PROXY STATEMENT

For

ANNUAL MEETING OF SHAREHOLDERS

April 21, 2004

SOLICITATION OF PROXIES

The proxy statement and accompanying proxy are furnished in connection with the solicitation by the Board of Directors of Cash America International, Inc., a Texas corporation (the Company), of proxies to be voted at the Annual Meeting of Shareholders (the Annual Meeting) to be held at the Fort Worth Club located on the 11th Floor of the Fort Worth Club Building, 306 West 7th Street, Fort Worth, Texas on Wednesday, April 21, 2004 at 9:00 a.m., Central Standard Time, and at any recess or adjournment thereof. The solicitation will be by mail, and this Proxy Statement and the accompanying form of proxy will be mailed to shareholders on or about March 22, 2004.

The enclosed proxy, even though executed and returned, may be revoked at any time prior to the voting of the proxy by giving written notice of revocation to the Secretary of the Company at its principal executive offices or by executing and delivering a later-dated proxy or by attending the Annual Meeting and voting in person. However, no revocation shall be effective until the notice has been received by the Company at or before the Annual Meeting. Any revocation will not affect a vote on any matters taken prior to receipt of the revocation. Mere attendance at the Annual Meeting will not of itself revoke the proxy.

The expense of this proxy solicitation will be borne by the Company and will include reimbursement paid to brokerage firms and other custodians, nominees and fiduciaries for their expenses in forwarding solicitation material regarding the meeting to beneficial owners. The Company has retained Georgeson Shareholder Communications, Inc. to assist in the solicitation of proxies from shareholders and will pay the firm a fee of approximately \$5,500 for these services. Further solicitation of proxies may be made by telephone or other electronic communication following the original solicitation by directors, officers and regular employees of the Company or by its transfer agent. These persons will not be additionally compensated for these efforts, but they will be reimbursed by the Company for out-of-pocket expenses.

A copy of the Annual Report to Shareholders of the Company for its fiscal year ended December 31, 2003 is being mailed with this Proxy Statement to all shareholders entitled to vote, but it does not form any part of the information for solicitation of proxies.

VOTING SECURITIES OUTSTANDING; QUORUM

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting was the close of business on March 4, 2004 (the Record Date). At the close of business on March 4, 2004, there were 28,347,447 shares of Common Stock, par value \$.10 per share, issued and outstanding, each of which is entitled to one vote on all matters properly brought before the meeting. There are no cumulative voting rights.

The presence in person or by proxy of the holders of a majority of the issued and outstanding shares of Common Stock on the Record Date is necessary to constitute a quorum at the Annual Meeting. Assuming the presence of a quorum, the affirmative vote of a majority of the shares of Common Stock present, or represented by proxy, and entitled to vote at the Annual Meeting is necessary for the election of directors, for

Table of Contents

approval of the 2004 Long-Term Incentive Plan and for ratification of the appointment of independent auditors.

Shares voted for a proposal and shares represented by returned proxies that do not contain instructions to vote against a proposal or to abstain from voting will be counted as shares cast for the proposal. Shares will be counted as cast against the proposal if the shares are voted either against the proposal or to abstain from voting. Broker non-votes will not change the number of votes for or against the proposal and will not be treated as shares entitled to vote, but such shares will be counted for purposes of determining the presence of a quorum.

PURPOSES OF THE ANNUAL MEETING

At the Annual Meeting, the shareholders of the Company will consider and vote on the following matters:

- (1) Election of seven (7) persons to serve as directors of the Company to hold office until the next annual meeting of shareholders or until their successors are duly elected and qualified;

Meetings and Committees of the Board of Directors

The Board of Directors held five meetings during the fiscal year ended December 31, 2003. Standing committees of the Board include the Executive Committee, Audit Committee, Management Development and Compensation Committee, and Nominating and Corporate Governance Committee. (The Executive Committee does not meet regularly and did not meet during fiscal 2003.) All directors attended 75% or more of the total number of meetings of the Board and of committees on which they serve.

While it does not have a formal policy requiring them to do so, the Company encourages its directors to attend the annual meeting of shareholders and anticipates that they will. All of the Company's directors attended the Company's 2003 Annual Meeting.

Audit Committee. The Audit Committee's principal responsibilities are described under *Audit Committee Report* in this Proxy Statement. Its members are Messrs. Graves, McKibben and Micallef. The independence and financial expert status of Audit Committee members are also described under *Audit Committee Report* in this Proxy Statement. The Audit Committee held five meetings during fiscal 2003.

Management Development and Compensation Committee. The Management Development and Compensation Committee's responsibilities include (i) overseeing the Company's incentive compensation plans and equity-based plans, and (ii) annually reviewing and approving the corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluating the CEO's performance in light of those goals and objectives, and setting the CEO's compensation level based on that evaluation. As part of its responsibilities,

the Committee administers the Company's 1994 Long-Term Incentive Plan, as amended, and will administer the Company's 2004 Long-Term Incentive Plan if it is approved by the shareholders. The Committee's decisions and recommendations relating to executive compensation are reviewed by the full Board of Directors. Its members are Messrs. Hunter, Dike, and Micallef. The Committee held four meetings during fiscal 2003.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee considers and recommends to the Board qualified candidates for inclusion on the slate of nominees for the Board of Directors. In addition, the Committee assists in developing and recommending corporate governance principles and practices, including determining director independence and committee membership. Its members are Messrs. McKibben, Graves and Morris. The Committee held four meetings during fiscal 2003. Candidates for director are selected for their character, judgment and business experience and acumen. Financial expertise and familiarity with national and international issues affecting the Company's business are among the relevant criteria. The Company's Corporate Governance Principles also require that a majority of the Board be independent in accordance with New York Stock Exchange listing standards. The Committee will consider candidates meeting these criteria who are suggested by directors, management, shareholders and search firms hired to identify and evaluate qualified candidates. Shareholders may submit recommendations by written notice addressed to the Corporate Secretary of the Company. The recommendation notice must be received by the Secretary not later than November 22, 2004.

Directors Compensation

Directors each receive a retainer of \$5,000 per quarter and a meeting fee of \$1,500 per Board meeting attended. The Audit Committee chair receives an annual retainer of \$8,000, and the chairs of the Management Development and Compensation Committee and the Nominating and Corporate Governance Committee each receive annual retainers of \$5,000. All committee members receive meeting fees of \$1,000 for each committee meeting attended. Nonemployee directors may elect to defer all or part of their cash compensation in a calendar year. All amounts deferred are deferred in the form of Company Common Stock based on the fair market value of the Common Stock as of the last trading day of the month in which the cash compensation is earned. The nonemployee director is entitled to receive the Common Stock upon retirement or separation of service from the Board for any reason.

Effective October 25, 1989, options to purchase shares of the Company's common stock were granted under the 1989 Non-Employee Director Stock Option Plan in the following amounts (after adjustment for stock splits in 1990 and 1992): 225,000 shares to each non-employee director serving on the Executive Committee of the Board of Directors (i.e., Mr. Morris), 150,000 shares to each other non-employee director with at least two years of service on the Board of Directors as of the date of grant (i.e., Mr. Hunter) and 120,000 shares to each other non-employee director (i.e., Mr. Dike). Messrs. Morris, Hunter and Dike exercised all of their options and sold all of the underlying shares in September 2003. The expiration date of the options was October 25, 2004.

The Company's 1994 Long-Term Incentive Plan also provides for the grant of stock options to non-employee directors. Under this Plan, non-employee directors receive options to purchase 5,000 shares of the Company's common stock upon joining the Board of Directors. Those directors continuing their service receive options for 2,500 shares at the time of each annual meeting of shareholders. In each case, the exercise price of the options is the closing price of the Company's common stock on the New York Stock Exchange on the day preceding the grant date. The options issued under this Plan vest one year after the grant date and expire upon the earlier of five (5) years after the director's retirement date or ten (10) years after the grant date.

Corporate Governance

The Board of Directors has adopted a Code of Business Conduct and Ethics to govern the conduct of all of the officers, directors and employees of the Company. The Board has also adopted Corporate Governance Principles, which detail the functions, activities and administration of the Board and its committees. In

Table of Contents

addition to the Amended and Restated Charter of the Audit Committee attached to this Proxy Statement as APPENDIX A, the Board has adopted charters for the Management Development and Compensation Committee and the Nominating and Corporate Governance Committee. The Code, Corporate Governance Principles, and committee charters can be accessed on the Company's website at www.cashamerica.com. Under the Corporate Governance Principles, the Chair of the Nominating and Corporate Governance Committee serves as presiding director in all meetings of non-management directors.

Director Independence

The Board of Directors has determined that, with the exception of Daniel R. Feehan, President and CEO of the Company, and Jack R. Daugherty, Chairman of the Board and former CEO of the Company, all of its directors, including all of the members of the Audit, Management Development and Compensation, and Nominating and Corporate Governance Committees, are independent as defined by the listing standards of the New York Stock Exchange currently in effect and approved by the Securities and Exchange Commission (SEC), all applicable rules and regulations of the SEC, and for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended. No director is deemed independent unless the Board affirmatively determines that the director has no material relationship with the Company, either directly or as an officer, shareholder or partner of an organization that has a relationship with the Company. In making its determination, the Board observes all criteria for independence established by the rules of the SEC and the New York Stock Exchange. In addition, the Board considers all commercial, banking, consulting, legal, accounting, charitable or other business relationships any director may have with the Company.

Procedure for Contacting Directors

The Board of Directors has established a procedure for shareholders to send communications to the Board. Shareholders may communicate with the Board generally or with a specific director at any time by writing to the Company's Corporate Secretary at the Company's address, 1600 West 7th Street, Fort Worth, Texas 76102. The Secretary will review all messages received and will forward any message that reasonably appears to be a communication from a shareholder about a matter of shareholder interest that is intended for communication to the Board. Communications will be sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board generally, to the Chairman of the Nominating and Corporate Governance Committee. Because other appropriate avenues of communication exist for matters that are not of shareholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of shareholder interest will not be forwarded to the Board. The Corporate Secretary has the option, but not the obligation, to forward these other communications to appropriate channels within the Company.

- (1) These stock options were granted on January 22, 2003 and vest in 25% increments on each anniversary date of the grant beginning January 22, 2004, or in accordance with certain share price appreciation criteria as follows: The options vest 50% if the market price of the Company's common stock equals or exceeds 150% of the exercise price for 20 consecutive calendar days, and the options vest 100% if the market price equals or exceeds 200% of the exercise price for 20 consecutive calendar days. As of December 31, 2003, these options were 100% vested.
- (2) As permitted by the Securities and Exchange Commission's rules on executive compensation disclosure, the Company used the Black-Scholes model of option valuation to determine grant date present value. The Company does not advocate or necessarily agree that the Black-Scholes model can properly determine the value of an option. Calculations are based upon the following assumptions as of the grant date: (i) dividend yield per share of .53% based on the Company's history of dividend payments; (ii) volatility of 50.1%; (iii) an expected option term of approximately 8.4 years; and (iv) a risk-free rate of return of 4.13% (based on the then quoted yield of U.S. Treasury Strips maturing approximately 8 years from the grant date).

The following table provides information concerning option exercises in fiscal 2003 and the value of unexercised options held by each of the named executive officers at the end of the Company's last fiscal year.

Management Development and Compensation Committee Report***Overall Executive Compensation Policies***

The basic philosophy of the Company's executive compensation program is to link the compensation of its executive officers (including the named executive officers) to their contribution toward the enhancement of shareholder value. Consistent with that philosophy, the program is designed to meet the following policy objectives:

Attracting and retaining qualified executives critical to the long-term success of the Company.

Tying executive compensation to the Company's general performance and specific attainment of long-term strategic goals.

Rewarding executives for contributions to strategic management designed to enhance long-term shareholder value.

Providing incentives that align the executives' interests with those of the Company's shareholders.

Elements of Executive Compensation

The Company's executive compensation program consists of the following elements designed to meet the policy objectives set out above:

Base Salary

The Committee sets the annual salary of the Company's Chief Executive Officer and reviews the annual salaries of the Company's other executive officers. In setting appropriate annual salaries, the Committee takes into consideration the minimum salaries set forth in the Chief

Executive Officer's employment contract (described elsewhere in this Proxy Statement), the level and scope of responsibility, experience, and

Table of Contents

performance of the executive, the internal fairness and equity of the Company's overall compensation structure, and the relative compensation of executives in similar positions in the marketplace. The Committee relies on information supplied by an outside compensation consulting firm pertaining to competitive compensation. The Company's executive compensation program is designed to position base salary at the 50th percentile of the competitive market and total cash compensation, including annual performance incentives, at the 75th percentile of the competitive market. The Committee believes that the few companies in the peer group described below under Performance Graph may not be included in the surveys used for compensation comparisons. Those surveys represent a much broader collection of U.S. companies.

Annual Incentive Compensation

The Company's executive compensation program consists of both short-term and long-term incentive components.

a. Short-Term Component

Under this component, the Company's executive officers are eligible to receive annual incentive cash bonuses, depending on the extent to which the Company's operating performance for the year exceeds that of the previous year. In the event the Company's operating performance hits a specified target under the financial plan, then the officers' bonuses are equal to certain percentages of their annual base salaries. The target bonus percentage for the Company's Chief Executive Officer is 50%. The target bonus percentages for the other officers vary depending upon each officer's position with the Company, and the bonus amount increases in the event the Company's operating performance exceeds the financial plan.

b. Long-Term Component

Under this component, the Company's executive officers are eligible to receive long-term incentive grants in the form of restricted stock and/or stock options, with the number of shares of stock and/or options tied to certain percentages of the officers' annual base salaries. The applicable percentage varies depending upon the officer's position with the Company. The allocation between restricted stock and stock options is determined by the Committee at its discretion. The Company's 1994 Long-Term Incentive Plan (the 1994 Plan) allows for these forms of stock-based long-term incentive compensation awards. This long-term incentive component is designed to further the objective of fostering and promoting improvement in long-term financial results and increases in shareholder value. The Company has granted options to its executive officers in recent years at an exercise price equal to the closing price of the Company's common stock on the New York Stock Exchange on the day preceding the date of grant. This arrangement rewards effective management that results in long-term increases in the Company's stock price. The options granted to certain of the Company's executive officers in 2003 vest in 25% increments on each of the first four anniversaries of the date of grant. However, vesting accelerates if the Company's stock price hits certain target levels: the options vest 50% if the stock price equals or exceeds 150% of the exercise price for twenty consecutive calendar days, and the options vest 100% if the stock price equals or exceeds 200% of the exercise price for twenty consecutive calendar days. With these grants, the Company further strengthened the link between its senior management's interests and those of the Company's shareholders.

Deductibility Cap on Executive Compensation

A federal tax law enacted in 1994 disallows corporate deductibility for certain compensation paid in excess of \$1,000,000 to the Chief Executive Officer and the four other most highly paid executive officers. Performance-based compensation, as defined in the tax law, is not subject to the deductibility limitation, provided certain shareholder approval and other requirements are met. Although the cash compensation paid to the Company's Chief Executive Officer and the four other most highly paid executive officers is below the \$1,000,000 level in each case, the Committee determined that the Company should seek to ensure that future stock option and performance award compensation under the 1994 Plan qualifies as performance-based compensation. Accordingly, the 1994 Plan is intended to meet the requirements of this tax law and thereby preserve full deductibility of both stock option and stock-based performance award compensation expense.

CEO's Compensation For Fiscal 2003

The fiscal 2003 salary of Mr. Daniel R. Feehan, Chief Executive Officer of the Company, was based primarily on his rights under his employment agreement with the Company. Under that agreement, Mr. Feehan's minimum base salary was \$433,000. At the same time in 2003 that other Company officers received merit increases in their base salaries, the Committee approved a 3.5% increase in Mr. Feehan's base salary. The Committee believes that the total cash compensation paid to Mr. Feehan was appropriate in light of the Company's accomplishments in 2003, which included record revenues and earnings, eclipsing the \$1.00 per share mark in earnings for the first time in the Company's history, and successfully completing the Cashland acquisition—the Company's largest acquisition to date.

These 2003 accomplishments also support the Committee's belief that the fiscal 2003 cash compensation of the Company's other executive officers was set at appropriate levels.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

Mr. Feehan's employment agreement was amended and restated effective January 21, 2004. The initial term of Mr. Feehan's agreement expires April 30, 2006. Compensation is determined annually by the Company's Board of Directors, subject to minimum annual compensation of \$433,000. Included in the agreement is Mr. Feehan's covenant not to compete with the Company during the term of his employment and for a period of three years thereafter. The employment agreement also provides that if he is terminated by the Company other than for cause, the Company will pay to Mr. Feehan the remainder of his current year's salary plus an amount equal to his salary, at the then current rate, for a period equal to the greater of three years or the remainder of the term of the agreement, with that amount payable in thirty-six equal monthly installments. In the event he resigns or is terminated other than for cause within twelve months after a change in control of the Company (as that term is defined in the employment agreement), he will be entitled to (1) earned and unpaid salary, (2) a pro-rated portion of the target bonus under the existing bonus plan based on the number of months employed during the year, (3) a lump sum equal to three times his annual salary, (4) a lump sum equal to three times the greater of (i) the target bonus for the year, or (ii) the actual bonus for the preceding year, (5) immediate vesting of any outstanding unvested cash-based and equity-based long-term incentive awards, (6) continued health benefits for thirty-six months, and (7) executive placement services from an executive search/ placement firm. In addition, the Company would be obligated to pay him an amount sufficient to cover the costs of any excise tax that may be triggered by the payments referred to in the preceding sentence, together with an amount sufficient to cover his additional state and federal income, excise, and employment taxes that may arise on this additional payment.

In conjunction with his retirement from the position of Chief Executive Officer of the Company, Mr. Daugherty entered into an amended and restated employment agreement with the Company effective

February 1, 2000. The term of Mr. Daugherty's agreement expires January 31, 2005, with no provision for renewal or extension. His annual compensation under the agreement is \$200,000. Included in the agreement is Mr. Daugherty's covenant not to compete with the Company during the term of his employment and for a period of three years thereafter. The agreement also provides that if Mr. Daugherty is terminated by the Company other than for cause, the Company will pay him the remainder of his current year's salary plus an amount equal to his salary, at the then current rate, for a period equal to the greater of three years or the remainder of the term of the agreement, with that amount payable in thirty-six equal monthly installments. However, the agreement does not provide for any separation payment following a change in control.

On December 22, 2003, the Company entered into separate Executive Change-in-Control Severance Agreements with each of its executive vice presidents, namely Thomas A. Bessant, Jr., Robert D. Brockman, Jerry D. Finn, Michael D. Gaston, William R. Horne, James H. Kauffman, and Hugh A. Simpson. These agreements provide that if the executive is terminated other than for cause within twenty-four months after a change in control of the Company (as that term is defined in the agreement), then the executive will be entitled to (1) earned and unpaid salary, (2) a pro-rated portion of the target bonus under the existing bonus plan based on the number of months employed during the year, (3) a lump sum equal to two times the executive's annual salary, (4) a lump sum equal to two times the greater of (i) the target bonus for the year, or (ii) the actual bonus for the preceding year, (5) immediate vesting of any outstanding unvested cash-based and equity-based long-term incentive awards, (6) continued health benefits for twenty-four months, and (7) executive placement services from an executive search/placement firm. In addition, the Company would be obligated to pay the executive an amount sufficient to cover the costs of any excise tax that may be triggered by the payments referred to in the preceding sentence, together with an amount sufficient to cover his additional state and federal income, excise, and employment taxes that may arise on this additional payment.

Transactions With Management

In December 1999, the Company sold the assets of three of its pawnshop units, along with certain real estate, to Ace Pawn, Inc. ("Ace"), a corporation controlled by the Company's then Chairman of the Board and Chief Executive Officer Jack R. Daugherty. The Company financed Ace's purchase of the assets, receiving promissory notes secured by a security interest in all of Ace's assets. During 2003, the highest unpaid balance of principal and accrued interest on these notes was \$2,609,142. Simultaneously with the purchase of the three pawnshops, Ace entered into standard form Franchise Agreements with the Company to operate the pawnshops as franchised "Cash America" units. Ace repaid the notes in full in January 2003 and continues to operate the pawnshops under the Franchise Agreements. In October 2003, the Company purchased one of the pawnshops from Ace for \$2,461,000 cash. The purchase price was determined by independent appraisal and was approved by the Company's Board of Directors.

The Board of Directors of the Company adopted an officer stock loan program in 1994, modified the program in 1996 and in 2001, and discontinued the program in 2002 with no further principal advances to be made. The purpose of the program was (i) to facilitate and encourage the ownership of Company common stock by the officers of the Company and (ii) to establish the terms for stock loan transactions with officers. Participants in the program could utilize loan proceeds to acquire and hold common stock of the Company by

Table of Contents

means of option exercises or otherwise. The stock held as a result of the loan is pledged to the Company to secure the obligation to repay the loan. At its July 24, 2002 meeting, the Board further modified the program as follows: the interest rate on all outstanding loans was set at a fixed rate of six percent (6%) per annum; all outstanding loans were converted to a five-year maturity date with all principal and interest due at maturity; and all of the prior triggering events that could cause the loan to become a nonrecourse obligation to the borrower, except for a change in control of the Company, were eliminated. As of February 29, 2004, Messrs. Feehan, Kauffman, and Bessant had stock loans outstanding under this program in the aggregate principal amounts of \$1,674,379, \$431,779, and \$364,087, respectively. These were also the highest amounts by which Messrs. Kauffman and Bessant were indebted under the program during 2003. On September 25, 2003, Mr. Feehan made a payment of \$1,000,000 on his stock loan. This reduced the outstanding balance of the loan from \$2,674,379, which was the highest amount by which he was indebted during 2003, to \$1,674,379.

AUDIT COMMITTEE REPORT

The Audit Committee consists of three non-employee members of the Board of Directors (listed below). After reviewing the qualifications of the current members of the Committee, and any relationships they may have with the Company that might affect their independence from the Company, the Board has determined that (1) all current Committee members are independent as that concept is defined in Section 10A of the Securities Exchange Act of 1934, as amended (the Exchange Act), (2) all current Committee members are independent as that concept is defined in the applicable rules of the NYSE, (3) all current Committee members are financially literate, and (4) Mr. Graves qualifies as an audit committee financial expert under the applicable rules promulgated pursuant to the Exchange Act.

The Board of Directors appointed the undersigned directors as members of the Committee and adopted a written charter setting forth the procedures and responsibilities of the Committee. The Committee's responsibilities include: (i) reviewing the independence, qualifications, services, fees, and performance of the Company's independent auditors, (ii) appointing, replacing and discharging the independent auditors, (iii) pre-approving the professional services provided by the independent auditors, (iv) reviewing the scope of the annual audit and reports and recommendations submitted by the independent auditors, and (v) reviewing the Company's financial reporting and accounting policies, including any significant changes, with management and the independent auditors. Each year, the Committee reviews the charter and reports to the Board on its adequacy in light of applicable NYSE rules. A copy of the charter is attached to this Proxy Statement as APPENDIX A.

During the last year, and earlier this year in preparation for the filing with the SEC of the Company's annual report on Form 10-K for the year ended December 31, 2003 (the 10-K), the Committee:

reviewed and discussed the audited financial statements included in the 10-K with management and the Company's independent auditors;

reviewed the overall scope and plans for the audit and the results of the independent auditors' examinations;

met with management periodically during the year to consider the adequacy of the Company's internal controls and the quality of its financial reporting and discussed these matters with the Company's independent auditors and with appropriate Company financial personnel and internal auditors;

discussed with the Company's senior management, independent auditors and internal auditors the process used for the Company's Chief Executive Officer and Chief Financial Officer to make the certifications required by the SEC and the Sarbanes-Oxley Act of 2002 in connection with the 10-K and other periodic filings with the SEC;

reviewed and discussed with the independent auditors (1) their judgments as to the quality (and not just the acceptability) of the Company's accounting policies, (2) the written communication required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Commit-

tees and the independence of the independent auditors, and (3) the matters required to be discussed with the Committee under auditing standards generally accepted in the United States, including Statement on Auditing Standards No. 61, Communication with Audit Committees ;

based on these reviews and discussions, as well as private discussions with the independent auditors and the Company's internal auditors, recommended to the Board of Directors the inclusion of the audited financial statements of the Company and its subsidiaries in the 10-K; and

determined that the non-audit services provided to the Company by the independent auditors (discussed below under Independent Auditors) are compatible with maintaining the independence of the independent auditors. The Committee's pre-approval policies and procedures are discussed below under Independent Auditors.

Notwithstanding the foregoing actions and the responsibilities set forth in the Committee charter, the charter clarifies that it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles. Management is responsible for the Company's financial reporting process, including its system of internal controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. The independent auditors are responsible for expressing an opinion on those financial statements. Committee members are not employees of the Company or accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, the Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on the Company's financial statements.

The Committee meets regularly with management and the independent and internal auditors, including private discussions with the independent auditors and the Company's internal auditors and receives the communications described above. The Committee has also established procedures for (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and (b) the confidential, anonymous submission by the Company's employees of concerns regarding questionable accounting or auditing matters. However, this oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles or that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards.

The information contained in this report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filings with the Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

PROPOSAL TO APPROVE THE 2004 LONG-TERM INCENTIVE PLAN

Background Information

The Board of Directors has adopted, subject to shareholder approval, the Company's 2004 Long-Term Incentive Plan (the "2004 Plan"). The purpose of the 2004 Plan is to promote the interests of the Company and its shareholders and give it a competitive advantage by (i) attracting and retaining executive personnel and other key employees of outstanding ability; (ii) motivating executive personnel and other key employees, by means of performance-related incentives, to achieve longer-range performance goals; and (iii) enabling such employees to participate in the long-term growth and financial success of the Company by acquiring a proprietary interest in the Company.

The following summary of the 2004 Plan is qualified in its entirety by reference to the full text of the 2004 Plan, which is attached to this Proxy Statement as APPENDIX B.

General Administration of the Plan

The 2004 Plan will be administered by the Management Development and Compensation Committee of the Board of Directors (the "Committee"). The Committee will be authorized to grant to key employees of the Company awards in the form of stock options, performance shares, and restricted stock. In addition, the Committee will have the authority to grant other stock-based awards in the form of stock appreciation rights, restricted stock units, and stock unit awards. The 2004 Plan will become effective upon approval by the shareholders and will expire ten years from such effective date unless terminated earlier or extended by the Board of Directors.

Each member of the Committee must be a non-employee director within the meaning of Rule 16b-3 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), an independent director within the meaning of the New York Stock Exchange listing standards, as amended, and an outside director within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Committee will select persons to receive grants from among the eligible participants, determine the types of grants and number of shares to be awarded to grantees, and set the terms, conditions, and provisions of the grants consistent with the 2004 Plan. The Committee has authority to amend awards and to accelerate vesting and/or exercisability of awards, provided that it cannot amend an outstanding option to reduce its exercise price or cancel an option and replace it with an option with a lower exercise price. The Committee may also establish rules for administration of the 2004 Plan.

Eligibility

The Committee will select grantees from among the key employees, officers, directors and consultants (other than members of the Committee) of the Company and its subsidiaries. The eligible participants will be those who, in the opinion of the Committee, have the capacity for contributing in a substantial measure to the successful performance of the Company.

Shares Subject to the Plan

Subject to adjustment as described below, a maximum 850,000 shares of Company Common Stock may be issued under the 2004 Plan. The aggregate number of shares that may be issued upon the exercise of incentive stock options may not exceed 425,000. Any shares of Company Common Stock subject to awards that are forfeited or withheld in payment of any exercise price or taxes will again be available for grant. Also, if an award terminates without shares of Company Common Stock being issued, then the shares that were subject to the award will again be available for grant. The shares may be authorized and unissued shares or treasury shares. In the event of a stock split, stock dividend, spin-off, or other relevant change affecting the Company's Common Stock, the Committee shall make appropriate adjustments to the number of shares available for grants and to the number of shares and price under outstanding grants made before the event.

Table of Contents

Types of Awards Under the 2004 Plan

Stock Options

The Committee may grant awards in the form of options to purchase shares of the Company's Common Stock. With regard to each such option, the Committee will determine the number of shares subject to the option, the manner and time of the exercise of the option, and the exercise price per share of stock subject to the option; provided, however, that the exercise price of any Incentive Stock Option (as defined in the 2004 Plan) may not be less than 100% of the fair market value of the shares of Company Common Stock on the date the option is granted. The exercise price may, at the discretion of the Committee, be paid by a participant in cash, shares of Company Common Stock or a combination thereof. The period of any option shall be determined by the Committee, but no Incentive Stock Option may be exercised later than 10 years after the date of grant or earlier than one year after the date of grant. The aggregate fair market value, determined at the date of grant of the Incentive Stock Option, of Company Common Stock for which an Incentive Stock Option is exercisable for the first time during any calendar year as to any participant shall not exceed the maximum limitation as provided in Section 422 of the Code. The effect of a grantee's termination of employment by reason of death, retirement, disability, or otherwise will be specified in the option agreement evidencing the grant of the option.

Stock Appreciation Rights

The 2004 Plan also authorizes the Committee to grant stock appreciation rights (SARs). Upon exercising an SAR, the holder receives for each share with respect to which the SAR is exercised, an amount equal to the difference between the exercise price (which may not be less than the fair market value of such share on the date of grant unless otherwise determined by the Committee) and the fair market value of the Company Common Stock on the date of exercise. At the Committee's discretion, payment of such amount may be made in cash, shares of Company Common Stock, or a combination thereof. Each SAR granted will be evidenced by an agreement specifying the terms and conditions of the award, including the effect of termination of employment (by reason of death, disability, retirement or otherwise) on the exercisability of the SAR. No SAR may have a term of greater than 10 years.

Performance Shares

The 2004 Plan permits the Committee to grant awards of performance shares to eligible employees from time to time. These awards are contingent upon the achievement of certain performance goals established by the Committee. The length of time over which performance will be measured, the performance goals, and the criteria to be used in determining whether and to what degree the goals have been attained will be determined by the Committee. The Committee will also determine the effect of termination of employment of a grantee (by reason of death, retirement, disability or otherwise) during the performance period.

Restricted Stock and Restricted Stock Units

Under the 2004 Plan, the Committee may award restricted shares of the Company's Common Stock and restricted stock units to eligible employees from time to time and subject to certain restrictions as determined by the Committee. The nature and extent of restrictions on such shares and units, the duration of such restrictions, and any circumstance which could cause the forfeiture of such shares or units shall be determined by the Committee. The Committee will also determine the effect of the termination of employment of a recipient of restricted stock or restricted stock units (by reason of retirement, disability, death or otherwise) prior to the lapse of any applicable restrictions.

Other Stock Based Awards

In addition, the Committee shall have authority under the 2004 Plan to grant stock unit awards, which can be in the form of Common Stock or units, the value of which is based, in whole or in part, on the value of the Company's Common Stock. Such stock unit awards will be subject to such terms, restrictions, conditions, vesting requirements and payment rules as the Committee may determine. Stock unit awards may not be

assigned, sold, transferred, pledged or otherwise encumbered prior to the date shares are issued or, if later, the date provided by the Committee at the time of grant of the stock unit award. Stock unit awards may relate in whole or in part to certain performance criteria established by the Committee at the time of grant. The Committee will also determine the effect of termination of employment of a stock unit award recipient (by reason of death, retirement, disability or otherwise) during any applicable vesting period.

Awards to Covered Employees

The Plan permits the Committee to grant Qualified Performance-Based Awards to the chief executive officer and the four other highest compensated officers of the Company (the Covered Employees). These Qualified Performance-Based Awards are intended to qualify as performance-based pay under Section 162(m) of the Internal Revenue Code to enable the Company to deduct the compensation paid to the Covered Employees attributable to these Awards. In general, Section 162(m) limits the deduction for compensation paid to the Covered Employees to a dollar limitation (\$1,000,000), but permits performance-based pay to be deductible without regard to the dollar limitation.

If the Award is a Stock Option grant with an exercise price equal to the fair market value of the underlying shares of Common Stock on the date of grant, the Award qualifies as performance-based pay under Section 162(m).

If Performance Shares are granted, then the Committee will establish performance goals based on the attainment of one or more of the following measures with respect to the Company or an Affiliate, or a subsidiary, division or department of the Company or an Affiliate for whom the Covered Employee performs services: revenue growth; earnings before interest, taxes, depreciation and amortization; earnings before interest and taxes; operating income; pre- or after-tax income; earnings per share; cash flow; cash flow per share; return on equity; return on invested capital; return on assets; economic value added (or an equivalent metric); share price performance; total shareholder return; improvement in or attainment of expense levels; or improvement in or attainment of working capital levels. The preceding goals may be based on attaining specified levels of Company performance under one or more of the measures described above relative to the performance of other companies.

The Committee will establish the relevant goals at a time when the outcome is substantially uncertain, and the Committee will certify whether the goals have been attained. This process of establishing goals and confirming their attainment is intended to comply with Section 162(m) and permit the Award to qualify as deductible performance-based pay.

No more than 100,000 shares of Common Stock may be subject to Qualified Performance-Based Awards to any Eligible Individual, including a Covered Employee, in any fiscal year.

Outside Directors Restricted Stock Units

Each outside director who is a member of the Board of Directors as of the conclusion of an annual meeting of shareholders, beginning with the 2004 annual meeting of shareholders, shall automatically be granted restricted stock units for shares of the Company's Common Stock on the date of such annual meeting, with the number of shares to be determined by dividing \$40,000 by the closing price of the Company's Common Stock on the New York Stock Exchange on that date. The restricted stock units will vest in equal 25% increments on each of the first four anniversaries of the date of grant. Grantees will only be entitled to receive shares of the Company's Common Stock relating to vested restricted stock units and then only upon leaving the Board of Directors; provided, however, that upon a change in control, all unvested restricted stock units will automatically vest and grantees will be entitled to receive all such vested restricted stock units as of such change in control. These restricted stock units will be subject to such other terms and conditions as the Committee may specify.

Table of Contents*Outside Directors Shares*

Under the 2004 Plan, outside directors may elect, on an annual basis, to purchase shares of the Company's Common Stock from the Company in lieu of receiving all or part (in 10% increments) of their annual retainer, meeting fees and committee meeting fees in cash. The purchase price per share for such shares shall be the closing price of the Company's Common Stock on the New York Stock Exchange for the last trading day of the month in which the retainer, meeting fees, or committee meeting fees are earned.

Amendment and Termination of the 2004 Plan

The Board of Directors may amend, alter, suspend, discontinue or terminate the 2004 Plan or any portion thereof at any time, provided that no amendment shall be made without shareholder approval which (a) is required to be approved by shareholders to comply with applicable laws or rules, (b) increase the number of shares of Company Common Stock reserved for issuance under the 2004 Plan or (c) would cause the Company to be unable to grant Incentive Stock Options.

Change in Control

In order to preserve the rights of participants in the event of a Change in Control (as defined in the 2004 Plan), the Committee in its discretion may, at the time a grant is made or at any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of an award, (ii) provide for the purchase of the award upon the participant's request for an amount of cash or other property that could have been received upon the exercise or realization of the award had the award been currently exercisable or payable, (iii) adjust the terms of the award in a manner determined by the Committee to reflect the Change in Control, (iv) cause the award to be assumed, or new rights substituted therefore, by another entity, or (v) make such other provisions as the Committee may consider equitable and in the best interests of the Company.

New Plan Benefits

Grants that will be made under the 2004 Plan are not currently determinable. The following chart sets forth the grants that were made in 2003 under the Company's 1994 Long-Term Incentive Plan to each of the following individuals or groups: the Company's five most highly compensated executive officers, all executive officers as a group, all current directors who are not executive officers as a group, and all employees, including all current officers who are not executive officers as a group. If the 2004 Plan had been in effect in 2003, grants to those individuals and groups would have been substantially similar to those grants under the 1994 Long-Term Incentive Plan set forth below.

Federal Income Tax Consequences

Under current U.S. federal tax law, the following are the U.S. federal income tax consequences generally arising with respect to awards made under the 2004 Plan.

Exercise of Incentive Stock Option and Subsequent Sale of Shares

A participant who is granted an Incentive Stock Option does not realize taxable income at the time of the grant or at the time of exercise. If the participant makes no disposition of shares acquired pursuant to the exercise of an Incentive Stock Option before the later of two years from the date of grant or one year from such date of exercise (statutory holding period), any gain (or loss) realized on such disposition will be recognized as a long-term capital gain (or loss). Under such circumstances, the Company will not be entitled to any deduction for federal income tax purposes.

However, if the participant disposes of the shares during the statutory holding period, that will be considered a disqualifying disposition. Provided the amount realized in the disqualifying disposition exceeds the exercise price, the ordinary income a participant shall recognize in the year of a disqualifying disposition will be the lesser of (i) the excess of the amount realized over the exercise price, or (ii) the excess of the fair market value of the shares at the time of the exercise over the exercise price; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by such participant. The ordinary income recognized by the participant is not considered wages and the Company is not required to withhold, or pay employment taxes, on such ordinary income. Finally, in addition to the ordinary income described above, the participant shall recognize capital gain on the disqualifying disposition in the amount, if any, by which the amount realized in the disqualifying disposition exceeds the fair market value of the shares at the time of the exercise, and shall be long-term or short-term capital gain depending on the participant's post-exercise holding period for such shares.

Special tax rules apply when all or a portion of the exercise price of an Incentive Stock Option is paid by delivery of already owned shares, but generally it does not materially change the tax consequences described above. However, the exercise of an Incentive Stock Option with shares which are, or have been, subject to an Incentive Stock Option, before such shares have satisfied the statutory holding period, generally will result in the disqualifying disposition of the shares surrendered.

Notwithstanding the favorable tax treatment of Incentive Stock Options for regular tax purposes, as described above, for alternative minimum tax purposes, an Incentive Stock Option is generally treated in the same manner as a Nonqualified Stock Option. Accordingly, a participant must generally include as alternative minimum taxable income for the year in which an Incentive Stock Option is exercised, the excess of the fair market value of the shares acquired on the date of exercise over the exercise price of such shares. However, to the extent a participant disposes of such shares in the same calendar year as the exercise, only an amount equal to the optionee's ordinary income for regular tax purposes with respect to such disqualifying disposition will be recognized for the optionee's calculation of alternative minimum taxable income in such calendar year.

Exercise of Nonqualified Stock Option and Subsequent Sale of Shares

A participant who is granted a Nonqualified Stock Option does not realize taxable income at the time of the grant, but does recognize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the shares acquired on the date of exercise over the exercise price of such shares; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by such participant. The ordinary income recognized by the participant is considered supplemental wages and the Company is required to withhold, and the Company and the participant are required to pay applicable employment taxes, on such ordinary income.

Table of Contents

Upon the subsequent disposition of shares acquired through the exercise of a Nonqualified Stock Option, any gain (or loss) realized on such disposition will be recognized as a long-term, or short-term, capital gain (or loss) depending on the participant's post-exercise holding period for such shares.

Lapse of Restrictions on Restricted Stock and Subsequent Sale of Shares

A participant who has been granted an award of restricted stock or restricted stock units does not realize taxable income at the time of the grant. When the restrictions lapse, the participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for such shares; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by such participant. The ordinary income recognized by the participant is considered supplemental wages and the Company is required to withhold, and the Company and the participant are required to pay applicable employment taxes, on such ordinary income. Upon the subsequent disposition of the formerly restricted shares, any gain (or loss) realized on such disposition will be recognized as a long-term, or short-term, capital gain (or loss) depending on the participant's holding period for such shares after their restrictions lapse.

Under Section 83(b) of the Code, a participant who receives an award of restricted stock may elect to recognize ordinary income for the taxable year in which the restricted stock was received equal to the excess of the fair market value of the restricted stock on the date of the grant, determined without regard to the restrictions, over the amount (if any) paid for the restricted stock. Any gain (or loss) recognized upon a subsequent disposition of the shares will be capital gain (or loss) and will be long term or short term depending on the post-grant holding period of such shares. If, after making the election, a participant forfeits any shares of restricted stock, or sells restricted stock at a price below its fair market value on the date of grant, such participant is only entitled to a tax deduction with respect to the consideration (if any) paid for the restricted stock, not the amount elected to be included as income at the time of grant.

SARs, Performance Shares and Stock Unit Awards

A participant who is granted a SAR does not realize taxable income at the time of the grant, but does recognize ordinary income at the time of exercise of the SAR in an amount equal to the excess of the fair market value of the shares (on the date of exercise) with respect to which the SAR is exercised, over the grant price of such shares; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by the such participant

A participant who has been awarded a performance share or a stock unit award does not realize taxable income at the time of the grant, but does recognize ordinary income at the time the award is paid equal to the amount of cash (if any) paid and the fair market value of shares (if any) delivered; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by the such participant.

The ordinary income recognized by a participant in connection with a SAR, performance share, or a stock unit award is considered supplemental wages and the Company is required to withhold, and the Company and the participant are required to pay applicable employment taxes, on such ordinary income.

To the extent, if any, that shares are delivered to a participant in satisfaction of either the exercise of a SAR, or the payment of a performance share or stock unit award, upon the subsequent disposition of such shares any gain (or loss) realized will be recognized as a long-term, or short-term, capital gain (or loss) depending on the participant's post-delivery holding period for such shares.

The Board of Directors recommends a vote FOR the approval of the proposed Cash America International, Inc. 2004 Long-Term Incentive Plan.

The firm of PricewaterhouseCoopers LLP served as the Company's independent auditors for the fiscal year ended December 31, 2003, and the Audit Committee desires to continue to engage the services of this firm for the fiscal year ending December 31, 2004. Accordingly, the Audit Committee has reappointed PricewaterhouseCoopers LLP to audit the financial statements of the Company and its subsidiaries for fiscal 2004 and report on those financial statements. Shareholders are being asked to vote upon the ratification of the appointment. The affirmative vote of a majority of the outstanding shares of Common Stock present at the Annual Meeting in person or by proxy is necessary for the ratification of the appointment of PricewaterhouseCoopers LLP as independent auditors. If shareholders do not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider their appointment. Fees paid to PricewaterhouseCoopers LLP during the last two fiscal years were as follows:

Audit Fees. Fees for professional services provided during the years ended December 31, 2003 and 2002 were \$437,523 and \$351,477, respectively. Audit fees consist primarily of the audit and quarterly reviews of the consolidated financial statements and statutory audits of subsidiaries required by governmental or regulatory bodies.

All Other Fees. No fees were expended for other professional services during the years ended December 31, 2003 and 2002.

The charter of the Audit Committee provides that the Committee is responsible for the pre-approval of all auditing services and permitted non-audit services to be performed for the Company by the independent auditors, subject to the requirements of applicable law. In accordance with this requirement, the Committee has established procedures for the pre-approval of such services. The procedures for pre-approving all audit and non-audit services provided by the independent auditors include the Committee's reviewing a written proposal for audit services, audit-related services, tax services and other services. The proposal includes a description of, and a budgeted amount for, particular categories of services that are anticipated at the time the proposal is submitted. Committee approval would be required to exceed the budgeted amount for a particular category of services or to engage the independent auditors for any services not included in the proposal. The Committee periodically monitors the services rendered by and actual fees paid to the independent auditors to ensure that such services are within the parameters approved by the Committee. In addition, the Committee pre-approved in advance the following audit and non-audit services to be rendered by the independent auditors for the 2003 fiscal year, and it has pre-approved in advance the same services for the 2004 fiscal year: (1) 10-Q quarterly reviews; (2) 401(k) Savings Plan audit; (3) Uniform Franchise Offering Circular filing reviews and consents; (4) officers' tax consultation and return preparation; and (5) general consulting on accounting and tax matters not to exceed \$15,000 in the aggregate.

Representatives of PricewaterhouseCoopers LLP will be present at the shareholders meeting and will be available to respond to appropriate questions and will be afforded an opportunity to make a statement should they so desire.

Table of Contents

(iv) determine the terms and conditions of any Award or Award Agreement;

(v) subject to Section 13 hereof, amend the terms and conditions of any Award or Award Agreement and accelerate the vesting and/or exercisability of any Option or waive any restrictions relating to any Award; PROVIDED, HOWEVER, that (A) except for adjustments pursuant to Section 5(c) of the Plan, in no event may any Option granted under this Plan be (x) amended to decrease the Exercise Price thereof, (y) cancelled in conjunction with the grant of any new Option with a lower Exercise Price, or (z) otherwise subject to any action that would be treated, for accounting purposes, as a repricing of such Option, unless such amendment, cancellation, or action is approved by the stockholders of the Company to the extent required by applicable law and stock exchange rules and (B) the Committee may not adjust upward the amount payable to a Covered Employee with respect to a Qualified Performance-Based Award or waive or alter the Performance Goals associated herewith in a manner that would violate Section 162(m) of the Code;

(vi) determine whether, to what extent and under what circumstances the exercise price of Awards may be paid in cash, Shares, other securities, other Awards or other property, or canceled, forfeited or suspended;

(vii) determine whether, to what extent and under what circumstances cash, Shares, other securities, other Awards, other property and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the holder thereof or the Committee;

(viii) interpret and administer the Plan and any instrument or agreement, including an Award Agreement, relating to the Plan;

(ix) adopt, alter, suspend, waive or repeal such rules, guidelines and practices and appoint such agents as it shall deem advisable or appropriate for the proper administration of the Plan; and

(x) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award or Award Agreement shall be within the sole discretion of the Committee, may be made at any time, and shall be final, conclusive and binding upon all persons, including without limitation, the Company, its Affiliates, subsidiaries, shareholders, Eligible Individuals and any holder or beneficiary of any Award.

(b) *Action by the Committee; Delegation.* Except to the extent prohibited by applicable law or the applicable rules of a Stock Exchange, the Committee may delegate all or any part of its duties and powers under the Plan to one or more persons, including Directors or a committee of Directors, subject to such terms, conditions and limitations as the Committee may establish in its sole discretion; PROVIDED, HOWEVER, that the Committee shall not delegate its powers and duties under the Plan (i) with regard to officers or Directors of the Company or any Affiliate who are subject to Section 16 of the Exchange Act or (ii) in a manner that would cause an Award designated as a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption; and PROVIDED, FURTHER, that any such delegation may be revoked by the Committee at any time.

(c) *Power and Authority of the Board.* Notwithstanding anything to the contrary contained herein, except to the extent that the grant or exercise of such authority would cause any Award or transaction to become subject to (or lose an exemption under) the short-swing profit recovery provisions of Section 16 of the Exchange Act or cause an Award designated as a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control.

SECTION 4. *Eligibility*

Any Eligible Individual shall be eligible to be designated a Participant. In determining which Eligible Individuals shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Individuals, their present and potential contributions to the success of the Company, or such other factors as the Committee, in its discretion, shall deem relevant. Notwithstanding the foregoing, Incentive Stock Options may be granted only to full-time or part-time Employees (which term as used herein includes, without limitation, officers and Directors who also are Employees), and an Incentive Stock Option shall not be granted to an Employee of an Affiliate unless such Affiliate also is a subsidiary corporation of the Company within the meaning of Section 424(f) of the Code or any successor provision.

SECTION 5. *Shares Available for Awards*

(a) *Shares Available.* Subject to adjustment as provided in Section 5(c) of the Plan, the aggregate number of Shares that may be issued under the Plan shall be 850,000. Shares that may be issued under the Plan may be authorized but unissued Shares or Shares re-acquired and held in treasury. Notwithstanding the foregoing, the number of Shares available for granting Incentive Stock Options under the Plan shall not exceed 425,000, subject to adjustment as provided in Section 5(c) of the Plan and subject to the provisions of Section 422 or 424 of the Code or any successor provision.

(b) *Accounting for Awards.* For purposes of this Section 5, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan. Any Shares that are used by a Participant as full or partial payment to the Company of the purchase price relating to an Award, including in connection with the satisfaction of tax obligations relating to an Award, shall again be available for granting Awards (other than Incentive Stock Options) under the Plan. In addition, if any Shares covered by an Award or to which an Award relates are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture or termination, shall again be available for granting Awards under the Plan.

(c) *Adjustments.* In the event of any change in corporate capitalization (including, but not limited to, a change in the number of Shares outstanding), such as a stock split or a corporate transaction, such as any merger, consolidation, separation, including a spin-off, or other distribution of stock or property of the Company (including any extraordinary cash or stock dividend), any reorganization (whether or not such reorganization comes within the definition of such term in Section 368 of the Code) or any partial or complete liquidation of the Company, the Committee or Board may make such substitution or adjustments in the aggregate number and kind of shares reserved for issuance under the Plan, and the maximum limitation upon Stock Options and Stock Appreciation Rights and other Awards to be granted to any Participant, in the number, kind and Exercise Price of shares subject to outstanding Stock Options and Stock Appreciation Rights, in the number and kind of shares subject to other outstanding Awards granted under the Plan and/or such other equitable substitution or adjustments as it may determine to be appropriate in its sole discretion (including, without limitation, the provision of an amount in cash in consideration for any such Awards); PROVIDED, HOWEVER, that the number of shares subject to any Award shall always be a whole number. Without limiting the generality of the foregoing, in connection with any Disaffiliation of a subsidiary of the Company, the Committee shall have the authority to arrange for the assumption or replacement of Awards with new awards based on shares of the affected subsidiary or by an affiliate of an entity that controls the subsidiary following the Disaffiliation. For purposes hereof, Disaffiliation of a subsidiary shall mean the subsidiary's ceasing to be a subsidiary of the Company for any reason (including, without limitation, as a result of a public offering, spinoff, sale or other distribution or transfer by the Company of the stock of the subsidiary).

SECTION 6. *Stock Options*

(a) *Grant.* Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the Eligible Individuals to whom Options shall be granted (which may be Nonqualified Stock Options or Incentive Stock Options), the number of shares to be covered by each Option, the exercise price for each Option, and the conditions and limitations applicable to the exercise of each Option. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code.

(b) *Exercise Price.* The Exercise Price per Share purchasable under a Option shall be determined by the Committee; PROVIDED, HOWEVER, that, unless otherwise determined by the Committee, such Exercise Price shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option.

(c) *Time and Method of Exercise.* The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the applicable Exercise Price) in which, payment of the Exercise Price with respect thereto may be made or deemed to have been made.

(d) *Option Term.* The term of each Stock Option shall be fixed by the Committee at the time of grant, but in no event shall be more than 10 years from the date of grant.

(e) *Incentive Stock Options.* The Committee may designate Options as Nonqualified Stock Options or as Incentive Stock Options. Any Incentive Stock Option authorized under the Plan shall contain such provisions as the Committee shall deem advisable, but shall in all events be consistent with and contain all provisions required in order to qualify the Stock Option as an Incentive Stock Option. To the extent that any Stock Option is not designated as an Incentive Stock Option or even if so designated does not qualify as an Incentive Stock Option on or subsequent to its grant date, it shall constitute a Nonqualified Stock Option.

SECTION 7. *Stock Appreciation Rights*

The Committee is hereby authorized to grant Stock Appreciation Rights to Eligible Individuals subject to the terms of the Plan. Each Stock Appreciation Right granted under the Plan shall confer on the holder upon exercise the right to receive, as determined by the Committee, cash or a number of Shares or a combination of cash and Shares equal to the excess of (A) the Fair Market Value of one Share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (B) the grant price of the Stock Appreciation Right as determined by the Committee, which grant price shall not be less than 100% of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right, unless otherwise determined by the Committee. Subject to the terms of the Plan, the grant price, term, methods of exercise, dates of exercise, methods of settlement, the effect of termination of employment (by reason of death, disability, retirement or otherwise) on the exercisability and any other terms and conditions (including conditions or restrictions on the exercise thereof) of any Stock Appreciation Right shall be as determined by the Committee, PROVIDED, that in no event shall the term of a Stock Appreciation Right be longer than ten years.

SECTION 8. *Performance Shares*

(a) The Committee shall have sole and complete authority to determine the Eligible Individuals who shall receive Performance Shares, the number of such shares for each Performance Cycle, the Performance Goals on which each Award shall be contingent, the duration of each Performance Cycle, and the value of each Performance Share. There may be more than one Performance Cycle in existence at any one time, and the duration of Performance Cycle may differ from each other. The Committee may, prior to or at the time of the grant, designate Performance Awards as Qualified Performance-Based Awards, in which event it shall condition the settlement thereof upon the Committee's certification of the attainment of the Performance Goals.

Table of Contents

(b) The Committee shall establish Performance Goals for each Cycle on the basis of such criteria and to accomplish such objectives as the Committee may from time to time select.

(c) As soon as practicable after the end of a Performance Cycle, the Committee shall determine the number of Performance Shares which have been earned on the basis of performance in relation to the established Performance Goals.

(d) Payment Values of earned Performance Shares shall be distributed to the Participant or, if the Participant has died, to the Participant's Designated Beneficiary, as soon as practicable after the expiration of the Performance Cycle and the Committee's determination under paragraph (c), above. The Committee shall determine whether Payment Values are to be distributed in the form of cash or shares of Common Stock.

SECTION 9. *Restricted Stock and Restricted Stock Units*

The Committee is hereby authorized to grant Restricted Stock and Restricted Stock Units to Eligible Individuals with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) *Restrictions.* Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, limitation on transfer, forfeiture conditions, limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate. The grant or vesting of Restricted Stock and Restricted Stock Units may be performance-based or time-based or both. Restricted Stock and Restricted Stock Units may be Qualified Performance-Based Awards, in which event the grant or vesting, as applicable, of such Restricted Stock or Restricted Stock Units shall be conditioned upon the attainment of Performance Goals.

(ii) *Stock Certificates; Delivery of Shares.*

(A) Any Restricted Stock granted under the Plan shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates. Any certificate issued in respect of shares of Restricted Stock shall be registered in the name of such Participant and shall bear an appropriate legend referring to the applicable Award Agreement and possible forfeiture of such shares of Restricted Stock. The Committee may require that the certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Stock, the Participant shall have delivered a stock power, endorsed in blank, relating to the Shares covered by such Award.

(B) In the case of Restricted Stock Units, no Shares or other property shall be issued at the time such Awards are granted. Upon the lapse or waiver of restrictions and the restricted period relating to Restricted Stock Units (or at such later time as may be determined by the Committee), Shares or other cash or property shall be issued to the holder of the Restricted Stock Units and evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates.

(iii) *Forfeiture.* Except as otherwise determined by the Committee, upon a Participant's termination of employment (as determined under criteria established by the Committee) during the applicable restriction period, all applicable Shares of Restricted Stock and Restricted Stock Units at such time subject to restriction shall be forfeited and reacquired by the Company.

SECTION 10. *Other Stock-Based Awards*

(a) In addition to granting Options, Stock Appreciation Rights, Performance Shares, Restricted Stock and Restricted Stock Units, the Committee shall have authority to grant to Participants Stock Unit Awards that can be in the form of Common Stock or units, the value of which is based, in whole or in part, on the value of Common Stock. Subject to the provisions of the Plan, including Section 10(b) below, Stock Unit Awards shall be subject to such terms, restrictions, conditions, vesting requirements and payment rules (all of

Table of Contents

which are sometimes hereinafter collectively referred to as "rules") as the Committee may determine in its sole and complete discretion at the time of grant. The rules need not be identical for each Stock Unit Award.

(b) In the sole and complete discretion of the Committee, a Stock Unit Award may be granted subject to the following rules:

(1) Any shares of Common Stock which are part of a Stock Unit Award may not be assigned, sold, transferred, pledged or otherwise encumbered prior to the date on which the Shares are issued or, if later, the date provided by the Committee at the time of grant of the Stock Unit Award.

(2) Stock Unit Awards may provide for the payment of cash consideration by the person to whom such Award is granted or provide that the Award, and any Common Stock to be issued in connection therewith, if applicable, shall be delivered without the payment of cash consideration, provided that for any Common Stock to be purchased in connection with a Stock Unit Award the purchase price shall be at least 50% of the Fair Market Value of such Common Stock on the date such Award is granted.

(3) Stock Unit Awards may relate in whole or in part to certain performance criteria established by the Committee at the time of grant.

(4) Stock Unit Awards may provide for deferred payment schedules and/or vesting over a specified period of employment.

(5) In such circumstances as the Committee may deem advisable, the Committee may waive or otherwise remove, in whole or in part, any restriction or limitation to which a Stock Unit Award was made subject at the time of grant.

(c) In the sole and complete discretion of the Committee, an Award, whether made as a Stock Unit Award under this Section 10 or as an Award granted pursuant to Sections 6 through 9, may provide the Participant with (i) dividends or dividend equivalents (payable on a current or deferred basis) and (ii) cash payments in lieu of or in addition to an Award.

SECTION 11. *Outside Directors Restricted Stock Units*

(a) *Grant of Restricted Stock Units.* Each Outside Director who is a member of the Board of Directors as of the conclusion of a Stockholders Meeting, beginning with the 2004 Stockholders Meeting, shall automatically be granted Restricted Stock Units for shares of Common Stock on the date of such Stockholders Meeting, with the number of shares to be determined by dividing \$40,000 by the Fair Market Value of the Stock on that date.

(b) *Terms and Conditions of Restricted Stock Units.* Restricted Stock Units granted pursuant to this Section 11 shall vest in equal 25% increments on each of the first four (4) anniversaries of the date of grant. Grantees will only be entitled to receive Shares of Common Stock relating to vested Restricted Stock Units and then only upon leaving the Board of Directors; provided, however, that upon a Change in Control, all unvested Restricted Stock Units shall automatically vest and Grantees shall be entitled to receive all such vested Restricted Stock Units as of such Change in Control. The Restricted Stock Units granted pursuant to this Section 11 shall be subject to such other terms and conditions as the Committee may specify.

SECTION 12. *Outside Directors Shares*

(a) *Election.* Outside Directors may elect, on an annual basis, to purchase Shares of Common Stock of the Company from the Company in lieu of receiving all or part (in 10% increments) of their annual retainer, meeting fees and committee meeting fees in cash. The purchase price of such shares shall be the Fair Market Value of the stock for the last trading day of the month in which the retainer, meeting fees, and committee meeting fees are earned.

(b) *Process.*

(i) The annual retainer, meeting fees and committee meeting fees payable to each Outside Director for service on the Board of Directors may, at the election of the Outside Director (the "Annual Election"), be payable to a trust in shares of common stock of the Company. The Annual Election:

Table of Contents

(i) shall be irrevocable in respect of the one-year period to which it pertains (the Plan Year) and shall specify the applicable percentage (in increments of 10%) of such annual retainer and meeting fees that such Outside Director wishes to direct to the trust; (ii) must be received in writing by the administrator of the Plan by the established enrollment deadline of any year in which this Plan is in effect in order to cause the next succeeding Plan Year s annual retainer and fees to be subject to the provisions of this Plan; and (iii) must specify whether the ultimate distribution of the shares of common stock to the Outside Directors will be paid, following the Outside Director s death or termination of Board service, in a lump sum or in equal annual payments over a period of two to twenty years.

(ii) The Shares shall be purchased from the Company at the Fair Market Value of the Common Stock for the last trading day of the month in which the fees are earned and shall be credited by the trustee to the account of the Outside Director. The certificates for Common Stock shall be issued in the name of the trustee of the trust and shall be held by such trustee in trust for the benefit of the Outside Directors; provided, however, that each Outside Director shall be entitled to vote the shares. The trustee shall retain all dividends (which shall be reinvested in shares of Common Stock) and other distributions paid or made with respect thereto in the trust. The shares credited to the account of an Outside Director shall remain subject to the claims of the Company s creditors, and the interests of the Outside Director in the trust may not be sold, hypothecated or transferred (including, without limitation, transferred by gift or donation) while such shares are held in the trust.

(iii) If the Outside Director elects to receive a lump sum distribution, the trustee of the trust shall distribute such shares of common stock free of restrictions within 60 days after the Outside Director s termination date or a later date elected by the Outside Director (no later than the mandatory retirement age of the Outside Director). If the Outside Director elects to receive a lump sum distribution, the Outside Director may, by delivering notice in writing to the administrator of the Plan no later than December 31 of the year prior to the year in which the Outside Director terminates service as a Director, elect to receive any portion or all of the common stock in the form of cash determined by reference to the Fair Market Value of the common stock as of the termination date. Any such notice to the administrator must specify whether the distribution will be entirely in cash or whether the distribution will be in a combination of common stock and cash (in which case the applicable percentage must be specified). In the case of termination of the Outside Director s service as a result of his death, payment of the Outside Director s account shall be in shares of common stock and not in cash. If an Outside Director elects to receive payments in installments, the distribution will commence within 60 days after the Outside Director s termination date and will be made in shares of common stock and not in cash. Notwithstanding anything to the contrary contained herein, any fractional shares of common stock shall be distributed in cash to the Outside Director.

SECTION 13. *Amendment and Termination*

(a) *Amendments to the Plan.* The Board may amend, alter, suspend, discontinue or terminate the Plan at any time; PROVIDED, HOWEVER, that, notwithstanding any other provision of the Plan or any Award Agreement, without the approval of the stockholders of the Company, no amendment, alteration, suspension, discontinuation or termination shall be made that, absent such approval:

(i) requires stockholder approval under the rules or regulations of the New York Stock Exchange, any other securities exchange or the National Association of Securities Dealers, Inc. that are applicable to the Company;

(ii) increases the number of Shares authorized under the Plan as specified in Section 5(c) of the Plan; or

(iii) without such stockholder approval, would cause the Company to be unable, under the Code, to grant Incentive Stock Options under the Plan.

(b) *Amendments to Awards.* The Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively. Except as otherwise provided herein or in an Award Agreement, the Committee may not amend, alter, suspend, discontinue or terminate any outstanding

Table of Contents

Award, prospectively or retroactively, if such action would adversely affect the rights of the holder of such Award, without the consent of the Participant or holder or beneficiary thereof or such amendment would cause a Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

(c) *Correction of Defects, Omissions and Inconsistencies.* The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

SECTION 14. *General Provisions*

(a) *Withholding.* No later than the date as of which an amount first becomes includible in the gross income of a Participant for federal income tax purposes (or the income tax laws of any other foreign jurisdiction) with respect to any Award under the Plan, the Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company and its Affiliates shall, to the extent permitted by law, be entitled to take such action and establish such procedures as it deems appropriate to withhold or collect all applicable payroll, withholding, income or other taxes from such Participant. In order to assist a Participant in paying all or a portion of the federal, state, local and foreign taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (i) electing to have the Company withhold a portion of the Shares or other property otherwise to be delivered upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes or (ii) delivering to the Company Shares or other property other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes, PROVIDED that, in either case, not more than the legally required minimum withholding may be settled with Shares. Any such election must be made on or before the date that the amount of tax to be withheld is determined.

(b) *Awards.* Each Award hereunder shall be evidenced by an Award Agreement, delivered to the Participant or Outside Director and shall specify the terms and conditions thereof and any rules applicable thereto, including but not limited to the effect on such Award of the death, retirement or other termination of employment of the Participant or Outside Director and the effect thereon, if any, of a Change in Control of the Company.

(c) *No Rights to Awards.* No Eligible Individual or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Individuals or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(d) *No Right to Employment.* No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Employer. Further, the Employer expressly reserves the right at any time to dismiss a Participant free from any liability, or any claim under the Plan, except as provided herein or in any agreement entered into with respect to an Award.

(e) *No Rights as Stockholder.* Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed under the Plan until he or she has become the holder thereof. Notwithstanding the foregoing, in connection with each grant of Restricted Stock or Stock Unit Award hereunder, the applicable Award shall specify if and to what extent the Participant shall not be entitled to the rights of a stockholder in respect of such Restricted Stock or Stock Unit Award.

(f) *Construction of the Plan.* The validity, construction, interpretation, administration and effect of the Plan and of its rules and regulations, and rights relating to the Plan, shall be determined solely in accordance with the laws of the State of Texas.

Table of Contents

(g) *Change in Control.* In order to preserve Participant's rights under an Award in the event of a transaction or occurrence that the Committee reasonably determines to constitute a change in control of the Company (a "Change-in-Control"), the Committee in its discretion may, at the time an Award is made or any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of the Award, (ii) provide for the purchase of the Award upon the Participant's request for an amount of cash or other property that could have been received upon the exercise or realization of the Award had the Award been currently exercisable or payable, (iii) adjust the terms of the Award in a manner determined by the Committee to reflect the Change in Control, (iv) cause the Award to be assumed, or new rights substituted therefore, by another entity, or (v) make such other provision as the Committee may consider equitable and in the best interests of the Company.

(h) *Forms of Payment Under Awards.* Subject to the terms of the Plan, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or settlement of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, promissory notes (PROVIDED, HOWEVER, that the acceptance of such notes does not conflict with Section 402 of the Sarbanes-Oxley Act of 2002), other securities, other Awards or other property or any combination thereof), and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of dividend equivalents with respect to installment or deferred payments.

(i) *Section 16 Compliance; Section 162(m) Administration.* The Plan is intended to comply in all respects with Rule 16b-3 or any successor provision, as in effect from time to time, and in all events the Plan shall be construed in accordance with the requirements of Rule 16b-3. If any Plan provision does not comply with Rule 16b-3 as hereafter amended or interpreted, the provision shall be deemed inoperative. The Board, in its absolute discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan with respect to persons who are officers or Directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other Eligible Individuals. The Company intends that all Stock Options and Stock Appreciation Rights granted under the Plan to individuals who are or who the Committee believes will be Covered Employees will constitute "qualified performance-based compensation" within the meaning of Section 162(m) of the Code.

(j) *Restrictions.* Shares shall not be issued pursuant to the exercise or payment of the Exercise Price or purchase price relating to an Award unless such exercise or payment and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Act, the Exchange Act, the rules and regulations promulgated thereunder, the requirements of any applicable stock exchange and the Texas Business Corporations Act, as amended from time to time. As a condition to the exercise or payment of the Exercise Price or purchase price relating to such Award, the Company may require that the person exercising or paying the Exercise Price or purchase price represent and warrant that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation and warranty is required by law. All Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable, and the Committee may direct appropriate stop transfer orders and cause other legends to be placed on the certificates for such Shares or other securities to reflect such restrictions.

(k) *Limits on Transfer of Awards.* No Award and no right under any such Award shall be transferable by a Participant otherwise than by will or by the laws of descent and distribution and the Company shall not be required to recognize any attempted assignment of such rights by any Participant; PROVIDED, HOWEVER, that, if so determined by the Committee, a Participant may, in the manner established by the Committee, designate a beneficiary or beneficiaries to exercise the rights of the Participant and receive any property distributable with respect to any Award upon the death of the Participant; and PROVIDED, FURTHER, that, if so determined by the Committee, a Participant may transfer a Nonqualified Stock Option to any Family Member (as such term is defined in the General Instructions to Form S-8 (or successor to such Instructions or such Form)) at any time that such Participant holds such Stock Option, whether directly or

indirectly or by means of a trust or partnership or otherwise, PROVIDED that the Participant may not receive any consideration for such transfer, the Family Member may not make any subsequent transfers other than by will or by the laws of descent and distribution and the Company receives written notice of such transfer. Except as otherwise determined by the Committee, each Award (other than an Incentive Stock Option) or right under any such Award shall be exercisable during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative. Except as otherwise determined by the Committee, no Award (other than an Incentive Stock Option) or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or other encumbrance thereof shall be void and unenforceable against the Company or any Affiliate. Notwithstanding the above, in the discretion of the Committee, awards may be transferable pursuant to a Qualified Domestic Relations Order (QDRO), as determined by the Committee or its designee.

(l) *Severability*. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

SECTION 15. *Effective Date of Plan*

Upon its adoption by the Board, the Plan shall be submitted for approval by the stockholders of the Company and shall be effective as of the date of such approval (the EFFECTIVE DATE).

SECTION 16. *Term of the Plan*

The Plan will terminate on the tenth anniversary of the Effective Date or any earlier date of discontinuation or termination established pursuant to Section 3 of the Plan. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee provided for hereunder with respect to the Plan and any Awards, and the authority of the Board to amend the Plan, shall extend beyond the termination of the Plan.
