On the same day, the Company entered into the indemnification agreement with each of the directors set forth in the table below.

Each indemnification agreement also requires the Company, upon request of the covered director, to advance the expenses related to such an action provided that the director undertakes to repay any amounts to which he is subsequently determined not to be entitled.

The indemnification agreement is not exclusive of any other rights to indemnification or advancement of expenses to which the covered director may be entitled, including any rights arising under the charter or bylaws of the Company or applicable law.
