**Item 5. Other Events.**

On August 16, 2002, United Therapeutics Corporation (the Company) issued a press release announcing the appointment of Michael P. Joseph to the Company's board of directors. A copy of the press release is attached hereto and incorporated herein by this reference.

As previously disclosed, the Company had the right to acquire an additional \$2.5 million of stock and convertible debt in AltaRex Corp. (AltaRex) in August 2002 in connection with the exclusive license of a platform of five immunotherapeutic monoclonal antibodies for use in ovarian, prostate, lung, breast, multiple myeloma and other forms of cancer. Payment of the \$2.5 million was required to maintain the Company's rights to these products. On August 15, 2002, United Therapeutics exercised its right and (i) purchased 3.25 million common shares of AltaRex for a total purchase price of U.S. \$1,625,000, (ii) purchased a debenture in the principal amount of U.S. \$875,000, of which U.S. \$441,690 will automatically convert into 883,380 common shares of AltaRex on August 20, 2002, and (iii) will receive an additional 100,000 common shares on August 21, 2002. After giving effect to the issuance of the common shares to be issued upon exercise of the warrant and upon conversion of the debentures described above, United Therapeutics understands that it will hold approximately 19.9% of the outstanding common shares of AltaRex.
