On October 28, 2004, Energy Transfer Partners, L.P. (the Company) issued performance based vesting common unit awards covering an aggregate of 103,100 shares of its common units (the Awards) to certain employees, including awards to the following executive officers:

Name and Title of Executive Officer	Number of Units Awarded
Mackie McCrea	8,000
R.C. Mills	6,000

The Awards were made under the Company's 2004 Unit Plan and will vest subject to vesting over three (3) years based upon the achievement of certain performance criteria described below. Vested Awards will convert into common units upon the third anniversary of the measuring date for the grants, which is September 1, of each year. The recipients will begin to receive distributions on these units upon vesting and conversion into common units.

Up to one-third of each Award will become vested each year based upon the total return to the Company's unitholders as compared to a group of MLP peers. The amount to be vested each year will be equal to the percentage reflected in the table below that corresponds to the total return quartile for our unitholders as compared to this peer group. Total return includes the annual distribution plus the increase <decrease> in the unit price for the twelve months beginning September 1 of each year. Each year for the next three years, one third of each Award will vest according to the following schedule:

Peer Group Total Return Quartile	Percent Vested
Top Quartile	100%
2nd Quartile	65%
3rd Quartile	25%
4th Quartile	0%

Early vesting during the period up to the first anniversary date of the Awards will be permitted only upon a change in control involving 75% or more of either the outstanding partner interests of the general partner or the outstanding partner interest of the owner of the general partner. Following the first anniversary, the early vesting provision contained in the 2004 Unit Plan will govern.

A copy of the Form of Grant Agreement is filed herewith as Exhibit 10.1 to this report.
