Item 1.02. Termination of a Material Definitive Agreement.

On March 29, 2005, a subsidiary of VERITAS Software Corporation (together with its subsidiaries, the Company) entered into a Termination and Assignment Agreement (the Termination Agreement), by and among the Company; Wells Fargo Bank Northwest, National Association, as Owner Trustee; the various banks and other lending institutions listed on the signature pages thereto; ABN AMRO Bank, N.V., as Agent; and certain other parties. Pursuant to the Termination Agreement and the transactions contemplated thereby, the Company acquired beneficial ownership of the VS Trust 2000-2, a trust organized under the laws of the State of Utah and the landlord of its Milpitas, California campus. The Company leased the campus pursuant to a synthetic lease arrangement entered into in July 2000. The Company acquired all of the beneficial interest of the trust for approximately \$5.9 million, and concurrently paid off the acquisition and construction loan for the development of the Milpitas, California campus, in the outstanding amount of approximately \$190 million. The loan payment was a condition to the Company s acquisition of the beneficial interests in the trust and the Company did not incur any material early termination penalties in connection with the Termination Agreement. The Company s decision to acquire the beneficial interests in the trust was in anticipation of the maturity date of the landlord s loan, which the Company had guaranteed under the synthetic lease arrangement.
