ITEM 8.01 Other Events

On March 8, 2006, we received notice regarding the resolution of our outstanding dispute with The Black and Decker Corporation (BDK) on the net asset value of our former Tools Group. The decision by the arbitrator constitutes a final resolution of all disputes between BDK and us regarding the definition of net asset value. The purchase price adjustment amounts to \$16.1 million, of which \$12.7 million was previously reserved. This will result in an incremental pre-tax charge to loss on disposal of discontinued operations of \$3.4 million in the first quarter of 2006. On October 2, 2004, we completed the sale of our former Tools Group to BDK for \$796.8 million in cash, subject to post-closing adjustments. The Tools Group was primarily comprised of the Porter Cable®, Delta®, DeVilbiss Air Power, Oldham Saw, and FLEX® brands. In the second quarter of 2005, we paid \$10.4 million to BDK for purchase price adjustments. As a result of the dispute resolution, we expect to pay the \$16.1 million purchase price adjustment plus interest of \$1.1 million to BDK in the first quarter of 2006.

ITEM 9.01 Financial Statements and Exhibits

(a) Financial Statements of Businesses Acquired
Not applicable.
