Item 3.02 Unregistered Sales of Equity Securities

Commencing March 23, 2005, HearUSA, Inc. (the Company) issued shares of its common stock, \$0.10 par value per share, in excess of 1% of the outstanding common stock of the Company, upon the exercise of certain outstanding warrants. These warrants were issued by the Company in March 2002 in connection with a private placement equity financing to a group of accredited investors as defined in Rule 501(a) of Regulation D, and the Company relied on Regulation D and Section 4(2) of the Securities Act of 1933 to issue the securities without registration at that time. Similarly, the warrants were exercised by the holders of those warrants, all of whom were accredited investors, and the Company relied on Regulation D and Section 4(2) of the Securities Act of 1933 to issue the shares of common stock on exercise of the warrants without registration. By their terms, the warrants would have expired at the close of business on March 29, 2005. On March 29, 2005, the last of the outstanding warrants were exercised. In total, 1,500,000 shares of common stock were issued upon exercise of the warrants at an exercise price of \$1.15 per share, for total proceeds to the Company of \$1,725,000.

Each member of the Company's Board of Directors at the time of the March 2002 equity financing participated in the private placement. Each of those persons remains on the Company's Board of Directors and all of those related warrants were exercised.
