Item 1. Security and Issuer.

The class of equity securities to which this Amendment No. 6 to the joint statement on Schedule 13D (Amendment No. 6) relates is the common stock, par value \$0.001 per share (the Common Stock) of Good Times Restaurant Inc. (the Issuer), a Nevada corporation with its principal executive offices at 601 Corporate Circle, Golden, Colorado 80401. Items 3, 4, 5, 6 and 7 of a Statement on Schedule 13D previously filed by Erie County Investment Co., an Ohio corporation (Erie), The Bailey Company, LLLP, a Colorado limited liability limited partnership (Bailey), and Mr. Paul T. Bailey, an individual (Mr. Bailey), as amended, are further amended as set forth below. Erie, Bailey and Mr. Bailey are sometimes referred to herein as The Bailey Group.

Item 3. Source and Amount of Funds or Other Consideration.

No change except for the addition of the following:

On February 10, 2005, Erie acquired 180,000 shares of the Issuer s Series B Convertible Preferred Stock (the Series B Stock) in a private placement transaction for a purchase price of \$2.50 per share. The Series B Stock is convertible into Common Stock as set forth in Item 4. The acquisition of the Series B Stock was funded from Erie s working capital.

Item 4. Purpose of Transaction.

No change except for the addition of the following:

The Issuer and Erie entered into a Securities Purchase Agreement dated as of December 30, 2004, as amended (the Purchase Agreement), whereby Erie agreed to purchase 180,000 shares of Series B Stock from the Issuer. The Issuer and Erie closed the purchase of the Series B Stock pursuant to the Purchase Agreement as of February 10, 2005. The 180,000 shares of Series B Stock initially will be convertible into a total of 180,000 shares of Common Stock of the Issuer, subject to certain anti-dilution adjustments. The Series B Stock will also rank senior to the Common Stock of the Issuer with respect to dividends and rights upon liquidation, dissolution or winding up. The Series B Stock will generally vote with the holders of Common Stock on all matters requiring a vote of the stockholders of the Issuer on an as-converted basis. From and after February 10, 2006, the holders of the Series B Stock, including Erie if still a holder, will be entitled to receive cumulative cash dividends of \$0.15 per share per annum. Upon liquidation, the holders of the Series B Stock, including Erie if still a holder, will be entitled to an amount equal to \$2.50 per share plus all accrued and unpaid dividends prior to any distributions being made to the holders of Common Stock. For a complete description of all terms of the Series B Stock, please review the Certificate of Designation of the Series B Preferred Stock that is attached as Exhibit 1. In addition, certain provisions of the Purchase Agreement will be discussed below; however, for a complete understanding of the Purchase Agreement, please review the Purchase Agreement that is attached as Exhibit 2.

Page 6 of 10 Pages

The Purchase Agreement provides certain participation rights to the purchasers of Series B Stock. Therefore, before the Issuer may issue any new securities, the Issuer must offer to Erie, along with the other purchasers of Series B Stock, the right, for a period of 15 days, to purchase for cash at the price for which such securities are being issued a number of shares of such securities so that Erie will continue to hold the same proportional equity interest in the Issuer. These participation rights apply to Erie only as long as two-thirds of the Series B Stock, the Common Stock issuable upon conversion of the Series B Stock, and the Common Stock held by Erie or its affiliates on the date of the Purchase Agreement remain held by Erie or its affiliates. These participation rights do not apply to certain issuances of securities, including securities issued pursuant to an acquisition or a public offering of securities.

The Issuer and Erie have entered into a Stock Restriction and Registration Rights Agreement. The Issuer has agreed to file, at its expense, a registration statement covering resales of the Common Stock issuable upon the conversion of the Series B Stock. Erie and Bailey also entered into a Supplemental Stock Restriction and Registration Rights Agreement, as amended (the Supplemental Agreement) whereby it received the same registration rights and became subject to the same resale restrictions for 821,521 shares of Common Stock currently held by Bailey as a result of Bailey's conversion of the Issuer's prior Series A Convertible Preferred Stock. The Stock Restriction and Registration Rights Agreement is attached as Exhibit 3. The Supplemental Agreement is attached as Exhibit 4. An amendment to the Supplemental Agreement that added Bailey as a party to the Supplemental Agreement is attached as Exhibit 5.

The Purchase Agreement provides that notwithstanding any provision to the contrary of the Certificate of Designation, for so long as at least two-thirds of the Series B Stock, the Common Stock issuable upon conversion of the Series B Stock, and the Common Stock held by Erie or its affiliates on the date of this Agreement, in the aggregate, remain held by Erie or its affiliates, the Issuer shall not institute:

any increase in the outstanding shares of preferred stock of any class or series without the prior written consent of Erie; or

any amendment of the Certificate of Designation which materially adversely affects the rights and preferences of the Series B Stock.

The Purchase Agreement provides that Erie may only transfer all or any portion of or interest in its Series B Stock for value pursuant to a bona fide offer to purchase. If Erie desires to sell its Series B Stock pursuant to such an offer, it must give the Issuer notice which must contain a description of all of the material terms and conditions of the offer and a copy of it, if any. The Issuer will then have a period of 15 days to determine whether to purchase all of Erie's Series B Stock upon the terms and conditions contained in the offer to purchase.

The Purchase Agreement also provides that Erie voting together as a separate class will have the right to elect three directors of the Issuer's board of directors, two of whom shall meet

the independence criteria of Nasdaq and of any other rules and regulations applicable to the Issuer. However, to the extent that the number of outstanding shares of Series B Stock and the number of shares of Common Stock which are held by Erie are diminished as a result of sale or other transfer, the number of directors of the Issuer's board of directors which may be elected by Erie shall be proportionately reduced or eliminated to the extent that total number of such shares is nearer to two-thirds, one-third or zero compared to the initial total number thereof. In consideration of the foregoing rights, Erie will not participate in the election of directors provisions of the Certificate of Designations.

Except as described in this Item 4, none of the Reporting Persons has any present plans or proposals which relate to or would result in any transaction, change or event specified in clauses (a) through (j) of Item 4 of Schedule 13D, though as a significant stockholder of the Issuer, the Reporting Persons may, from time to time, consider one or more of such actions.

Item 5. Interest in Securities of the Issuer.

No change except for restatement of (a) and (b) and the addition to (c) as follows:

(a) Bailey is the direct beneficial owner of 821,512 shares of Common Stock, representing approximately 34.9% of the voting power of the outstanding Common Stock based upon 2,354,710 shares of Common Stock outstanding as of December 13, 2004 (the Outstanding Shares), as set forth in the Issuer's Proxy Statement filed on January 13, 2005. Erie and Mr. Bailey are the direct beneficial owners of 1,034,792 shares and 1,092,792 shares of Common Stock, respectively, which represent approximately 40.8% and 43.1%, respectively, of the Outstanding Shares plus the 180,000 shares of Common Stock the Series B Preferred owned by Erie are convertible into.

(b) Bailey, Erie and Mr. Bailey may be deemed to share voting and dispositive power over the 821,512 shares of Common Stock held directly by Bailey. Erie and Mr. Bailey may be deemed to share voting and dispositive power over the 33,280 shares of Common Stock and 180,000 shares of Series B Stock held directly by Erie. Mr. Bailey has sole voting and dispositive power over the 58,000 shares of Common Stock held directly by Mr. Bailey.

(c) The following transactions in the Issuer's securities have occurred within the last sixty days by Erie, which purchase was a privately-negotiated transaction.

<u>Date</u>	<u>Shares of Series B Stock</u>	<u>Approximate Price Per Share (\$)</u>
2/10/05	180,000	\$2.50
