Item 2.01 Completion of Acquisition or Disposition of Assets

As previously announced, effective October 1, 2004, National Commerce Financial Corporation, a Tennessee corporation ("NCF"), merged with and into SunTrust Banks, Inc., a Georgia corporation and the registrant hereunder ("SunTrust" or the "Registrant"), pursuant to the Agreement and Plan of Merger, dated as of May 7, 2004 (the "Merger Agreement"), between NCF and SunTrust (the "Merger"). NCF is a registered bank holding company headquartered in Memphis, Tennessee, which provides banking and other financial services through its banking and non-banking subsidiaries. As of June 30, 2004, NCF had total assets of \$24.0 billion, total liabilities of \$21.3 billion and total equity of \$2.8 billion. As a result of the Merger, SunTrust issued approximately 76.4 million shares of common stock and paid an aggregate of \$1.8 billion to the former shareholders of NCF. A copy of the Merger Agreement, which has been filed as Appendix A to Amendment No. 3 to SunTrust's Registration Statement on Form S-4, which was filed with the Securities and Exchange Commission (the "Commission") on August 3, 2004, is incorporated into this Item 2.01 by reference. A copy of the press release announcing the closing of the Merger, which has been filed as Exhibit 99.1 to SunTrust's Current Report on Form 8-K, which was filed with the Commission on October 1, 2004, is incorporated into this Item 2.01 by reference.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

Newly-Appointed Officers and Directors

Concurrently with the closing of the Merger, the following individuals were appointed as officers and/or elected to serve as directors of SunTrust.

Phail Wynn, Jr.

Certain Related-Party Transactions

At the effective time of the Merger, the employment of Mr. Reed, who was a party to an employment agreement and change of control employment agreement with NCF dated as of July 5, 2000, was deemed to have been terminated without cause. Accordingly, pursuant to the existing contract, Mr. Reed became entitled to the payments, benefits and rights pursuant to his employment agreement, without regard to whether Mr. Reed's employment actually terminated as of the closing. At the closing of the Merger, SunTrust paid to Mr. Reed an aggregate lump sum cash payment of \$4,002,759 in satisfaction of certain obligations under such agreement. In addition, the Merger constituted a change in control under the NCF supplemental retirement plan (the "NCF SERP"). At the time of completion of the Merger, accrued benefits under the NCF SERP, amounting to an aggregate of \$289,605 for Mr. Reed, became fully vested. While these accrued benefits were not payable to Mr. Reed in a lump sum at the time of completion of the Merger (since Mr. Reed remains employed by SunTrust), such benefits will be payable in a lump sum in the event Mr. Reed's employment is terminated after the Merger.

SunTrust has not entered into any formal agreement with Mr. Reed outlining the terms of his service to SunTrust as Vice Chairman, or the compensation therefor. In accordance with the Commission's rules and regulations, SunTrust will file an amendment to this Current Report on Form 8-K within four business days after such information becomes available.

In connection with the Merger and effective as of the effective time of the Merger, SunTrust granted an aggregate of 100,000 options to purchase SunTrust common stock in accordance with SunTrust's 2004 executive compensation stock option grant guidelines to Mr. Reed. Using the Black-Scholes valuation methodology used by SunTrust in its current stock options reporting and based on \$71.24, the closing price of SunTrust common stock on October 1, 2004, it is estimated that such options have an intrinsic value of \$812,848.

At the effective time of the Merger, 8,100 restricted shares of NCF common stock held by Mr. Reed were converted into 4,012 shares of SunTrust common stock. These shares have an aggregate fair market value of approximately \$285,815, based on the closing price of SunTrust common stock on October 1, 2004. All such shares of SunTrust common stock became fully vested and free of restrictions and risk of forfeiture.

At the effective time of the Merger, SunTrust assumed a pre-existing employment agreement between Thomas M. Garrott, formerly Chairman of the executive committee of the NCF board of directors, and NCF that provides for annual salary payments of approximately \$477,000, adjusted for inflation, annual grants of stock options and other benefits through July 5, 2006. Pursuant to this agreement, at the effective time of the Merger, Mr. Garrott received grants of stock options to acquire at then-market prices 122,488 shares of SunTrust common stock in each of January 2005 and January 2006. Using the Black-Scholes valuation methodology used by SunTrust in its current stock options reporting, it is estimated that such options have an intrinsic value of \$1,991,284.

Membership on Committees of the Board of Directors

SunTrust currently expects that, as soon as practicable following the closing of the Merger, it will appoint Mr. Farnsworth and Mr. Garrett to serve on SunTrust's Audit Committee of the Board of Directors, Mr. Garrott to serve on SunTrust's Executive Committee of the Board of Directors, and Mr. Wynn to serve on SunTrust's Governance and Nominating Committee of the Board of Directors.
