Item 4. Purpose of Transaction

Subject to applicable legal requirements, one or more of the Reporting Persons may purchase additional securities of the Issuer from time to time in open market transactions, private transactions or pursuant to a 10b5-1 plan, depending on their evaluation of the Issuer's business, prospects and financial condition, the market for the Issuer's securities, other developments concerning the Issuer, the reaction of the Issuer to the Reporting Persons' ownership of the Issuer's securities, other opportunities available to the Reporting Persons, and general economic, money market and stock market conditions. In addition, depending upon the factors referred to above, the Reporting Persons may dispose of all or a portion of their securities of the Issuer at any time. Each of the Reporting Persons reserves the right to increase or decrease its holdings on such terms and at such times as each may decide. In addition, the Reporting Persons may take actions including (i) proposing measures which they believe would enhance shareholder value, (ii) seeking additional representation on the board of directors of the Issuer, (iii) continuing to hold securities of the Issuer, or (iv) otherwise changing its intention with respect to any of the matters referenced in this Item 4.

Following the resignation of Mr. Guoying Du from his position as Vice President and Director of Acorn, effective August 18, 2010, Mr. Robert Roche has determined that he will request the resignation of James Yujun Hu, the Chairman of the Board of Directors and Chief Executive Officer of Acorn. Mr. Robert Roche has also determined that he will propose a slate of three director nominees to be considered at the 2010 annual meeting of Acorn. Mr. Robert Roche anticipates that these three director nominees will also request the resignation of the current Chairman of the Board of Directors and Chief Executive Officer of Acorn if they are elected as members of the Board of Directors of Acorn. Mr. Robert Roche has not yet determined who the three director nominees will be. Mr. Robert Roche also intends to propose that he become the Chairman of the Board of Directors of Acorn at the 2010 annual meeting of Acorn.

Other than described in this Item 4 and consistent with Robert W. Roche's position as a director of the Issuer, the Reporting Persons do not have any other plans or proposals which would result in:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer, except that the Reporting Persons may, depending upon prevailing market prices or conditions, decide to increase or decrease their position in the Issuer through open market or privately negotiated transactions with third parties;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (d) Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of the board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors;
- (e) Any material change in the present capitalization or dividend policy of the Issuer;
- (f) Any other material change in the Issuer's business or corporate structure;
- (g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;

(i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or

(j) Any action similar to any of those actions enumerated above.
