having the shares directly registered in your name with our transfer agent, Registrar and Transfer Company, you will receive

instructions directly from your broker, bank, or other intermediary in order to vote your shares. Your brokerage firm may also provide the ability to vote your proxy by telephone or online. Please be advised that if you choose not to vote your proxy, your brokerage firm has the authority under applicable stock market rules to vote your shares **FOR** or **AGAINST** routine matters. All of the proposals, other than the ratification of the independent registered public accounting firm, are deemed to be non-routine matters. Accordingly, we urge you to vote by following the instructions provided by your broker, bank, or other intermediary.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven members, and is divided into three classes. Our bylaws provide that one class of directors is to be elected annually. Our directors are generally elected to serve for a three-year period, or a shorter period if the director is elected to fill a vacancy, and until their respective successors shall have been elected and shall qualify. Two directors will be elected at the annual meeting and will serve until their successors have been elected and qualified. The Nominating Committee has nominated William T. Ferri and David C. Mathews to serve as directors for three-year terms. Each individual is currently a member of the Board of Directors.

Table of Contents

It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to a nominee) will be voted at the annual meeting for the election of the nominees identified below. If the nominees are unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Nominating Committee may recommend. At this time, the Board of Directors knows of no reason why the nominees might be unable to serve, if elected. Except as indicated herein, there are no arrangements or understandings between the nominees and any other person pursuant to which such nominees were selected.

Board Independence

The Board of Directors has determined that each of our directors, with the exception of directors Timothy Zimmerman and David Mathews, is independent as defined in the listing rules of the Nasdaq Stock Market. Messrs. Zimmerman and Mathews are not independent because they are employees of Standard Bank.

At September 30, 2010, Standard Bank had three loans outstanding to entities in which Director Ferri had an ownership interest, with an aggregate balance of \$624,630, as well as one savings account loan secured by a certificate of deposit to Director Cofer with a balance of \$120,025 and one home equity line of credit to Director Mathews with a balance of \$2,864, respectively. Each of these loans were made in the ordinary

Table of Contents

course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public, and did not involve more than the normal risk of collectibility or present other unfavorable features. At September 30, 2010, Standard Bank had no additional loans outstanding with any of its Directors or Executive Officers.

Board Leadership Structure and Oversight

Our Board of Directors is chaired by Terence L. Graft, who is a non-executive director. This structure ensures a greater role for the independent directors in the oversight of Standard Financial Corp. and Standard Bank, and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board.

The Board of Directors is actively involved in oversight of risks that could affect Standard Financial Corp. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through full reports by each committee chair regarding such committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within Standard Financial Corp. Risks relating to the direct operations of Standard Bank are further overseen by the Board of Directors of Standard Bank, which consists of the same individuals who serve on the Board of Directors of Standard Financial Corp. The Board of Directors of Standard Bank also has additional committees that conduct risk oversight and they typically meet jointly with the committees of Standard Financial Corp. All committees are responsible for the establishment of policies that guide management and staff in the day-to-day operation of Standard Financial Corp. and Standard Bank, such as lending, risk management, asset/liability management, investment management and others.

Meetings and Committees of the Board of Directors

The business of Standard Financial Corp. is conducted at regular and special meetings of the full Board and its standing committees. In addition, our independent directors meet in executive sessions. The standing committees consist of the Audit, Compensation and Nominating and Corporate Governance Committees. During the fiscal year ended September 30, 2010, the Board of Directors of Standard Bank met at twelve regular meetings and one special meeting. Standard Financial Corp. had no meetings in fiscal 2010. No member of the Board or any committee thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which he or she has been a director); and (ii) the total number of meetings held by all committees of the board on which he or she served (during the periods that he served).

The duties and responsibilities of the Compensation, Audit and Nominating and Corporate Governance Committees are as follows:

Compensation Committee. The Compensation Committee is composed of independent (as defined in the Nasdaq corporate governance listing standards), non-employee directors who are not eligible to participate in management compensation programs. The Compensation Committee did not meet during the fiscal year ended September 30, 2010; the Compensation Committee of Standard Bank met three times during the fiscal year ended September 30, 2010.

Pursuant to the Compensation Committee's Charter, the Compensation Committee approves the compensation objectives for the Standard Financial Corp. and Standard Bank and establishes the compensation for the President and Chief Executive Officer and other executives. Our President and Chief Executive Officer provides recommendations

to the Compensation Committee on matters of compensation philosophy, plan design and the general guidelines for employee compensation. These recommendations are then considered by the Compensation Committee. However, Mr. Zimmerman does not vote on and is not present for any discussion of his own compensation.

Table of Contents

The Compensation Committee, in performing its duties and responsibilities with respect to director and executive officer compensation, relies on the assistance of our Human Resources Department. In addition, during the fiscal year ended September 30, 2010, the Compensation Committee retained Organizational Consulting Group LLC to provide market survey salary data and recommendations with respect to bank-wide salaries.

Audit Committee. The Audit Committee consists of Directors Walker, who serves as Chairman, Cofer, Ferri and Rennie. Each member of the Audit Committee is independent as defined in the Nasdaq corporate governance listing standards and under Securities and Exchange Commission Rule 10A-3. The Board of Directors has determined that Mr. Walker qualifies as an audit committee financial expert as that term is used in the rules and regulations of the Securities and Exchange Commission. Information with respect to the experience of Mr. Walker is included in

Directors. Our Audit Committee has a written charter, which is available on our website at www.standardbankpa.com. The Audit Committee of Standard Financial Corp. did not meet during the fiscal year ended September 30, 2010; the Audit Committee of Standard Bank met three times during the fiscal year ended September 30, 2010.

Among other activities, the Audit Committee assists the Board of Directors in overseeing the integrity of our financial statements; overseeing our compliance with legal and regulatory requirements; overseeing the independent registered public accountant's qualifications and independence; overseeing the performance of our independent registered public accountant and of our internal audit function; and overseeing our system of disclosure controls and system of internal controls regarding finance, accounting, and legal compliance.

The current members of the Nominating and Corporate Governance Committee consist of Directors Cofer, who serves as Chairman, Graft and Rennie. The Nominating and Corporate Governance Committee has a written charter, which is available on our website at www.standardbankpa.com. The Nominating and Corporate Governance Committee of Standard Financial Corp. did not meet during the fiscal year ended September 30, 2010.

Pursuant to the Nominating and Corporate Governance Committee charter, the Nominating and Corporate Governance Committee assists the Board of Directors in identifying qualified individuals to serve as Board members, in determining the composition of the Board of Directors and its committees, in monitoring a process to assess Board effectiveness and in developing and implementing our corporate governance guidelines. The Nominating and Corporate Governance Committee also considers and recommends the nominees for director to stand for election at our annual meeting of stockholders.

If the candidate is deemed eligible for election to the Board of Directors, the Committee will consider the following criteria in selecting nominees, as described in more detail in the Committee's Criteria for Director Nominees:

- contribution to board;
- experience;
- familiarity with and participation in local community;
- integrity;
- stockholder interests and dedication; and
- independence.

The Committee will also consider any other factors it deems relevant to a candidate's nomination, including the extent to which the candidate helps the Board of Directors reflect the diversity of our stockholders, employees, customers and communities. The Committee also may consider the current composition and size of the Board of Directors, the balance of management and independent directors, and the need for audit committee expertise.

Table of Contents

The Committee may weight the foregoing criteria differently in different situations, depending on the composition of the Board of Directors at the time. The Board of Directors will maintain at least one director who meets the definition of audit committee financial expert under Securities and Exchange Commission regulations.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating and Corporate Governance Committee will consider and review an existing director's board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the board; and independence.

In addition to meeting these qualifications, a person is not qualified to serve as a director if he or she: (1) is under indictment for, or has ever been convicted of, a criminal offense involving dishonesty or breach of trust and the penalty for such offense could be imprisonment for more than one year, (2) is a person against whom a banking agency has, within the past ten years, issued a cease and desist order for conduct involving dishonesty or breach of trust and that order is final and not subject to appeal, or (3) has been found either by a regulatory agency whose decision is final and not subject to appeal or by a court to have (i) breached a fiduciary duty involving personal profit, or (ii) committed a willful violation of any law, rule or regulation governing banking, securities, commodities or insurance, or any final cease and desist order issued by a banking, securities, commodities or insurance regulatory agency. In addition, no person may serve on the Board of Directors and at the same time be a director or officer of another co-operative bank, credit union, savings bank, savings and loan association, bank, trust company or holding company thereof (in each case whether chartered under state, federal or other law) that engages in business activities in the same market area as Standard Financial Corp. or any of its subsidiaries or in any county contiguous to such market area. At least two-thirds of the members of the Board of Directors must be residents of Pennsylvania or reside within a 100-mile radius of an office of Standard Financial Corp. No person 75 years or older shall be eligible for election, re-election, appointment or reappointment to the Board of Directors, unless such person was a director of Standard Bank on June 1, 1998.

The Committee does not have a formal policy or specific guidelines regarding diversity among Board members, and generally views and values diversity from the perspective of professional and life experiences, as well as geographic location, representative of the markets in which we do business. The Committee recognizes that diversity in professional and life experiences may include consideration of gender, race, or national origin, in identifying individuals who possess the qualifications that the Committee believes are important to be represented on the Board.

Not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board meeting, the Corporate Secretary shall present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the Directors on request.

Attendance at Annual Meetings of Stockholders

Although we do not have a formal written policy regarding director attendance at annual meetings of stockholders, it is expected that directors will attend these meetings absent unavoidable scheduling conflicts. The 2011 Annual Meeting of Stockholders is our first annual meeting of stockholders.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2010 for filing with the Securities and Exchange Commission.

This report has been provided by the Audit Committee, which consists of Directors Walker (Chairman), Cofer, Ferri and Rennie.

Section 16(a) Beneficial Ownership Reporting Compliance

Our common stock is registered pursuant to Section 12(b) of the Securities Exchange Act of 1934. The officers and directors of Standard Financial Corp. and beneficial owners of greater than 10% of our shares of common stock (10% beneficial owners) are required to file reports on Forms 3, 4 and 5 with the Securities and Exchange Commission disclosing beneficial ownership and changes in beneficial ownership. Securities and Exchange Commission rules require disclosure in our Proxy Statement and Annual Report on Form 10-K of the failure of an officer, director or 10% beneficial owner of the shares of common stock to file a Form 3, 4 or 5 on a timely basis. Based on our review of such ownership reports, we believe that no officer, director or 10% beneficial owner of Standard Financial Corp. failed to file such ownership reports on a timely basis for the fiscal year ended September 30, 2010.

Employment Agreements. Standard Financial Corp. and Standard Bank entered into an employment agreement with each of Timothy K. Zimmerman, Colleen M. Brown and Paul A. Knapp (referred to below as the executives or executive) effective October 6, 2010. Our continued success depends to a significant degree on the skills and competence of these officers, and the employment agreements are intended to ensure that we maintain a stable management base following the offering. The discussion below addresses the employment agreements entered into with the executives.

The employment agreement with Mr. Zimmerman provides for a three-year term and the employment agreements with Ms. Brown and Mr. Knapp provide for a two-year term, subject to daily renewal. The current base salaries are \$274,000 for Mr. Zimmerman, \$131,000 for Ms. Brown and \$100,000 for Mr. Knapp. The agreements also provide for participation in employee benefit plans and programs maintained for the benefit of senior management personnel, including discretionary bonuses, participation in stock-based benefit plans, and certain fringe benefits as described in the agreements.

Upon termination of an executive's employment for cause, as defined in each of the agreements, the executive will receive no further compensation or benefits under the agreement. If we terminate the executive for reasons other than for cause or if the executive terminates voluntarily under specified circumstances that constitute a good reason constructive termination (as defined in each of the agreements), the executive will receive an amount equal to the base salary, cash bonus and employer contributions to benefit plans that would have been payable for the remaining term of the agreement, payable in a lump sum. We will also continue to pay for each executive's life, health, vision and dental coverage for up to three years (two years for Ms. Brown and Mr. Knapp), with the executive responsible for his or her share of the employee insurance premium.

In the event of a change in control, followed within 12 months by the executive's termination for a reason other than for cause or if the executive terminates voluntarily under specified circumstances that constitute a good reason constructive termination (as defined in each of the agreements), the executive will receive an amount equal to the greater of (a) the payments described in the immediately preceding paragraph, or (b) an amount equal to the three times (two times for Ms. Brown and Mr. Knapp) annual compensation (as defined in each of the agreements, and includes taxable income and employer contributions to tax-qualified and non-qualified deferred compensation plans) that would have been payable for 36 months (24 months for Ms. Brown and Mr. Knapp), payable in a lump sum. We will also continue to pay for each executive's life, health, vision and dental coverage for up to three years (two years for Ms. Brown and Mr. Knapp), with the executive responsible for the executive's share of the employee insurance premium.

Upon termination of employment that would entitle the executive to a severance payment (other than a termination in connection with a change in control), the executive will be required to adhere to a one-year non-competition provision. The executive will be required to release us from any and all claims in order to receive any payments and benefits under their agreements. We will agree to pay all reasonable costs and legal fees of the executives in relation to the enforcement of the employment agreements, provided the executives succeed on the merits in a legal judgment, arbitration proceeding or settlement. The employment agreements also provide for indemnification of the executives to the fullest extent legally permissible.

Assuming the executives had been terminated in connection with a change in control, Mr. Zimmerman, Ms. Brown and Mr. Knapp would have received aggregate severance payments of approximately \$1,041,000, \$342,000 and \$248,000, respectively, based upon each executive's current level of compensation.

Change in Control Agreements. Standard Bank entered into change-in-control agreements with three additional officers effective October 6, 2010. The change-in-control agreements provide a benefit in the event of involuntary

termination of employment or resignation for a good reason (as defined in each of the agreements) equal to two times the sum of the executive's base salary and the highest bonus earned during the prior three years, payable in a lump sum, and the continuation of non-taxable medical and dental coverage for a two-year period, with the executive responsible for his share of the employee premium. The amount of the payment to be made in connection with a change in control will be reduced, if necessary, to an amount that is \$1.00 less than the amount that would otherwise be an excess parachute payment under Section 280G of the Internal Revenue Code of 1986, as amended.

Cash Incentives. The purpose of offering cash incentives is to provide structured annual bonuses to key management personnel for their contributions to the achievement of strategic organizational objectives of Standard Financial Corp. The participants' bonuses are determined based on company-wide performance measures. Mr. Zimmerman's cash bonus is determined at the discretion of the Board. The Board determines the amount of any cash bonus for Mr. Zimmerman based on their review of key performance measures, strategic projects and initiatives and operational metrics and peer group performance results. For Ms. Brown, the company-wide performance measures for the fiscal year ended September 30, 2010 were based on the company's profitability, growth, expense control and risk management targets. For Mr. Knapp, the company-wide performance measures for the fiscal year ended September 30, 2010 were based on the company's profitability, expense control and loan production and quality. The amount of the bonus for Ms. Brown and Mr. Knapp is the sum of the percentage achievement of company-wide performance measurements expressed as a percentage of base salary, with a maximum bonus for each executive of 15% of base salary. The Board of Directors approves all such payments.

For the fiscal year ended September 30, 2010, Ms. Brown and Mr. Knapp's incentive payments, target award opportunities, and actual incentives awarded as a percentage of base salary, were:

Name	2010 Incentive Amount Paid (\$)	Target Award Opportunity (\$)	Actual Award as a Percent of Base Salary %
Colleen M. Brown	5,535	16,436	5.1
Paul A. Knapp	8,747	13,796	9.5

Awards made to Ms. Brown and Mr. Knapp are also reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table.

Phantom Stock Agreements. Standard Bank entered into substantially identical Phantom Stock Appreciation Rights Agreements (Phantom Stock Agreement) with executives and directors in 2002 to provide participants with an incentive opportunity to share in Standard Bank's performance and value creation. Directors Graft, Walker, Cofer and our Named Executive Officers, Mr. Zimmerman, Ms. Brown and Mr. Knapp, have each entered into a Phantom Stock Agreement. Under each Phantom Stock Agreement, a participant was initially credited with a one-time allocation of phantom stock. Phantom stock is used solely as a measurement tool and it represents a hypothetical share of Standard Bank (Phantom Stock). Each year, a participant's phantom stock account is credited with a dollar amount equal to the annual appreciation in the Phantom Stock share price times the number of shares of Phantom Stock initially credited to the participant. The Phantom Stock share price is determined by dividing the Capital Account, as defined in the Phantom Stock Agreement, by the total number of outstanding Phantom Stock shares. Participants will be entitled to the appreciation in the price of the Phantom Stock, and not the value of the one-time grant of Phantom Stock that was credited to the participants' accounts in connection with implementing the Phantom Stock Agreements.

In connection with the mutual to stock conversion, the Phantom Stock Agreements were frozen and no future benefits will accrue. Participants will receive cash distributions pursuant to their distribution elections, commencing in the first quarter of 2012. If a participant terminates employment or service, as applicable, prior to 2012, he or she will be entitled to the vested portion of their Phantom Stock account. A participant's interest in his or her phantom stock account vests over 5 years, with 20% vesting each year, and consequently all directors and executives are 100% vested. The Phantom Stock Agreements provide disability, change in control and a death benefit if the participant dies while in the employment or service, as applicable, of Standard Bank.

For the fiscal year ended September 30, 2010, Directors Graft, Walker and Cofer had earnings credited to their account balances under their Phantom Stock Agreements in the amount of \$5,087, \$5,087 and \$5,087, respectively. In addition, Mr. Zimmerman, Ms. Brown and Mr. Knapp had earnings credited to their account balances in the amount of \$27,480, \$11,340 and \$11,340, respectively.

Tax-Qualified Benefit Plans

401(k) Plan. Standard Bank participates in the Pentegra Defined Contribution Plan for Financial Institutions, a multi-employer 401(k) plan, which provides benefits to substantially all of our employees (the "401(k) Plan"). Employees of Standard Bank who are 21 or older and have completed one year of service are eligible to participate in the plan ("Participants"). Participants may contribute up to 50% of their annual compensation to the plan on a pre-tax basis, subject to limits prescribed by law. Standard Bank provides a 401(k) match equal to 50% of the Participant's salary deferral on the first 6% of compensation, for a maximum employer matching contribution of 3% of a Participant's pre-tax compensation. Employer contributions are subject to a six-year graded vesting schedule, with 20% vesting after two years of service and an additional 20% vest after each following year of credited service, so that a participant is 100% vested after six years of credited service. Participants are always 100% vested in their salary deferrals. Participants will also become 100% vested in the employer contributions allocated to their accounts upon attainment of normal retirement age or in the event of the participant's death or disability. Participants may invest their accounts in the investment options provided under the 401(k) plan. Participants may request a withdrawal from their accounts in the event they incur a financial hardship. A Participant will become eligible for distribution of his or her plan benefit upon termination of employment and a Participant that satisfies certain eligibility requirements may request distributions of certain portions of their account balance while employed. Participants may elect to receive payments of their benefits in a lump sum or in installments, provided that their account balance equal or exceeds \$500. During the fiscal years ended September 30, 2010 and 2009, Standard Bank recognized \$65,000 and \$86,000, respectively, as a 401(k) Plan expense.

Defined Benefit Pension Plan. Standard Bank participates in the Financial Institutions Retirement Fund, a multi-employer pension plan (the "Pension Plan"). Effective August 1, 2005, the annual benefit provided to employees under the Pension Plan was frozen. Freezing the Pension Plan eliminated all future benefit accruals; however, the accrued benefit as of August 1, 2005 remains. During the fiscal years ended September 30, 2010 and 2009, Standard Bank recognized \$448,000 and \$471,000, respectively, as pension expense and made \$31,000 and \$50,000, respectively, as contributions to the Pension Plan. Standard Bank may maintain or terminate the Pension Plan as circumstances warrant.

Employee Stock Ownership Plan. In connection with the mutual to stock conversion, Standard Bank adopted an employee stock ownership plan for eligible employees. Eligible employees will begin participation in the employee stock ownership plan on the later of October 6, 2010 or upon the first entry date commencing on or after the eligible employee's completion of 1,000 hours of service during a continuous 12-month period and the attainment of age 21.

The employee stock ownership plan trustee purchased, on behalf of the employee stock ownership plan, 178,254 shares of Standard Financial Corp. common stock issued in the offering and an additional 100,000 shares in the secondary market, for a total of 278,254 shares. The employee stock ownership plan will fund its stock purchase with a loan from Standard Financial Corp. equal to the aggregate purchase price of the common stock. The loan will be repaid principally through Standard Bank's contribution to the employee stock ownership plan and dividends payable on common stock held by the employee stock ownership plan over the 20 year term of the loan. The interest rate for the employee stock ownership plan loan is an adjustable rate equal to the prime rate, as published in *The Wall Street Journal*, which is currently 3.25%. The interest rate will adjust annually and will be the prime rate on the first business day of the calendar year, retroactive to January 1 of such year.

The trustee will hold the shares purchased by the employee stock ownership plan in an unallocated suspense account, and shares will be released from the suspense account on a pro-rata basis as we repay the loan. The trustee will allocate the shares released among participants on the basis of each participant's proportional share of compensation relative to all participants. Participants will become 100% vested upon the completion of six years of service. Participants who were employed by Standard Bank immediately prior to the offering will receive credit for vesting

purposes for years of service prior to adoption of the employee stock ownership plan. Participants also will become fully vested automatically upon normal retirement, death

Table of Contents

or disability, a change in control, or termination of the employee stock ownership plan. Generally, participants will receive distributions from the employee stock ownership plan upon separation from service.

The employee stock ownership plan permits participants to direct the trustee as to how to vote the shares of common stock allocated to their accounts. The trustee votes unallocated shares and allocated shares for which participants do not provide instructions on any matter in the same ratio as those shares for which participants provide instructions, subject to fulfillment of the trustee's fiduciary responsibilities.

Under applicable accounting requirements, Standard Bank will record a compensation expense for the employee stock ownership plan at the fair value of the shares as they are committed to be released from the unallocated suspense account to participants' accounts. The compensation expense resulting from the release of the common stock from the suspense account and allocation to plan participants will result in a corresponding reduction in Standard Financial Corp.'s earnings.

Director Compensation

Director Fees. Each director of Standard Financial Corp., other than Messrs. Mathews and Zimmerman, is paid an annual fee of \$24,000. The Chairman of the Board of Directors receives an additional \$6,000 retainer annually and the Vice Chairman of the Board of Directors receives an additional \$3,000 retainer annually. Directors will not receive committee fees, attendance fees or other fees. In addition, Standard Bank has an Eastern Region Advisory Board, which was initiated following the acquisition of Hoblitzell National Bank. The Advisory Board currently consists of eight members, three of whom are employees of Standard Bank (including Messrs. Mathews and Zimmerman). The Eastern Region Advisory Board meets on a quarterly basis. Each independent Advisory Board member receives a fee of \$500 per meeting attended. Aggregate Advisory Board fees paid for the fiscal year ended September 30, 2010, were \$8,500.

Mr. Mathews was initially a commissioned based employee, and, in 2008, Standard Bank and Mr. Mathews agreed that it was in the best interest of the parties for Mr. Mathews to be compensated with a base salary instead of commissions. The amount shown in this column includes \$150,204 for base salary, \$3,943 for Pentegra Defined Contribution

Plan for Financial Institutions (401(k) Plan) matching contributions and \$349 for premiums paid by Standard Bank for group term life insurance.

Standard Bank has entered into a Non-Compete Agreement with Mr. Mathews, which provides that in order to protect the business, confidential and other proprietary information of Standard Bank, for a period of two years following his termination of employment, Mr. Mathews will not (i) directly or indirectly solicit any officer or employee to terminate their employment

In exchange for the non-compete and non-solicitation provisions, upon termination of Mr. Mathews' employment, Standard Bank will pay Mr. Mathews (i) \$80,000, payable in eight equal quarterly installments, if Mr. Mathews terminates employment prior to age 64, or (ii) \$40,000, payable in four equal quarterly installments, if Mr. Mathews terminates employment on or after age 64 but before age 65, or (iii) nothing if Mr. Mathews terminates employment on or after age 65. The first payment shall be made on the date of Mr. Mathews' termination of employment and each subsequent payment shall be made on each three month anniversary of the date of his termination of employment. The first payment may be delayed by six months in order to comply with Section 409A of the Internal Revenue Code.

Transactions With Certain Related Persons

The Sarbanes-Oxley Act of 2002 generally prohibits us from making loans to our executive officers and directors, but it contains a specific exemption from such prohibition for loans made by Standard Bank to our executive officers and directors in compliance with federal banking regulations.

At September 30, 2010, all of Standard Bank's loans to our loans to directors and executive officers were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to Standard Bank, and did not involve more than the normal risk of collectability or present other unfavorable features. These loans were performing according to their original terms at September 30, 2010, and were made in compliance with federal banking regulations.

Pursuant to Standard Financial Corp.'s Policy and Procedures for Approval of Related Person Transactions, the Audit Committee periodically reviews, no less frequently than twice a year, a summary of transactions in excess of \$25,000 with directors, executive officers and their family members, for the purpose of determining whether the transactions are in compliance with our policies and should be ratified and approved.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm for the fiscal year ended September 30, 2010 was S.R. Snodgrass, A.C. Our Audit Committee has approved the engagement of S.R. Snodgrass, A.C. to be our independent registered public accounting firm for the fiscal year ending September 30, 2011, subject to the ratification of the engagement by our stockholders. At the annual meeting, the stockholders will consider and vote on the ratification of the engagement of S.R. Snodgrass, A.C. for the fiscal year ending September 30, 2011. A representative of S.R. Snodgrass, A.C. is expected to attend the annual meeting to respond to appropriate questions and to make a statement if he or she so desires.

Even if the selection of the independent registered public accounting firm is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change is in the best interest of Standard Financial Corp. and its stockholders.

Audit fees for each of the fiscal years ended September 30, 2010 and 2009 were for professional services rendered for the audits of our consolidated financial statements and consent and comfort letters and related services provided in connection with the preparation of our registration statement for our initial public offering.

Tax Fees. Tax fees for the fiscal years ended September 30, 2010 and 2009 were for the preparation of state and federal tax returns, assistance with calculating estimated tax payments and other consulting.

The Audit Committee has considered whether the provision of non-audit services, which relate primarily to tax consulting services rendered, is compatible with maintaining the independence of S.R. Snodgrass, A.C. The Audit Committee concluded that performing such services does not affect the independence of S.R. Snodgrass, A.C. in performing its function as our independent registered public accounting firm.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm, either by approving an engagement prior to the engagement or pursuant to a pre-approval policy with respect to particular services. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee when expedition of services is necessary. The independent registered public accounting firm and management are required to report periodically to the full Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. All audit-related fees, tax fees and all other fees described above were approved either as part of our engagements of S.R. Snodgrass, A.C. or pursuant to the pre-approval policy described above.

Vote Required

In order to ratify the selection of S.R. Snodgrass, A.C. as the independent registered public accounting firm for the fiscal year ending September 30, 2011, at least a majority of the votes represented at the annual meeting, without regard to broker non-votes, must vote in favor of such ratification. The Audit Committee of the Board of Directors recommends a vote **FOR** the ratification of S.R. Snodgrass, A.C. as the independent registered public accounting firm for the fiscal year ending September 30, 2011.
