-

**Item 1.01 Entry into a Material Definitive Agreement.**

On December 19, 2006, Cash America International, Inc. (the Company) issued and sold an aggregate of \$60 million of its senior notes (the Notes) to qualified institutional buyers, pursuant to a note purchase agreement dated as of December 19, 2006 (the Note Purchase Agreement). The Notes are comprised of (a) \$35 million aggregate principal amount of its Series A 6.09% Senior Notes due December 19, 2016 (the Series A Notes) and (b) \$25 million aggregate principal amount of Series B 6.21% Senior Notes due December 19, 2021 (the Series B Notes). A copy of the press release announcing the transaction is attached hereto as Exhibit 99.1.

The Notes pay interest on June 19 and December 19 of each year, beginning on June 19, 2007, with the Series A Notes paying interest at an annual rate of 6.09% of the unpaid principal amount, and the Series B Notes paying interest at an annual rate of 6.21% of the unpaid principal amount. Principal on the Series A Notes will be repaid in five annual installments of \$7,000,000 (or such lesser principal amount as shall then be outstanding) beginning December 19, 2012. Principal on the Series B Notes will be repaid in 11 annual installments of \$2,272,727 (or such lesser principal amount as shall then be outstanding) beginning December 19, 2011. The Notes are guaranteed by all of the Company's direct and indirect subsidiaries. The Note Purchase Agreement contains customary covenants.

The Note Purchase Agreement provides for customary events of default that include (subject in certain cases to customary grace and cure periods) nonpayment of principal, interest or make-whole amounts, breach of covenants or other agreements in the Note Purchase Agreement and certain events of bankruptcy or insolvency. Generally, if an event of a default occurs, the holders of at least a majority in principal amount of outstanding Notes may declare due and payable the principal, accrued but unpaid interest and a make whole amount with respect to all Notes. The Notes will accelerate automatically if certain events of bankruptcy or insolvency occur. Any Note holder may accelerate the payment of such holder's Notes if the Company defaults in the payment of principal, interest or make whole amounts with respect to such Notes.

The Note Purchase Agreement, including the forms of the Series A Notes, the Series B Notes and the Guaranty Agreement between the Company's subsidiaries and the purchasers of the Notes, is filed as Exhibit 10.1 to this Form 8-K. The foregoing description is qualified in its entirety by reference to the full text of the Note Purchase Agreement.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

The disclosures provided in Item 1.01 of this Form 8-K are hereby incorporated by reference into this Item 2.03.
