Alaska Communications Systems Group, Inc. (the Registrant) was unable to timely file its Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2007 (the Report). The Registrant experienced delays in finalizing its financial statement footnote disclosure for inclusion in the Report due to the complexity and extent of work required in evaluating the reserve against the Registrant's deferred tax asset. Thus, the Registrant was thus unable to complete and file the Report within the prescribed time period without unreasonable effort or expense.
