2009 Incentive Compensation Program

On December 22, 2008, the Compensation Committee of the Board of Directors of LaCrosse Footwear, Inc. (the Company) approved the Company's 2009 incentive compensation program (the Incentive Program). Executive officers and other non-union employees who meet certain conditions will be eligible to participate in the Incentive Program. The Incentive Program provides for payment of incentive compensation equal to a percentage of the employee's pro-rated base salary and overtime earnings for exempt employees. If Company annual financial goals are met, the employee will receive 100% of target incentive compensation. The percentage of earnings that is paid as incentive compensation increases in the event the Company achieves greater than 100% of its annual financial goals and is conversely lower in the event that the Company achieves less than 100% of such annual goals. The Incentive Program is based on minimum threshold levels for net sales growth and operating profit. In addition, if the operating profit minimum threshold is not met, there can be no incentive payment. The Incentive Program description as distributed to the Company's non-union employees is included as Exhibit 10.1 to this Current Report and is incorporated herein by reference. The foregoing description of the Incentive Program does not purport to be complete and is qualified in its entirety by reference to such exhibit.
