**PART II RULES 12b-25(b) AND (c)**

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense
- ☐ (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and
- ☐ (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Allis-Chalmers Energy Inc. (the Registrant) was unable to file its Form 10-Q for the quarterly period ended September 30, 2011 (the Form 10-Q) by the prescribed due date and does not anticipate filing the Form 10-Q on or before the fifth calendar day following the prescribed due date because the quarterly financials of Archer Limited (Archer), its parent company, for the quarter ended September 30, 2011 (the Third Quarter Financials) are not complete and are not scheduled to be filed until November 22, 2011, as set forth in a press release filed by Archer on November 7, 2011, broadly in line with its published financial calendar furnished to the Oslo Stock Exchange in 2010. Archer's common shares are listed on the Oslo Stock Exchange and, as a result, Archer is required by the end of each calendar year to publish the dates planned for the release of its interim reports for the following year. Archer's financial calendar for 2011 was prepared prior to the Registrant becoming a wholly owned subsidiary of Archer, and Archer could not change its financial calendar and complete and file its Third Quarter Financials without unreasonable effort and expense before the prescribed due date for the Registrant's Form 10-Q. The Registrant cannot finalize and file its Form 10-Q prior to the completion of Archer's Third Quarter Financials and therefore expects to file its Form 10-Q no later than November 23, 2011.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes ☐ No ☐

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes ☐ No ☐

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Although the Registrant anticipates that revenues and net income for the three and nine months ended September 30, 2011 will be greater than for the corresponding periods in 2010, we cannot make a reasonable estimate of such changes because the financial statements for Archer and the Registrant have not been finalized.
