**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS**

May 7, 2007

GENERAL

This proxy statement is furnished by our board of directors in connection with the solicitation by the board of directors of proxies to be voted at the annual meeting of stockholders to be held at 11:00 a.m. local time on May 8, 2006, at the Courtyard by Marriott, 31525 West 12 Mile Road, Farmington Hills, Michigan, and at any adjournment or adjournments thereof, for the purposes set forth in the accompanying notice of such meeting. All stockholders of record at the close of business on March 12, 2007, will be entitled to vote.

Voting. Any proxy, if received in time, properly signed and not revoked, will be voted at the annual meeting in accordance with the directions of the stockholder. If no directions are specified, the proxy will be voted for the proposal set forth in this proxy statement. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked (i) by delivery of a written statement to our corporate Secretary stating that the proxy is revoked, (ii) by preparation of a subsequent proxy executed by the person executing the prior proxy, or (iii) by attendance at the annual meeting and voting in person.

Votes cast in person or by proxy at the annual meeting will be tabulated by the election inspectors appointed for the meeting, and the inspectors, assisted by the corporate Secretary, will determine whether or not a quorum is present. The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders.

Quorum. The presence, in person or represented by proxy, of the holders of a majority of our common stock (3,875,249 shares) entitled to vote at the annual meeting is necessary to constitute a quorum at the annual meeting. However, if a quorum is not present at the annual meeting, the stockholders, present in person or represented by proxy, have the power to adjourn the annual meeting until a quorum is present or represented. Pursuant to our bylaws, abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum at the annual meeting. A broker non-vote occurs when a nominee holding common stock does not vote on a particular proposal because the nominee does not have a discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Cost of Proxy Solicitation. Solicitation of proxies will be primarily by mail. However, our directors and officers also may solicit proxies by telephone or telecopy or in person. All of the expenses of preparing, assembling, printing and mailing the materials used in the solicitation of proxies will be paid by us. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to forward soliciting materials, at our expense, to the beneficial owners of shares held of record by such persons. It is anticipated that this proxy statement and the enclosed proxy card first will be mailed to stockholders on or about March 26, 2007.

Table of Contents

Outstanding Stock. As of March 12, 2007, the record date, 7,750,496 shares of our common stock, \$.0001 par value per share, were outstanding. As of the record date, our executive officers and directors had the power to vote approximately 4.07% of the outstanding shares of common stock. Our executive officers and directors have advised us that they intend to vote their shares of common stock in favor of the proposal set forth in this proxy statement.

DIRECTOR NOMINATION PROCEDURES

Director Qualifications. Our Nominating and Corporate Governance Committee has established policies for the desired attributes of the Board as a whole. The Board will seek to ensure that a majority of its members are independent within NYSE listing standards. Each director generally may not serve as a member of more than six other public company boards. Each member of the Board must possess the individual qualities of integrity and accountability, informed judgment, high performance standards and must be committed to representing the long-term interests of the Company and the stockholders. In addition, directors must be committed to devoting the time and effort necessary to be responsible and productive members of the Board. The Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience.

Identifying and Evaluating Nominees. Our Nominating and Corporate Governance Committee regularly assesses the appropriate number of directors comprising the Board and whether any vacancies on the Board are expected due to retirement or otherwise. The Nominating and Corporate Governance Committee may consider those factors it deems appropriate in evaluating director candidates including judgment, skill, and diversity, strength of character, experience with businesses and organizations comparable to our size or scope, experience and skill relative to other Board members and specialized knowledge or experience. Depending on the current needs of the Board, certain factor may be weighted more or less heavily by the Nominating and Corporate Governance Committee. In considering candidates for the Board, the Nominating and Corporate Governance Committee evaluates the entirety of each candidates credentials and other than the eligibility requirements established by the Nominating and Corporate Governance Committee, does not have any specific minimum qualifications that must be met by a nominee. The Nominating and Corporate Governance Committee considers candidates for the Board from any responsible source, including current Board members, stockholders, professional search firms or other persons. The Nominating and Corporate Governance Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating and Corporate Governance Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates

Stockholder Nominees. Our Bylaws permit stockholders to nominate directors for consideration at an annual meeting of stockholders. The Nominating and Corporate Governance Committee will consider properly submitted stockholder nominees for election to the Board and will apply the same evaluation criteria in considering such nominees as it would to persons nominated under any other circumstances. Such nominations may be made by a stockholder entitled to vote, who delivers written notice along with the additional information and materials required by the Bylaws to our Secretary not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. For our annual meeting in the year 2008, our Secretary must receive this notice after the close of business on November 1, 2007, and prior to the close of business on December 1, 2007. You can obtain a copy of the full text of the Bylaw provision by writing to our Secretary at the address appearing on the first page of this Proxy Statement.

Any stockholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include the nominee's name and sufficient biographical information to demonstrate that the nominee meets the qualification requirements for Board service as set forth under Director Qualifications. The nominee's written consent to the nomination should also be included with nominating submission, which should be addressed to: Agree Realty Corporation at the address appearing on the first page of this Proxy Statement, Attention: Secretary.

INDEPENDENCE OF DIRECTORS

Pursuant to our Corporate Governance Guidelines, which require that a majority of our directors be independent within the meaning of NYSE corporate governance standards, the Board undertook a review of the independence of directors nominated for election at this annual meeting. During this review, the

Table of Contents

Board considered transactions and relationships during the prior year between each director or any member of his or her immediate family and the Company, including those reported under Proposal One, and under Certain Relationships and Related Transactions below. As provided in the Corporate Governance Guidelines, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

The Board of Directors has affirmatively determined, assisted by the standards set forth above, that none of the outside Directors has a material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). In making its determination, the Board of Directors considered all relevant facts and circumstances, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, and considered the issue not merely from the standpoint of a director, but also from that of persons or organizations with which a director has an affiliation.

Mr. Schurgin is a senior shareholder at Sommers Schwartz, a law firm that provides significant legal services to us, is also nominated for election at this annual meeting and is not deemed to be independent.

NON-MANAGEMENT DIRECTOR EXECUTIVE SESSION

In accordance with New York Stock Exchange listing standards, our non-management directors meet at least once a year without management. Non-management directors are all directors who are not employees or officers of the Company and include directors who are determined to be independent by our board of directors by virtue of the existence of a material relationship with the company. The board has not designated a lead director, or a single director to preside at executive sessions. The person who presides over executive sessions of non-management directors is selected at each meeting.

COMPENSATION DISCUSSION AND ANALYSIS**OVERVIEW OF COMPENSATION PROGRAM**

The compensation committee (for purposes of this analysis, the Committee) of our board has the responsibility for establishing, implementing and continually monitoring adherence with our compensation philosophy. The Committee ensures that the total compensation paid to our executive leadership team is fair, reasonable and competitive. Generally, the types of compensation and benefits provided to members of the executive leadership team, including the named executive officers, are similar to those provided to other executive officers. Throughout this proxy statement, the individuals who served as President, Executive Vice President, Senior Vice President, Vice President, Finance and Secretary and Vice President during fiscal 2006 are referred to as the named executive officers.

COMPENSATION OBJECTIVES AND PHILOSOPHY

The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by us, and which aligns executives' interests with those of the stockholders by rewarding performance based on the general overall performance of the Company, with the ultimate objective of improving stockholder value. The Committee evaluates both performance and compensation to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. To that end, the Committee believes executive compensation packages provided by us to our named

Table of Contents

executive officers should include both cash and stock-based compensation that reward performance as measured against Company performance.

ROLE OF EXECUTIVE OFFICERS IN COMPENSATION DECISIONS

The Committee currently makes the compensation decisions for our President and the other named executive officers. The Committee also establishes all non-equity and long-term compensation for the named executive officers. The Committee may establish general parameters with which the President establishes compensation for our other named executive officers.

PEER GROUPS FOR EXECUTIVE COMPENSATION PURPOSES

The Committee used the 2006 NAREIT Compensation and Benefits Survey (the NAREIT Survey) to assist it in considering compensation for the named executive officers. The Committee relied on the NAREIT Survey to provide it with relevant market data to consider when making compensation decisions for our named executive officers.

ANNUAL CASH COMPENSATION

In order to stay competitive with other REITs in our peer group, we pay our named executive officers commensurate with their experience and responsibilities. Cash compensation is divided between base salary and cash incentives.

Base Salary. Each of our named executive officers receives a base salary to compensate him or her for services performed during the year. When determining the base salary for each of our named executive officers, the Committee considers the market levels of similar positions at the peer group companies, through the data provided to them by the NAREIT Survey, the performance of the executive officer and the experience of the executive officer in his or her position. The base salaries of our named executive officers (other than Joey Agree) are established by the terms of their employment agreements. The base salaries paid to our named executive officers in 2006 are set forth below in the Executive Compensation Summary Compensation Table.

Annual Non-Equity Compensation. The Committee's practice is to provide a portion of each named executive officer's compensation in the form of an annual cash bonus. These annual bonuses are primarily based upon Company performance objectives. This practice is consistent with our compensation objective of supporting a performance-based environment. The Committee determined that no bonuses should be paid to any of the named executive officers for fiscal 2006 because of the limited number of development projects that were completed in 2006.

Long-Term Incentive Compensation. We award long-term equity incentive grants to our named executive officers as part of our overall compensation package. These awards are consistent with our policies of fostering a performance-based environment and aligning the interests of our senior management with the financial interests of our stockholders. When determining the amount of long-term equity incentive awards to be granted to our named executive officers, the Committee considered, among other things, the following factors: our business performance, the responsibilities and performance of the executive, our stock price performance, and other market factors, including the data provided by the NAREIT Survey.

The Committee determines the number of restricted stocks and the period and conditions for vesting. In 2006, the Committee awarded an aggregate of 33,250 restricted stock awards to our named executive officers. Information regarding restricted stocks granted to our named executive officers can be found below under Executive Compensation.

Perquisites and Other Personal Benefits. We provide the named executive officers with perquisites and other personal benefits that we and the Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

Table of Contents

Executive officers are eligible to participate in our employee medical benefit plan, on the same basis as other employees.

We have entered into employment agreements with our named executive officers, which provide severance payments under specified conditions within one year following a change in control. These severance agreements are described below under Executive Compensation Employment Agreements. We believe these agreements help us to retain executives who are essential to our long-term success.

TAX AND ACCOUNTING IMPLICATIONS

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code limits the deductibility on our tax return of compensation over \$1 million to any of our named executive officers. However, compensation that is paid pursuant to a plan that is performance-related, non-discretionary and has been approved by our stockholders is not subject to section 162(m). We have such a plan and may utilize it to mitigate the potential impact of section 162(m). We did not pay any compensation during 2006 that would be subject to section 162(m). We believe that, because we qualify as a REIT under the Internal Revenue Code and therefore are not subject to federal income taxes on our income to the extent distributed, the payment of compensation that does not satisfy the requirements of section 162(m) will not generally affect our net income. However, to the extent that compensation does not qualify for deduction under section 162(m) or under our short term incentive plan approved by stockholders to, among other things, mitigate the effects of section 162(m), a larger portion of stockholder distributions may be subject to federal income taxation as dividend income rather than return of capital. We do not believe that section 162(m) will materially affect the taxability of stockholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each stockholder. For these reasons, the compensation committee's compensation policy and practices are not directly governed by section 162(m).

Accounting for Stock-Based Compensation. Beginning on January 1, 2006, we began accounting for stock-based payments to employees in accordance with the requirements of FASB Statement 123(R).

EXECUTIVE COMPENSATION

EMPLOYMENT AGREEMENTS

Our current employment agreements with Mr. Agree and Mr. Howe became effective on July 1, 2004. Mr. Prueter's employment agreement became effective on January 10, 2000. Ms. Whalen-Umphryes employment agreement became effective on October 1, 2005.

Mr. Agree's employment agreement, pursuant to which he serves as our Chairman of the Board and President, has a five-year term. Under his employment agreement, Mr. Agree receives an annual base salary of \$250,000, subject to annual increases at the discretion of the executive compensation committee, and is entitled to participate in the 2005 Equity Incentive Plan and all other benefit programs generally available to our executive officers.

If we terminate Mr. Agree's employment without cause (as defined below), he is entitled to receive a payment of all amounts payable during the term of the employment agreement (including, but not limited to his salary at the then applicable rate) and has the right to continue to participate in all benefit plans made generally available by us to our executives. In addition, all unvested shares of our common stock issued to Mr. Agree under our Stock Incentive Plan will become fully vested.

If a change-in-control (as defined in the employment agreement) occurs prior to the expiration of Mr. Agree's employment agreement and within three years after the change-in-control Mr. Agree's employment is terminated by us, Mr. Agree is entitled to be paid the greater of three times his then compensation, or his compensation to be paid over the remaining life of the employment agreement.

We may terminate Mr. Agree's agreement for cause which is defined to include (1) willful failure or refusal to perform specific reasonable written directives of the board of directors; (2) conviction of a felony; (3) dishonesty involving us which results in an unjust gain or enrichment at our expense; (4) moral turpitude which adversely affects our business; or (5) a material breach of the non-competition section of the employment agreement. In the event of Mr. Agree's termination for cause he will forfeit his right to any and all benefits entitled to be received pursuant to his employment agreement (other than any previously vested benefits) following the date of termination. Mr. Agree's agreement may also be terminated if Mr. Agree dies or becomes disabled (as defined in the agreement). In the event of termination of the agreement because of Mr. Agree's death or disability, Mr. Agree (or his estate) shall receive for the longer of (x) the remainder of the calendar year; or (y) six months, Mr. Agree's salary in effect at the date of his death or disability. In addition, all unvested shares of our common stock issued to Mr. Agree under our Stock Incentive Plan shall become fully vested.

The employment agreement with Mr. Howe, pursuant to which he serves as our chief Financial Officer and Secretary, is identical to Mr. Agree's employment agreement, except that Mr. Howe's agreement provides for an annual base salary of \$150,000 and is for a three year term. The term can be extended for two additional one year terms, at our option.

The employment agreement with Mr. Prueter, pursuant to which he serves as a Senior Vice President had an initial term of five years and has been extended by the board for an additional three year period, is similar to Mr. Agree's employment agreement, except that Mr. Prueter's agreement provides for an annual base salary of \$180,000 and

entitles him to receive at least 2,500 shares of restricted stock each year.

The employment agreement with Ms. Whalen-Umphryes, pursuant to which she serves as a Vice President has an initial term of three years, is similar to Mr. Agree's employment agreement, except that Ms. Whalen-Umphryes agreement provides for an annual base salary of \$240,000 and entitles her to 2,000 shares of restricted stock each year. Ms. Whalen-Umphryes agreement also provides for additional compensation should she obtain and complete development projects.

REPORT OF THE AUDIT COMMITTEE

The Company's Board of Directors' Audit Committee is comprised of three directors, all of whom are independent as such term is defined in the listing standards of the New York Stock Exchange. The Audit Committee reviews the Company's financial reporting process and its system of internal financial controls on behalf of the Board of Directors. Management of the Company has the primary responsibility for the financial statements and the reporting process of the Company, including the system of internal controls, the presentation of the financial statements and the integrity of the financial statements. Management has represented to the Audit Committee that the Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) and that its internal controls over financial reporting were effective as of December 31, 2006. The Company's auditors, Virchow, Krause & Company, are engaged to audit the Company's financial statements and to express an opinion on the conformity of such audited financial statements to GAAP, on the effectiveness of the Company's internal controls over financial reporting and on management's assessment of the effectiveness of the Company's internal controls over financial reporting. Members of the Audit Committee rely on the information provided to them and on the representations made by management and the information, representations, opinions and communications of the Company's auditors.

Effective May 9, 2006, BDO Seidman, LLP, resigned as our independent registered public accounting firm for the 2006 fiscal year. BDO Seidman, LLP served as our certifying accountant for the period from January 1, 2004 through the fiscal year ended December 31, 2005 and the first quarter of 2006. During the two most recent fiscal years and during the subsequent interim period through May 9, 2006, there were no disagreements between us and BDO Seidman, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to BDO Seidman, LLP's satisfaction, would have caused it to make reference to the subject matter of the disagreements in connection with its report, and there were no reportable events as specified in Item 304(a)(1)(v) of Regulation S-K.

Effective July 26, 2006, the Audit Committee of the Board of Directors engaged Virchow, Krause & Company, LLP as our independent registered public accounting firm.

We discussed with Virchow, Krause & Company the overall scope and plans for their audit for the year ending December 31, 2006. We met with Virchow, Krause & Company, with and without management present, to discuss the results of their examination and their evaluations of our internal controls.

We have reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2006 with management and Virchow, Krause & Company. We also discussed with management and Virchow, Krause & Company the process used to support certifications by our Chief Executive Officer and Chief Financial Officer that are required by the SEC and the Sarbanes-Oxley Act of 2002 to accompany our periodic filings with the SEC.

In addition, the audit committee obtained from Virchow, Krause & Company a formal written statement describing all relationships between the auditors and us that might bear on the auditor's independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. When considering Virchow, Krause & Company's independence, we considered whether their provision of services to the company, beyond those rendered in connection with their audit of our consolidated financial statements and reviews of our consolidated financial statements, including in its Quarterly Reports on Form 10-Q, was compatible with maintaining their independence. We also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, Virchow, Krause & Company. The audit committee

also discussed and reviewed with the independent auditors all communications required by GAAP, including those described in Statement on Auditing Standards (SAS) No. 61, as amended, Communication with Audit Committees, SAS99 Consideration of Fraud in a Financial Statement Audit, and SEC rules discussed in Final Release Nos. 33-8183 and 33-8183a.

Based on our review and these meetings, discussions and reports, and subject to the limitations on our role and responsibilities referred to above and in the audit committee charter, we recommended to the

board of directors (and the board has approved) that the audited financial statements for the year ended December 31, 2006 be included in the Annual Report on Form 10-K for filing with the SEC.

FEES OF INDEPENDENT AUDITOR

BDO Seidman, LLP was the Company's independent auditor for the year ended December 31, 2005 and the quarter ended March 31, 2006. On July 26, 2006, the Audit Committee engaged Virchow, Krause & Company, LLP as the Company's independent auditor for the year ended December 31, 2006.

The following table presents fees for professional audit services rendered by BDO Seidman, LLP for its audit of the Company's annual financial statements for the year ended December 31, 2005 and their review of our first quarter ended March 31, 2006 and by Virchow Krause for its audit for the year ended December 31, 2006.

Aggregate fees for professional services rendered to us by BDO Seidman and Virchow, Krause & Company as of and for the years ended December 31, 2006 and 2005 were:

	2006	2005
Audit fees	\$ 95,000	\$ 125,000
Audit-related fees		
Tax fees	\$ 18,000	\$ 19,350
All other fees	\$	\$ 12,000

The audit committee approved all fees paid to BDO Seidman, LLP and Virchow, Krause & Company.

Audit Fees. Audit fees include fees for the audit of our annual consolidated financial statements, for review of the financial statements included in our quarterly reports on Form 10-Q and for the annual audit of internal controls over financial reporting as required by Section 404 of the Sarbanes-Oxley Act of 2002.

Audit Related Fees. No audit related fees were paid in 2006 or 2005.

Tax Fees. Tax fees related to professional services for tax compliance and consulting.

All Other Fees. All other fees consist of fees paid for the review of Registration Statements.

At its regularly scheduled and special meetings, the audit committee considers and pre-approves any audit and non-audit services to be performed by our independent accountants. The audit committee has delegated to its chairman, Farris Kalil, an independent member of our board of directors, the authority to grant pre-approvals of non-audit services provided that any such pre-approval by Mr. Kalil shall be reported to the audit committee at its next scheduled meeting. However, pre-approval of non-audit services is not required if (1) the aggregate amount of non-audit services is less than 5% of the total amount paid by us to the auditor during the fiscal year in which the non-audit services are provided; (2) such services were not recognized by the company as non-audit services at the

time of the engagement; and (3) such services are promptly brought to the attention of the audit committee and, prior to completion of the audit, are approved by the audit committee or by one or more audit committee members who have been delegated authority to grant approvals.

The audit committee had considered whether the provision of these services is compatible with maintaining the independent accountants' independence and has determined that such services have not adversely affected BDO Seidman, LLP's or Virchow, Krause & Company LLP's independence.
