If the officer leaves the bank's employ or is terminated with good cause by the Board of Directors of Southside Bank, no benefits are payable under the plan, unless change of control provisions are triggered. If a change of control does occur the definition of "good reason" changes, under certain conditions, to the same as retirement and benefits are effectuated immediately. The deferred compensation agreements are as follows: Mr. Hartley - \$377,000 payable at inception; \$800,000 payable over 15 years; Mr. Dawson - \$500,000 payable over 10 years; and Mr. Story and Mr. Gibson each \$400,000 payable over 10 years. The present value of the future benefits assuming a discount rate of 7.50% is as follows: B. G. Hartley \$868,000; Sam Dawson \$50,000; Jeryl Story \$26,000, and Lee Gibson \$17,000.

REPORT ON EXECUTIVE COMPENSATION

GENERAL

The purpose of this report is to provide insight into the practice and

Edgar Filing: SOUTHSIDE BANCSHARES INC - Form DEF 14A

philosophy of the Board of Directors in establishing the compensation for the Executive Officers of Southside Bank and to elaborate on the relationship between corporate performance and executive compensation.

Executive Officer salary levels reflect an individual's responsibilities and experience and the Compensation Committee's view of competitive marketplace conditions. Compensation levels for executives are established after considering measures including, but not limited to, financial performance of the Corporation and the Bank and labor market conditions. Furthermore, qualitative factors such as commitment, leadership, teamwork and community involvement are considered in compensation deliberations.

In the final analysis, compensation adjustments are based on a broad spectrum of factors rather than one or two specific performance goals. The Compensation Committee recognizes the importance of aligning the shareholders interest and executive compensation.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Compensation Committee, when reviewing the compensation of the Chief Executive Officer, evaluates the factors mentioned above including initiation and implementation of successful business strategies, maintenance of an effective management team and various personal qualities including leadership, commitment as well as professional and community standing.

After reviewing the Corporation's 2000 results in the context of comparison to corporate peers, as well as his individual contributions, the Compensation Committee concluded that the Chief Executive Officer, B. G. Hartley, performed with skill and dedication during 2000. The year was marked by record-breaking performances on several levels and Mr. Hartley deserves a large measure of the credit for these accomplishments. Finally the Compensation Committee believes that Mr. Hartley has set the stage for the continued success of the bank by leading a seasoned executive staff that has displayed skill in guiding the bank through an ever-changing financial services market in East Texas.
