Item 1.01 Entry Into a Material Definitive Agreement

On November 22, 2005, KB Home entered into a senior unsecured five-year \$1.5 billion revolving credit facility (the Facility) with the lenders named therein. The Facility was arranged by Banc of America Securities LLC and Citigroup Global Markets Inc. Unless it is extended pursuant to its terms, the Facility will mature on November 22, 2010. The Facility contains an uncommitted accordion feature under which its aggregate principal amount can be increased to up to \$2.0 billion under certain circumstances, as well as sublimits of \$1.0 billion for the issuance of letters of credit and \$100 million for swing line loans. The Facility contains customary events of default which would permit the lenders to accelerate payment on outstanding borrowings if not cured within applicable grace periods, including nonpayment of principal, interest and fees or other amounts; violation of covenants; inaccuracy of representations and warranties; and bankruptcy and other insolvency events. Interest rates on borrowings will be as described in the terms of the Facility. Borrowings under the Facility are guaranteed by certain of KB Home s subsidiaries and may be used for working capital, capital expenditures and other general corporate purposes.

The Facility replaces KB Home s existing \$1.0 billion senior unsecured revolving credit facility (the Existing Facility), which was scheduled to expire on October 24, 2007. At November 21, 2005, KB Home had aggregate borrowings of approximately \$322 million outstanding under the Existing Facility.

The above description is a summary and is qualified in its entirety by the terms of the Facility, which is filed as Exhibit 10.24 to this report.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant
