PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

Edgar Filing: INFOUSA INC - Form DEF 14A

GENERAL

The enclosed Proxy is solicited on behalf of infoUSA Inc., a Delaware corporation (the "Company"), for use at its 2003 Annual Meeting of Stockholders to be held on Monday, April 21, 2003, at 5:00 p.m., local time, or at any adjournments or postponements thereof, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at The Jaipur, 10999 Elm Street, Omaha, Nebraska 68114. The Company's principal executive offices are located at 5711 South 86th Circle, Omaha, Nebraska 68127. The Company's telephone number is (402) 593-4500.

These proxy solicitation materials are being mailed on or about March 21, 2003 to all stockholders entitled to vote at the meeting. The Company's Annual Report for the fiscal year ended December 31, 2002, including audited financial statements, is being mailed to stockholders concurrently with this Proxy Statement.

RECORD DATE; OUTSTANDING SHARES

Stockholders of record at the close of business on March 5, 2003 (the "Record Date") are entitled to receive notice of and vote at the meeting. On the Record Date, 51,165,410 shares of the Company's Common Stock, \$.0025 par value per share, were issued and outstanding. For information regarding holders of more than five percent of the outstanding Common Stock, see "Security Ownership."

REVOCABILITY OF PROXIES

Proxies given pursuant to this solicitation may be revoked at any time before they have been voted. Proxies may be revoked by delivering a written notice of revocation to the Company or by duly executing and delivering to the attention of the Secretary of the Company a proxy bearing a later date. Proxies may also be revoked if the stockholder attends the meeting and votes in person.

VOTING AND SOLICITATION

The presence in person or by proxy of holders of a majority of the shares of stock entitled to vote at the Annual Meeting constitutes a quorum for the transaction of business. Every holder of record of Common Stock on the Record Date is entitled, for each share held, to one vote on each proposal or item that comes before the meeting. In the election of directors, each stockholder

1

will be entitled to vote for three nominees and the three nominees with the greatest number of votes will be elected. Ratification of the appointment of the Company's independent public accountants requires a vote of the majority of the shares represented at the Annual Meeting in person or by proxy and entitled to vote.

The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining whether a quorum is present. With respect to the election of directors (elected by a plurality of the votes), abstentions will not be taken into account in determining the outcome of the election. With respect to the other matters being considered, abstentions will have the same effect as negative votes. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter and will not be taken into

Edgar Filing: INFOUSA INC - Form DEF 14A

account in determining the outcome of the votes on that matter.

The cost of this solicitation will be borne by the Company. The Company may reimburse expenses incurred by brokerage firms and other persons representing beneficial owners of shares in forwarding solicitation material to beneficial owners. Proxies may be solicited by certain of the Company's directors, officers and regular employees personally, by telephone or by telegram and no additional compensation will be paid to such individuals.

DEADLINES FOR RECEIPT OF STOCKHOLDER PROPOSALS

The proxy rules of the Securities and Exchange Commission permit stockholders, after timely notice to a company, to present proposals for stockholder action in a company's proxy statement where such proposals are consistent with applicable law, pertain to matters appropriate for stockholder action and are not properly omitted by corporate action in accordance with the proxy rules. Stockholder proposals that are intended to be presented at the Company's 2004 Annual Meeting must be received by the Company no later than November 23, 2003 to be included in the proxy statement and form of proxy for that meeting. The Company's proxy for the 2004 Annual Meeting may confer on the proxy holder discretionary authority to vote on any Stockholder proposals that are intended to be presented at the Company's 2004 Annual Meeting that are received after February 5, 2004.

The Company's Bylaws provide that certain requirements be met in order that business may properly come before the stockholders at the Annual Meeting. Among other things, stockholders intending to bring business before the Annual Meeting must provide written notice of such intent to the Secretary of the Company. Such notice must be received by the Company no later than the close of business on the 10th day following the date of this Proxy Statement. Stockholders desiring to bring matters for action at an Annual Meeting should contact the Company's Secretary for a copy of the relevant requirements. Additionally, any stockholder wishing to recommend candidates for Board membership generally should submit the recommendation in writing to the Secretary of the Company at least 30 but no more than 60 days prior to the Annual Meeting, with the submitting stockholder's name, address and stockholdings and pertinent information about the proposed nominee. Any stockholder wishing to bring matters for action at this year's Annual Meeting should note that, as permitted by the proxy rules, the persons named as proxies may exercise discretionary voting authority with respect to any such proposal because the proposals will have been received after February 12, 2003 (as disclosed in the Proxy Statement for the 2002 Annual Meeting).

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors reviews and approves salaries, bonuses and other compensation payable to the Company's executive officers. The Compensation Committee consisted of Directors Harold W. Andersen, George F. Haddix and Elliot S. Kaplan during fiscal year 2002, and

Edgar Filing: INFOUSA INC - Form DEF 14A

will consist of Directors Harold W. Andersen, George F. Haddix and Dr. Vasant H. Raval during fiscal year 2003. None of these persons is an employee of the Company.

The Compensation Committee's policy in establishing compensation for executive officers is to reward sustained performance through the payment of base salaries, reward current performance through annual bonuses, and provide long-term incentives through stock options and other opportunities for equity ownership. When establishing the amounts of such compensation, the Compensation Committee considers publicly available information concerning executive compensation levels paid by other companies in the Omaha, Nebraska area and in the industry generally.

The Compensation Committee reviewed and approved compensation packages for all executive officers in fiscal 2002, including base salaries, bonus plans and stock options. For executive officers other than the Chief Executive Officer, base salaries are based on each officer's responsibilities and historical performance. During 2002, two bonus plans were in effect. The first applies to general managers of product sales groups and is based upon each general manager achieving a defined percentage of the Company's internal revenue and profit goals for his or her product sales group. The second bonus plan, which applies to all other executive officers and key employees (other than the Chief Executive Officer), is based on the achievement of specified Company-wide pre-tax profit levels. Neither bonus plan is guaranteed and bonuses under either plan may be withheld by management or the Board of Directors or adjusted in the event of an acquisition or other material events during the year. Stock options are granted to officers to provide long-term incentives aligned with the interests of the Company's stockholders, at percentage interests in the Company that are comparable to those held by executive officers in other companies in the Omaha, Nebraska area and in the industry generally.

In fiscal 2002, the compensation of Vinod Gupta, Chief Executive Officer of the Company, consisted of a base salary of \$560,000 and an incentive bonus based on the Company's achievement of a certain level of EBITDA (earnings before interest, taxes, depreciation and amortization). Pursuant to this bonus plan, Mr. Gupta earned a cash bonus of \$290,000 for fiscal 2002. In addition, the Company awarded Mr. Gupta a discretionary bonus of \$140,000 for fiscal 2002 in recognition of his services to the Company during 2002. Mr. Gupta does not participate in the Company's other bonus programs. In establishing Mr. Gupta's compensation program, the Compensation Committee compared his compensation with the compensation of chief executive officers of other companies deemed by the Compensation Committee to be comparable to the Company. Mr. Gupta's incentive bonus plan was designed to align his incentives with the Company's business goals.

In establishing the compensation of the Chief Executive Officer, the Compensation Committee also reviewed and considered certain business relationships between the Company

and other entities in which Mr. Gupta has an ownership interest as set forth under "Certain Transactions" contained elsewhere in the proxy statement in which this Compensation Committee Report is included.

The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the SEC nor shall such information be incorporated by reference into any future filing under the Securities Act or the Exchange Act, except to the extent that the Company specifically

Annapurna Corporation bills the Company when the Company's employees and officers use the aircraft. The Company paid a total of \$2.2 million, \$2.1 million and \$2.0 million in 2002, 2001 and 2000, respectively, to Annapurna Corporation for usage of the aircraft and other travel expenses. The advance was to be applied to part or all of his 2002 bonus, if performance criteria are met, or paid back by Mr. Gupta within the next 12 months. The Company has retained the law firm of Robins, Kaplan, Miller & Ciresi L.L.P. to provide certain legal services. Elliot S. Kaplan, a director of the Company, is a name partner and former Chairman of the Executive Board of Robins, Kaplan, Miller & Ciresi L.L.P.

In October 2001, the Company made loans to the following executive officers to facilitate the exercise of stock options held by such individuals: Allen F. Ambrosino (\$400,000), Stormy Dean (\$80,000), William L. Kerrey (\$120,000), Monica Messer (\$100,000), D.J. Thayer (\$80,000) and Fred Vakili (\$100,000). All principal and interest is due on the five-year anniversary of the note, or 30 days after termination of the executive's employment, whichever occurs first.
