Item 1.01 Entry into a Material Definitive Agreement.

On August 5, 2005, Integrated Electrical Services (the Company), Brink Electric Construction Co., (Brink), Brink Constructors, Inc., (the Buyer), and Douglas F. Brink, as guarantor, executed an Asset Purchase Agreement (the Agreement), providing for the sale of substantially all of the assets of the Company to the Buyer effective as of July 31, 2005, for a purchase price of \$4,700,000.00, subject to adjustment. The closing of the transactions contemplated by the Agreement was also consummated on August 5, 2005. Mr. Brink was President of Brink prior to the sale and is President of the Buyer.

In determining the sales price for the disposed-of assets and liabilities, the Company evaluated past performance, expected future performance, management issues, bonding requirements, market forecasts and the carrying value of such assets and liabilities and received a fairness opinion from an independent consulting and investment banking firm in support of this determination.

The description of the Agreement provided in this item 1.01 is qualified in its entirety by reference to the Agreement itself, which is filed as Exhibit 10.1 to this current report on Form 8-K.
