On September 30, 2005, Affiliated Computer Services, Inc. (the Company) published its proxy statement for its 2005 Annual Meeting of Stockholders to be held on October 27, 2005. In the Company's response to Proposal 4 in such proxy statement, the Company stated that it had formed a special committee of the Board of Directors comprised of the Company's four independent directors and that the special committee had retained the investment banking firm of Lazard Frères & Co. LLC and the law firm Dewey Ballantine LLP to advise the special committee regarding a potential transaction which would involve an exchange by Mr. Darwin Deason, the Company's founder and Chairman, of his Class B common stock for a new preferred stock of the company which would have no disproportionate voting rights. The Company has consulted with the investment banking firm of Bear Stearns & Co., Inc. in connection with these discussions. There can be no assurance that any such transaction will take place or, if so, the timing thereof.

All statements in this Current Report on Form 8-K that are not based on historical fact are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and the provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (which Sections were adopted as part of the Private Securities Litigation Reform Act of 1995). While management has based any forward-looking statements contained herein on its current expectations, the information on which such expectations were based may change. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of risks, uncertainties, and other factors, many of which are outside of our control, that could cause actual results to materially differ from such statements. Such risks, uncertainties, and other factors include, but are not necessarily limited to, those set forth under the caption "Risks Related to Our Business" in our most recently filed Annual Report on Form 10-K. In addition, we operate in a highly competitive and rapidly changing environment, and new risks may arise. Accordingly, investors should not place any reliance on forward-looking statements as a prediction of actual results. We disclaim any intention to, and undertake no obligation to, update or revise any forward-looking statement.
