Item 5.02 Compensatory Arrangements of Certain Officers

The Compensation Committee (the Committee) of the Board of Directors of IPG Photonics Corporation (the Company) has taken the actions described below relating to the compensation of the named executive officers, as such term is defined in Item 402(a)(3) of Regulation S-K, of the Company as of December 31, 2006.

Employees of the Company who are at least at the level of vice president or director are eligible to receive awards under the Company's Executive Short-Term Incentive Plan (the STIP). At the beginning of fiscal year 2006, the Committee identified multiple performance goal levels for two performance measures, Net Sales and Adjusted Earnings Before Taxes (Adjusted EBT), each as determined under the STIP, and assigned a 50% weighting factor to each performance measure. Upon the achievement of a performance goal level for each performance measure, participants are awarded a target cash incentive payment ranging from 30% to 113% of base salary. Target incentives increase as higher performance goal levels are achieved by the Company. The Committee also set a non-financial performance goal whereby participants would receive a cash incentive payment of 25% of base salary if the Company attained a certain non-financial performance target in 2006. After reviewing the Company s financial performance for fiscal year 2006 and the achievement of the non-financial performance target in 2006, the Committee awarded cash incentive payments to the executive officers, including our named executive officers as follows:

N 15 W	Incentive
Name and Position	Award

Vice President-Components	\$ 156,000
vice i resident-components	
Denis Gapontsev, Ph.D.	\$ 138,000
Vice President, Research and Development	

On March 14, 2007, the Committee selected the STIP performance goal levels, performance measures and target incentives for fiscal year 2007. Net Sales and Adjusted EBT were selected as the performance measures with a 50% weighing factor assigned to each. The target cash incentive payments to be awarded to participants in the STIP range from 16% to 98% of base salary if performance measures are met. If the target performance measures are exceeded, the STIP plan for 2007 provides for larger cash incentive payments. If neither threshold target is met in 2007, no cash incentive payment would be made. The Committee retains the ability, at its discretion, to adjust the calculated cash incentive award for each participant and the calculation of the performance measures.
