**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On January 12, 2009, Tronox Incorporated, thirteen of its U.S. subsidiaries and Tronox Luxembourg S.ar.l, an international subsidiary, filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York seeking reorganization relief under the provisions of Chapter 11 of Title 11 of the United States Bankruptcy Code (the Chapter 11 Cases ). The Chapter 11 cases are being jointly administered under the caption *In re Tronox Incorporated, et.al.*, Case No. 09-10156 (ALG). Following the filing of the Chapter 11 Cases, Tronox believes that additional time is necessary for a more thorough review of financial and other disclosures regarding potential asset impairments and environmental reserves. The company anticipates receiving from its auditor an opinion expressing substantial doubt about its ability to continue as a going concern.

If answer is no, identify report(s). Yes No
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof ? Yes No

As disclosed in part III above, the delay in filing the Report is necessary in part because in connection with the filing of the Chapter 11 Cases, the Company is continuing to perform an impairment analysis related to certain of its tangible and intangible assets and a review of certain of its environmental reserves. It is expected that the completion of the impairment analysis will result in the Report reflecting a significant change in results of operations from the corresponding period for the last fiscal year. The Company expects to report net sales of \$1.5 billion for the year-ended December 31, 2008 compared to net sales of \$1.4 billion for the year-ended December 31, 2007. In addition, the company expects to report gross margin of \$65 million compared to a gross margin of \$116 million in 2007. Pending the completion of the final analysis, the Company is unable to provide an estimate of net income (loss) at this time.
